To Po'mmel.✝ *v. a.* [This word seems to come from *pommeler*, Fr. to variegate. Dr. Johnson. — From the Icel. *bomps*, a stroke, a blow. Serenius.] To beat with any thing thick or bulky; to beat black and blue; to bruise; to punch.

For your lie, Shaloon,
If I had you here, it should be no good hearing,
For your pate I would *pummel.*
Beaum. and Fl. Four Pl. in One.

Po'mmeled.✱ *adj.* [In heraldry.] Denoting the pommel of a sword or dagger.

POMP.✝ *n. s.* [*pompe*, Fr. *pompa*, Lat. πομπὴ, Gr. a stately procession, from πέμπω, to conduct. Our old lexicography notices only this sense of *pomp*, viz. a great shew, a solemn train.]

1. A procession of splendour and ostentation.

The bright *pomp* ascended jubilant. *Milton, P. L.*

All eyes you draw, and with the eyes the heart;
Of your own *pomp* yourself the greatest part. *Dryden.*

Such a numerous and innocent multitude, cloathed in the charity of their benefactors, was a more beautiful expression of joy and thanksgiving, than could have been exhibited by all the *pomps* of a Roman triumph. *Addison, Guardian.*

2. Splendour; pride.

Take physick, *pomp*,
Expose thyself to feel what wretches feel. *Shakspeare.*

The *pomps* and vanities of this wicked world.
Catechism, Comm Pr.

Pompa'tick.✱ *adj.* [*pompatus*, Lat.] Pompous; ostentatious. Coles notices this word, but pronounces it not in use. Barrow employs it: yet he will hardly be, in this instance, followed.

These *pompatick*, foolish, proud, perverse, wicked, profane words; these names of singularity, elation, vanity, blasphemy; are therefore to be rejected. *Barrow on the Pope's Supremacy.*

Po'mpholyx. *n. s.*

Pompholyx is a white, light and very friable substance, found in crusts adhering to the domes of the furnaces and to the covers of the large crucibles in which brass is made either from a mixture of copper and lapis calaminaris, or of copper and zink. *Hill, Mat. Med.*

Po'mpet.✱ *n. s.* [*pompette*, Fr.] The ball with which a printer blacks the letters.
Cotgrave, and Sherwood.

Po'mpion.✝ *n. s.* [*pompon*, Fr.] A pumpkin; a sort of large fruit. See also Pumpion.

They become as dull as dormice, as flat and insipid as *pompions.* *Goodman, Wint. Ev. Conf.* P. 1.

Po'mpire. *n. s.* [*pomum* and *pyrus*, Lat.] A sort of pearmain. *Ainsworth.*

Pompo'sity,✱ *n. s.* [from *pompous.*] Ostentatiousness; boastfulness. Modern.

The worth of the physician is to be estimated by his scorn of petty intrigue, puffing, and *pomposity.* *Aikin's Lett.* ii. 41.

PO'MPOUS.✝ *adj.* [*pompeux*, Fr.] Splendid: magnificent; grand; showy.

A sorte of *pompous* papists.
Tr. of Bp. Gardiner's De Ob. (1553,) Pref.

This is the sum of the hypothesis, as it is represented by the profoundly learned Dr. H. More, with a copious and *pompous* eloquence. *Glanville, Pre-exist. of Souls*, ch. 14.

What flattering scenes our wandering fancy wrought,
Rome's *pompous* glories rising to our thought. *Pope.*

An inscription in the ancient way, plain, *pompous*, yet modest, will be best. *Pope.*

Po'mpously. *adv.* [from *pompous.*] Magnificently; splendidly.

Whate'er can urge ambitious youth to fight,
She *pompously* displays before their sight. *Dryden.*

Po'mpousness. *n. s.* [from *pompous.*] Magnificence; splendour; showiness; ostentatiousness.

The English and French raise their language with metaphors, or by the *pompousness* of the whole phrase, wear off any littleness that appears in the particular parts. *Addison.*

Pond. *n. s.* [supposed to be the same with *pound*, from pindan Sax. to shut up.] A small pool or lake of water; a bason; water not running or emitting any stream.

In the midst of all the place was a fair *pond*, whose shaking crystal was a perfect mirror to all the other beauties, so that it bare shew of two gardens. *Sidney.*

Through bogs and mires, and oft through *pond* or pool,
There swallow'd up. *Milton, P. L.*

Had marine bodies been found in only one place, it might have been suspected, that the sea was, what the Caspian is, a great *pond* or lake, confined to one part. *Woodward.*

His building is a town,
His *pond* an ocean, his parterre a down. *Pope.*

To Pond.✝ *v. a.* To ponder. A corrupt obsolete word, Dr. Johnson says; attributing "*pond* your suppliant's plaint," to Spenser, in proof of the word's existence. But Spenser's own editions read *ponder*, and Dr. Johnson had been misled by some corrupt one. See the note on Spenser's Shep. Cal. Feb. ver. 151. Works, ed. 1805, vol. i. p. 40. There is no such word as *pond* in this sense.

To PO'NDER. *v. a.* [*pondero*, Lat.] To weigh mentally; to consider; to attend.

Mary kept all these things, and *pondered* them in her heart. *St. Luke*, ii. 19.

Colours, popularities, and circumstances sway the ordinary judgement, not fully *pondering* the matter. *Bacon.*

This *ponder*, that all nations of the earth
Shall in his seed be blessed. *Milton, P. L.*

Intent he seem'd,
And *pondering* future things of wond'rous weight. *Dryden.*

To Po'nder. *v. n.* To think; to muse: with *on.* This is an improper use of the word.

This tempest will not give me leave to *ponder*
On things would hurt me more. *Shakspeare, K. Lear.*

Whom *pondering* thus *on* human miseries,
When Venus saw, her heavenly sire bespoke. *Dryden.*

Po'nderable. *adj.* [from *pondero*, Latin.] Capable to be weighed; mensurable by scales.

The bite of an asp will kill within an hour, yet the impression is scarce visible, and the poison communicated not *ponderable.* *Brown, Vulg. Err.*

Po'nderal. *adj.* [from *pondus*, Lat.] Estimated by weight; distinguished from numeral.

Thus did the money drachma in process of time decrease; but all the while we may suppose the *ponderal* drachma to have continued the same, just as it has happened to us, as well as our neighbours, whose *ponderal* libra remains as it was, though the nummary hath much decreased. *Arbuthnot.*

Pondera'tion.✝ *n. s.* [from *pondero*, Latin.] The act of weighing.

He lays in the scales with them certain grave *ponderations*, which, all put together, will prove almost as weighty as the feather he wrote withal. *Bp. Hall, Hon. of the Marr. Clergy*, p. 322.

While we perspire, we absorb the outward air, and the quantity of perspired matter, found by ponderation, is only the difference between that and the air imbibed. *Arbuthnot.*

Po'nderer.† *n. s.* [from *ponder.*] One who ponders; one who weighs what is said or spoken. *Huloet.*

The *ponderer* and shaper of his discourses. *Whitlock, Mann. of the Eng.* p. 149.

Po'nderingly.* *adv.* [from the part. *pondering.*] With due estimation.

The thriving of that stratagem of Jacob's, the invention of the peeled rods, whereby he was grown so rich, in despite of Laban's malice, God will have *ponderingly* considered, and imputed as an act of his special interposition or providence; partly in justice, that the covetous Laban should not too much oppress him; partly to make good his promise at Bethel. *Hammond, Works,* iv. 497.

Pondero'sity.† *n. s.* [*ponderosité,* Fr. Cotgrave; from *ponderous.*] Weight; gravity; heaviness.

Crystal will sink in water, as carrying in its own bulk a greater *ponderosity* than the space in any water it doth occupy. *Brown, Vulg. Err.*

Gold is remarkable for its admirable ductility and *ponderosity,* wherein it excels all other bodies. *Ray.*

PO'NDEROUS.† *adj.* [*ponderous,* old French; *ponderosus,* from *pondus,* Lat.]

1. Heavy; weighty.

It is more difficult to make gold, which is the most *ponderous* and materiate amongst metals, of other metals less *ponderous* and materiate, than, *via versa,* to make silver of lead or quicksilver; both which are more *ponderous* than silver. *Bacon.*

His *ponderous* shield behind him cast. *Milton, P. L.*

Upon laying a weight in one of the scales, inscribed eternity, though I threw in that of time, prosperity, affliction, wealth, and poverty, which seemed very *ponderous,* they were not able to stir the opposite balance. *Addison.*

Because all the parts of an undistributed fluid are of equal gravity, or gradually placed according to the difference of it, any concretion, that can be supposed to be naturally made in such a fluid, must be all over of a similar gravity, or have the more *ponderous* parts nearer to its basis. *Bentley.*

2. Important; momentous.

If your more *ponderous* and settled project
May suffer alteration, I'll point you
Where you shall have receiving shall become you. *Shakspeare.*

3. Forcible; strongly impulsive.

Imagination hath more force upon things living, than things inanimate; and upon light and subtile motions, than upon motions vehement or *ponderous.* *Bacon.*

Impatient of her load,
And lab'ring underneath the *ponderous* god,
The more she strove to shake him from her breast,
With far superior force he press'd. *Dryden.*
Press'd with the *ponderous* blow,
Down sinks the ship within the abyss below. *Dryden.*

Po'nderously. *adv.* [from *ponderous.*] With great weight.

Po'nderousness.† *n. s.* from *ponderous.*] Heaviness; weight; gravity.

Such downy feathers as these will never make up the *ponderousness* of a mill-stone. *Bp. Taylor, Artif. Handsom.* p. 126.

The oil and spirit place themselves under or above one another, according as their *ponderousness* makes them swim or sink. *Boyle.*

Po'ndweed. *n. s.* [*potamogeiton.*] A plant. *Ainsworth.*

Po'nent. *adj.* [*ponente,* Italian.] Western.

Thwart of these, as fierce,
Forth rush the levant and the *ponent* winds,
Eurus and Zephyr. *Milton, P. L.*

PO'NIARD.† *n. s.* [*poignard,* Fr. *pugio,* Latin. Dr. Johnson. — The word is derived by some from *poignée,* a handful, a gripe; which is rendered by Cotgrave, the handle of a sword or dagger: But it is surely from *poigner,* to pierce; *pungere,* Lat. the same, whence *pugio,* a dagger. Our word was also anciently *poinado*: "Sharp swords, *poinadoes,* all bedy'd with blood." Mir. for Mag. p. 66.] A dagger; a short stabbing weapon.

She speaks *poniards,* and every word stabs. *Shakspeare.*

Melpomene would be represented, in her right hand a naked *poniard.* *Peacham on Drawing.*

Poniards hand to hand
Be banish'd from the field, that none shall dare
With shortned sword to stab in closer war. *Dryden.*

To **Po'niard.†** *v. a.* [*poignarder,* French.] To stab with a poniard. *Cotgrave, and Sherwood.*

Ponk.† *n. s.* [Of this word I know not the original. Dr. Johnson. — It was probably intended, in the passage cited as an example, for *pouke,* the spirit anciently called *puck,* Robin Goodfellow, or hobgoblin: *puke,* Icel. spectrum.] A nocturnal spirit.

Ne let the *ponke,* nor other evil sprights,
Ne let mischievous witches with their charms,
Ne let hobgoblins, names whose sense we see not,
Fray us with things that be not. *Spenser, Epithalam.*

Po'ntage.† *n. s.* [*pontage,* Fr. *pontagium,* low Lat. from *pons, pontis,* bridge.] Duty paid for the reparation of bridges.

In right of the church, they were formerly by the common law discharged from *pontage* and murage. *Ayliffe.*

PO'NTIFF.† *n. s.* [*pontife,* Fr. *pontifex,* Latin.]

1. A priest; a high priest.

Livy relates that there were found two coffins, whereof the one contained the body of Numa, and the other his books of ceremonies, and the discipline of the *pontiffs.* *Bacon.*

2. The pope. *Pontifical,* and *pontificality,* as applied to popish matters, are old in our language; *pontiff* is more modern.

The then reigning *pontiff* having favoured duke William in his projected invasion, took that opportunity also of establishing his spiritual encroachments. *Blackstone.*

Ponti'fical.† *adj.* [*pontifical,* Fr. *pontificalis,* Lat.]

1. Belonging to an high priest.

You should have made your argument somewhat more probable, if you could have shewed out of Scripture, that Moses, by his *pontifical* jurisdiction, released those days or any part of them. *Fulke against Allen,* (1580,) p. 454.

2. Popish.

It were not amiss to answer by a herald the next *pontifical* attempt, rather sending defiance than publishing answers. *Ralegh.*

The *pontifical* authority is as much superiour to the regal, as the sun is greater than the moon. *Baker.*

3. Splendid; magnificent.

Thus did I keep my person fresh and new,
My presence like a robe *pontifical,*
Ne'er seen, but wonder'd at. *Shakspeare, Hen. IV.*

4. [From *pons* and *facio.*] Bridge-building. This sense is, I believe, peculiar to Milton, and perhaps was intended as an equivocal satire on popery.

Now had they brought the work by wonderous art
Pontifical, a ridge of pendent rock,
Over the vex'd abyss. *Milton, P. L.*

Ponti'fical.† *n. s.* [*pontificale,* Lat.]

1. A book containing rites and ceremonies ecclesiastical.

What the Greek and Latin churches did may be seen in *pontificals,* containing the forms for consecrations. *South.*

By the *pontifical,* no altar is to be consecrated without reliques. *Stillingfleet.*

2. Dress and ornament of a priest or bishop.

Sudbury, archbishop of Canterbury, had a mind to assert his

authority over the abby, as legate by office of the holy see;— and was coming thither robed in his *pontificals*.
Lowth, Life of Wykeham, § 6.

PONTIFICA'LITY.* *n. s.* [from *pontifical*.] The state and government of the pope of Rome; the papacy.

When the *pontificality* was first set up in Rome, all nations from east to west did worship the pope no otherwise than of old the Cæsars. *Abp Usher, Judg on the See of Rome*, p 20

PONTI'FICALLY. *adv.* [from *pontifical*.] In a pontifical manner.

PONTI'FICATE. *n. s.* [*pontificat*, Fr. *pontificatus*, Lat.] Papacy; popedom.

He turned hermit, in the view of being advanced to the *pontificate*. *Addison*

Painting, sculpture, and architecture, may all recover themselves under the present *pontificate*, if the wars of Italy will give them leave. *Addison on Italy*

PO'NTIFICE. *n. s.* [*pons* and *facio*.] Bridgework; edifice of a bridge.

He,— at the brink of Chaos, near the foot
Of this new wondrous *pontifice*, unhop'd
Met, who to meet him came, his offspring dear. *Milton, P. L.*

PONTIFI'CIAL.* *adj.* [*pontificius*, Lat.] Popish.

Such stories I find amongst *pontificial* writers.
Burton, Anat. of Mel. p. 52

PONTIFI'CIAN.* *n. s.* [from *pontiff*.] One who adheres to the pope; a papist.

Many other doctors, both *pontificians* and of the reformed church, maintain that God sanctified the seventh day. *White*

Many *pontificians* and we, differ not in this point.
Wharton, App. to Cave, p. 84

PONTI'FICK.* *adj.* [*pontificalis*, Lat.]

1. Relating to priests.

The Romans, for many ages trained up only to a military roughness, knew of learning little but what their twelve tables, and the *pontifick* college with their augurs and flamens taught them in religion and law. *Milton, Areopagitica*

2. Popish.

Nor yet surceas'd with John's disastrous fate
Pontifick fury. *Shenstone, Ruin'd Abbey*

PO'NTLEVIS. *n. s.* In horsemanship, is a disorderly resisting action of a horse in disobedience to his rider, in which he rears up several times running, and rises up so upon his hindlegs, that he is in danger of coming over. *Bailey*

PONTON. *n. s.* [French.]

Ponton is a floating bridge, or invention to pass over water: it is made of two great boats placed at some distance from one another, both planked over, as is the interval between them, with rails on their sides: the whole so strongly built as to carry over horse and cannon. *Military Dict.*

The black prince passed many a river without the help of *pontons*. *Spectator*

PO'NY. *n. s.* [I know not the original of this word, unless it be corrupted from *puny*.] A small horse.

POOL.† *n. s.* [pul, Saxon; *poel*, Dutch. Dr. Johnson.— Mr. Tooke pronounces it merely a contraction of *puddle*, anciently written *podel*, and so *poodle*, *pool*. But *pool* is an old word in several languages; *pûl* or *pwl*, Welsh; *poul*, Armor.; *pol*, Cornish dialect, as well as Saxon; *paula*, Icel. *palus*, Lat.] A lake of standing water.

Moss is a kind of moisture, so the water must but slide, and not stand in a *pool*. *Bacon.*

Search he hath search'd, and find,
From Eden over Pontus, and the *pool*
Mæotis. *Milton, P. L.*

Love oft to virtuous acts inflames the mind,
Awakes the sleepy vigour of the soul,
And brushing o'er, adds vigour to the *pool*. *Dryden*

The circling streams, once thought the *pools* of blood,
From dark oblivion Harvey's name shall save. *Dryden.*

After the deluge, we suppose the vallies and lower grounds, where the descent and derivation of the water was not so easy, to have been full of lakes and *pools*. *Burnet.*

POOP. *n. s.* [*pouppe*, Fr. *puppis*, Lat.] The hindmost part of the ship.

Some sat upon the top of the *poop*, weeping and wailing, till the sea swallowed them. *Sidney.*

The *poop* was beaten gold. *Shakspeare, Ant. and Cleop.*

He was openly set upon the *poop* of the galley. *Knolles.*

With wind in *poop*, the vessel ploughs the sea,
And measures back with speed her former way. *Dryden.*

To POOP.* *v. a.* [from the noun.] A ship is said to be *pooped*, when it receives on the poop the shock of a high and heavy sea.

POOR.† *adj.* [poupre, Norm. Sax. Lyc. *pauvre*, Fr. *pobre*, Spanish. "Simple and *pore*." Gower.]

1. Not rich; indigent, necessitous, oppressed with want.

Poor cuckoldly knave!— I wrong him to call him *poor*: they say he hath masses of money. *Shakspeare.*

Who builds a church to God, and not to fame,
Will never mark the marble with his name;
Go search it there, where to be born and die,
Of rich and *poor* makes all the history. *Pope*

Teach the old chronicle, in future times
To be in no man's but of *poor* rogues ... *Hart.*

2. Trifling; narrow; of little dignity, force or value.

A ... ice used for delicacy to cool wine, is a *poor* and contemptible use, in respect of other uses that may be made of it. *Bacon, Nat. Hist.*

How *poor* are the imitation of nature in common course of experiment, except they be led by great judgment. *Bacon*

When he delights in sin, as he observes it in other men, he is wholly transformed from the creature God first made him, nay, has consumed those *poor* remainders of good that the sin of Adam left him. *South*

That I have wronged no man, will be a *poor* plea or apology at the last day; for it is not for rapine that men are formally impeached and finally condemned, but I was an hungry, and ye gave me no meat. *Calamy, Serm.*

3. Paltry; mean; contemptible.

A *poor* number it was to conquer Ireland to the pope's use. *Bacon*

And if that wisdom still wise end propound,
Why made he man, of other creatures, king,
When, if he perish here, there is not found
In all the world so *poor* and vile a thing? *Davies*

The marquis, making haste to Scarborough, embarked in a *poor* vessel. *Clarendon.*

We have seen how *poor* and contemptible a force has been raised by those who appeared openly. *Addison, Freeholder.*

PO'PELING.* *n. s.* [from *pope.*] One that adheres to the pope.

The pope and *popelings* shall not grease themselves
With gold, and groats, that are the soldiers' due.
Troub. Reign of K. John, (1611.)

PO'PERY. *n. s.* [from *pope.*] The religion of the church of Rome.

Popery for corruptions in doctrine, and discipline, I look upon to be the most absurd system of Christianity. *Swift.*

POPESEY'E. *n. s.* [*pope* and *eye.*] The gland surrounded with fat in the middle of the thigh: why so called I know not.

PO'PGUN. *n. s.* [*pop* and *gun.*] A gun with which children play, that only makes a noise.

Life is not weak enough to be destroyed by this *popgun* artillery of tea and coffee. *Cheyne.*

PO'PINJAY. *n. s.* [*papegay*, Dutch; *papagayo*, Span.]

1. A parrot.

Young *popinjays* learn quickly to speak. *Ascham.*

The great red and blue parrot; there are of these greater, the middlemost called *popinjays*, and the lesser called perroquets. *Grew, Mus.*

2. A woodpecker. So it seems to be used here.

Terpsichore would be expressed, upon her head a coronet of those green feathers of the *popinjay*, in token of that victory which the muses got of the daughters of Pierus, who were turned into *popinjays* or woodpeckers. *Peacham.*

3. A trifling fop.

I then, all smarting, with my wounds being cold,
To be so pester'd by a *popinjay*,
Out of my grief and my impatience,
Answer'd neglectingly, I know not what. *Shakspeare.*

PO'PISH. *adj.* [from *pope.*] Taught by the pope; relating to popery; peculiar to popery.

In this sense as they affirm, so we deny, that whatsoever is *popish* we ought to abrogate. *Hooker.*

I know thou art religious,
With twenty *popish* tricks and ceremonies. *Shakspeare.*

PO'PISHLY. *adv.* [from *popish.*] With tendency to popery; in a popish manner.

She baffled the many attempts of her enemies, and entirely broke the whole force of that party among her subjects, which was *popishly* affected. *Addison, Freeholder.*

A friend in Ireland, *popishly* speaking, I believe constantly well disposed towards me. *Pope to Swift.*

PO'PLAR. *n. s.* [*peuplier*, Fr. *populus*, Lat.] A tree.

The leaves of the *poplar* are broad, and for the most part angular: the male trees produce amentaceous flowers, which have many little leaves and apices, but are barren: the female trees produce membraneous pods, which open into two parts, containing many seeds, which have a large quantity of down adhering to them, and are collected into spikes. *Miller.*

Po is drawn with the face of an ox, with a garland of *poplar* upon his head. *Peacham on Drawing.*

All he describ'd was present to their eyes,
And as he rais'd his verse, the *poplars* seem'd to rise. *Roscommon.*

So falls a *poplar*, that in watry ground
Rais'd high the head. *Pope, Iliad.*

PO'PLIN.* *n. s.* A kind of stuff, made both in England and Ireland, of silk and worsted.

PO'PPET.* See PUPPET.

PO'PPY. *n. s.* [popıᵹ, Sax. *papaver*, Lat.] A flower.

Of these are eighteen species: some sort is cultivated for medicinal use; and some suppose it to be the plant whence opium is produced. *Miller.*

His temples last with *poppies* were o'erspread,
That nodding seem'd to consecrate his head. *Dryden.*

Dr. Lister has been guilty of mistake, in the reflections he makes on what he calls the sleeping Cupid with *poppy* in his hands. *Addison on Italy.*

And pale Nymphæa with her clay-cold breath;
And *poppies*, which suborn the sleep of death. *Harte.*

PO'PULACE. *n. s.* [*populace*, Fr. from *populus*, Lat.] The vulgar; the multitude.

Now swarms the *populace*, a countless throng,
Youth and hoar age tumultuous pour along. *Pope.*

The tribunes and people having subdued all competitors, began the last game of a prevalent *populace*, to chuse themselves a master. *Swift.*

PO'PULACY. *n. s.* [*populace*, Fr.] The common people; the multitude.

Under colours of piety ambitious policies march, not only with security, but applause as to the *populacy*. *King Charles.*

When he thinks one monarch's lust too mild a regiment, he can let in the whole *populacy* of sin upon the soul. *Decay of Chr. Piety.*

PO'PULAR.† *adj.* [*populaire*, Fr. *popularis*, Lat.]

1. Vulgar; plebeian.

Mix yourself still with such as flourish in the spring of the fashion, and are least *popular*: study their carriage and behaviour in all. *B. Jonson, Every Man out of his Humour.*

I was sorry to hear with what partiality and *popular* heat elections were carried in many places. *King Charles.*

The emmet join'd in her *popular* tribes
Of commonalty. *Milton, P. L.*

So the *popular* vote inclines. *Milton, P. L.*

2. Suitable to the common people; familiar; not critical.

Homilies are plain and *popular* instructions. *Hooker.*

It were too speculative a depth for a *popular* sermon. *Hammond, Serm. 18.*

3. Beloved by the people; pleasing to the people.

It might have been more *popular* and plausible to vulgar ears, if this first discourse had been spent in extolling the force of laws. *Hooker.*

Such as were *popular*,
And well-deserving, were advanc'd by grace. *Daniel.*

The old general was set aside, and prince Rupert put into the command, which was no *popular* change. *Clarendon.*

4. Studious of the favour of the people.

A *popular* man is, in truth, no better than a prostitute to common fame and to the people. *Dryden.*

His virtues have undone his country;
Such *popular* humanity is treason. *Addison, Cato.*

5. Prevailing or raging among the populace: as, a *popular* distemper.

POPULA'RITY. *n. s.* [*popularitas*, Lat. *popularité*, Fr. from *popular.*]

1. Graciousness among the people; state of being favoured by the people.

The best temper of minds desireth good name and true honour; the lighter, *popularity* and applause; the more depraved, subjection and tyranny. *Bacon.*

Your mind has been above the wretched affectation of *popularity*. *Dryden.*

Admire we then,
Or *popularity*, or stars, or strings,
The mob's applauses, or the gifts of kings. *Pope.*

He could be at the head of no factions and cabals, nor attended by a hired rabble, which his flatterers might represent as *popularity*. *Swift.*

2. Representation suited to vulgar conception; what affects the vulgar.

The persuader's labour is to make things appear good or evil, which as it may be performed by solid reasons, so it may be represented also by colours, *popularities*, and circumstances, which sway the ordinary judgement. *Bacon.*

PO'PULARLY. *adv.* [from *popular.*]

1. In a popular manner; so as to please the crowd.

The victor knight
Bareheaded, *popularly* low had bow'd,
And paid the salutations of the crowd. *Dryden.*
Influenc'd by the rabble's bloody will,
With thumbs bent back, they *popularly* kill. *Dryden.*

2. According to vulgar conception.

Nor can we excuse the duty of our knowledge, if we only bestow those commendatory conceits, which *popularly* set forth the eminency thereof. *Brown, Vulg. Err.*

To POPULATE. *v. n.* [from *populus*, Lat. people.] To breed people.

When there be great shoals of people, which go on to *populate*, without foreseeing means of life and sustentation, it is of necessity, that once in an age they discharge a portion of their people upon other nations. *Bacon, Ess.*

POPULA'TION. *n. s.* [from *populate.*] The state of a country with respect to numbers of people.

The *population* of a kingdom does not exceed the stock of the kingdom, which should maintain them; neither is the *population* to be reckoned only by number; for a smaller number, that spend more and earn less, do wear out an estate sooner than a greater number, that live lower and gather more. *Bacon.*

POPULO'SITY.† *n. s.* [*populosité*, Fr. Cotgrave.] Populousness; multitude of people.

How it conduceth unto *populosity*, we shall make but little doubt; there are causes of numerosity in any species. *Brown, Vulg. Err.*

PO'PULOUS. *adj.* [*populosus*, Lat.] Full of people; numerously inhabited.

A wilderness is *populous* enough,
So Suffolk had thy heav'nly company. *Shakspeare.*
Far the greater part have kept
Their station; heaven, yet *populous*, retains
Number sufficient to possess her realms. *Milton, P. L.*

PO'PULOUSLY. *adv.* [from *populous.*] With much people.

PO'PULOUSNESS.† *n. s.* [from *populous.*] The state of abounding with people.

The German adventurers in number answered not the largeness and *populousness* of their country. *Fuller, Holy War*, p. 19.

This will be allowed by any that considers the vastness, the opulence, the *populousness* of this region, with the ease and facility wherewith 'tis governed. *Temple, Miscell.*

PO'RCELAIN.† *n. s.* [*porcelaine*, Fr. said to be derived from *pour cent années;* because it was believed by Europeans, that the materials of *porcelain* were matured under ground one hundred years. Dr. Johnson. — Others say it is from the Portuguese *porçelana*, a cup: Mr. Douce, from the Ital. *porcellana*, which, as well as the French *porcelaine*, is the name of the shell called concha Veneris, Venus's shell, to the polished exterior of which china ware bears resemblance.]

1. China; china ware; fine dishes, of a middle nature between earth and glass, and therefore semipellucid.

We have burials in several earths, where we put divers cements, as the Chinese do their *porcelain*. *Bacon.*

We are not thoroughly resolved concerning *porcelain* or china dishes; that according to common belief, they are made of earth, which lieth in preparation about a hundred years under ground. *Brown, Vulg. Err.*

The fine materials made it weak;
Porcelain, by being pure, is apt to break. *Dryden.*
These look like the workmanship of heav'n:
This is the *porcelain* clay of human kind,
And therefore cast into these noble molds. *Dryden.*

2. [*Portulaca*, Lat.] An herb. *Ainsworth.*

PORCH. *n. s.* [*porche*, Fr. *porticus*, Lat.]

1. A roof supported by pillars before a door; an entrance.

Ehud went forth through the *porch*, and shut the doors of the parlour. *Judges*, iii. 23.

Not infants in the *porch* of life were free,
The sick, the old, that could but hope a day
Longer by nature's bounty, not let stay. *B. Jonson.*

2. A portico; a covered walk.

All this done,
Repair to Pompey's *porch*, where you shall find us. *Shakspeare.*

PO'RCUPINE. *n. s.* [*porc espi*, or *epic*, Fr. *porcospino*, Italian.]

The *porcupine*, when full grown, is as large as a moderate pig: there is no other difference between the *porcupine* of Malacca and that of Europe, but that the former grows to a larger size. *Hill.*

This stubborn Cade
Fought so long, till that his thighs with darts
Were almost like a sharp quill'd *porcupine*. *Shakspeare.*
Long bearded comets stick
Like flaming *porcupines* to their left sides,
As they would shoot their quills into their hearts. *Dryden.*

By the black prince of Monomotapa's side were the glaring cat-a-mountain and the quill-darting *porcupine*. *Arbuthnot and Pope.*

PORE.† *n. s.* [*pore*, Fr. πόρος, Gr. from πείρω, to pass through.]

1. Spiracle of the skin; passage of perspiration.

Witches, carrying in the air, and transforming themselves into other bodies, by ointments and anointing themselves all over, may justly move a man to think, that these fables are the effects of imagination; for it is certain, that ointments do all, if laid on any thing thick, by stopping of the *pores* shut in the vapours, and send them to the head extremely. *Bacon.*

Why was the sight
To such a tender ball as the eye confin'd?
So obvious and so easy to be quench'd,
And not, as feeling, through all parts diffus'd,
That she might look at will through every *pore?* *Milton, S. A.*

2. Any narrow spiracle or passage.

Pores are small interstices between the particles of matter which constitute every body, or between certain aggregates or combinations of them. *Quincy.*

From veins of vallies milk and nectar broke,
And honey sweating through the *pores* of oak. *Dryden.*

To PORE.† *v. n.* [πόρος is the *optick nerve;* but I imagine *pore* to come by corruption from some English word. Dr. Johnson. — Others deduce it from πωρὸς, blind. It is an old verb in our language: "In every house he gan to *pore* and prie." Chaucer, Sompn. Tale.] To look with great intenseness and care; to examine with great attention.

All delights are vain; but that most vain,
Which with pain purchas'd, doth inherit pain;
As painfully to *pore* upon a book,
To seek the light of truth, while truth the while
Doth falsely blind the eyesight. *Shakspeare.*

The eye grows weary, with *poring* perpetually on the same thing. *Dryden, Dufresnoy.*

Let him with pedants hunt for praise in books,
Pore out his life amongst the lazy gownmen,
Grow old and vainly proud in fancy'd knowledge. *Rowe.*

With sharpen'd sight pale antiquaries *pore*,
The inscription value, but the rust adore. *Pope.*

He hath been *poring* so long upon Fox's Martyrs, that he imagines himself living in the reign of queen Mary. *Swift.*

The design is to avoid the imputation of pedantry, to shew that they understand men and manners, and have not been *poring* upon old unfashionable books. *Swift.*

To Pore.* *v. a.* To examine; with *on.*

A book was writ of late call'd Tetrachordon,
And woven close, both matter, form, and stile;
The subject new: it walk'd the town awhile,
Numbering good intellects; now seldom *por'd on.*
Milton, Sonnet, xi.

Po'reblind.† *adj.* [commonly spoken and written *purblind.* Dr. Johnson. — But *poreblind* is right, from the Gr. πωρὸς, blind.] Nearsighted; short-sighted.

Poreblind men see best in the dimmer light, and likewise have their sight stronger near at hand, than those that are not *poreblind*, and can read and write smaller letters; for that the spirits visual in those that are *poreblind* are thinner and rarer than in others, and therefore the greater light disperseth them. *Bacon, Nat. Hist.*

Thy groveling mind, and moping *poreblind* eye,
The worth or weakness never can descry
Of my large-winged Muse. *More, Poems,* (1647,) p. 320.

Po'riness. *n. s.* [from *pory.*] Fulness of pores.

I took off the dressings, and set the trepan above the fractured bone, considering the *poriness* of the bone below. *Wiseman.*

Pori'stick *Method. n. s.* [πορισικος.] In mathematicks, is that which determines when, by what means, and how many different ways a problem may be solved. *Dict.*

PORK.† *n. s.* [*porc*, Fr. *porcus*, Lat.]

1. Swine's flesh unsalted.

You are no good member of the commonwealth; for, in converting Jews to Christians, you raise the price of *pork.* *Shakspeare, Merch. of Ven.*

All flesh full of nourishment, as beef and *pork*, increase the matter of *phlegm.* *Floyer on the Humours.*

2. A hog; a pig. *Cotgrave.*

I mean not to dispute philosophy with this *pork*, who never read any! *Milton, Colasterion.*

Po'rkeater. *n. s.* [*pork* and *eater.*] One who feeds on pork.

This making of christians will raise the price of hogs; if we grow all to be *porkeaters*, we shall not shortly have a rasher on the coals for money. *Shakspeare, Merch. of Ven.*

Po'rker. *n. s.* [from *pork.*] A hog; a pig.

Strait to the lodgments of his herd he run,
Where the fat *porkers* slept beneath the sun. *Pope.*

Po'rket. *n. s.* [from *pork.*] A young hog.

A priest appears
And off'rings to the flaming altars bears;
A *porket*, and a lamb that never suffer'd shears. *Dryden.*

Po'rkling. *n. s.* [from *pork.*] A young pig.

A hovel
Will serve thee in winter, moreover than that,
To shut up thy *porklings*, thou meanest to fat. *Tusser.*

Poro'sity.† *n. s.* [*porosité*, Fr. Cotgrave; from *porous.*] Quality of having pores.

This is a good experiment for the disclosure of the nature of colours; which of them require a finer *porosity*, and which a grosser. *Bacon, Nat. Hist.*

The *porosities* of the fleshy parts. *Smith on Old Age,* p. 235.

PO'ROUS. *adj.* [*poreux*, Fr. from *pore.*] Having small spiracles or passages.

Vulture and dogges have torne from every lim
His *porous* skin; and forth his soul is fled. *Chapman.*

The rapid current, which through veins
Of *porous* earth with kindly thirst updrawn,
Rose a fresh fountain, and with many a rill
Water'd the garden. *Milton, P. L.*

Of light the greater part he took, and plac'd
In the sun's orb, made *porous* to receive
And drink the liquid light; firm to retain
Her gather'd beams; great palace now of light. *Milton, P. L.*

Po'rousness. *n. s.* [from *porous.*] The quality of having pores: the porous part.

They will forcibly get into the *porousness* of it, and pass between part and part, and separate the parts of that thing one from another; as a knife doth a solid substance, by having its thinnest parts pressed into it. *Digby on Bodies.*

Po'rphyre. } *n. s.* [from πορφύρα; *porphyrites*, Lat.
Po'rphyry. } *porphyre*, Fr.] Marble of a particular kind.

I like best the *porphyry*, white or green marble, with a mullar or upper stone of the same. *Peacham on Drawing.*

Consider the red and white colours in *porphyre*; hinder light but from striking on it, its colours vanish, and produce no such ideas in us; but upon the return of light, it produces these appearances again. *Locke.*

Po'rpoise. } *n. s.* [*porc poisson*, Fr.] The sea-hog.
Po'rpus. }

And wallowing *porpice* sport and lord it in the flood. *Drayton.*

Amphibious animals link the terrestrial and aquatick together; seals live at land and at sea, and *porposes* have the warm blood and entrails of a hog. *Locke.*

Parch'd with unextinguish'd thirst,
Small beer I guzzle till I burst;
And then I drag a bloated corpus
Swell'd with a dropsy like a *porpus.* *Swift.*

Porra'ceous. *adj.* [*porraceus*, Lat. *porrace*, Fr.] Greenish.

If the lesser intestines be wounded, he will be troubled with *porraceous* vomiting. *Wiseman.*

Porre'ction. *n. s.* [*porrectio*, Lat.] The act of reaching forth.

Po'rret. *n. s.* [*porrum*, Lat.] A scallion.

It is not an easy problem to resolve why garlick, molys and *porrets* have white roots, deep green leaves, and black seeds. *Brown, Vulg. Err.*

Po'rridge. *n. s.* [more properly *porrage*; *porrata*, low Latin, from *porrum*, a leek.] Food made by boiling meat in water; broth.

I had as lief you should tell me of a mess of *porridge.* *Shakspeare.*

Po'rridgepot.† *n. s.* [*porridge* and *pot.*] The pot in which meat is boiled for a family.

A proud man is a fool in fermentation, that swells, and boils over like a *porridge-pot.* *Butler, Charact.*

Po'rringer. *n. s.* [from *porridge.*]

1. A vessel in which broth is eaten.

A small wax candle put in a socket of brass, then set upright in a *porringer* full of spirit of wine, then set both the candle and spirit of wine on fire, and you shall see the flame of the candle become four times bigger than otherwise, and appear globular. *Bacon, Nat. Hist.*

A physician undertakes a woman with sore eyes, who dawbs 'em quite up with ointment, and, while she was in that pickle, carries off a *porringer.* *L'Estrange.*

The *porringers*, that in a row
Hung high, and made a glittering show,
Were now but leathern buckets rang'd. *Swift.*

2. It seems in Shakspeare's time to have been a word of contempt for a headdress; of which perhaps the first of these passages may show the reason.

Here is the cap your worship did bespeak.
— Why this was moulded on a *porringer*.
Shakspeare, Tam. of the Shrew.

A haberdasher's wife of small wit rail'd upon me, till her pink'd *porringer* fell off her head. *Shakspeare, Hen. VIII.*

PORT.† *n. s.* [*port*, Fr. *portus*, Lat.]

1. A harbour; a safe station for ships.

Her small gondelay her *port* did make;
And that gay pair, forth issuing on the shore,
Disburden'd her. *Spenser, F. Q.*

I should be still
Peering in maps for *ports*, and ways, and roads. *Shakspeare.*

The earl of Newcastle seized upon that town; when there was not one *port* town in England, that avowed their obedience to the king. *Clarendon.*

A weather-beaten vessel holds
Gladly the *port*. *Milton, P. L.*

2. [popꞇ, Sax. *porta*, Lat. *porte*, Fr.] A gate.

Shew all thy praises within the *ports* of the daughter of Sion. *Psalm* ix. 14.

He I accuse,
The city *ports* by this hath entered. *Shakspeare, Coriol.*

O polish'd perturbation! golden care!
That keep'st the *ports* of slumber open wide
To many a watchful night; sleep with it now!
Yet not so sound, and half so deeply sweet,
As he, whose brow with homely biggen bound,
Snores out the watch of night. *Shakspeare, Hen. IV.*

The mind of man hath two *ports*; the one always frequented by the entrance of manifold vanities; the other desolate and overgrown with grass, by which enter our charitable thoughts and divine contemplations. *Ralegh.*

From their ivory *port* the cherubim
Forth issu'd. *Milton, P. L.*

3. The aperture in a ship, at which the gun is put out.

At Portsmouth the Mary Rose, by a little sway of the ship in casting about, her *ports* being within sixteen inches of the water, was overset and lost. *Ralegh.*

The linstocks touch, the ponderous ball expires,
The vigorous seaman every *port*-hole plies,
And adds his heart to every gun he fires. *Dryden.*

4. [*Portée*, Fr.] Carriage; air; mien; manner; bearing; external appearance; demeanour.

In that proud *port*, which her so goodly graceth,
Whiles her fair face she rears up to the sky,
And to the ground her eyelids low embraceth,
Most goodly temperature ye may descry. *Spenser.*

Think you much to pay two thousand crowns,
And bear the name and *port* of gentleman? *Shakspeare.*

See Godfrey there in purple clad and gold,
His stately *port* and princely look behold. *Fairfax.*

Their *port* was more than human, as they stood;
I took it for a fairy vision
Of some gay creatures of the element,
That in the colours of the rainbow live. *Milton, Comus.*

Now lay the line, and measure all thy court,
By inward virtue, not external *port*;
And find whom justly to prefer above
The man on whom my judgement plac'd my love. *Dryden.*

A proud man is so far from making himself great by his haughty and contemptuous *port*, that he is usually punished with neglect for it. *Collier on Pride.*

Thy plumy crest
Nods horrible, with more terrifick *port*
Thou walk'st, and seem'st already in the fight. *Philips.*

5. A kind of wine: from *Oporto*, in *Portugal*.

Our warlike men
Might drink thick *port* for fine champagne. *Prior.*

6. The Ottoman court; the sublime *port*: so called from the *gate* of the sultan's palace, where justice is distributed, and publick business dispatched. In the eastern countries the magistrates, from the earliest times, sat constantly in the *gates*." See Shaw's Travels, 4to. p. 253. and Lowth on Isaiah, xxix. 21.

To PORT. *v. a.* [*porto*, Lat. *porter*, Fr.] To carry in form.

The angelick squadron bright
Turn'd fiery red, sharpening in mooned horns
Their phalanx, and began to hem him round
With *ported* spears. *Milton, P. L.*

PO'RTABLE. *adj.* [*portabilis*, Lat.]

1. Manageable by the hand.

2. Such as may be born along with one.

The pleasure of the religious man is an easy and *portable* pleasure, such an one as he carries about in his bosom, without alarming the eye or envy of the world. *South.*

3. Such as is transported or carried from one place to another.

Most other *portable* commodities decay quickly in their use; but money is by slower degrees removed from, or brought into the free commerce of any country, than the greatest part of other merchandize. *Locke.*

4. Sufferable; supportable.

How light and *portable* my pains seem now,
When that which makes me bend, makes the king bow.
Shakspeare, K. Lear.

All these are *portable*
With other graces weigh'd. *Shakspeare, Macbeth.*

PO'RTABLENESS. *n. s.* [from *portable*.] The quality of being portable.

PO'RTAGE.† *n. s.* [*portage*, Fr.]

1. Carriage; the act of carrying. Dr. Johnson has not noticed this meaning; but the word, in the example which he gives of the next definition, ought perhaps to be placed under this.

They set such, who are most faint and feeble of their company, to the lesser and lighter end of the beame, and order such as are the strongest amongst them for the *portage* of the heaviest part thereof. *Standard of Equality*, § 8.

2. The price of carriage.

He had reason to do, gaining thereby the charge of *portage*. *Fell.*

3. [From *port*.] Porthole.

Lend the eye a terrible aspect;
Let it pry through the *portage* of the head,
Like the brass cannon. *Shakspeare, Hen. V.*

PO'RTAL.† *n. s.* [*portal*, Spanish; *portail*, Fr. *portella*, Italian.] A gate; the arch under which the gate opens; a door.

King Richard doth appear,
As doth the blushing discontented sun,
From out the fiery *portal* of the east. *Shakspeare, Rich. II.*

Though I should run
To those disclosing *portals* of the sun;
And walk his way, until his horses steep
Their fiery locks in the Iberian deep. *Sandys.*

He through heaven,
That open'd wide her blazing *portals*, led
To God's eternal house direct the way. *Milton, P. L.*

The great vein, called vena cava, sends forth branches throughout the whole body, and hath at its entrance into the heart certain *portals*, from their form called valvulæ tricuspides.
Smith on Old Age, p. 231.

The sick for air before the *portal* gasp. *Dryden.*

The *portal* consists of a composite order unknown to the ancients. *Addison on Italy.*

PO'RTANCE. *n. s.* [from *porter*, Fr.] Air; mien; port; demeanour.

A goodly lady, ——
That seem'd to be a woman of great worth,
And by her stately *portance* born of heavenly birth.
Spenser, F. Q.

Your loves,
Thinking upon his services, took from you

The apprehension of his present *portance*,
Which gibingly, ungravely, he did fashion. *Shakspeare, Coriol.*

Po'rtass.† *n. s.* [probably from the Fr. *portes vous.* Skene. In low Latin the word is *portiforium*, which Du Cange derives "ab eo quòd *foras* facilè *portari* possit," because it might be easily carried abroad. But Dr. Jamieson considers this as a Fr. or Alem. word, according to the custom of the dark ages, latinized. Junius deduces it from the Fr. *porter*, to carry, and *hose*, the trowsers of our ancestors: and the word has been corruptly given, in some editions of Chaucer, *porthose*; thus countenancing this quaint etymon. But it was anciently *portace*, *portas*, *portos*, *portous*, *portuis*; and not *porthose*.] A breviary; a prayer-book.

By this *portos* I you swere. *Chaucer, Shipm. Tale.*
Let me see your *portous*, gentle sir John. *Old Morality of Lusty Juventus*
Their *portase*, bedes, temples, aultars. *Bale on the Rev.* Pref. a. viii.
Boner hath set up again in Paules Salesburi Latin *portace*. *Bp. Gardiner's De Obed. Tr.* (*Roane*, 1553,) *Adm.* a. iii. b.
In his hand his *portesse* still he bare,
That much was worn, but therein little red;
For of devotion he had little care. *Spenser.*
An old priest always read in his *portass* mumpsimus domine for sumpsimus; whereof when he was admonished, he said that he now had used mumpsimus thirty years, and would not leave his old mumpsimus for their new sumpsimus. *Camden.*

Po'rtatiyl.* *adj.* [*portatif*, Fr. Cotgrave.] Portable. Obsolete. *Bullokar.*
So smale an instrument *portatife*. *Chaucer, of the Astrolabie.*

Portcu'llis.† } *n. s.* [*portecoulisse*, Fr. quasi *porta*
Po'rtclusl. } *clausa*. Dr. Johnson. — And so Chaucer writes it, from the French, *portecolise*. The Welsh *cwlis* must also be noticed: *og cwlis*, a wear, a portcullis.] A sort of machine like a harrow, hung over the gates of a city, to be let down to keep out an enemy.

Over it a fair *portcullis* hong,
Which to the gate directly did incline,
With comely compass and compacture strong,
Neither unseemly short, nor yet exceeding long. *Spenser.*
The cannon against St. Stephen's gate executed so well, that the *portcullis* and gate were broken, and entry opened into the city. *Hayward.*
She the huge *portcullis* high up drew,
Which, but herself, not all the Stygian pow'rs
Cou'd once have mov'd. *Milton, P. L.*
Pyrrhus comes, neither men nor walls
His force sustain, the torn *portcullis* falls. *Denham.*
The upper eyelid claps down, and is as good a fence as a *portcullis* against the importunity of the enemy. *More.*
The gates are opened, the *portcullis* drawn;
And deluges of armies from the town
Come pouring in. *Dryden.*

To Portcu'llis. *v. a.* [from the noun.] To bar; to shut up.
Within my mouth you have engaol'd my tongue,
Doubly *portcullis'd* with my teeth and lips. *Shakspeare.*

Portcu'llised.* *adj.* Having a portcullis.
The state's fort, the turrets tall,
Portcullis'd gate, and battled wall. *Shenstone, Prog. of Taste*, P. ii.

Po'rted.* *adj.* [from *port*.] Having gates.
These bright keys,
Designing power to ope the *ported* skies. *B. Jonson, Masques at Court.*

To PORTE'ND. *v. a.* [*portendo*, Lat.] To foretoken; to foreshow as omens.
As many as remained, he earnestly exhorteth to prevent *portended* calamities. *Hooker.*
Doth this churlish superscription
Portend some alteration in good will? *Shakspeare.*
A moist and a cool summer *portendeth* a hard winter. *Bacon, Nat. Hist.*
True opener of mine eyes,
Much better seems this vision, and more hope
Of peaceful days *portends*, than those two past. *Milton, P. L.*
True poets are the guardians of a state,
And when they fail, *portend* approaching fate. *Roscommon.*
The ruin of the state in the destruction of the church, is not only *portended* as its sign, but also inferred from it as its cause. *South.*

Porte'nsion. *n. s.* [from *portent*.] The act of foretokening. Not in use.
Although the red comets do carry the *portensions* of Mars, the brightly white should be of the influence of Venus. *Brown.*

PORTE'NT. *n. s.* [*portentum*, Lat.] Omen of ill; prodigy foretokening misery.
O, what *portents* are these?
Some heavy business hath my lord in hand,
And I must know it. *Shakspeare, Hen. IV.*
My loss by dire *portents* the god foretold;
You riven oak, the fairest of the green. *Dryden.*

Porte'ntous. *adj.* [*portentosus*, Lat. from *portent*.]
1. Foretokening ill; ominous.
They are *portentous* things
Unto the climate that they point at. *Shakspeare.*
This *portentous* figure
Comes armed through our watch so like the king
That was. *Shakspeare, Hamlet.*
Every unwonted meteor is *portentous*, and some divine prognostick. *Glanville.*
2. Monstrous; prodigious; wonderful, in an ill sense.
Overlay
With this *portentous* bridge the dark abyss. *Milton, P. L.*
No beast of more *portentous* size
In the Hercinian forest lies. *Roscommon.*
Let us look upon them as so many prodigious exceptions from our common nature, as so many *portentous* animals, like the strange unnatural productions of Africa. *South.*
The petticoat will shrink at your first coming to town; at least a touch of your pen will make it contract itself, and by that means oblige several who are terrified or astonished at this *portentous* novelty. *Addison.*

PO'RTER.† *n. s.* [*portier*, Fr. from *porta*, Lat. a gate.]
1. One that has the charge of the gate.
Porter, remember what I give in charge,
And, when you've so done, bring the keys to me. *Shakspeare.*
Arm all my household presently, and charge
The *porter* he let no man in till day. *B. Jonson.*
Nic. Frog demanded to be his *porter*, and his fishmonger, to keep the keys of his gates, and furnish the kitchen. *Arbuthnot.*
2. One who waits at the door to receive messages.
A fav'rite *porter* with his master vie,
Be brib'd as often, and as often lie. *Pope.*
3. [*Porteur*, Fr. from *porto*, Lat. to carry.] One who carries burthens for hire.
It is with kings sometimes as with *porters*, whose packs may jostle one against the other, yet remain good friends still. *Howell.*
By *porter*, who can tell, whether I mean a man who bears burthens, or a servant who waits at a gate? *Watts.*
4. A kind of strong beer. [from being much drunk by *porters*, who carry burthens. Malone.] Not older in this sense, perhaps, than about the year 1750.

Po'rterage.† *n. s.* [from *porter*.]
1. Carriage.
These porters do now become a *porterage* themselves; and those parts that were wont to bear the greatest burdens, are now so great a burden themselves, that the man stoops under them, and is scarce able to bear them. *Smith on Old Age*, (1666,) p. 179.
2. Money paid for carriage.

Po'rtesse. *n. s.* A breviary. See Portass.

Po'rtico.† } *n. s.* [*porticus*, Lat. *portico*, Italian;
Po'rticus. } *portique*, Fr. popric, Sax.] A covered walk; a piazza.

Till the whole tree become a *porticus*,
Or arched arbour. *B. Jonson, Masques.*

The rich their wealth bestow
On some expensive airy *portico*;
Where safe from showers they may be born in state,
And free from tempests for fair weather wait. *Dryden.*

PO'RTION.† *n. s.* [*portion*, Fr. *portio*, Latin.]

1. A part.

These are parts of his ways, but how little a *portion* is heard of him! *Job*, xxvi. 14.

Like favour find the Irish, with like fate
Advanc'd to be a *portion* of our state. *Waller.*

In battles won, fortune a part did claim,
And soldiers have their *portion* in the fame. *Waller.*

Those great *portions* or fragments fell into the abyss; some in one posture, and some in another. *Burnet.*

Pirithous no small *portion* of the war
Press'd on, and shook his lance. *Dryden.*

2. A part assigned; an allotment; a dividend.

Here's their prison ordain'd, and *portion* set. *Milton, P. L.*

Shou'd you no honey vow to taste,
But what the master bees have plac'd
In compass of their cells, how small
A *portion* to your share would fall. *Waller.*

Of words they seldom know more than the grammatical construction, unless they are born with a poetical genius, which is a rare *portion* amongst them. *Dryden.*

As soon as any good appears to make a part of their *portion* of happiness, they begin to desire it. *Locke.*

When he considers the temptations of poverty and riches, and how fatally it will affect his happiness to be overcome by them, he will join with Agur in petitioning God for the safer *portion* of a moderate convenience. *Rogers.*

One or two faults are easily to be remedied with a very small *portion* of abilities. *Swift.*

3. Part of an inheritance given to a child; a fortune.

Leave to thy children tumult, strife, and war,
Portions of toil, and legacies of care. *Prior.*

Po'rtliness. *n. s.* [from *portly.*] Dignity of mien; grandeur of demeanour; bulk of personage.

Such pride is praise, such *portliness* is honour,
That boldness innocence bears in her eyes;
And her fair countenance like a goodly banner,
Spreads in defiance of all enemies. *Spenser.*

When substantialness combineth with delightfulness, fulness with fineness, seemliness with *portliness*, and currentness with stayedness, how can the language sound other than most full of sweetness. *Camden, Rem.*

Po'rtly. *adj.* [from *port.*]

1. Grand of mien.

Rudely thou wrong'st my dear heart's desire,
In finding fault with her too *portly* pride. *Spenser.*

Your Argosies with *portly* sail,
Like signiors and rich burghers on the flood,
Or as it were the pageants of the sea,
Do overpeer the petty traffickers. *Shakspeare.*

A goodly *portly* man, and a corpulent; of a cheerful look, a pleasing eye, and a most noble carriage. *Shakspeare.*

A *portly* prince, and goodly to the sight,
He seem'd a son of Anak for his height. *Dryden.*

2. Bulky; swelling.

Our house little deserves
The scourge of greatness to be used on it;
And that same greatness too, which our own hands
Have help'd to make so *portly.* *Shakspeare, Hen. IV.*

Po'rtman. *n. s.* [*port* and *man.*] An inhabitant or burgess, as those of the cinque ports. *Dict.*

Portma'nteau. *n. s.* [*portemanteau*, Fr.] A chest or bag in which clothes are carried.

PO'RTRAIT. *n. s.* [*pourtrait*, Fr.] A picture drawn after the life.

As the idea of perfection is of little use in *portraits*, or the resemblances of particular persons, so neither is it in the characters of comedy and tragedy, which are always to be drawn with some specks of frailty, such as they have been described in history. *Dryden, Dufresnoy.*

The figure of his body was strong, proportionable, beautiful; and were his picture well drawn, it must deserve the praise given to the *portraits* of Raphael. *Prior.*

If a *portrait*-painter is desirous to raise and improve his subject, he has no other means than by approaching it to a general idea; he leaves out all the minute breaks and peculiarities in the face, and changes the dress from a temporary fashion to one more permanent, which has annexed to it no ideas of meanness from its being familiar to us. *Reynolds.*

In *portraits*, the grace, and, we may add, the likeness, consists more in taking the general air, than in observing the exact similitude of every feature. *Reynolds.*

To **Po'rtrait.** *v. a.* [*pourtraire*, Fr. from the noun.] To draw; to portray. It is perhaps ill copied, and should be written in the following examples *portray.*

In most exquisite pictures, they use to blaze and *portraict* not only the dainty lineaments or beauty, but also round about it to shadow the rude thickets and craggy cliffs. *E. K. Pref. Spenser's Shep. Cal.*

I labour to *portrait*, in Arthur, the image of a brave knight, perfected in the twelve private moral virtues. *Spenser to Sir W. Ralegh.*

Po'rtraiture. *n. s.* [*portraiture*, Fr. from *portray.*] Picture; painted resemblance.

By the image of my cause I see
The *portraiture* of his. *Shakspeare, Hamlet.*

Let some strange mysterious dream,
Wave at his wings in airy stream
Of lively *portraiture* display'd,
Softly on my eyelids laid. *Milton, Il Pens.*

Herein was also the *portraiture* of a hart. *Brown.*

This is the *portraiture* of our earth, drawn without flattery. *Burnet, Theory of the Earth.*

Her wry-month'd *portraiture*
Display'd the fates her confessors endure. *Pope.*

He delineates and gives us the *portraiture* of a perfect orator. *Baker on Learning.*

To **Portra'y.** *v. a.* [*pourtraire*, Fr.]

1. To paint; to describe by picture.

The earl of Warwick's ragged staff is yet to be seen *portrayed* in many places of their church steeple. *Carew.*

Take a tile, and so *portray* upon it the city Jerusalem. *Ezek.* iv. 1.

Our Phenix queen was there *portrayed* too bright,
Beauty alone could beauty take so right. *Dryden.*

2. To adorn with pictures.

Shields
Various, with boastful argument *portray'd*. *Milton, P. L.*

Po'rtress. *n. s.* [from *porter.*] A female guardian of a gate.

The *portress* of hell-gate reply'd. *Milton, P. L.*

The shoes put on, our faithful *portress*
Admits us in to storm the fortress;
While like a cat with walnuts shod,
Stumbling at ev'ry step she trod. *Swift, Miscell.*

Po'rtreve.† *n. s.* [popꞇ-ᵹeꞃeꝼa, Sax.] The bailiff of a port town; a kind of mayor.

In many towns the chief magistrate is called the *port-reve*, or *port-grave*, that is, the guardian or keeper of the town. *Warton, Hist. of Kiddington*, p. 56.

Po'rwiggle. *n. s.* A tadpole or young frog not yet fully shaped.

That black and round substance began to grow oval, after a while the head, the eyes, the tail to be discernible, and at last to become that which the ancients called gyrinus, we a *porwiggle* or tadpole. *Brown, Vulg. Err.*

Po'ry. *adj.* [*poreux*, Fr. from *pore.*] Full of pores.

To the court arriv'd th' admiring son
Beholds the vaulted roofs of *pory* stone *Dryden*

Pose.* *n. s.* [ᵹepoꞅe, Sax. gravedo, dolor capitis.] A cold; a catarrh; a rheum in the head. Grose notices the word as still in use.

He speketh in his nose,
And sneseth fast, and eke he hath the *pose*. *Chaucer, Mancip. Tale*

To **POSE.**† *v. a.* [from *pose*, an old word signifying heaviness or stupefaction; ᵹepoꞅe, Sax. Skinner, and Dr. Johnson.—From the Icel. *pussa*, Sueth. *putsa*, imponere, illudere. Serenius. From the Dutch *poos*, a pause. Mr. H. Tooke.]

1. To puzzle; to gravel; to put to a stand or stop.

Learning was *pos'd*, philosophy was set,
Sophisters taken in a fisher's net. *Herbert.*

How God's eternal Son should be man's brother,
Poseth his proudest intellectual power. *Crashaw.*

The one remaining question to me I confess is a *posing* one. *Hammond.*

As an evidence of human infirmities, I shall give instances of our intellectual blindness, not that I design to *pose* them with those common enigmas of magnetism. *Glanville.*

Particularly in learning of languages, there is least occasion for *posing* of children. *Locke on Education.*

2. To appose; to interrogate. See *To* Appose.

She in the presence of other *posed* him and sifted him, thereby to try whether he were indeed the very duke of York or no. *Bacon, Hen. VII.*

Po'ser. *n. s.* [from *pose.*] One who asks questions to try capacities; an examiner.

He that questioneth much, shall learn much; but let his questions not be troublesome, for that is fit for a *poser*. *Bacon.*

Po'sited. *adj.* [*positus*, Lat. It has the appearance of a participle preter. but it has no verb.] Placed; ranged.

That the principle that sets on work these organs is nothing else but the modification of matter, or the natural motion thereof thus, or thus *posited* or disposed, is most apparently false. *Hale, Orig. of Mankind.*

Posi'tion. *n. s.* [*position*, Fr. *positio*, Lat.]

1. State of being placed; situation.

Iron having stood long in a window, being thence taken, and by the help of a cork balanced in water, where it may have a free mobility, will bewray a kind of inquietude till it attain the former *position*. *Wotton.*

They are the happiest regions for fruits, by the excellence of soil, the *position* of mountains, and the frequency of streams. *Temple.*

Since no one sees all, and we have different prospects of the same thing, according to our different *positions* to it, it is not incongruous to try whether another may not have notions that escaped him. *Locke.*

By varying the *position* of my eye, and moving it nearer to or farther from the direct beam of the sun's light, the colour of the sun's reflected light constantly varied upon the speculum as it did upon my eye. *Newton, Opt.*

Place ourselves in such a *position* toward the object, or place the object in such a *position* toward our eye, as may give us the clearest representation of it; for a different *position* greatly alters the appearance of bodies. *Watts, Logick.*

2. Principle laid down.

Of any offence or sin therein committed against God, with what conscience can ye accuse us, when your own *positions* are, that the things we observe should every one of them be dearer unto us than ten thousand lives. *Hooker.*

Let not the proof of any *positions* depend on the *positions* that follow, but always on those which go before. *Watts.*

3. Advancement of any principle.

A fallacious illation is to conclude from the *position* of the antecedent unto the *position* of the consequent, or the remotion of the consequent to the remotion of the antecedent. *Brown*

4. [In grammar.] The state of a vowel placed before two consonants, as *pómpous*; or a double consonant, as *áxle*.

Posi'tional.† *adj.* [from *position.*] Respecting position.

The leaves of cataputia or spurge plucked upwards or downwards, performing their operations by purge or vomit; as old wives still do preach, is a strange conceit, ascribing unto plants *positional* operations. *Brown, Vulg. Err.*

He is oftener expressed sitting, not for any *positional* variation, but for the variety of his effect, and operation. *Pearson on the Creed*, Art. 6.

PO'SITIVE. *adj.* [*positivus*, Lat. *positif*, Fr.]

1. Not negative; capable of being affirmed; real; absolute.

The power of blossom is a *positive* good, although the remove of it, to give place to the fruit, be a comparative good *Bacon.*

It is well and truly said in schools, in sin there is nothing *positive*; but it is a want of that which ought to be, or subsist, partly in the nature of man, and partly in the actions of nature. *Perkins.*

Hardness carries somewhat more of *positive* in it than impenetrability, which is negative; and, is perhaps more a consequence of solidity, than solidity itself. *Locke.*

Whatsoever doth or can exist, or be considered as one thing, is *positive*; and so not only simple ideas and substances, but modes also are *positive* beings, though the parts, of which they consist, are very often relative one to another. *Locke.*

2. Absolute: particular; direct; not implied.

As for *positive* words, that he would not bear arms against king Edward's son; though the words seem calm, yet it was a plain and direct over-ruling of the king's title. *Bacon.*

3. Dogmatical; ready to lay down notions with confidence; stubborn in opinion.

I am sometimes doubting, when I might be *positive*, and sometimes confident out of season. *Rymer.*

Some *positive* persisting fops we know,
That, if once wrong, will needs be always so
But you, with pleasure, own your errors past,
And make each day a critick on the last. *Pope.*

4. Settled by arbitrary appointment.

In laws, that which is natural, bindeth universally, that which is *positive*, not so. *Hooker.*

Although no laws but *positive* be mutable, yet all are not mutable which be *positive*; *positive* laws are either permanent or else changeable, according as the matter itself is, concerning which they were made. *Hooker.*

The law is called *positive*, which is not inbred, imprinted, or infused, into the heart of man, by nature or grace; but is imposed by an external mandate of a lawgiver, having authority to command. *White.*

Laws are but *positive*; love's pow'r we see,
Is nature's sanction, and her first decree. *Dryden.*

5. Having the power to enact any law.

Not to consent to the enacting of such a law, which has no view besides the general good, unless another law shall at the same time pass, with no other view but that of advancing the power of one party alone; what is this but to claim a *positive* voice, as well as a negative. *Swift.*

6. Certain; assured: as, he was *positive* as to the fact.

Po'sitive.* *n. s.*

1. What is capable of being affirmed; reality.

By rating *positives* by their privatives, and other arts of reason by which discourse supplies the want of the reports of sense, we may collect the excellency of the understanding then, by the glorious remainders of it now, and guess at the stateliness of the building by the magnificence of its ruins. *South, Serm.* i. 53.

2. What settles by absolute appointment.

Positives, while under precept, cannot be slighted without slighting morals also. *Waterland, Script. Vind.* P. iii. p. 37.

Po'sitively. *adv.* [from *positive.*]

1. Absolutely; by way of direct position.

The good or evil, which is removed, may be esteemed good or evil comparatively, and not *positively* or simply. *Bacon.*

2. Not negatively.

It is impossible that any successive duration should be actually and *positively* infinite, or have infinite successions already gone and past. *Bentley.*

3. Certainly; without dubitation.

Give me some breath, some little pause,
Before I *positively* speak in this. *Shakspeare, Rich. III.*

It was absolutely certain, that this part was *positively* yours, and could not possibly be written by any other. *Dryden.*

4. Peremptorily; in strong terms.

I would ask any man, that has but once read the Bible, whether the whole tenor of the divine law does not *positively* require humility and meekness to all men. *Sprat.*

Po'sitiveness. *n. s.* [from *positive.*]

1. Actualness; not mere negation.

The *positiveness* of sins of commission lies both in the habitude of the will and in the executed act too; whereas the *positiveness* of sins of omission is in the habitude of the will only. *Norris.*

2. Peremptoriness; confidence.

This peremptoriness is of two sorts; the one a magisterialness in matters of opinion, the other a *positiveness* in relating matters of fact; in the one we impose upon men's understandings, in the other on their faith. *Gov. of the Tongue.*

Positi'vity. *n. s.* [from *positive.*] Peremptoriness; confidence. A low word.

Courage and *positivity* are never more necessary than on such an occasion; but it is good to join some argument with them of real and convincing force, and let it be strongly pronounced too. *Watts on the Mind.*

Po'siture. *n. s.* [*positura*, Lat.] The manner in which any thing is placed.

Supposing the *positure* of the party's hand who did throw the dice, and supposing all other things, which did concur to the production of that cast, to be the very same they were, there is no doubt but in this case the cast is necessary. *Bramhall.*

Po'snet. *n. s.* [from *bassinet*, Fr. Skinner.] A little bason; a porringer; a skillet.

To make proof of the incorporation of silver and tin in equal quantity, and also whether it yield no soiliness more than silver; and again whether it will endure the ordinary fire, which belongeth to chaffing-dishes, *posnets* and such other silver vessels. *Bacon.*

PO'SSE. *n. s.* [Latin.] An armed power; from *posse comitatus*, the power of the shires. A low word.

The *posse* comitatus, the power of the whole county, is legally committed unto him. *Bacon.*

As if the passion that rules, were the sheriff of the place, and came off with all the *posse*, the understanding is seized. *Locke.*

To POSSE'SS. *v. a.* [*possessus*, Lat. *posseder*, Fr.]

1. To have as an owner; to be master of; to enjoy or occupy actually.

She will not let instructions enter
Where folly now *possesses*. *Shakspeare, Cymbeline.*

Record a gift,
Here in the court, of all he dies *possess'd*,
Unto his son. *Shakspeare, Merch. of Ven.*

2. To seize; to obtain.

The English marched towards the river Eske, intending to *possess* a hill called Under-Eske. *Hayward.*

3. To give possession or command of any thing; to make master of. It has *of* before that which is possessed; sometimes anciently *with*.

Is he yet *possest*,
How much you would?
— Ay, ay, three thousand ducats. *Shakspeare.*

This man, whom hand to hand I slew in fight,
May be *possessed with* some store of crowns. *Shakspeare.*

This *possesses* us *of* the most valuable blessing of human life, friendship. *Gov. of the Tongue.*

Seem I to thee sufficiently *possess'd*
Of happiness or not, who am alone
From all eternity? *Milton, P. L.*

I hope to *possess* chymists and corpuscularians *of* the advantages to each party, by confederacy between them. *Boyle.*

The intent of this fable is to *possess* us *of* a just sense of the vanity of these craving appetites. *L'Estrange.*

Whole houses, *of* their whole desires *possest*,
Are often ruin'd at their own request. *Dryden.*

Of fortune's favour long *possess'd*,
He was with one fair daughter only bless'd. *Dryden.*

We *possessed* ourselves *of* the kingdom of Naples, the dutchy of Milan, and the avenue of France in Italy. *Addison.*

Endowed with the greatest perfections of nature, and *possessed of* all the advantages of external condition, Solomon could not find happiness. *Prior*

4. To fill with something fixed.

It is of unspeakable advantage to *possess* our minds with an habitual good intention, and to aim all our thoughts, words and actions at some laudable end. *Addison.*

Those, under the great officers, know every little case that is before the great man, and if they are *possessed* with honest minds, will consider poverty as a recommendation. *Addison.*

5. To have power over, as an unclean spirit.

Beware what spirit rages in your breast:
For ten inspir'd, ten thousand are *possest*. *Roscommon.*

Inspir'd within, and yet *possess'd* without. *Cleaveland.*

I think, that the man is *possessed*. *Swift.*

6. To affect by intestine power.

He's *possest* with greatness,
And speaks not to himself, but with a pride
That quarrels at self-breath. *Shakspeare, Troil. and Cress.*

Let not your ears despise my tongue,
Which shall *possess* them with the heaviest sound
That ever yet they heard. *Shakspeare.*

Possest with rumours full of idle dreams,
Not knowing what they fear, but full of fear. *Shakspeare.*

What fury, O son,
Possesses thee, to bend that mortal dart
Against thy father's head? *Milton, P. L.*

With the rage of all their race *possest*,
Stung to the soul the brothers start from rest. *Pope.*

POSSE'SSION. *n. s.* [*possession*, Fr. *possessio*, Lat.]

1. The state of owning or having in one's own hands or power; property.

He shall inherit her, and his generation shall hold her in *possession*. *Ecclus.* iv. 16.

In *possession* such, not only of right,
I call you. *Milton.*

2. The thing possessed.

Do nothing to lose the best *possession* of life, that of honour and truth. *Temple.*

A man has no right over another's life, by his having a property in land and *possessions*. *Locke.*

3. Madness caused by the internal operation of an unclean spirit.

To POSSE'SSION. *v. a.* To invest with property. Obsolete.

Sundry more gentlemen this little hundred possesseth and *possessioneth*. *Carew.*

POSSE'SSIONER. *n. s.* [from *possession.*] Master; one that has the power or property of any thing.

They were people, whom having been of old freemen and *possessioners*, the Lacedemonians had conquered. *Sidney.*

POSSE'SSIVE.† *adj.* [*possessivus*, Lat.]

1. Having possession.
2. Denoting possession: a grammatical term.

This case answers to the genitive case in Latin, and may still be so called; though perhaps more properly the *possessive* case. *Lowth.*

POSSE'SSORY. *adj.* [*possessoire*, Fr. from *possess.*] Having possession.

This he detains from the ivy much against his will; for he should be the true *possessory* lord thereof. *Howel.*

POSSE'SSOR. *n. s.* [*possessor*, Latin; *possesseur*, Fr.] Owner; master; proprietor.

Thou, profoundest hell,
Receive thy new *possessor*. *Milton, P. L.*

A considerable difference lies between the honour of men for natural and acquired excellencies and divine graces, that those having more of human nature in them, the honour doth more directly redound to the *possessor* of them. *Stillingfleet.*

'Twas the interest of those, who thirsted after the possessions of the clergy, to represent the *possessors* in as vile colours as they could. *Atterbury, Serm.*

Think of the happiness of the prophets and apostles, saints and martyrs, who are now rejoicing in the presence of God, and see themselves *possessors* of eternal glory. *Law.*

PO'SSET. *n. s.* [*posca*, Lat.] Milk curdled with wine or any acid.

We'll have a *posset* at the latter end of a sea-coal fire. *Shakspeare.*

In came the bridemaids with the *posset*,
The bridegroom eat in spight. *Suckling.*

I allowed him medicated broths, *posset* ale and pearl julep. *Wiseman, Surgery.*

A sparing diet did her health assure;
Or sick, a pepper *posset* was her cure. *Dryden.*

The cure of the stone consists in vomiting with *posset* drink, in which althea roots are boiled. *Floyer on the Humours.*

Increase the milk when it is diminished by the too great use of flesh meats, by gruels and *posset* drink. *Arbuthnot.*

To PO'SSET. *v. a.* [from the noun.] To turn; to curdle: as milk with acids. Not used.

Swift as quicksilver it courses through
The nat'ral gates and allies of the body;
And, with a sudden vigour, it doth *posset*
And curd, like eager droppings into milk,
The thin and wholesome blood. *Shakspeare, Hamlet.*

POSSIBI'LITY. *n. s.* [*possibilité*, Fr.] The power of being in any manner; the state of being possible.

There is no let, but that as often as those books are read, and need so requireth, the stile of their differences may expresly be mentioned to bar even all *possibility* of error. *Hooker.*

Brother, speak with *possibilities*,
And do not break into these woeful extremes. *Shakspeare.*

When we have for the proof of any thing, some of the highest kinds of evidence, in this case it is not the suggestion of a meer *possibility* that the thing may be otherwise, that ought to be any sufficient cause of doubting. *Wilkins.*

Consider him antecedently to his creation, while he yet lay in the barren womb of nothing, and only in the number of *possibilities*; and consequently could have nothing to recommend him to Christ's affection. *South.*

A bare *possibility*, that a thing may be or not be, is no just cause of doubting whether a thing be or not. *Tillotson.*

According to the multifariousness of this imitability, so are the *possibilities* of being. *Norris.*

Example not only teaches us our duty, but convinces us of the *possibility* of our imitation. *Rogers, Serm.*

PO'SSIBLE. *adj.* [*possible*, French; *possibilis*, Lat.] Having the power to be or to be done; not contrary to the nature of things.

Admit all these impossibilities and great absurdities to be *possible* and convenient. *Whitgift.*

With men this is impossible, but with God all things are *possible*. *St. Mat.* xix. 26.

All things are *possible* to him that believeth. *St. Mark*, ix. 23.

Firm we subsist, but *possible* to swerve. *Milton, P. L.*

He must not stay within doors, for fear the house should fall upon him, for that is *possible*: nor must he go out, lest the next man that meets him should kill him, for that is also *possible*. *Wilkins.*

It will scarce seem *possible*, that God should engrave principles in men's minds in words of uncertain signification. *Locke.*

Set a pleasure tempting, and the hand of the Almighty visibly prepared to take vengeance, and tell whether it be *possible* for people wantonly to offend against the law. *Locke.*

PO'SSIBLY. *adv.* [from *possible.*]

1. By any power really existing.

Within the compass of which laws, we do not only comprehend whatsoever may be easily known to belong to the duty of all men, but even whatsoever may *possibly* be known to be of that quality. *Hooker.*

Can we *possibly* his love desert? *Milton.*

2. Perhaps; without absurdity.

Possibly he might be found in the hands of the earl of Essex, but he would be dead first. *Clarendon.*

Arbitrary power tends to make a man a bad sovereign, who might *possibly* have been a good one, had he been invested with an authority circumscribed by laws. *Addison.*

POST.† *n. s.* [*poste*, Fr. *equis positis cursor*.]

1. A hasty messenger; a courier who comes and goes at stated times; commonly a letter-carrier.

In certain places there be always fresh *posts*, to carry that farther which is brought unto them by the other. *Abbot.*

Thee I'll rake up, the *post* unsanctified
Of murth'rous letchers. *Shakspeare, K. Lear.*

I fear my Julia would not deign my lines,
Receiving them by such a worthless *post*. *Shakspeare.*

A cripple in the way out-travels a footman, or a *post* out of the way. *B. Jonson, Discov.*

I send you the fair copy of the poem on dulness, which I should not care to hazard by the common *post*. *Pope.*

2. Quick course or manner of travelling. This is

the sense in which it is taken; but the expression seems elliptical: to ride *post*, is to ride as a *post*, or to ride in the manner of a *post*; *courir en poste*; whence Shakspeare, to ride in *post*.

I brought my master news of Juliet's death,
And then in *post* he came from Mantua
To this same monument. *Shakspeare, Rom. and Jul.*

Sent from Media *post* to Egypt. *Milton.*

He who rides *post* through an unknown country, cannot distinguish the situation of places. *Dryden.*

3. [*Poste*, Fr. from *positus*, Lat.] Situation; seat.

The waters rise every where upon the surface of the earth; which new *post*, when they had once seized on, they would never quit. *Burnet, Theory.*

4. Military station.

See before the gate what stalking ghost
Commands the guard, what sentries keep the *post*. *Dryden.*

As I watch'd the gates,
Lodg'd on my *post*, a herald is arriv'd
From Cæsar's camp. *Addison, Cato.*

Whatever spirit careless of his charge
His *post* neglects, or leaves the fair at large,
Shall feel sharp vengeance. *Pope.*

Each of the Grecian captains he represents conquering a single Trojan, while Diomed encounters two at once; and when they are engaged, each in his distinct *post*, he only is drawn fighting in every quarter. *Pope.*

5. Place; employment; office.

Every man has his *post* assigned to him, and in that station he is well, if he can but think himself so. *L'Estrange.*

False men are not to be taken into confidence, nor fearful men into a *post* that requires resolution. *L'Estrange.*

Without letters a man can never be qualified for any considerable *post* in the camp; for courage and corporal force, unless joined with conduct, the usual effects of contemplation, is no more fit to command than a tempest. *Collier.*

While you, my lord, the rural shades admire,
And from Britannia's publick *posts* retire,
Me into foreign realms my fate conveys. *Addison.*

Certain laws, by suff'rers thought unjust,
Deny'd all *posts* of profit or of trust. *Pope.*

Many thousands there are, who determine the justice or madness of national administrations, whom neither God nor men ever qualified for such a *post* of judgment. *Watts.*

6. [poꞅt, Sax. *postis*, Lat.] A piece of timber set erect.

The blood they shall strike on the two side *posts* and upper *post* of the house. *Ex.* xii. 7.

Fir-trees, cypresses, and cedars being, by a kind of natural rigour, inflexible downwards, are thereby fittest for *posts* or pillars. *Wotton on Architecture.*

Post is equivocal; it is a piece of timber, or a swift messenger. *Watts, Logick.*

7. Post *and Pair*. An old game at cards.

Why should not the thrifty and right worshipful game of *post and pair* content them? *B. Jonson, Masques at Court.*

The clergy understood no other than the old Elsibeth game of *post and pair*, and never played higher than two pence a dozen. *Bp. Parker, Rep. of Rehears. Transpr.* p. 469.

8. *Knight of the* Post. [*apposter*, Fr. to suborn. Cotgrave.] A fellow suborned; a fellow procured to do a bad action.

They were indicted of conspiracy against Andronicus; and *knights of the post*, of the devil's own dubbing, did depose it against them. *Fuller, Holy and Prof. State*, p. 466.

Post.* *adj.* [*apposter*, Fr. See the last meaning of the substantive, which Dr. Johnson had overpassed.] Suborned; hired to do an improper action.

These men in blacking the lives and actions of the reformers, — partly suborned other *post* men to write their legends. *Sir E. Sandys, State of Rel.* (ed. 1605) sign. I. 2. b.

To Post. *v. n.* [*poster*, Fr. from the noun.] To travel with speed.

I *posted* day and night to meet you.
Will you presently take horse with him,
And with all speed *post* with him tow'rds the North?
Shakspeare.

Post speedily to my lord, your husband,
Shew him this letter. *Shakspeare, K. Lear.*

Most wicked speed, to *post*
With such dexterity to incestuous sheets. *Shakspeare.*

Then this, then that man's aid, they crave, implore;
Post here for help, seek there their followers. *Daniel.*

The Turkish messenger presently took horse, which was there in readiness for him, and *posted* towards Constantinople with as much speed as he could. *Knolles.*

Themistocles made Xerxes *post* apace out of Greece, by giving out that the Grecians had a purpose to break his bridge of ships athwart the Hellespont. *Bacon, Ess.*

Thousands at his bidding speed,
And *post* o'er land and ocean without rest. *Milton, Sonnet.*

With songs and dance we celebrate the day;
At other times we reign by night alone,
And *posting* through the skies pursue the moon. *Dryden.*

No wonder that pastorals have fallen into disesteem; I see the reader already uneasy at this part of Virgil, counting the pages, and *posting* to the Æneis. *Walsh.*

This only object of my real care,
In some few *posting* fatal hours is hurl'd
From wealth, from power, from love, and from the world.
Prior.

To Post. *v. a.*

1. To fix opprobriously on posts.

Many gentlemen, for their integrity in their votes, were, by *posting* their names, exposed to the popular calumny and fury. *King Charles.*

On pain of being *posted* to your sorrow,
Fail not, at four, to meet me. *Granville.*

2. [*Poster*, Fr.] To place; to station; to fix.

The conscious priest, who was suborn'd before,
Stood ready *posted* at the postern door. *Dryden.*

He that proceeds upon other principles in his enquiry into any sciences, puts himself on that side, and *posts* himself in a party, which he will not quit till he be beaten out. *Locke.*

When a man is *posted* in the station of a minister, he is sure, beside the natural fatigue of it, to incur the envy of some, and the displeasure of others. *Addison, Freeholder.*

3. To register methodically; to transcribe from one book into another. A term common among merchants.

You have not *posted* your books these ten years; how should a man keep his affairs even at this rate? *Arbuthnot.*

4. To delay. Obsolete.

I have not stopt mine ears to their demands,
Nor *posted* off their suits with slow delays;
Then why should they love Edward more than me.
Shakspeare.

Po'stable.* *adj.* [from *post.*] That may be carried.

Devotion doth by degrees teach us to make our peace *postable* upon all the tides of fortune, understanding them to be truly the current of Divine Providence.
W. Mountague, Dev. Ess. P. I. (1648,) p. 58.

Po'stage. *n. s.* [from *post.*] Money paid for conveyance of a letter.

Fifty pounds for the *postage* of a letter! to send by the church, is the dearest road in Christendom. *Dryden.*

Po'stboy. *n. s.* [*post* and *boy.*] Courier; boy that rides post.

This genius came thither in the shape of a *postboy*, and cried out, that Mons was relieved. *Tatler.*

Postchai'se.* *n. s.* [*post* and *chaise.*] A travelling carriage, with four wheels. At the first appearance of these vehicles, rather before the middle of the eighteenth century, they had only two wheels; and the front opened by way of door. Mason.

In the afternoon we took a *postchaise* (it still snowing very hard) for Boulogne. This chaise is a strange sort of convey-

ance, of much greater use than beauty, resembling an ill-shaped chariot, only with the door opening before instead of the side. *Gray, Lett.* (1739.)

We could indeed have used our *postchaise* one day longer, along the military road to Fort Augustus. *Johnson. Journ. West. Islands.*

To **POSTDA'TE.** ✝ *v. a.* [*post*, after, Lat. and *date.*] To date later than the real time.

If they [the physicians] should begin to write now rules for my dyet and exercise when I were well, [being now sick,] this were to antedate or to *postdate* their consultation, not to give physick. *Donne, Devot.* p. 210.

Those, whose *postdated* loyalty now consists only in decrying that action, which had been taken out of their hands by others more cunning, though no less wicked, than themselves. *South, Serm.* v. 59.

POSTDILU'VIAN. *adj.* [*post* and *diluvium*, Lat.] Posterior to the flood.

Take a view of the *postdiluvian* state of this our globe, how it hath stood for this last four thousand years. *Woodward.*

POSTDILU'VIAN *n. s.* [*post* and *diluvium*, Lat.] One that lived since the flood.

The antediluvians lived a thousand years: and as for the age of the *postdiluvians* for some centuries, the annals of Phœnicia, Egypt, and China, agree with the tenor of the sacred history. *Grew, Cosmol.*

PO'STER. *n. s.* [from *post.*] A courier; one that travels hastily.

Weird sisters hand in hand,
Posters of the sea and land,
Thus do go about. *Shakspeare, Macbeth.*

POSTE'RIOR. *adj.* [*posterior*, Lat. *posterieur*, Fr.]

1. Happening after; placed after; following.

Where the anterior body giveth way, as fast as the *posterior* cometh on, it maketh no noise, be the motion never so great. *Bacon.*

No care was taken to have this matter remedied by the explanatory articles *posterior* to the report. *Addison.*

Hesiod was *posterior* to Homer. *Broome.*

This orderly disposition of things includes the ideas of prior, *posterior*, and simultaneous. *Watts, Logick.*

2. Backward.

And now had fame's *posterior* trumpet blown,
And all the nations summon'd. *Pope.*

POSTERIO'RITY. *n. s.* [*postériorité*, Fr. from *posterior.*] The state of being after; opposite to *priority.*

Although the condition of sex and *posteriority* of creation might extenuate the error of a woman, yet it was unexcusable in the man. *Brown, Vulg. Err.*

There must be a *posteriority* in time of every compounded body, to these more simple bodies out of which it is constituted. *Hale, Orig. of Mankind.*

POSTE'RIORS. *n. s.* [*posteriora*, Lat.] The hinder parts.

To raise one hundred and ten thousand pounds, is as vain as that of Rabelais, to squeeze out wind from the *posteriors* of a dead ass. *Swift.*

POSTE'RITY. ✝ *n. s.* [*posterité*, Fr. *posteritas*, Lat.] Succeeding generations; descendants: opposed to *ancestors.* Not often found in the plural.

It was said,
It should not stand in thy *posterity*;
But that myself should be the father
Of many kings. *Shakspeare, Macbeth.*

Since arms avail not now that Henry's dead,
Posterity await for wretched years. *Shakspeare, Hen. VI.*

That was counted unto him for righteousness, among all *posterities* for evermore. *Ps.* cvi. 31.

Posterity inform'd by thee might know. *Milton.*

Their names shall be transmitted to *posterity*, and spoken of through all future ages. *Smalridge, Serm.*

To th' unhappy, that unjustly bleed,
Heav'n gives *posterity* t' avenge the deed. *Pope.*

They were fallible, they were men; but if *posterity*, fallible as they, grow bold and daring, where the other would have trembled, let them look to it. *Waterland.*

PO'STERN. *n. s.* [*poterne*, Fr. *posterne*, Dutch; *janua postica*, Lat.] A small gate; a little door.

Ere dawning light
Discover'd had the world to heaven wide,
He by a privy *postern* took his flight,
That of no envious eyes he mote be spy'd. *Spenser.*

Go on, good Eglamour,
Out at the *postern* by the abby wall. *Shakspeare.*

By broken byways did I inward pass,
And in that window made a *postern* wide. *Fairfax.*

These issued into the base court through a privy *postern*, and sharply visited the assailants with halberds. *Hayward.*

Great Britain hath had by his majesty a strong addition; the *postern*, by which we were so often entered and surprised, is now made up. *Ralegh, Ess.*

The conscious priest, who was suborn'd before,
Stood ready posted at the *postern* door. *Dryden.*

If the nerves, which are the conduits to convey them from without to the audience in the brain, be so disordered, as not to perform their functions, they have no *postern* to be admitted by, no other ways to bring themselves into view. *Locke.*

A private *postern* opens to my gardens,
Through which the beauteous captive might remove. *Rowe.*

POSTEXI'STENCE. *n. s.* [*post* and *existence.*] Future existence.

As Simonides has exposed the vicious part of women from the doctrine of pre-existence, some of the ancient philosophers have satirized the vicious part of the human species from a notion of the soul's *postexistence.* *Addison.*

POSTHA'CKNEY. *n. s.* [*post* and *hackney.*] Hired post-horses.

Espying the French ambassador with the king's coach attending him, made them balk the beaten road and teach *posthackneys* to leap hedges. *Wotton.*

PO'SY.† *n. s.* [contracted from *poesy.*]

1. A motto on a ring, or on any thing else,

A paltry ring,
That she did give me, whose *posy* was
Like cutler's poetry;
Love me and leave me not. *Shakspeare, Merch. of Ven.*

They paint withal in their flags "hoc signo vinces, by this sign thou shalt get the victory," by a most fond imitation of the *posy* of Constantinus Magnus. *Homily against Rebellion,* P. iv.

You have chosen a very short text to enlarge upon; I should as soon expect to see a critick on the *posy* of a ring, as on the inscription of a medal. *Addison.*

2. A bunch of flowers. Of unknown derivation. Dr. Johnson. — From the mottoes perhaps which accompanied a nosegay, when presented by a lover to his mistress. The names of some flowers makes this conjecture likely. Mr. Bagshaw.

With store of vermeil roses,
To deck their bridegroom's *posies.* *Spenser.*

We make a difference between suffering thistles to grow among us, and wearing them for *posies.* *Swift.*

POT.† *n. s.* [*pot,* Fr. and Dutch; *potte,* Dan. and Icel. *pota, pote,* Su. Goth. ahenum, olla; *pueta,* to dig, or hollow out. See PIT.]

1. A vessel in which meat is boiled on the fire.

Toad that under the cold stone
Swelter'd, venom sleeping got;
Boil thou first i' the charmed *pot.* *Shakspeare, Macbeth.*

Gigantick hinds, as soon as work was done,
To their huge *pots* of boiling pulse would run,
Fell to with eager joy. *Dryden.*

2. Vessel to hold liquids.

The woman left her water *pot,* and went her way. *St. John.*

3. Vessel made of earth.

Whenever potters meet with any chalk or marle mixed with their clay, though it will with the clay hold burning, yet whenever any water comes near any such *pots,* after they are burnt, both the chalk and marl will slack, and spoil their ware. *Mortimer.*

4. A cup: now usually supposed to contain a quart.

But that I think his father loves him not,
I'd have him poison'd with a *pot* of ale. *Shakspeare.*

Suppose your eyes sent equal rays,
Upon two distant *pots* of ale,
Not knowing which was mild or stale. *Prior.*

A soldier drinks his *pot,* and then offers payment. *Swift.*

5. *To go to* POT. To be destroyed or devoured. A low phrase.

The sheep went first to *pot,* the goats next, and after them the oxen, and all little enough to keep life together. *L'Estrange.*

John's ready money went into the lawyer's pockets; then John began to borrow money upon the bank stock, now and then a farm went to *pot.* *Arbuthnot, J. Bull.*

To POT. *v. a.* [from the noun.]

1. To preserve seasoned in pots.

Potted fowl and fish come in so fast,
That ere the first is out the second stinks,
And mouldy mother gathers on the brinks. *Dryden.*

2. To inclose in pots of earth.

Pot them in natural, not forced earth; a layer of rich mould beneath and about this natural earth to nourish the fibres, but not so as to touch the bulbs. *Evelyn.*

Acorns, mast, and other seeds may be kept well, by being barrelled or *potted* up with moist sand. *Mortimer.*

PO'TABLE. *adj.* [*potable,* Fr. *potabilis,* Lat.] Such as may be drank: drinkable.

Thou best of gold art worst of gold,
Other less fine in carrat is more precious,
Preserving life in med'cine *potable.* *Shakspeare.*

Dig a pit upon the sea shore, somewhat above the high water mark, and sink it as deep as the low water mark; and as the tide cometh in, it will fill with water fresh and *potable.* *Bacon, Nat. Hist.*

Rivers run *potable* gold. *Milton, P. L.*

The said *potable* gold should be endued with a capacity of being agglutinated and assimilated to the innate heat. *Harvey.*

Mangos, *potargo*, champignons, cavarre. *King.*

PO'TASH. *n. s.* [*potasse*, Fr.]

Potash, in general, is an impure fixed alcaline salt, made by burning from vegetables: we have five kinds of this salt now in use; 1. The German *potash*, sold under the name of pearlashes. 2. The Spanish, called barilla, made by burning a species of kali, which the Spaniards sow. 3. The home-made *potash*, made from fern. 4. The Swedish, and 5. Russian kinds, with a volatile acid matter combined with them; but the Russian is stronger than the Swedish; *potash* is of great use to the manufacturers of soap and glass, to bleachers, and to dyers; the Russian *potash* is greatly preferable. *Hill.*

Cheshire rock salt, with a little nitre, allum, and *potash*, is the flux used for the running of the plate-glass. *Woodward.*

POTA'TION.† *n. s.* [*potation*, ancient French; *potatio*, Lat.]

1. Drinking bout.
2. Draught.

Roderigo,
Whom love hath turned almost the wrong side out
To Desdemona, hath to night carouz'd
Potations pottle deep. *Shakspeare, Othello.*

3. Species of drink.

If I had a thousand sons, the first human principle I would teach them should be to forswear thin *potations*, and to addict themselves to sack. *Shakspeare, Hen. IV.*

POTA'TO.† *n. s.* [I suppose an American word. Dr. Johnson. — We are told that the original word is *batatas;* and the French, who borrowed it from the American, certainly call it *batatte*, as well as *patatte.* Nares, Elem. of Orthoepy, p. 306.] An esculent root.

The red and white *potatoes* are the most common esculent roots now in use, and were originally brought from Virginia into Europe. *Miller.*

On choicest melons and sweet grapes they dine,
And with *potatoes* fat their wanton swine. *Waller.*

The families of farmers live in filth and nastiness upon butter-milk and *potatoes.* *Swift.*

Leek to the Welch, to Dutchmen butter's dear,
Of Irish swains *potatoe* is the chear;
Oats for their feasts the Scottish Shepherds grind,
Sweet turnips are the food of Blouzelind;
While she loves turnips, butter I'll despise,
Nor leeks, nor oatmeal, nor *potatoe* prize. *Gay.*

PO'TBELLIED.† *adj.* [*pot* and *bellied.*] Having a swoln paunch.

The opera-house is crouded this year. — Elisi is finer than any thing that has been here in your memory. — He appears to be near forty; a little *potbellied* and thick-shouldered, otherwise no bad figure. *Gray, Lett to Mason.*

PO'TBELLY. *n. s.* [*pot* and *belly.*] A swelling paunch.

He will find himself a forked stradling animal and a *pot-belly.* *Arbuthnot and Pope.*

To POTCH.† *v. n.* [*pocher*, Fr. to thrust out the eyes as with the thumb.]

1. To thrust; to push. *Potch* is used in the midland counties for a rough, violent push. Steevens.

I thought to crush him in an equal force,
True sword to sword; I'll *potch* at him some way;
Or wrath, or craft, may get him. *Shakspeare, Coriol.*

To POTCH.† *v. a.* [*pocher*, Fr.] To poach; to boil slightly. It is commonly written *poach.* See *To* POACH.]

In great wounds, it is necessary to observe a spare diet, as panadoes, or a *potched* egg; this much availing to prevent inflammation. *Wiseman, Surgery.*

POTCOMPA'NION.† *n. s.* A fellow-drinker; a good fellow at carousals.

There are no greater gluttons in the world; and for fuddling, they shall make the best *potcompanion* in Switzerland knock under the table. *L'Estrange, Tr. of Quevedo.*

PO'TENCY. *n. s.* [*potentia*, Lat.]

1. Power; influence; authority.

Now arriving
At place of *potency* and sway o'the state,
If he should still malignantly remain
Fast foe to the plebeians, your voices might
Be curses to yourselves. *Shakspeare, Coriol.*

Thou hast sought to make us break our vow,
To come betwixt our sentence and our power,
Which nor our nature nor our place can bear,
Our *potency* make good. *Shakspeare.*

By what name shall we call such an one as exceedeth God in *potency.* *Ralegh, Hist. of the World.*

2. Efficacy; strength.

Use can master the devil, or throw him out
With wond'rous *potency.* *Shakspeare, Hamlet.*

PO'TENT. *adj.* [*potens*, Latin.]

1. Powerful; forcible; strong; efficacious.

I do believe,
Induc'd by *potent* circumstances, that
You are mine enemy. *Shakspeare, Hen. VIII.*

Here's another
More *potent* than the first. *Shakspeare, Macbeth.*

One would wonder how, from so differing premisses, they should infer the same conclusion, were it not that the conspiration of interest were too *potent* for the diversity of judgment *Decay of Chr. Piety.*

When by command
Moses once more his *potent* rod extends
Over the sea: the sea his rod obeys. *Milton, P. L.*

Verses are the *potent* charms we use,
Heroick thoughts and virtue to infuse. *Waller.*

The magistrate cannot urge obedience upon such *potent* grounds, as the minister can urge disobedience. *South.*

How the effluvia of a magnet can be so rare and subtile, as to pass through a plate of glass without any resistance, or diminution of their force, and yet so *potent* as to turn a magnetick needle through the glass. *Newton, Opt.*

The chemical preparations are more vigorous and *potent* in their effects than the galenical. *Baker.*

Cyclop, since human flesh has been thy feast,
Now drain this goblet *potent* to digest. *Pope.*

Kings and mightiest *potentates* must die. *Shakspeare.*

These defences are but compliments,
To dally with confining *potentates*. *Daniel.*

All obey'd
The wonted signal, and superiour voice
Of their great *potentate*; for great indeed
His name, and high was his degree in heaven. *Milton, P. L.*

Exalting him not only above earthly princes and *potentates*, but above the highest of the celestial hierarchy. *Boyle.*

Each *potentate*, as wary fear, or strength,
Or emulation urg'd, his neighbour's bounds
Invades. *Philips.*

Pote'ntial. *adj.* [*potenciel*, Fr. *potentialis*, Lat.]

1. Existing in possibility, not in act.

This *potential* and imaginary materia prima cannot exist without form. *Ralegh, Hist. of the World.*

2. Having the effect without the external actual property.

The magnifico is much belov'd,
And hath in his effect a voice *potential*,
As double as the duke's. *Shakspeare, Othello.*

The cautery is either actual or *potential*. *Markham.*

Ice doth not only submit unto actual heat, but indureth not the *potential* calidity of many waters. *Brown.*

3. Efficacious; powerful. Not in use.

Thou must make a dullard of the world,
If they not thought the profits of my death
Were very pregnant and *potential* spurs
To make thee seek it. *Shakspeare.*

4. In grammar, *potential* is a mood denoting the possibility of doing any action.

Potentia'lity. *n. s.* [from *potential.*] Possibility; not actuality.

Manna represented to every man the taste himself did like, but it had in its own *potentiality* all those tastes and dispositions eminently. *Bp. Taylor, Worthy Commun.*

God is an eternal substance and act, without *potentiality* and matter, the principle of motion, the cause of nature. *Stillingfleet.*

The true notion of a soul's eternity is this, that the future moments of its duration can never be all past and present; but still there will be a futurity and *potentiality* of more for ever and ever. *Bentley.*

Pote'ntially. *adv.* [from *potential.*]

1. In power or possibility; not in act or positively.

This duration of human souls is only *potentially* infinite; for their eternity consists only in an endless capacity of continuance without ever ceasing to be in a boundless futurity, that can never be exhausted, or all of it be past or present; but their duration can never be positively and actually eternal, because it is most manifest, that no moment can ever be assigned, wherein it shall be true, that such a soul hath then actually sustained an infinite duration. *Bentley.*

2. In efficacy; not in actuality.

They should tell us, whether only that be taken out of scripture which is actually and particularly there set down, or else that also which the general principles and rules of scripture *potentially* contain. *Hooker.*

Blackness is produced upon the blade of a knife that has cut sour apples, if the juice, though both actually and *potentially* cold, be not quickly wiped off. *Boyle on Colours.*

Po'tently. *adv.* [from *potent.*] Powerfully; forcibly.

You're *potently* oppos'd; and with a malice
Of as great size. *Shakspeare, Hen. VIII.*

Metals are hardened by often heating and quenching; for cold worketh most *potently* upon heat precedent. *Bacon.*

Oil of vitriol, though a *potently* acid menstruum, will yet precipitate many bodies mineral, and others dissolved not only in aquafortis, but in spirit of vinegar. *Boyle.*

Po'tentness. *n. s.* [from *potent.*] Powerfulness; might; power.

Po'testative.* *adj.* [*potestativus*, low Lat.] Authoritative.

Po'tgun.† *n. s.* [by mistake or corruption used for *popgun*. Dr. Johnson. — It is a mistake or corruption of long standing; though Dr. Johnson has noticed it only in Swift.] A gun which makes a small smart noise.

They are but as the *potguns* of boys.
Bp. Hall, Hon. of the Marr. Clergy, p. 148.

When men are grown inveterately wicked, to attempt their reformation with smaller judgements is to batter a wall of marble with a *potgun*.
Scott, Serm. before the L. Mayor, (1686.)

An author, thus who pants for fame,
Begins the world with fear and shame,
When first in print, you see him dread
Each *potgun* levell'd at his head. *Swift, Miscell.*

Po'thanger. *n. s.* [*pot* and *hanger*.] Hook or branch on which the pot is hung over the fire.

Po'thecary.† *n. s.* [contracted by pronunciation and poetical convenience from *apothecary*; *apothecarius*, from *apotheca*, Lat. Dr. Johnson. — This is far from being a true statement of the word *pothecary*. *Pothecary* is no contraction, but the old English word *poticary*, or *potecary*; probably, as Pegge and others have observed, from the Spanish *boticario*; (the change of *b* into *p* being common;) *botica*, the shop of an apothecary; *bote*, a gallipot. *Apothecary* is a modern word in comparison to the present; and though Dr. Johnson, in illustration of the *pretended* contraction *'pothecary*, has adduced an example only from Pope, I will give sufficient proof of this original uncontracted word *poticary*, *pothecary*, or *potecary*, from our old writers.] One who compounds and sells physick.

Forth he goth, ne lenger wold he tary,
Into the toun unto a *potecary*,
And praied him that he him wolde sell
Some poison. *Chaucer, Pard. Tale.*

Poticaries, physitions, surgions, and alcumists, use words of Greke, Arabike, and other strange languages.
Abp. Cranmer, Answ. to Bp. Gardiner, p. 375.

Ye wote well, that *poticaryes* walke very late.
Old Morality of Hycke Scorner.

What *pothecary* durst be so bold as make such confection?
Brewer, Com. of Lingua, A. 2. S. 5.

Modern *'pothecaries*, taught the art
By doctor's bills to play the doctor's part,
Bold in the practice of mistaken rules,
Prescribe, apply, and call their masters fools. *Pope.*

POTHER. *n. s.* [This word is of double orthography and uncertain etymology: it is sometimes written *podder*, sometimes *pudder*, and is derived by Junius from *foudre*, thunder, Fr. by Skinner from *peuteren* or *poteren*, Dutch, to shake or dig; and more probably by a second thought from *poudre*, Fr. dust.]

1. Bustle; tumult; flutter. A low word.

Such a *pother*,
As if that whatsoever god, who leads him,
Were crept into his human pow'rs,
And gave him graceful posture. *Shakspeare, Coriol.*

Some hold the one, and some the other,
But howsoe'er they make a *pother*. *Hudibras.*

What a *pother* has been here with Wood and his brass,
Who would modestly make a few halfpennies pass. *Swift.*

'Tis yet in vain so keep a pother
About one vice, and fall into the other. *Pope.*
I always speak well of thee,
Thou always speak'st ill of me;
Yet after all our noise and *pother,*
The world believes nor one nor t'other. *Guardian.*

2. Suffocating cloud. This justifies the derivation from *poudre.*

He suddenly unties the poke,
Which from it sent out such a smoke,
As ready was them all to choke,
So grievous was the *pother.* *Drayton.*

To Po'ther. *v. n.* To make a blustering ineffectual effort.

To Po'ther. *v. a.* To turmoil; to puzzle.

He that loves reading and writing, yet finds certain seasons wherein those things have no relish, only *pothers* and wearies himself to no purpose. *Locke.*

Where, Ale, thy votaries in full resort
Hold rites nocturnal! *Warton, Panegyr. on Oxford Ale.*

Po'tion. *n. s.* [*potion*, Fr. *potio*, Lat.] A draught; commonly a physical draught.

For tastes in the taking of a *potion* or pills, the head and neck shake. *Bacon, Nat. Hist.*

The earl was by nature of so indifferent a taste, that he would stop in the midst of any physical *potion*, and after he had licked his lips, would drink off the rest. *Wotton.*

Most do taste through fond intemperate thirst:
Soon as the *potion* works, their human countenance,
The express resemblance of the gods, is chang'd
Into some brutish form of wolf or bear. *Milton, Comus.*

Po'tlid. *n. s.* [*pot* and *lid.*] The cover of a pot.

The columella is a fine, thin, light, bony tube; the bottom of which spreads about, and gives it the resemblance of a wooden *potlid* in country houses. *Derham.*

Captiousness, sullenness, and *pouting*, are most exceedingly illiberal and vulgar. *Ld. Chesterfield.*

POWDER.† *n. s.* [*poudre*, Fr. *pouldre*, old Fr. *pulvis*, Lat.]

1. Dust of the earth: the primary meaning. Not noticed by Dr. Johnson.

We wipen off agens you the *poudir* that clevyde to us of your cytee. *Wicliffe, St. Luke* x.

2. Dust; any body comminuted.

The calf which they had made, he burnt in the fire, and ground it to *powder.* *Exod.* xxxii. 20.

3. Gunpowder.

The seditious being furnished with artillery, *powder* and shot, battered Bishopsgate. *Hayward.*

As to the taking of a town, there were few conquerors could signalize themselves that way, before the invention of *powder* and fortifications. *Addison.*

4. Sweet dust for the hair.

When the hair is sweet through pride or lust,
The *powder* doth forget the dust. *Herbert.*

Our humbler province is to tend the fair,
To save the *powder* from too rude a gale. *Pope.*

To Po'wder.† *v. a.* [*poudrer*, *pouldrer*, Fr. and so *poulder*, in our old language.]

1. To reduce to dust; to comminute; to pound or grind small.

Her *pouldred* corse. *Spenser, Ruins of Rome.*

The geaunt strooke so maynly mercilesse,
That could have overthrowne a stony towre;
And were not heavenly grace that him did blesse,
He had been *pouldred* all as thin as flowre. *Spenser, F. Q.* i. vii. 12.

Thus I hurl
My *powder'd* spells into the spungy air,
Of power to cheat the eye with sleight illusion. *Milton, MS. Mask of Comus.*

2. To sprinkle, as with dust. Employed also as the heraldick word for *strow*, or *besprinkle*.

The choice skinnes only were by those Germans *pouldred* with spots. *Bolton, Elem. of Armories*, (1610,) p. 79.

Powder thy radiant hair,
Which if without such ashes thou would'st wear,
Thou who, to all which come to look upon,
Wert meant for Phœbus, would'st be Phaeton. *Donne.*

In the galaxy, that milky way
Which nightly, as a circling zone, thou see'st
Powder'd with stars. *Milton, P. L.*

The *powder'd* footman
Beneath his flapping hat secures his hair. *Gay.*

3. To salt; to sprinkle with salt.

If you imbowel me to-day, I'll give you leave to *powder* me and eat me to-morrow. *Shakspeare, Hen. IV.*

Salting of oysters, and *powdering* of meat, keepeth them from putrefaction. *Bacon, Nat. Hist.*

My hair I never powder, but my chief
Invention is to get me *powder'd* beef. *Cleaveland.*

Immoderate feeding upon *powdered* beef, pickled meats, anchovy, and debauching with brandy, do inflame and acuate the blood. *Harvey on Consumptions.*

To Po'wder. *v. n.* To come tumultuously and violently. A low corrupt word.

The patch, the *powderbox*, pulville, perfumes. *Gay.*

Po'wder-chests. *n. s.* On board a ship, wooden triangular chests filled with gunpowder, pebble-stones, and such like materials, set on fire when a ship is boarded by an enemy, which soon makes all clear before them. *Dict.*

Po'wderflask.† } *n. s.* [*powder*, *flask*, and *horn*.]
Po'wderhorn. } A horn case in which gunpowder is kept.

You may stick your candle in a bottle or a *powderhorn*. *Swift.*

Po'wdermill. *n. s.* [*powder* and *mill*.] The mill in which the ingredients for gunpowder are ground and mingled.

Upon the blowing up of a *powdermill*, the windows of adjacent houses are bent and blown outwards, by the elastick force of the air within exerting itself. *Arbuthnot.*

Po'wdermine.* *n. s.* [*powder* and *mine*.] A cavern in which powder is placed, so as to be fired at a proper time. See Mine.

Could I run
Like a swift *powder-mine* beneath the world,
Up would I blow it, all to find out thee,
Though I lay ruin'd in it. *Rowley and Decker, Witch of Edmonton.*

Po'wderroom. *n. s.* [*powder* and *room*.] The part of a ship in which the gunpowder is kept.

The flame invades the *powder-rooms*, and then
Their guns shoot bullets, and their vessels men. *Waller.*

Po'wdering-tub. *n. s.* [*powder* and *tub*.]

1. The vessel in which meat is salted.

When we view those large bodies of oxen, what can we better conceit them to be, than so many living and walking *powdering-tubs*, and that they have animam salis. *More.*

2. The place in which an infected lecher is physicked to preserve him from putrefaction.

To the spital go,
And from the *powdering-tub* of infamy
Fetch forth the lazar kite Doll Tearsheet. *Shakspeare.*

Po'wdery. *adj.* [*poudreux*, Fr. from *powder*.] Dusty; friable.

A brown *powdery* spar, which holds iron, is found amongst the iron ore. *Woodward on Fossils.*

Po'wdike.* *n. s.* A dike formed of earth *pounded* or rammed, as Mr. Mason asserts. It is, more probably, the *marsh* or *fen* dike; *pow* being a contraction of *pool*, Su. Goth. *poel*, Icel. *paala*, and a common word in Scotland.

Maliciously to destroy the *powdike* in the fens of Norfolk and Ely, is felony. *Blackstone.*

PO'WER. *n. s.* [*pouvoir*, Fr.]

1. Command; authority; dominion; influence of greatness.

If law, authority, and *pow'r* deny not,
It will go hard with poor Anthonio. *Shakspeare.*

No man could ever have a just *power* over the life of another, by right of property in land. *Locke.*

Power is no blessing in itself, but when it is employed to protect the innocent. *Swift.*

2. Influence; prevalence upon.

If ever
You meet in some fresh cheek the *power* of fancy,
Then you shall know the wounds invisible,
That love's keen arrows make. *Shakspeare.*

This man had *power* with him, to draw him forth to his death. *Bacon, Ess.*

Dejected! no, it never shall be said,
That fate had *power* upon a Spartan soul;
My mind on its own centre stands unmov'd
And stable, as the fabrick of the world. *Dryden.*

3. Ability; force; reach.

That which moveth God to work is goodness, and that which ordereth his work is wisdom, and that which perfecteth his work is *power*. *Hooker.*

I have suffer'd in your woe;
Nor shall be wanting ought within my *power*
For your relief in my refreshing bower. *Dryden.*

You are still living to enjoy the blessings of all the good you have performed, and many prayers that your *power* of doing generous actions may be as extended as your will. *Dryden.*

It is not in the *power* of the most enlarged understanding, to invent one new simple idea in the mind, not taken in by the ways aforementioned. *Locke.*

'Tis not in the *power* of want or slavery to make them miserable. *Addison.*

Though it be not in our *power* to make affliction no affliction; yet it is in our *power* to take off the edge of it, by a steady view of those divine joys prepared for us in another state. *Atterbury, Serm.*

4. Strength; motive; force.

Observing in ourselves, that we can at pleasure move several parts of our bodies, which were at rest; the effects also that natural bodies are able to produce in one another, occuring every moment to our senses, we both these ways get the idea of *power*. *Locke.*

5. The moving force of an engine.

By understanding the true difference betwixt the weight and the *power*, a man may add such a fitting supplement to the strength of the *power*, that it shall move any conceivable weight, though it should never so much exceed that force, which the *power* is naturally endowed with. *Wilkins.*

6. Animal strength; natural strength.

Care, not fear; or fear, not for themselves, altered something the countenances of the two lovers: but so as any man might perceive, was rather an assembling of *powers*, than dismayedness of courage. *Sidney*.

He died of great years, but of strong health and *powers*. *Bacon, Hen. VII*.

7. Faculty of the mind.

I was in the thought, they were not fairies, and yet the guiltiness of my mind, the sudden surprize of my *powers*, drove the grossness of the foppery into a received belief. *Shakspeare*.

In our little world, this soul of ours
Being only one, and to one body ty'd,
Doth use on divers objects, divers *powers*;
And so are her effects diversify'd. *Davies*.

Maintain the empire of the mind over the body, and keep the appetites of the one in due subjection to the reasoning *powers* of the other. *Atterbury*.

The design of this science is to rescue our reasoning *powers* from their unhappy slavery and darkness. *Watts*.

8. Government; right of governing: correlative to *subjection*.

My labour
Honest and lawful, to deserve my food
Of those who have me in their civil *power*. *Milton*.

9. Sovereign; potentate.

'Tis surprising to consider with what heats these two *powers* have contested their title to the kingdom of Cyprus, that is in the hands of the Turk. *Addison on Italy*.

10. One invested with dominion.

After the tribulation of those days shall the sun be darkened, and the *powers* of the heavens shall be shaken. *St. Matt*.

The fables turn'd some men to flowers,
And others did with brutish forms invest;
And did of others make celestial *powers*,
Like angels, which still travel, yet still rest. *Davies*.

If there's a *power* above us,
And that there is all nature cries aloud
Through all her works, he must delight in virtue. *Addison*.

11. Divinity.

Merciful *powers*,
Restrain in me the cursed thoughts that nature
Gives way to in repose! *Shakspeare, Macbeth*.

Cast down thyself, and only strive to raise
The glory of thy Maker's sacred name;
Use all thy powers, that blessed *power* to praise,
Which gives thee power to be and use the same. *Davies*.

With indignation, thus he broke
His awful silence, and the *powers* bespoke. *Dryden*.

Tell me,
What are the gods the better for this gold?
The wretch that offers from his wealthy store
These presents, bribes the *powers* to give him more. *Dryden*.

12. Host; army; military force.

He, to work him the more mischief, sent over his brother Edward with a *power* of Scots and Redshanks into Ireland, where they got footing. *Spenser on Ireland*.

Never such a *power*,
For any foreign preparation,
Was levied in the body of a land. *Shakspeare, K. John*.

Who leads his *power*?
Under whose government come they along? *Shakspeare*.

My heart, dear Harry,
Threw many a northward look, to see his father
Bring up his *powers*; but he did long in vain. *Shakspeare*.

Gazellus, upon the coming of the bassa, valiantly issued forth with all his *power*, and gave him battle. *Knolles*.

13. A large quantity; a great number. In low language: as, a *power* of good things. [*force*, French.]

Po'werable. *adj.* [from *power*.] Capable of performing any thing. Not in use.

That you may see how *powerable* time is in altering tongues, I will set down the Lord's prayer, as it was translated in sundry ages. *Camden*.

Po'werful.† *adj.* [*power* and *full*.]

1. Invested with command or authority; potent.

And chiefly thou, whose undetermin'd state
Is yet the business of the gods' debate;
Whether in after-times to be declar'd
The patron of the world, and Rome's peculiar guard,
Or o'er the fruits and seasons to preside,
And round the circuit of the year to guide,
Powerful of blessings, which thou strew'st around,
And with thy goddess-mother's myrtle crown'd. *Dryden, Virg. Georg.* B. i.

2. Forcible; mighty.

We have sustain'd one day in doubtful fight,
What heaven's Lord hath *powerfullest* to send
Against us from about his throne. *Milton, P. L.*

Henry II. endeavouring to establish his grandfather's laws, met with *powerful* opposition from archbishop Becket. *Ayliffe*.

3. Efficacious: as, a *powerful* medicine.

O, mickle is the *powerful* grace that lies
In herbs, plants, stones, and their true qualities. *Shakspeare, Rom. and Jul.*

Po'werfully. *adv.* [from *powerful*.] Potently; mightily; efficaciously: forcibly.

The sun and other *powerfully* lucid bodies dazzle our eyes. *Boyle*.

By assuming a privilege belonging to riper years, to which a child must not aspire, you do but add new force to your example, and recommend the action more *powerfully*. *Locke*.

Before the revelation of the gospel, the wickedness and impenitency of the heathen world was a much more excusable thing, because they had but very obscure apprehensions of those things which urge men most *powerfully* to forsake their sins. *Tillotson*.

The grain-gold, upon all the golden coast of Guinea, is displayed by the rains falling there with incredible force, *powerfully* beating off the earth. *Woodward*.

Po'werfulness. *n. s.* [from *powerful*.] Power; efficacy: might; force.

So much he stands upon the *powerfulness* of christian religion, that he makes it beyond all the rules of moral philosophy, strongly effectual to expel vice, and plant in men all kind of virtue. *Hakewill on Providence*.

Po'werless.† *adj.* [from *power*.] Weak; impotent.

I give you welcome with a *powerless* hand,
But with a heart full of unstained love. *Shakspeare*.

Oft, inadvertent, from the milky stream
They [flies] meet their fate; or, weltering in the bowl
With *powerless* wings around them wrapp'd, expire. *Thomson, Summer*.

It is already evident, and shall still be made more plain, that such a *powerless*, dead substance, as matter, must owe its existence to something else. *A. Baxter on the Soul*, i. 80.

Po'uldron.* *n. s.* That part of armour, which covers the shoulders: an heraldick term.

The clods began to move;
And tops of lances first appear'd above;
Then helmets, nodding with their plumed crests;
Forthwith refulgent *pouldrons*; plated breasts. *Sandys, Ov. Met.* iii.

Po'wter.* *n. s.* A kind of pigeon: more properly, perhaps, *pouter*, from the protuberance of its crop.

Pox.† *n. s.* [properly *pocks*, which originally signified small bags or pustules; of the same original, perhaps, with *powke* or *pouch*. We still use *pock*, for a single pustule; poccas, Sax. *pocken*, Dutch. Dr. Johnson. — The Saxons also had the singular, poc. Mr. H. Tooke considers *pock* as the past participle of the Sax. pycan, to pick; "*pock* is so applied, as we use it, because where the pustules have been, the face is usually marked as if it had been *picked* or *pecked*." Div. of Purley, ii. 209. Nevertheless, Dr. Johnson's explanation, and consequently his etymon, seem more probable. Many languages agree, Serenius has observed, in citing the Sueth. *pockor*, *pustulæ*, in naming them from their round or swelling form. Mr. Tooke's expla-

nation may apply to the *effect of the pock*, the cavity made, but not to the *pock itself.*]

1. Pustules; efflorescencies; exanthematous eruptions. It is used of many eruptive distempers.

I have known a lady sick of the small *pocks*, only to keep her face from pitholes, take cold, and strike them in again, kick up the heels, and vanish! *Beaum. and Fl. Fair Maid of the Inn.*

Many diseases — altogether unknown to Galen and Hippocrates: as, small *pox*, plica, sweating sickness, &c. *Burton, Anat. of Mel.* p. 6.

2. The venereal disease. This is now the sense when it has no epithet: but formerly it was applied, without an epithet, to the small pox, as Dr. Farmer has shewn in a laughable note on Shakspeare's Love's Labour's Lost.

Though brought to their ends by some other apparent disease, yet the *pox* hath been adjudged the foundation. *Wiseman.*

Wilt thou still sparkle in the box,
Can'st thou forget thy age and *pox?* *Dorset.*

Poy.† *n. s.* [*appoyo*, Spanish: *appuy*, *poids*, Fr.] A ropedancer's pole. Dr. Johnson. — In Northumberland, *puy* is a pole to push forward a boat. Pegge.

To **Poze.** *v. a.* To puzzle. See *To* Pose, and *To* Appose.

And say you so? then I shall *poze* you quickly. *Shakspeare.*

Of human infirmities I shall give instances, not that I design to *poze* them with those common enigmas of magnetism, fluxes and refluxes. *Glanville.*

Practicabi'lity.* *n. s.* [from *practicable.*] Possibility to be performed.

They all attend the worship of the kirk, as often as a visit from their minister, or the *practicability* of travelling, gives them opportunity. *Johnson, Journ. West. Islands.*

Pra'cticable. *adj.* [*practicable*, Fr.]

1. Performable; feasible; capable to be practised.

This falls out for want of examining what is *practicable* and what not, and for want again of measuring our force and capacity with our design. *L'Estrange.*

An heroick poem should be more like a glass of nature, figuring a more *practicable* virtue to us than was done by the ancients. *Dryden.*

This is a *practicable* degree of christian magnanimity. *Atterbury.*

Some physicians have thought, that if it were *practicable* to keep the humours of the body in an exact balance of each with its opposite, it might be immortal; but this is impossible in the practice. *Swift.*

2. Assailable; fit to be assailed: as, a *practicable* breach.

Pra'cticableness.† *n. s.* [from *practicable.*] Possibility to be performed.

Demonstrating both the equitableness and *practicableness* of the thing. *Locke.*

Pra'cticably. *adv.* [from *practicable.*] In such a manner as may be performed.

The meanest capacity, when he sees a rule *practicably* applied before his eyes, can no longer be at a loss how 'tis to be performed. *Rogers.*

Pra'ctical. *adj.* [*practicus*, Lat. *pratique*, Fr. from *practice.*] Relating to action; not merely speculative.

The image of God was no less resplendent in man's *practical* understanding; namely, that storehouse of the soul, in which are treasured up the rules of action and the seeds of morality. *South.*

Religion comprehends the knowledge of its principles, and a suitable life and practice; the first, being speculative, may be called knowledge; and the latter, because 'tis *practical*, wisdom. *Tillotson.*

Pra'ctically. *adv.* [from *practical.*]

1. In relation to action.

2. By practice; in real fact.

I honour her, having *practically* found her among the better sort of trees. *Howell, Voc. For.*

Pra'cticalness. *n. s.* [from *practical.*] The quality of being practical.

PRA'CTICE.† *n. s.* [πρακτική, *pratique*, Fr. The substantive is written *practice*; the verb, *practise.*]

1. The habit of doing any thing.

It would be endless for me to enumerate all the particular instances in which a well-bred man shews his good-breeding in good company; your own good sense will point them out to you, and then your own good-nature will recommend, and your own self-interest enforce, the *practice*. *Ld. Chesterfield.*

2. Use; customary use.

Obsolete words may be laudably revived, when they are more sounding, or more significant than those in *practice.* *Dryden.*

Of such a *practice* when Ulysses told;
Shall we, cries one, permit
This lewd romancer and his bantering wit. *Tate.*

3. Dexterity acquired by habit.

I'll prove it on his body, if he dare,
Despite his nice fence and his active *practice.* *Shakspeare.*

4. Actual performance, distinguished from theory.

There are two functions of the soul, contemplation and *practice*, according to that general division of objects, some of which only entertain our speculations, others also employ our actions; so the understanding, with relation to these, is divided into speculative and practick. *South.*

5. Method or art of doing any thing.

An heart they have exercised with covetous *practices.* 2 *Pet.* ii. 14.

All a man's *practices* hanging loose and uncertain, unless they are governed and knit together by the prospect of some certain end. *South, Serm.* iv. 483.

6. Medical treatment of diseases.

This disease is beyond my *practice;* yet I have known those which have walked in their sleep, who have died holily in their beds. *Shakspeare, Macbeth.*

7. Exercise of any profession.

After one or more ulcers formed in the lungs, I never, as I remember, in the course of above forty years' *practice*, saw more than two recover. *Blackmore.*

8. [Pꞃæꞇ, Saxon, is cunning, sliness, and thence *prat*, in G. Douglas, is a trick or fraud; latter times forgetting the original of words, applied to *practice* the sense of *prat.*] Wicked stratagem; bad artifice. A sense not now in use.

He sought to have that by *practice*, which he could not by prayer; and being allowed to visit us, he used the opportunity of a fit time thus to deliver us. *Sidney.*

With suspicion of *practice*, the king was suddenly turned. *Sidney.*

It is the shameful work of Hubert's hand,
The *practice* and the purpose of the king. *Shakspeare.*

Shall we thus permit
A blasting and a scandalous breath to fall
On him so near us? this needs must be *practice;*
Who knew of your intent and coming hither? *Shakspeare.*

Wise states prevent purposes
Before they come to practice, and foul *practices*
Before they grow to act. *Denham, Sophy.*

Unreasonable it is to expect that these who lived before the rise and condemnation of heresies, should come up to every accurate form of expression, which long experience afterwards found necessary, to guard the faith, against the subtile *practices*, or provoking insults of its adversaries. *Waterland.*

9. A rule in arithmetick.

Pra'ctick.† *adj.* [πρακτικὸς, Gr. *practicus*, Lat. *pratique*, Fr.]

1. Relating to action; not merely theoretical,

When he speaks,
The air, a charter'd libertine, is still;

And the mute wonder lurketh in men's ears,
To steal his sweet and honied sentences;
So that the act and *practick* part of life
Must be the mistress to this theorick. *Shakspeare.*

Whilst they contend for speculative truth, they, by mutual calumnies, forfeit the *practick*. *Gov. of the Tongue.*

True piety without cessation tost
By theories, the *practick* part is lost. *Denham.*

2. In Spenser it seems to signify, sly; artful.

She used hath the *practick* pain
Of this false footman, clok'd with simpleness. *Spenser, F. Q.*

Thereto his subtile engines he doth bend,
His *practick* wit, and his fair filed tongue,
With thousand other sleights. *Spenser, F. Q.*

3. Conversant; acquainted with; skilful.

Right *practicke* was Sir Priamond in fight,
And throughly skil'd in use of shield and speare. *Spenser, F. Q.* iv. iii. 7.

Camilla laughed at her maiden's A. B. C. and accounted her to be more *practick* in love-matters, than she herself had confessed. *Shelton, Tr. of Don Quic.* iv. 7.

To PRA'CTISE.† *v. a.* [πρακτικος; *pratiquer*, Fr.]

1. To do habitually.

Incline not my heart to *practise* wicked works with men that work iniquity. *Psalm*, cxli. 4.

They shall *practise* how to live secure. *Milton.*

Oft have we wonder'd
How such a ruling spirit you cou'd restrain,
And *practise* first over yourself to reign. *Waller.*

2. To transact; to negotiate secretly.

I've *practis'd* with him,
And found a means to let the victor know,
That Syphax and Sempronius are his friends. *Addison.*

3. To try artifices.

Others, by guilty artifice and arts,
Of promis'd kindness, *practise* on our hearts;
With expectation blow the passion up,
She fans the fire without one gale of hope. *Granville.*

4. To use bad arts or stratagems.

If you there
Did *practise* on my state, your being in Egypt
Might be my question. *Shakspeare, Ant. and Cleop.*

If thou do'st him any slight disgrace, he will *practise* against thee by poison. *Shakspeare, As you like it.*

It hath been found that the city was from the beginning *practising* against kings, and the men therein were given to rebellion and war. 1 *Esdr.* ii. 26.

5. To use medical methods.

I never thought I should try a new experiment, being little inclined to *practise* upon others, and as little that others should *practise* upon me. *Temple, Miscell.*

PRA'CTISER.† *n. s.* [from *practise.*]

1. One that practises any thing; one that does any thing habitually.

We will, in the principles of the politician, shew how little efficacy they have to advance the *practisers* of them to the things they aspire to. *South.*

The disciples of the best moralists, at least the *practisers* of their doctrine, were very few. *Clarke, Evid. of Nat. and Rev. Rel.*

2. One who prescribes medical treatment.

Sweet *practiser*, thy physick I will try,
That ministers thine own death if I die. *Shakspeare.*

I had reasoned myself into an opinion, that the use of physicians, unless in some acute disease, was a venture, and that their greatest *practisers* practised least upon themselves. *Temple.*

3. One who uses bad arts or stratagems.

Some shall be thought *practisers*, that would pluck the cards; and others shall be thought papists, that would shuffle the cards. What a misery is this, that we should come together to foul one another, instead of procuring the publick good! *Bacon, Speech in Parl.*

Jaques Fraunces — was a continual *practiser* both with Cullen, and others, to destroy Her Majesty. *Proceed. against Garnet*, sign. Q. 4. b.

Virgil, Horace, and the rest
Of those great master-spirits, did not want
Detractors then, or *practisers* against them. *B. Jonson, Poetaster.*

PRACTI'TIONER. *n. s.* [from *practice.*]

1. He who is engaged in the actual exercise of any art.

The author exhorts all gentlemen *practitioners* to exercise themselves in the translatory. *Arbuthnot.*

PRÆ.† See PRE.

PRÆMUNI'RE.† See PREMUNIRE.

PRÆCO'GNITA. *n. s.* [Latin.] Things previously known in order to understanding something else; thus the structure of the human body is one of the *præcognita* of physick.

Either all knowledge does not depend on certain *præcognita* or general maxims, called principles, or else these are principles. *Locke.*

PRAGMA'TICK.† } *adj.* [πράγματα, Gr. *pragma-*
PRAGMA'TICAL. } *tique*, Fr. Ben Jonson has placed the accent on the first syllable of *pragmatick*. It is now usually on the second. Dr. Johnson has given no example of it in poetry.] Meddling; impertinently busy; assuming business without leave or invitation.

I love to hit
These *pragmatick* young men at their own weapons *B. Jonson, Dev. is an Ass.*

No sham so gross, but it will pass upon a weak man that is *pragmatical* and inquisitive. *L'Estrange.*

Common estimation puts an ill character upon *pragmatick* meddling people. *Gov. of the Tongue.*

He understands no more of his own affairs, than a child; he has got a sort of a *pragmatical* silly jade of a wife, that pretends to take him out of my hands. *Arbuthnot.*

The fellow grew so *pragmatical*, that he took upon him the government of my whole family. *Arbuthnot.*

Such a backwardness there was among good men to engage with an usurping people, and *pragmatical* ambitious orators. *Swift.*

They are *pragmatical* enough to stand on the watch tower, but who assigned them the post? *Swift.*

PRAGMA'TICALLY.† *adv.* [from *pragmatical.*] Meddlingly; impertinently.

1. Renown; commendation; fame; honour; celebrity.

I will get them *praise* and fame in every land, where they have been put to shame. *Zeph.* iii. 19.

Best of fruits, whose taste has taught
The tongue, not made for speech, to speak thy *praise.* *Milton, P. L.*

Lucan, content with *praise*, may lie at ease
In costly grots and marble palaces;
But to poor Bassus what avails a name,
To starve on compliments and empty fame. *Dryden.*

2. Glorification; tribute of gratitude; laud.

He hath put a new song in my mouth, even *praise* unto our God. *Psalm*, xl. 3.

To God glory and *praise.* *Milton.*

3. Ground or reason of praise.

Praiseworthy actions are by thee embrac'd;
And 'tis my *praise* to make thy praises last. *Dryden.*

To **Praise.** *v. a.* [*prijsen*, Dutch.]

1. To commend; to applaud; to celebrate.

Will God incense his ire
For such a petty trespass, and not *praise*
Rather your dauntless virtue? *Milton, P. L.*

We *praise* not Hector, though his name we know
Is great in arms; 'tis hard to *praise* a foe. *Dryden.*

2. To glorify in worship.

The shepherds returned, glorifying and *praising* God for all the things that they had heard and seen. *St. Luke*, ii. 20.

One generation shall *praise* thy works to another, and declare thy mighty works. *Psalm*, cxlv. 4.

They touch'd their golden harps, and hymning *prais'd*
God and his works. *Milton, P. L.*

Prai'seful. *adj.* [*praise* and *full.*] Laudable; commendable. Not now in use.

Of whose high praise, and *praiseful* bliss,
Goodness the pen, heaven the paper is. *Sidney.*

He ordain'd a lady for his prise,
Generally *praiseful*, fair and young, and skill'd in housewiferies. *Chapman, Iliad.*

Prai'seless. * *adj.* [*praise* and *less.*] Wanting praise; without praise.

If speech, next to reason, be the greatest gift bestowed upon mortality; that cannot be *praiseless*, which doth most polish that blessing of peace. *Sidney, Def. of Poesy.*

Prai'ser. *n. s.* [from *praise.*] One who praises; an applauder; a commender.

We men and *praisers* of men should remember, that if we have such excellencies, it is reason to think them excellent creatures of whom we are. *Sidney.*

Forgive me, if my verse but say you are
A Sidney: but in that extend as far
As loudest *praisers.* *B. Jonson, Epig.*

Turn to God, who knows I think this true,
And useth oft, when such a heart missays,
To make it good; for such a *praiser* prays. *Donne.*

Praisewo'rthily. * *adv.* [from *praiseworthy.*] In a manner worthy of praise.

Her name was Envie, knowen well thereby;
Whose nature is, to grieve and grudge at all
That ever she sees doen *prays-worthily.* *Spenser, F. Q.* v. xii. 31.

Praisewo'rthiness. * *n. s.* [from *praiseworthy.*] What deserves or is entitled to praise.

Man desires not only praise, but *praise-worthiness*; or to be that thing, which, though it should be praised by nobody, is, however, the natural and proper object of praise. *A. Smith, Theory of Mor. Sentiments*, P. iii. ch. 2.

Praisewo'rthy. *adj.* [*praise* and *worthy.*] Commendable; deserving praise.

The Tritonian goddess having heard
Her blazed fame, which all the world had fill'd,
Came down to prove the truth, and due reward
For her *praiseworthy* workmanship to yield. *Spenser.*

Since men have left to do *praiseworthy* things,
Most think all praises flatteries; but truth brings
That sound, and that authority with her name,
As to be rais'd by her is only fame. *B. Jonson.*

Firmus, who seized upon Egypt, was so far *praiseworthy*, that he encouraged trade. *Arbuthnot on Coins.*

Prame. † *n. s.* [Dr. Johnson cites this word from Bailey, without any etymology. It is the Icel. *pram*, Teut. *prame*, scapha. Sometimes it is written *praam*, or *prahme.*] A flat-bottomed boat.

The use of *prahmes* and pontons with flat-bottomed vessels. *Biblioth. Bibl.* i. 234.

To **PRANCE.** † *v. n.* [*pronken*, Dutch, to set one's self to show; whence the German *prangen.* Wachter.]

1. To spring and bound in high mettle.

The noise of the rattling of the wheels, and of the *prancing* horses. *Nahum*, iii. 2.

Here's no fantastick mask, nor dance,
But of our kids that frisk and *prance*;
Nor wars are seen,
Unless upon the green,
Two harmless lambs are butting one the other. *Wotton.*

With mud fill'd high, the rumbling cart draws near,
Now rule thy *prancing* steeds, lac'd charioteer. *Gay.*

Far be the spirit of the chase from them,
To spring the fence, to rein the *prancing* steed. *Thomson.*

2. To ride gallantly and ostentatiously.

I see
Th' insulting tyrant, *prancing* o'er the field,
Strow'd with Rome's citizens, and drench'd in slaughter,
His horses' hoofs wet with patrician blood. *Addison.*

3. To move in a warlike or showy manner.

We should neither have meat to eat, nor manufacture to cloathe us, unless we could *prance* about in coats of mail, or eat brass. *Swift.*

Pra'ncing. * *n. s.* [from *prance.*] The act of bounding as a horse in high mettle.

Then were the horse-hoofs broken by the means of the *prancings*, the *prancings* of their mighty ones. *Judges*, v. 22.

All point at earth, and hiss at human pride,
The wisdom of the wise, and *prancings* of the great. *Young, Night Th.* 9.

To **PRANK.** *v. a.* [*pronken*, Dutch.] To decorate; to dress or adjust to ostentation.

Some *prank* their ruffs, and others timely dight
Their gay attire. *Spenser, F. Q.*

In wine and meats she flow'd above the bank,
And in excess exceeded her own might,
In sumptuous tire she joy'd herself to *prank*,
But of her love too lavish. *Spenser, F. Q.*

These are the tribunes of the people,
The tongues o' the common mouth: I do despise them:
For they do *prank* them in authority
Against all noble sufferance. *Shakspeare, Coriol.*

Your high self,
The gracious mark o' the land, you have obscur'd
With a swain's wearing; and me, poor lowly maid,
Most goddess-like *prank'd* up. *Shakspeare, Wint. Tale.*

'Tis that miracle, and queen of gems,
That nature *pranks* her in, attracts my soul. *Shakspeare, Tw. Night.*

This juggler
Would think to charm my judgement as mine eyes,
Obtruding false rules, *prank'd* in reason's garb. *Milton, Comus.*

PRANK.† *n. s.* [*pronk*, Dutch.] A frolick; a wild flight; a ludicrous trick; a mischievous act. A word of levity, Dr. Johnson says. Usually it is so; but formerly it was employed in a serious sense.

The firste craftie subtil *pranke* of the whorishe church of Rome is to banish truth. *Tr. of Bp. Gardiner's De Obed.* (1553,) sign. i. 7.

That ever I this dismal day did see!
Full farre was I from thinking such a *pranke*. *Spenser, F. Q.* v. i. 15.

Lay home to him;
Tell him, his *pranks* have been too broad to bear with. *Shakspeare.*

Such is thy audacious wickedness,
Thy lewd, pestiferous, and dissentious *pranks*;
The very infants prattle of thy pride. *Shakspeare.*

They caused the table to be covered and meat set on, which was no sooner set down, then in came the harpies, and played their accustomed *pranks*. *Ralegh.*

They put on their cloaths, and played all those *pranks* you have taken notice of. *Addison, Guardian.*

PRANK.* *adj.* [from the substantive. Mr. Mason has quite mistaken the meaning of the passage, in which this word occurs, by defining it neatly dressed, and by deriving it from the verb. The speaker of the following words is merely referring to the tricks he had played in former times.] Frolicksome; full of tricks.

If I do not seem *pranker* now than I did in those days, I'll be hanged. *Brewer, Com. of Lingua.*

PRA'NKER.* *n. s.* [*pronker*, Dutch; from *To* PRANK.] One who dresses ostentatiously.

If she be a noted reveller, a gadder, a singer, a *pranker*, or a dancer, then take heed of her. *Burton, Anat. of Mel.* p. 567.

PRA'NKING.* *n. s.* [from *To prank.*] Ostentatious decoration.

Her *prankings*, and adornings, in the splendour of their altars, and churches, and copes. *More on the Seven Ch.* ch. 6.

PRA'SON. *n. s.* [πράσον.] A leek: also a sea weed as green as a leek. *Bailey.*

To PRATE. *v. n.* [*praten*, Dutch.] To talk carelessly and without weight; to chatter; to tattle; to be loquacious; to prattle.

His knowledge or skill is in *prating* too much. *Tusser.*

Behold me, which owe
A moiety of the throne, here standing
To *prate* and talk for life and honour, 'fore
Who please to hear. *Shakspeare, Wint. Tale.*

This starved justice hath *prated* to me of the wildness of his youth, and the feats he hath done about Turnbal-street; and every third word a lie. *Shakspeare, Hen. IV.*

O listen with attentive sight
To what my *prating* eyes indite! *Cleaveland.*

What nonsense would the fool thy master *prate*,
When thou, his knave, can'st talk at such a rate. *Dryden.*

She first did wit's prerogative remove,
And made a fool presume to *prate* of love. *Dryden.*

This is the way of the world; the deaf will *prate* of discords in musick. *Watts.*

PRATE. *n. s.* [from the verb.] Tattle; slight talk unmeaning loquacity.

If I talk to him; with his innocent *prate*,
He will awake my mercy which lies dead. *Shakspeare.*

Would her innocent *prate* could overcome me;
Oh! what a conflict do I feel. *Denham, Sophy.*

PRA'TER.† *n. s.* [from *prate.*] An idle talker; a chatterer.

A speaker is but a *prater*; a rhyme is but a ballad! *Shakspeare, Hen. V.*

When expectation rages in my blood,
Is this a time, thou *prater*; hence, be gone. *Southern.*

PRA'TING.* *n. s.* [from *prate.*] Chatter; idle prate.

After Flammoch and the blacksmith had, by joint and several *pratings*, found tokens of consent in the multitude, they offered themselves to lead them. *Bacon, Hen. VII.*

PRA'TINGLY. *adv.* [from *prate.*] With tittle tattle; with loquacity.

PRA'TIQUE.† *n. s.* [French; *prattica*, Italian.] A licence for the master of a ship to traffick in the ports of Italy upon a certificate, that the place, from whence he came, is not annoyed with any infectious disease. *Bailey.*

At first, indeed, *prattic* was allowed, though only to two or three of our seamen out of every ship, who had the favour to go ashore. But, soon after, it being noised in the town, that our ships had taken a Dutch vessel laden with corn for Spain, that little *prattic* we had was prohibited. *Milton, Lett. to the Gr. Duke of Tuscany*, (1658.)

To PRA'TTLE. *v. n.* [diminutive of *prate.*] To talk lightly; to chatter; to be trivially loquacious.

I *prattle*
Something too wildly, and my father's precepts
I therein do forget. *Shakspeare, Tempest.*

What the great ones do, the less will *prattle* of. *Shakspeare.*

A French woman teaches an English girl to speak and read French, by only *prattling* to her. *Locke.*

There is not so much pleasure to have a child *prattle* agreeably, as to reason well. *Locke on Education.*

His tongue, his *prattling* tongue, had chang'd him quite
To sooty blackness, from the purest white. *Addison, Ovid.*

A little lively rustick, trained up in ignorance and prejudice, will *prattle* treason a whole evening. *Addison.*

I must *prattle* on, as afore,
And beg your pardon, yet this half hour. *Prior.*

Let credulous boys and *prattling* nurses tell,
How if the festival of Paul be clear,
Plenty from liberal horn shall strow the year. *Gay.*

PRA'TTLE. *n. s.* [from the verb.] Empty talk; trifling loquacity.

In a theatre the eyes of men
After a well-grac'd actor leaves the stage,
Are idly bent on him that enters next,
Thinking his *prattle* to be tedious. *Shakspeare, Rich. II.*

The bookish theorick,
Wherein the toged consuls can propose
As masterly as he; mere *prattle*, without practice,
Is all his soldiership. *Shakspeare, Othello.*

The insignificant *prattle* and endless garrulity of the philosophy of the schools. *Glanville.*

PRA'TTLER. *n. s.* [from *prattle.*] A trifling talker; a chatterer.

Poor *prattler*, how thou talk'st! *Shakspeare.*

Prattler, no more, I say;
My thoughts must work, but like a noiseless sphere,
Harmonious peace must rock them all the day;
No room for *prattlers* there. *Herbert.*

PRA'VITY. *n. s.* [*pravitas*, Lat.] Corruption badness; malignity.

Doubt not but that sin
Will reign among them, as of thee begot;
And therefore was law given them, to evince
Their natural *pravity*. *Milton, P. L.*

More people go to the gibbet for want of timely correction, than upon any incurable *pravity* of nature. *L'Estrange.*

I will shew how the *pravity* of the will could influence the understanding to a disbelief of Christianity. *South.*

PRAWN. *n. s.* A small crustaceous fish, like a shrimp, but larger.

I had *prawns*, and borrowed a mess of vinegar. *Shakspeare.*

PRA'XIS. * *n. s.* [Latin.] Use; practice.

Bochart — tells us of an impious treatise of the elements and *praxis* of necromancy. *Coventry, Phil. to Hyd.* Conv. 3.

To PRAY. † *v. n.* [*prier*, Fr. *pregare*, Italian; from *precor*, Lat. Our word is more directly from the ancient French *praier*, a supplication.]

1. To make petitions to heaven.

I will buy with you, sell with you; but I will not eat with you, drink with you, nor *pray* with you. *Shakspeare.*

Pray for this good man and his issue. *Shakspeare.*

Ne'er throughout the year to church thou go'st,
Except it be to *pray* against thy foes. *Shakspeare.*

I tell him, we shall stay here at the least a month; and he heartily *prays*, some occasion may detain us longer. *Shakspeare.*

Is any sick? let him call for the elders of the church, and let them *pray* over him. *Jam.* v. 14.

Unskilful with what words to *pray*, let me
Interpret for him. *Milton, P. L.*

He that *prays*, despairs not; but sad is the condition of him that cannot *pray*; happy are they that can, and do, and love to do it. *Bp. Taylor, Guide to Devotion.*

Thou, Turnus, shalt atone it by thy fate,
And *pray* to heav'n for peace, but *pray* too late. *Dryden.*

He prais'd my courage, *pray'd* for my success;
He was so true a father of his country,
To thank me for defending ev'n his foes. *Dryden.*

They who add devotion to such a life, must be said to *pray* as christians, but live as heathens. *Law.*

Should you *pray* to God for a recovery, how rash would it be to accuse God of not hearing your prayers, because you found your disease still to continue. *Wake.*

2. To entreat; to ask submissively.

Pray that in towns and temples of renown,
The name of great Anchises may be known. *Dryden.*

3. *To* PRAY *in Aid.* A term used for a petition made, in a court of justice, for the calling in of help from another, that hath an interest in the cause in question. *Hanmer.*

You shall find
A conquerour, that will *pray in aid* for kindness,
Where he for grace is kneel'd to. *Shakspeare, Ant. and Cleop.*

4. I PRAY; that is, *I* pray *you to tell me* is a slightly ceremonious form of introducing a question.

But I *pray*, in this mechanical formation, when the ferment was expanded to the extremities of the arteries, why did it not break through the receptacle? *Bentley, Serm.*

5. Sometimes only *pray* elliptically.

Barnard, in spirit, sense, and truth abounds;
Pray, then, what wants he? fourscore thousand pounds. *Pope.*

To PRAY. † *v. a.*

1. To supplicate; to implore; to address with submissive petitions.

Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest. *St. Matt.* ix. 38.

I will *pray* the Father, and he shall give you another Comforter. *St. John*, xiv. 16.

Then *prayed* they him to tarry certain days. *Acts*, x. 48.

How much more, if we *pray* him, will his ear
Be open, and his heart to pity incline? *Milton, P. L.*

2. To ask for as a supplicant.

He that will have the benefit of this act, must *pray* a prohibition before a sentence in the ecclesiastical court. *Ayliffe.*

3. To entreat in ceremony or form.

Pray my colleague Antonius I may speak with him;
And as you go, call on my brother Quintus,
And *pray* him with the tribunes to come to me. *B. Jonson.*

PRA'YER. † *n. s.* [*praier*, old Fr. *priere*, modern.]

1. Petition to heaven.

They did say their *prayers*, and address'd them
Again to sleep. *Shakspeare, Macbeth.*

O remember, God!
O hear her *prayer* for them as now for us. *Shakspeare.*

My heart's desire and *prayer* to God for Israel is, that they might be saved. *Rom.* x. 1.

Unreasonable and absurd ways of life, whether in labour or diversion, whether they consume our time or our money, are like unreasonable and absurd *prayers*, and are as truly an offence to God. *Law.*

2. Mode of petition.

The solemn worship of God and Christ is neglected in many congregations; and instead thereof an indigested form and conception of extemporal *prayer* is used. *White.*

3. Practice of supplication.

Were he as famous and as bold in war,
As he is fam'd for mildness, peace, and *prayer*. *Shakspeare.*

4. Single formule of petition.

He fell to his devotions on that behalf, and made those two excellent *prayers* which were published immediately after his death. *Fell.*

Sighs now breath'd
Inutterable, which the spirit of *prayer*
Inspir'd. *Milton, P. L.*

No man can always have the same spiritual pleasure in his *prayers*; for the greatest saints have sometimes suffered the banishment of the heart, sometimes are fervent, sometimes they feel a barrenness of devotion; for this spirit comes and goes. *Bp. Taylor, Guide to Devotion.*

5. Entreaty; submissive importunity.

Prayer among men is supposed a means to change the person to whom we pray; but prayer to God doth not change him, but fits us to receive the things prayed for. *Stillingfleet.*

PRA'YERBOOK. *n. s.* [*prayer* and *book*.] Book of publick or private devotions.

Get a *prayerbook* in your hand,
And stand between two churchmen;
For on that ground I'll build a holy descant. *Shakspeare.*

I know not the names or number of the family which now reigns, farther than the *prayerbook* informs me. *Swift.*

PRA'YINGLY. * *adv.* [from the part. *praying*.] With supplication to God.

Nor is it easily credible, that he who can preach well, should be unable to pray well; when as it is indeed the same ability to speak affirmatively, or doctrinally, and only by changing the mood, to speak *prayingly*. *Milton, Apol. for Smect.* § xi.

PRE. [*præ*, Lat.] A particle which, prefixed to words derived from the Latin, marks priority of time or rank.

To PREACH. *v. n.* [*prædico*, Lat. *prescher*, Fr.] To pronounce a publick discourse upon sacred subjects.

From that time Jesus began to *preach*. *St. Matt.* iv. 17.

Prophets *preach* of thee at Jerusalem. *Neh.* vi. 7.

It is evident in the apostles *preaching* at Jerusalem and elsewhere, that at the first proposal of the truth of Christ to them, and the doctrine of repentance, whole multitudes received the faith, and came in. *Hammond.*

Divinity would not pass the yard and loom, the forge or anvil, nor *preaching* be taken in as an easier supplementary trade, by those that disliked the pains of their own. *Decay of Chr. Piety.*

As he was sent by his Father, so were the apostles commissioned by him to *preach* to the gentile world. *Decay of Chr. Piety.*

The shape of our cathedral is not proper for our *preaching* auditors, but rather the figure of an amphitheatre with galleries. *Graunt.*

To PREACH. *v. a.*

1. To proclaim or publish in religious orations.

The Jews of Thessalonica had knowledge, that the word of God was *preached* of Paul. *Acts.*

He decreed to commissionate messengers to *preach* this covenant to all mankind. *Hammond.*

2. To inculcate publickly; to teach with earnestness.

There is not any thing publickly notified, but we may properly say it is *preached.* *Hooker.*

He oft to them *preach'd*
Conversion and repentance. *Milton, P. L.*

Can they *preach* up equality of birth,
And tell us how we all began from earth? *Dryden.*

Among the rest, the rich Galesus lies,
A good old man while peace he *preach'd* in vain,
Amidst the madness of th' unruly train. *Dryden.*

PREACH. *n. s.* [*presche*, Fr. from the verb.] A discourse; a religious oration. Not in use.

This oversight occasioned the French spitefully to term religion in that sort exercised, a mere *preach.* *Hooker.*

PREA'CHER. *n. s.* [*prescheur*, Fr. from *preach.*]

1. One who discourses publickly upon religious subjects.

The Lord gave the word; great was the company of the *preachers.* *Ps.* lxviii. 11.

You may hear the sound of a *preacher's* voice, when you cannot distinguish what he saith. *Bacon.*

Here lies a truly honest man,
One of those few that in this town
Honour all *preachers;* hear their own. *Crashaw.*

2. One who inculcates any thing with earnestness and vehemence.

No *preacher* is listened to but time, which gives us the same train of thought, that elder people have tried in vain to put into our heads before. *Swift.*

PREA'CHERSHIP.* *n. s.* [from *preacher.*] The office of a preacher.

The publick *preachership* of St. Edmund's Bury [was] then offered me upon good conditions. *Bp. Hall, Specialties in his Life.*

You have seen by the papers the disposition of the *preachership* to Dr. Ross. *Warburton to Hurd,* Lett. 116.

PREA'CHING.* *n. s.* [from *preach.*] Publick discourse upon sacred subjects.

Go unto Nineveh, that great city, and preach unto it the *preaching* that I bid thee. *Jonah,* iii. 2.

He said that Marston wrote his father-in-law's *preachings.* *Drummond, Conv. of Ben Jonson.*

PREA'CHMAN.* *n. s.* [*preach* and *man.*] A preacher mentioned in contempt.

Some of our *preachmen* are grown dog-mad; there's a worm got into their tongues, as well as their heads. *Howell, Lett.* ii. 33. (dat. 1645.)

PREA'CHMENT. *n. s.* [from *preach.*] A sermon mentioned in contempt; a discourse affectedly solemn.

Was't you, that revell'd in our parliament,
And made a *preachment* of your high descent? *Shakspeare.*

All this is but a *preachment* upon the text. *L'Estrange.*

PREACQUAI'NTANCE.* *n. s.* [*præ* and *acquaintance.*] State of being before acquainted with; previous knowledge.

In English, city is a name common to many places; and speaker, a name common to many men. Yet if we prefix the article, *the* city means our metropolis; and *the* speaker, a high officer in the British parliament. And thus 'tis by an easy transition, that, the article, from denoting reference, comes to denote eminence also; that is to say, from implying an ordinary *preacquaintance,* to presume a kind of general and universal notoriety. *Harris, Hermes,* B. 2. ch. 1.

PREADMINISTRA'TION.* *n. s.* [*præ* and *administration.*] Previous administration.

Baptism as it was instituted by Christ after the *preadministration* of St. John. *Pearson on the Creed,* Art. 10.

To PREADMO'NISH.* *v. a.* [*præ* and *admonish.*] To caution or admonish beforehand.

These things thus *preadmonished,* let us inquire what the undoubted meaning is of our Saviour's words. *Milton, Judg. of M. Bucer on Divorce,* ch. 30.

PREA'MBLE. *n. s.* [*preambule,* Fr.] Something previous; introduction; preface.

How were it possible that the church should any way else with such ease and certainty provide, that none of her children may, as Adam, dissemble that wretchedness, the penitent confession whereof is so necessary a *preamble,* especially to common prayer. *Hooker.*

Truth as in this we do not violate, so neither is the same gainsayed or crossed, no not in those very *preambles* placed before certain readings, wherein the steps of the Latin service-book have been somewhat too nearly followed. *Hooker.*

Doors shut, visits forbidden, and divers contestations with the queen, all *preambles* of ruin, though now and then he did wring out some petty contentments. *Wotton.*

This *preamble* to that history was not improper for this relation. *Clarendon, Hist. of the Reb.*

With *preamble* sweet
Of charming symphony they introduce
Their sacred song, and waken raptures high. *Milton, P. L.*

I will not detain you with a long *preamble.* *Dryden.*

PREA'MBULARY.† } *adj.* [from *preamble.*] Previous.
PREA'MBULOUS. } Not in use, though not inelegant. Dr. Johnson. — Accordingly Dr. Johnson has given an example only of *preambulous;* but of the better word, *preambulary,* he had found no instance; which, however, one of the finest English writers affords.

These three evangelical resuscitations are so many *preambulary* proofs of the last and general resurrection. *Pearson on the Creed,* Art. 11.

He not only undermineth the base of religion, but destroyeth the principle *preambulous* unto all belief, and puts upon us the remotest error from truth. *Brown.*

To PREA'MBULATE.* *v. n.* [*præ* and *ambulate.*] To walk before; to go before.

When fierce destruction follows to hell-gate,
Pride doth most commonly *preambulate.* *Jordan's Poems,* §§ 3. b.

PREAMBULA'TION.* *n. s.* [*præ* and *ambulatio,* Lat.] Preamble. Not in use.

What speakest thou of *preambulacion?* *Chaucer, Wife of Bath's Prol.*

PREA'MBULATORY.* *adj.* [*præ* and *ambulatory.*] Going before; antecedent.

Simon Magus had *preambulatory* impieties; he was covetous and ambitious, long before he offered to buy the Holy Ghost. *Bp. Taylor, Serm.* (1651,) p. 219.

PREAPPREHE'NSION. *n. s.* [*pre* and *apprehend.*] An opinion formed before examination.

A conceit not to be made out by ordinary eyes, but such as regarding the clouds, behold them in shapes conformable to *preapprehensions.* *Brown, Vulg. Err.*

PREASE. *n. s.* Press; crowd. Spenser. See PRESS. Obsolete.

A ship into the sacred seas,
New-built, now launch we; and from out our *prease*
Chuse two-and-fifty youths. *Chapman.*

PREA'SING. *part. adj.* Crowding. *Spenser.*

PREAU'DIENCE.* *n. s.* [*præ* and *audience.*] The right or state of being heard before another.

A custom has of late years prevailed of granting letters patent of precedence to such barristers, as the crown thinks proper to honour with that mark of distinction: whereby they are entitled to such rank and *pre-audience,* as are assigned in their respective patents. *Blackstone.*

PRE'BEND. *n. s.* [*præbenda,* low Latin; *prebende,* Fr.]

1. A stipend granted in cathedral churches.

His excellency gave the doctor a *prebend* in St. Patrick's cathedral. *Swift, Miscell.*

2. Sometimes, but improperly, a stipendiary of a cathedral; a prebendary.

Deans and canons, or *prebends* of cathedral churches, in their first institution, were of great use, to be of counsel with the bishop. *Bacon.*

PREBE'NDAL.* *adj.* [from *prebend.*] Of or belonging to a prebend.

Mr. Harte is returned in perfect health from Cornwall, and has taken possession of his *prebendal* house at Windsor. *Ld. Chesterfield.*

PRE'BENDARY. *n. s.* [*præbendarius*, Lat.] A stipendiary of a cathedral.

To lords, to principals, to *prebendaries*. *Spenser, Hubb. Tale.*
I bequeath to the Reverend Mr. Grattan, *prebendary* of St. Audoen's, my gold bottle-screw. *Swift's Last Will.*

PRE'BENDARYSHIP.* *n. s.* [from *prebendary.*] The office of a prebendary; a canonry.

My lord's grace of Canterbury hath this week sent hither to Mr. Hales, very nobly, a *prebendaryship* of Windsor, unexpected, undesired. *Wotton, Rem.* p. 369.

PRECA'RIOUS. *adj.* [*precarius*, Lat. *precaire*, Fr.] Dependent; uncertain, because depending on the will of another; held by courtesy; changeable or alienable at the pleasure of another. No word is more unskilfully used than this with its derivatives. It is used for *uncertain* in all its senses; but it only means uncertain, as dependent on others: thus there are authors who mention the *precariousness* of an *account*, of the *weather*, of a *die*.

What subjects will *precarious* kings regard,
A beggar speaks too softly to be heard. *Dryden.*

Those who live under an arbitrary tyrannick power, have no other law but the will of their prince, and consequently no privileges but what are *precarious*. *Addison.*

This little happiness is so very *precarious*, that it wholly depends on the will of others. *Addison, Spect.*

He who rejoices in the strength and beauty of youth, should consider by how *precarious* a tenure he holds these advantages, that a thousand accidents may before the next dawn lay all these glories in the dust. *Rogers, Serm.*

PRECA'RIOUSLY. *adv.* [from *precarious.*] Uncertainly by dependence; dependently; at the pleasure of others.

If one society cannot meet or convene together, without the leave or license of the other society; nor treat or enact any thing relating to their own society, without the leave and authority of the other; then is that society, in a manner, dissolved, and subsists *precariously* upon the meer will and pleasure of the other. *Leslie.*

Our scene *precariously* subsists too long
On French translation and Italian song:
Dare to have sense yourselves; assert the stage,
Be justly warm'd with your own native rage. *Pope.*

PRECA'RIOUSNESS. *n. s.* [from *precarious.*] Uncertainty; dependence on others. The following passage from a book, otherwise elegantly written, affords an example of the impropriety mentioned at the word *precarious*.

Most consumptive people die of the discharge they spit up, which, with the *precariousness* of the symptoms of an oppressed diaphragm from a mere lodgment of extravasated matter, render the operation but little adviseable. *Sharp, Surgery.*

PRE'CATIVE.* *adj.* [*precatus*, Lat.] Suppliant; submissive.

The requisitive [mood] appears under two distinct species, either as 'tis imperative to inferiors, or *precative* to superiors. *Harris, Hermes*, B. i. ch. 8.

PRE'CATORY.* *adj.* [*precatus*, Lat.] Suppliant; beseeching.

As this particle Amen, used in the beginning of a speech, is assertory of the undoubted truth of it, so when it is subjoined and used at the end of it, it is *precatory*, and signifies our earnest desire to have our prayers heard and our petitions granted. *Bp. Hopkins, Expos. of the Lord's Prayer*, p. 208.

They had *precatory* sacrifices, which were burnt-offerings of several creatures, in order to obtain from God some particular favours. *Shuckford, Connect. of Sac. and Proph. Hist.* ii. 297.

PRECAU'TION. *n. s.* [*precaution*, Fr. from *præcautus*, Latin.] Preservative caution; preventive measures.

Unless our ministers have strong assurances of his falling in with the grand alliance, or not opposing it, they cannot be too circumspect and speedy in taking their *precautions* against any contrary resolution. *Addison on the War.*

To PRECAU'TION. *v. a.* [*precautioner*, Fr. from the noun.] To warn beforehand.

By the disgraces, diseases, and beggary of hopeful young men brought to ruin, he may be *precautioned*. *Locke.*

PRECAU'TIONAL.* *adj.* [from *precaution.*] Preservative; preventive. The word is perhaps not in use: but *precautionary* has, I think, in modern times been adopted.

This first filial fear is but virtuous and *precautional*, and so compatible with a happy constitution; for it perplexeth our present fruition no more than the general notion of our mortality offendeth our present health: the knowledge that we must die, doth not make us sick; no more doth the understanding that our temporary delights are to pass away, disrelish their present savour. *W. Mountague, Dev. Ess.* P. i. (1648,) p. 61.

PRECEDA'NEOUS.† *adj.* [This word is, I believe, mistaken by the author [Hale] for *præcidaneous*; *præcidaneus*, Lat. cut or slain before. Nor is it used here in its proper sense. Dr. Johnson.— Surely *precedaneous* may be deduced from *precede*, as *antecedaneous* from *antecede*; nor is the word so uncommon, as the solitary example from Hale, which Dr. Johnson gives, might induce the reader to suppose. Our best writers abundantly use it.] Previous; preceding; anteriour.

The custom of sin—contracted by many *precedaneous* acts of consent to it. *Hammond, Works*, i. 191.

A competition *precedaneous* to this choice. *Hammond, Works*, iv. 510.

History records several strange events in nature *precedaneous* to the assassination of Henry the fourth of France. *Spencer on Prod.* p. 100.

It appears from hence, that faith is in Holy Scripture represented in nature *precedaneous* to God's benevolence, to his conferring remission of sins, accepting and justifying our persons. *Barrow*, vol. ii. S. 4.

That priority of particles of simple matter, influx of the heavens and preparation of matter might be antecedent and *precedaneous*, not only in order, but in time, to their ordinary productions. *Hale, Orig. of Mankind.*

To PRECE'DE. *v. a.* [*præcedo*, Lat. *preceder*, Fr.]

1. To go before in order of time.

How are we happy, still in fear of harm?
But harm *precedes* not sin. *Milton, P. L.*

Arius and Pelagius durst provoke,
To what the centuries *preceding* spoke. *Dryden.*

The ruin of a state is generally *preceded* by an universal degeneracy of manners and contempt of religion. *Swift.*

2. To go before according to the adjustment of rank.

PRECE'DENCE. } *n. s.* [from *præcedo*, Lat.]
PRECE'DENCY. }

1. The act or state of going before; priority.

2. Something going before; something past. Not used.

I do not like, but yet it does allay
The good *precedence*. *Shakspeare, Ant. and Cleop.*

It is an epilogue or discourse, to make plain
Some obscure precedence that hath tofore been sain. *Shakespeare.*

3. Adjustment of place.

Among the laws touching *precedence* in Justinian, divers are, that have not yet been so received every where by custom. *Selden.*

The constable and marshal had cognizance, touching the rights of place and *precedence*. *Hale.*

4. The foremost place in ceremony.

None sure will claim in hell
Precedence; none, whose portion is so small
Of present pain, that with ambitious mind
Will covet more. *Milton, P. L.*

The royal olive accompanied him with all his court, and always gave him the *precedency*. *Howell.*

That person hardly will be found,
With gracious form and equal virtue crown'd;
Yet if another could *precedence* claim,
My fixt desires could find no fairer aim. *Dryden.*

5. Superiority.

Books will furnish him, and give him light and *precedency* enough to go before a young follower. *Locke.*

Being distracted with different desires, the next inquiry will be, which of them has the *precedency*, in determining the will, to the next action. *Locke.*

Prece'dent. *adj.* [*precedent*, Fr. *præcedens*, Latin.] Former; going before.

Do it at once,
Or thy *precedent* services are all
But accidents unpurpos'd. *Shakspeare, Ant. and Cleop.*

Our own *precedent* passions do instruct us,
What levity's in youth. *Shakspeare, Timon.*

When you work by the imagination of another, it is necessary that he, by whom you work, have a *precedent* opinion of you, that you can do strange things. *Bacon.*

Hippocrates, in his prognosticks, doth make good observations of the diseases that ensue upon the nature of the *precedent* four seasons of the year. *Bacon.*

The world, or any part thereof, could not be *precedent* to the creation of man. *Hale, Orig. of Mankind.*

Truths, absolutely necessary to salvation, are so clearly revealed, that we cannot err in them, unless we be notoriously wanting to ourselves; herein the fault of the judgment is resolved into a *precedent* default in the will. *South.*

Pre'cedent. *n. s.* [The adjective has the accent on the second syllable, the substantive on the first.] Any thing that is a rule or example to future times: any thing done before of the same kind.

Examples for cases can but direct as *precedents* only. *Hooker.*

Eleven hours I've spent to write it over,
The *precedent* was full as long a doing. *Shakspeare.*

No power in Venice
Can alter a decree establish'd:
'Twill be recorded for a *precedent*;
And many an errour, by the same example,
Will rush into the state. *Shakspeare, Merch. of Ven.*

God, in the administration of his justice, is not tied to *precedents*, and we cannot argue, that the providences of God towards other nations shall be conformable to his dealings with the people of Israel. *Tillotson.*

Such *precedents* are numberless; we draw
Our right from custom: custom is a law. *Granville.*

Pre'cedented.* *adj.* [from *precedent*.] Having a precedent; justifiable by an example.

Prece'dently. *adv.* [from *precedent*, adj.] Beforehand.

Prece'llence.* } *n. s.* [old Fr. *precellence*; from
Prece'llency. } *præcello*, Latin.] Excellence. Not in use.

Any pre-eminence or *precellency* given. *Sheldon, Mir. of Antichrist*, p. 151.

There is no nation of the world but will yield to the English the *precellency* of that glory, either in ships, or men. *Casaubon on Credulity*, p. 287.

Prece'ntor.† *n. s.* [*præcentor*, Lat. *precenteur*, Fr.] He that leads the choir; a chanter.

A *precentor* in a choir both appointeth, and moderateth, all the songs that be sung there. *Fotherby, Atheom.* (1622,) p. 318.

Follow this *precentor* of ours, in blessing and magnifying that God of all grace, and never yielding to those enemies, which he died to give us power to resist and overcome. *Hammond.*

What I have now only as a *precentor*, begun to you, the whole chorus will answer in the counterpart. *Hammond, Serm.*

PRE'CEPT.† *n. s.* [*precepte*, Fr. *præceptum*, Lat.]

1. A rule authoritatively given; a mandate; a commandment; a direction.

The custom of lessons furnishes the very simplest and rudest sort with infallible axioms and *precepts* of sacred truth, delivered even in the very letter of the law of God. *Hooker.*

'Tis sufficient, that painting be acknowledged for an art; for it follows, that no arts are without their *precepts*. *Dryden.*

A *precept* or commandment consists in, and has respect to, some moral point of doctrine, viz. such as concerns our manners, and our inward and outward good behaviour. *Ayliffe.*

2. In law language, a warrant of a justice, or any magistrate.

Marry, sir;—these *precepts* cannot be served. *Shakspeare, Hen. IV. P. II.*

Prece'ptial. *adj.* [from *precept*.] Consisting of precepts. Not in use.

Men
Can counsel, and give comfort to that grief
Which they themselves not feel; but tasting it,
Their counsel turns to passion, which before
Would give *preceptial* medicine to rage;
Fetter strong madness in a silken thread,
Charm ach with air, and agony with words. *Shakspeare.*

Prece'ption.* *n.* [*præceptio*, Lat.] A precept. Not in use.

Their Leo calls these words a *preception*, I did not. *Bp. Hall, Hon. of the Marr. Cl.* p. 96.

Prece'ptive. *adj.* [*perceptivus*, Lat. from *precept*.] Containing precepts; giving precepts.

The ritual, the *preceptive*, the prophetick, and all other parts of sacred writ, were most sedulously, most religiously guarded by them. *Gov. of the Tongue.*

As the *preceptive* part enjoins the most exact virtue, so is it most advantageously enforced by the promissory, which, in respect of the rewards, and the manner of proposing them, is adapted to the same end. *Dec. of Chr. Piety.*

The lesson given us here, is *preceptive* to us not to do any thing but upon due consideration. *L'Estrange.*

Prece'ptor. *n. s.* [*preceptor*, Lat. *precepteur*, Fr.] A teacher; a tutor.

Passionate chiding carries rough language with it, and the names that parents and *preceptors* give children, they will not be ashamed to bestow on others. *Locke.*

It was to thee, great Stagyrite unknown,
And thy *preceptor* of divine renown. *Blackmore.*

Prece'ptory.* *adj.* [from *preceptor*, Lat.] Giving precepts.

The other place seemeth, to sundry, to stande for a law *preceptorie* as well to us now, as to the Levites then. *Anderson, Expos. on Benedictus*, (1573,) fol. 74.

Prece'ptory.* *n. s.* [from *preceptor*.] A kind of subordinate religious house, where instruction was given.

Here was a religious foundation called a *preceptorie*. I should thinke it to have been a free-schoole. *Weever.*

Prece'ssion. *n. s.* [from *præcedo*, *precessus*, Lat.] The act of going before.

Preci'nct.† *n. s.* [*præcinctus*, Lat. Dr. Johnson has placed the accent on the last syllable, as Milton has done; but the word is now usually spoken with the accent on the first.] Outward limit; boundary.

The main body of the sea being one, yet within divers *precincts*, hath divers names; so the catholick church is in like sort divided into a number of distinct societies. *Hooker.*

This is the manner of God's dealing with those that have lived within the *precincts* of the church; they shall be condemned for the very want of true faith and repentance. *Perkins.*

Through all restraint broke loose, he wings his way
Not far off heaven, in the *precincts* of light,
Directly towards the new created world. *Milton, P. L.*

PRECIO'SITY. *n. s.* [from *pretiosus*, Lat.]

1. Value; preciousness.
2. Any thing of high price. Not used in either sense.

The index or forefinger was too naked whereto to commit their *preciosities*, and hath the tuition of the thumb scarce unto the second joint. *Brown, Vulg. Err.*

Barbarians seem to exceed them in the curiosity of their application of these *preciosities*. *More, Div. Dialogues.*

PRE'CIOUS. *adj.* [*precieux*, Fr. *pretiosus*, Lat.]

1. Valuable; being of great worth.

Many things, which are most *precious*, are neglected only because the value of them lieth hid. *Hooker.*

Why in that rawness left you wife and children,
Those *precious* motives, those strong knots of love,
Without leave taking? *Shakspeare, Macbeth.*

I never saw
Such *precious* deeds in one that promis'd nought
But beggary and poor luck. *Shakspeare, Cymbeline.*

These virtues are the hidden beauties of a soul, which make it lovely and *precious* in his sight, from whom no secrets are concealed. *Addison, Spect.*

2. Costly; of great price: as, a *precious* stone.

Let none admire
That riches grow in hell; that soil may best
Deserve the *precious* bane. *Milton, P. L.*

3. Worthless. An epithet of contempt or irony.

More of the same kind, concerning these *precious* saints amongst the Turks, may be seen in Pietro della valle. *Locke.*

PRE'CIOUSLY.✝ *adv.* [from *precious.*]

1. Valuably; to a great price.

Amidst whole heaps of spices lights a ball,
And now their odours arm'd against them fly:
Some *preciously* by shatter'd porcelain fall,
And some by aromatick splinters die. *Dryden, Ann. Mir.*

2. Contemptibly. In irony.

PRE'CIOUSNESS.✝ *n. s.* [from *precious.*] Valuableness; worth; price.

The fat [in the margin, *preciousness*] of lambs. *Ps.* xxxvii. 20.
Its *preciousness* equalled the price of pearls. *Wilkins.*

PRE'CIPICE. *n. s.* [*præcipitium*, Lat. *precipice*, Fr.] A headlong steep; a fall perpendicular without gradual declivity.

You take a *precipice* for no leap of danger,
And woo your own destruction. *Shakspeare, Hen. VIII.*

Where the water dasheth more against the bottom, there it moveth more swiftly and more in *precipice*; for in the breaking of the waves there is ever a *precipice*. *Bacon.*

I ere long that *precipice* must tread,
Whence none return, that leads unto the dead. *Sandys.*

No stupendous *precipice* denies
Access, no horror turns away our eyes. *Denham.*

Swift down the *precipice* of time it goes,
And sinks in minutes, which in ages rose. *Dryden.*

His gen'rous mind the fair ideas drew
Of fame and honour, which in dangers lay;
Where wealth, like fruit, on *precipices* grew,
Not to be gather'd but by birds of prey. *Dryden.*

Drink as much as you can get; because a good coachman never drives so well as when he is drunk; and then shew your skill, by driving to an inch by a *precipice*. *Swift.*

PRECI'PITANCE. } *n. s.* [from *precipitant.*] Rash haste;
PRECI'PITANCY. } headlong hurry.

Thither they haste with glad *precipitance*. *Milton, P. L.*

'Twere *pregnant*, they should square between themselves. *Shakspeare, Ant. and Cleop.*

5. Easy to produce or to admit any thing.

A most poor man made tame to fortune's blows,
Who by the art of known and feeling sorrows,
Am *pregnant* to good pity. *Shakspeare, K. Lear.*

6. Free; kind. Obsolete.

My matter hath no voice, but to your own most *pregnant* and vouchsafed ear. *Shakspeare, Tw. Night.*

7. Ready; dexterous; witty; apt. This is found in our old lexicography; and perhaps the preceding passage from Twelfth Night belongs to this meaning.

How *pregnant* sometimes his replies are! a happiness that often madness hits on, which reason and sanity could not so prosperously be delivered of. *Shakspeare, Hamlet.*

PRE'GNANTLY. *adv.* [from *pregnant*.]

1. Fruitfully.

2. Fully; plainly; clearly.

A thousand moral paintings I can shew,
That shall demonstrate these quick blows of fortune
More *pregnantly* than words. *Shakspeare, Timon.*

The dignity of this office among the Jews is so *pregnantly* set forth in Holy Writ, that it is unquestionable; kings and priests are mentioned together. *South.*

PREGUSTA'TION. *n. s.* [*præ* and *gusto*, Lat.] The act of tasting before another.

To PREINSTRU'CT.* *v. a.* [*præ* and *instruct*.] To instruct previously.

As if Plato had been *preinstructed* by men of the same spirit with the Apostle. *More, Conj. Cabb.* p. 204.

They are by him as the elder and better courtier, coming out of the school of Guarini, *preinstructed* to approach your Royal Highness, if not without rusticity, yet without irreverence. *Fanshaw, Past. Fido, Ep. Dedic.*

To PREJU'DGE. *v. a.* [*prejuger*, Fr. *præ* and *judico*, Lat.] To determine any question beforehand; generally to condemn beforehand.

If he stood upon his own title of the house of Lancaster, he knew it was condemn'd in parliament, and *prejudged* in the common opinion of the realm, and that it tended to the disinherison of the line of York. *Bacon, Hen. VII.*

The child was strong and able, though born in the eighth month, which the physicians do *prejudge*. *Bacon.*

The cause is not to be defended, or patronized by names, but arguments, much less to be *prejudged*, or blasted by them. *Hammond.*

The committee of council hath *prejudged* the whole case, by calling the united sense of both houses of parliament an universal clamour. *Swift.*

Some action ought to be entered, lest a greater cause should be injured and *prejudged* thereby. *Ayliffe.*

PREJU'DGEMENT.* *n. s.* [*prejugement*, Fr. from *prejudge.*] Judgement without examination.

It is not free and impartial inquiry that we deprecate, it is hasty and arrogant *prejudgement*; our warnings are not addressed to those who pursue with patience, modesty, and candour, the fair deductions of reason, but to such as without patience, modesty, or candour, are given not to inquiry but change. It is against those I caution you, who allow nothing to authority, but every thing to what they call reason; who despise the conclusions of wisdom, confirmed by the experience of ages, when they militate against those crude conceptions and narrow views which a weak understanding, acting upon a small stock of knowledge, mocks with the respectable name of judgement. *Bp. of Killaloe, (Knox,) Two Serm.* p. 39.

PREJU'DICACY.* *n. s.* [from *prejudicate.*] Prepossession; prejudice.

I, desiring somewhat to inform myself of the Turkish nation, would not sit down with a book-knowledge thereof; but rather receive it from mine own eye, not dazzled with any affection, *prejudicacy*, or mist of education. *Blount, Voyage to the Levant*, p. 8.

To PREJU'DICATE.† *v. a.* [*præ* and *judico*, Lat.] To determine beforehand to disadvantage.

Neither must it *prejudicate* anye other man's righte or title. *Martin, Marr. of Priests*, (1554,) N. iv.

Our dearest friend
Prejudicates the business, and would seem
To have us make denial. *Shakspeare.*

The fault of the father may *prejudicate* the son's right, although he had no part in the fault. *Hayward, Answ. to Doleman*, ch. 7.

Are you, in favour of his person, bent
Thus to *prejudicate* the innocent? *Sandys.*

To PREJU'DICATE.* *v. n.* To form a judgement without examination.

A mind most prejudiced with a *prejudicating* humour. *Sidney, Def. of Poesy.*

To be so caught in a *prejudicating* weakness, as to condemn that for lewd, which these elect servants of Christ commended for lawful. *Milton, Judg. of M. Bucer on Divorce.*

PREJU'DICATE.† *adj.* [from the verb.]

1. Formed by prejudice; formed before examination.

It is forestalled with such a number of *prejudicate* opinions, as it is made unprofitable. *Bacon, on the Controv. of the Ch. of Eng.*

This rule of casting away all our former *prejudicate* opinions, is not proposed to any of us to be practised at once as subjects or christians, but merely as philosophers. *Watts.*

2. Prejudiced; prepossessed by opinions.

I would repent me, were it not too late;
Were not the angry world *prejudicate!* *Bp. Hall, Sat.* vi. 1.

Their works will be embraced by most that understand them; and their reasons enforce belief from *prejudicate* readers. *Brown, Vulg. Err.*

PREJUDICA'TION.† *n. s.* [from *prejudicate.*] The act of judging without examination. *Sherwood.*

PREJU'DICATIVE.* *adj.* [from *prejudicate.*] Forming an opinion or decision without examination.

A thing as ill beseeming philosophers, as hasty *prejudicative* sentence political judges. *More, Infin. of Worlds*, (1647,) Pref.

PRE'JUDICE. *n. s.* [*prejudice*, Fr. *prejudicium*, Lat.]

1. Prepossession; judgement formed beforehand without examination. It is used for prepossession in favour of any thing or against it. It is sometimes used with *to* before that which the *prejudice* is against, but not properly.

The king himself frequently considered more the person who spoke, as he was in his *prejudice*, than the counsel itself that was given. *Clarendon.*

My comfort is, that their manifest *prejudice to* my cause will render their judgment of less authority. *Dryden.*

There is an unaccountable *prejudice to* projectors of all kinds, for which reason, when I talk of practising to fly, silly people think me an owl for my pains. *Addison.*

2. Mischief; detriment; hurt; injury. This sense is only accidental or consequential; *a bad thing* being called *a prejudice*, only because *prejudice* is commonly *a bad thing*, and is not derived from the original or etymology of the word: it were therefore better to use it less; perhaps *prejudice* ought never to be applied to any mischief, which does not imply some partiality or prepossession. In some of the following examples its impropriety will be discovered.

I have not spake one the least word,
That might be *prejudice* of her present state,
Or touch of her good person. *Shakspeare, Hen. VIII.*

England and France might, through their amity,
Breed him some *prejudice*; for from this league
Peep'd harms that menac'd him. *Shakspeare, Hen. VIII.*

Factions carried too high and too violently, is a sign of weakness in princes, and much to the *prejudice* of their authority and business. *Bacon.*

How plain this abuse is, and what *prejudice* it does to the understanding of the sacred Scriptures. *Locke.*

A prince of this character will instruct us by his example, to fix the unsteadiness of our politicks; or by his conduct hinder it from doing us any *prejudice*. *Addison.*

To PRE'JUDICE. *v. a.* [from the noun.]

1. To prepossess with unexamined opinions; to fill with prejudices.

Half pillars wanted their expected height,
And roofs imperfect *prejudic'd* the sight. *Prior.*

Suffer not any beloved study to *prejudice* your mind, so far as to despise all other learning. *Watts.*

2. To obstruct or injure by prejudices previously raised.

Companies of learned men, be they never so great and reverend, are to yield unto reason; the weight whereof is no whit *prejudiced* by the simplicity of his person, which doth alledge it. *Hooker.*

Neither must his example, done without the book, *prejudice* that which is well appointed in the book. *Whitgift.*

I am not to *prejudice* the cause of my fellow-poets, though I abandon my own defence. *Dryden.*

3. To injure; to hurt; to diminish; to impair; to be detrimental to. This sense, as in the noun, is often improperly extended to meanings that have no relation to the original sense; who can read with patience of an ingredient that *prejudices* a medicine?

The strength of that law is such, that no particular nation can lawfully *prejudice* the same by any their several laws and ordinances, more than a man by his private resolutions, the law of the whole commonwealth wherein he liveth. *Hooker.*

The Danube rescu'd, and the empire sav'd,
Say, is the majesty of verse retriev'd?
And would it *prejudice* thy softer vein,
To sing the princes, Louis and Eugene? *Prior.*

To this is added a vinous bitter, warmer in the composition of its ingredients than the watry infusion; and, as gentian and lemon-peel make a bitter of so grateful a flavour, the only care required in this composition was to chuse such an addition as might not *prejudice* it. *London Dispensatory.*

PREJUDI'CIAL. *adj.* [*prejudiciable*, Fr. from *prejudice.*]

1. Obstructed by means of opposite prepossessions.

'Tis a sad irreverence, without due consideration to look upon the actions of princes with a *prejudicial* eye. *Holyday.*

2. Contrary; opposite.

What one syllable is there, in all this, *prejudicial* any way to that which we hold? *Hooker.*

3. Mischievous; hurtful; injurious; detrimental. This sense is improper. See PREJUDICE, noun and verb.

His going away the next morning with all his troops, was most *prejudicial* and most ruinous to the king's affairs. *Clarendon.*

One of the young ladies reads, while the others are at work; so that the learning of the family is not at all *prejudicial* to its manufactures. *Addison, Guardian.*

A state of great prosperity, as it exposes us to various temptations, so it is often *prejudicial* to us, in that it swells the mind with undue thoughts. *Atterbury.*

PREJUDI'CIALNESS. *n. s.* [from *prejudicial.*] The state of being prejudicial; mischievousness.

PRE'LACY. *n. s.* [from *prelate.*]

1. The dignity or post of a prelate or ecclesiastick of the highest order.

Prelacies may be termed the greater benefices; as that of the pontificate, a patriarchship, an archbishoprick and bishoprick. *Ayliffe, Parergon.*

2. Episcopacy, the order of bishops.

The presbyter, puff'd up with spiritual pride,
Shall on the necks of the lewd nobles ride,
His brethren damn, the civil power defy,
And parcel out republick *prelacy*. *Dryden.*

How many are there, that call themselves protestants, who put *prelacy* and popery together as terms convertible? *Swift.*

3. Bishops. Collectively.

Divers of the reverend *prelacy*, and other most judicious men, have especially bestowed their pains about the matter of jurisdiction. *Hooker, Dedication.*

PRE'LATE. *n. s.* [*prelat*, Fr. *prælatus*, Lat.] An ecclesiastick of the highest order and dignity.

It beseemed not the person of so grave a *prelate*, to be either utterly without counsel, as the rest were, or in a common perplexity to shew himself alone secure. *Hooker.*

Hear him but reason in divinity,
And, all-admiring, with an inward wish
You would desire the king were made a *prelate*. *Shakspeare.*

The archbishop of Vienna, a reverend *prelate*, said one day to king Lewis XI. of France, — Sir, your mortal enemy is dead, what time duke Charles of Burgundy was slain. *Bacon.*

Yet Munster's *prelate* ever be accurst,
In whom we seek the German faith in vain. *Dryden.*

PRE'LATESHIP.* *n. s.* [from *prelate.*] Office of a prelate.

Superiorities and *prelateships*.
Harmar, Transl. of Beza, (1587.) p. 168.

PRELA'TICAL.† } *adj.* [from *prelate.*] Relating to
PRELA'TICK. } prelate or prelacy. Dr. Johnson notices only *prelatical*, and that without any example. A learned correspondent has expressed to me an opinion. that this adjective has not been used except in an invidious way; of which usage Milton affords many examples. But the word was certainly employed, and in Milton's time too, in its dignified and proper sense.

A *prelatical* superintendency, or episcopacy.
Bp. Morton, Episcopacy Asserted, ch. 5. § 5.

Such of the *prelatick* party, as are in love with present pomp and power, will be averse unto me, because I pare so deep.
Sir E. Dering's Speeches, p. 161.

Still galling and vexing the *prelatical* Pharisees.
Milton, Apol. for Smectymnuus.

We hold it no more to be the badge and bulwark of religion, than the popish or *prelatical* courts, or the Spanish Inquisition.
Milton, Obs. on the Art of Peace.

PRELA'TICALLY.* *adv.* [from *prelatical.*] With reference to prelates.

This is as much as any *prelatically* minded man could either say, or wish to be said. *Bp. Morton, Episc. Ass.* ch. 2. § 2.

A sort of formal outside men *prelatically* addicted.
Milton, Reas. of Ch. Gov. B. 2.

PRELA'TION.† *n. s.* [*prælatus*, Lat.] Preference; setting of one above the other.

To reproach the Roman church for this idolatrous corrivalry, or rather *prelation*, of the Virgin in religious worship before Christ. *More on the Sev. Churches*, Pref.

The affection and *prelation* of their parents.
Pearson on the Creed, Art. 2.

In case the father left only daughters, they equally succeeded as in co-partnership, without any *prelation* or preference of the eldest daughter to a double portion. *Hale.*

PRE'LATURE. } *n. s.* [*prælatura*, Lat. *prelature*,
PRE'LATURESHIP. } Fr.] The state or dignity of a prelate. *Dict.*

PRE'LATY.* *n. s.* [from *prelate.*] Episcopacy.

Other profound clerks of late greatly, as they conceive, to the advancement of *prelaty*, are so earnestly meting out the Lydian proconsular Asia, to make good the prime metropolis of Ephesus. *Milton, Reas. of Ch. Gov.* Pref.

To PRELE'CT.* *v. n.* [*prælectus*, *prælego*, Lat.] To discourse; to read a lecture.

I dare not in this assembly, in which I see myself surrounded by so many of the masters of physiology, attempt a particular exposition of the anatomical imagery of this extraordinary text; lest I should seem not to have taken warning by the contempt which fell on that conceited Greek, who had the vanity to *prelect* upon the military art before the conquerors of Asia. *Bp. Horsley, Serm.* (1789.)

PRELE'CTION.† *n. s.* [*prælectio*, Lat.] Reading; lecture; discourse.

He that is desirous to prosecute these asystata or infinitude, let him resort to the *prelections* of Faber. *Hale.*

Whitlock, Mann. of the Eng. p. 385.

PRELIBA'TION.† *n. s.* [from *prælibo*, Lat.] Taste beforehand; effusion previous to tasting.

The firm belief of this, in an innocent soul, is a high *prelibation* of those eternal joys. *More, Div. Dialogues.*

He assuredly knows from the *prelibation* of eternal life, which he hath had in this world, that then all tears shall be wiped away from his eys. *Smith on Old Age*, p. 200.

Rich *prelibation* of consummate joy. *Young, Night Th.* 9.

PRELI'MINARY. *adj.* [*preliminaire*, Fr. *præ limine*, Lat.] Previous; introductory; proemial.

My master needed not the assistance of that *preliminary* poet to prove his claim; his own majestick mien discovers him to be the king. *Dryden.*

PRELI'MINARY. *n. s.* Something previous; preparatory act. Preparation, preparative.

The third consists of the ceremonies of the oath on both sides, and the *preliminaries* to the combat. *Notes on Iliad.*

PRE'LUDE. *n. s.* [*prelude*, Fr. *præludium*, Lat.]

1. Some short flight of musick played before a full concert.

My weak essay
But sounds a *prelude*, and points out their prey. *Young.*

2. Something introductory; something that only shews what is to follow.

To his infant arms oppose
His father's rebels and his brother's foes;
Those were the *preludes* of his fate,
That form'd his manhood, to subdue
The hydra of the many-headed hissing crew. *Dryden.*

The last Georgick was a good *prelude* to the Æneis, and very well shewed what the poet could do in the description of what was really great. *Addison.*

One concession to a man is but a *prelude* to another. *Richardson, Clarissa.*

To PRELU'DE.† *v. n.* [*preluder*, Fr. *præludo*, Lat.] To serve as an introduction; to be previous to; to make introduction.

Either songster holding out their throats,
And folding up their wings, renew'd their notes,
As if, all-day, *preluding* to the fight,
They only had rehears'd, to sing by night. *Dryden.*

Eustathius observes, that Priam *preludes* to his words by actions expressive of misery. *Pope, Note on Hom. Il.* vi.

So love *preluding* plays at first with hearts,
And after wounds with deeper piercing darts. *Congreve.*

To PRELUDE.* *v. a.* To play before. See the first sense of PRELUDE.

If the organist *preludes* an anthem of praise or thanksgiving, a spirited movement is certainly in its place, if kept within the limits which dignified exultation would prescribe. *Mason on Ch. Musick*, p. 63.

PRE'LUDER.* *n. s.* [from *prelude*.] One who plays an extemporary introduction to a regular piece of musick.

The fugue — has a merit peculiar to itself, which is never so fully perceived as when executed on the organ by an extempore performer, provided he has all the requisites of invention, science, and execution, which Rousseau requires in a good *preluder*. *Mason on Ch. Musick*, p. 60.

PRELU'DIOUS. *adj.* [from *prelude*.] Previous; introductory.

That's but a *preludious* bliss,
Two souls pickeering in a kiss. *Cleaveland.*

PRELU'DIUM.† *n. s.* [Latin.] Prelude.

They are very modest; 'tis a fine *preludium*. *Beaum. and Fl. Rule a Wife.*

His usual songs are certain catches and roundelayes, much after the manner of the French braules; you would take him verily to be a monsieur of Paris, if you heard but his *preludiums*. *Parth. Sacra*, (1633,) p. 139.

We shall be sufficiently instructed in this *preludium* or introduction to repentance. *Bp. Taylor, Serm.* (1651,) p. 56.

With these *preludiums* is he brought to the last scene of mockery and cruelty. *South, Serm.* v. 81.

This Menelaus knows, expos'd to share
With me the rough *preludium* of the war. *Dryden.*

PRELU'SIVE. *adj.* [from *prelude*.] Previous; introductory; proemial.

The clouds
Softly shaking on the dimpled pool
Prelusive drops, let all their moisture flow. *Thomson.*

PRELU'SORY.* *adj.* [from *prelude*.] Introductory; previous.

When the parents have at home grounded their children in these *prelusory* rudiments, they send them to school. *L. Addison, State of the Jews*, p. 84.

PREMATU'RE. *adj.* [*prematuré*, Fr. *præmaturus*, Lat.] Ripe too soon; formed before the time; too early; too soon said, believed, or done; too hasty.

'Tis hard to imagine, what possible consideration should persuade him to repent, till he deposited that *premature* persuasion of his being in Christ. *Hammond on Fundamentals.*

PREMATU'RELY. *adv.* [from *premature*.] Too early; too soon; with too hasty ripeness.

PREMATU'RENESS.† } *n. s.* [*prematurité*, Fr. from *premature*.] Too great haste; unseasonable earliness. *Sherwood.*
PREMATU'RITY. }

We must recur to the vigorous *prematurity* of Chatterton's understanding. It was not in books only that this boy shewed his amazing intuition and comprehension. He looked on life with the same penetrating and pervading eye. *Warton, Rowley Enq.* p. 87.

To PREME'DITATE. *v. a.* [*præmeditor*, Lat. *premediter*, Fr.] To contrive or form beforehand; to conceive beforehand.

Where I have come, great clerks have purposed
To greet me with *premeditated* welcomes. *Shakspeare.*
With words *premeditated* thus he said. *Dryden.*

To PREME'DITATE. *v. n.* To have formed in the mind by previous meditation; to think beforehand.

Of themselves they were rude, and knew not so much as how to *premeditate*; the spirit gave them speech and eloquent utterance. *Hooker, Eccl. Pol.*

PREME'DITATE.* *adj.* [from the verb.] Contrived beforehand; prepense.

He said to me, he never improved his interest at court to do a *premeditate* mischief to other persons. *Burnet, Life of Rochester*, p. 14.

PREME'DITATELY.* *adv.* [from *premeditate*.] With premeditation.

He that *premeditately* cosens one. *Feltham, Res.* ii. 62.

In all the number of laws passed with regard to the plantations, the words which distinguish revenue laws, specifically as such, were, I think, *premeditately* avoided. *Burke, Sp. on American Taxation.*

PREMEDITA'TION. *n. s.* [*præmeditatio*, Lat. *premeditation*, Fr. from *premeditate*.] Act of meditating beforehand.

Are all th' unlook'd-for issue of their bodies
To take their rooms ere I can place myself,
A cold *premeditation* for my purpose? *Shakspeare.*

Hope is a pleasant *premeditation* of enjoyment, as when a dog expects, till his master has done picking of the bone. *More, Antid. against Atheism.*

He, amidst the disadvantage of extempore against *premeditation*, dispelled with ease and perfect clearness all the sophisms that had been brought against him. *Fell.*

Verse is not the effect of sudden thought; but this hinders not, that sudden thought may be represented in verse, since those thoughts must be higher than nature can raise without *premeditation*. *Dryden on Dram. Poetry.*

To PREME'RIT. *v. a.* [*præmereor*, Lat.] To deserve before.

They did not forgive Sir John Hotham, who had so much *premerited* of them. *King Charles.*

PRE'MICES. *n. s.* [*primitiæ*, Lat. *premices*, Fr.] First fruits.

A charger, yearly filled with fruits, was offered to the gods at their festivals, as the *premices* or first gatherings. *Dryden.*

PRE'MIER. *adj.* [French.] First; chief.

The Spaniard challengeth the *premier* place, in regard of his dominions. *Camden, Rem.*

Thus families like realms, with equal fate,
Are sunk by *premier* ministers of state. *Swift.*

PRE'MIER.* *n. s.* A principal minister of state; the prime minister.

He, makes him not only his *premier* in temporals, but his vicegerent in spirituals, with consequences no less dangerous to his own royal person and authority than to the interest and security of church and state. *Hildrop, Cont. of the Clergy*, (1739,) p. 61.

To PREMI'SE. *v. a.* [*præmissus*, Lat.]

1. To explain previously; to lay down premises.

The apostle's discourse here is an answer upon a ground taken; he *premiseth*, and then infers. *Burnet.*

I *premise* these particulars, that the reader may know I enter upon it as a very ungrateful task. *Addison.*

2. To send before the time. Not in use.

O let the vile world end,
And the *premised* flames of the last day
Knit earth and heaven together. *Shakspeare, Hen. VI.*

To PREMI'SE.* *v. n.* To make antecedent propositions.

I must *premise* with three circumstances. *Swift.*

PRE'MISES.† *n. s.* [*præmissa*, Lat. *premisses*, Fr.]

1. Propositions antecedently supposed or proved.

They infer upon the *premises*, that as great difference as commodiously may be, there should be in all outward ceremonies between the people of God, and them which are not his people. *Hooker.*

This is so regular an inference, that whilst the *premises* stand firm, it is impossible to shake the conclusion. *Decay of Chr. Piety.*

She study'd well the point, and found
Her foes' conclusions were not sound,
From *premises* erroneous brought,
And therefore the deduction's nought. *Swift, Miscell.*

2. In law language, houses or lands.

Possession could not be acquired without both an actual intention to possess, and an actual seisin or entry into the *premises*, or part of them in the name of the whole. *Blackstone.*

PRE'MISS. *n. s.* [*præmissum*, Latin.] Antecedent proposition. This word is rare in the singular.

They know the major or minor, which is implied, when you pronounce the other *premiss* and the conclusion. *Watts.*

PRE'MIUM. *n. s.* [*præmium*, Lat.] Something given to invite a loan or a bargain.

No body cares to make loans upon a new project; whereas men never fail to bring in their money upon a land-tax, when the *premium* or interest allowed them is suited to the hazard they run. *Addison, Freeholder.*

People were tempted to lend, by great *premiums* and large interest; and it concerned them to preserve that government, which they had trusted with their money. *Swift, Miscell.*

To PREMO'NISH.† *v. a.* [*præmoneo*, Lat.] To warn or admonish beforehand.

Of these hath our loving Lord *premonished* us in this heavenly work of his. *Bale on the Rev.* P. i. (1550,) A. 8. b.

We exhort you, in the name of our Lord Jesus Christ, to have in remembrance into how high a dignity, and to how chargeable an office, ye be called; that is to say, the messengers, the watchmen, the pastors, and the stewards of the Lord; to teach, to *premonish*, to feed, and provide for, the Lord's family. *Off. for the Ordering of Priests.*

I desire only to *premonish* you, that it is my resolution. *Bp. Sanderson on Promiss. Oaths*, ii. § 1.

PREMO'NISHMENT. *n. s.* [from *premonish.*] Previous information.

After these *premonishments*, I will come to the compartition itself. *Wotton on Architecture.*

PREMONI'TION. *n. s.* [from *premonish.*] Previous notice; previous intelligence.

What friendly *premonitions* have been spent
On your forbearance, and their vain event. *Chapman.*

How great the force of such an erroneous persuasion is, we may collect from our Saviour's *premonition* to his disciples, when he tells them, that those who killed them should think they did God service. *Decay of Chr. Piety.*

PREMO'NITORY.* *adj.* [from *præ* and *moneo*, Latin.] Previously advising.

PREMO'NSTRANTS.* *n. s.* [*Præmonstratenses*, Latin.] Monks of *Premontrè*, in the Isle of France, commonly called white canons, who first came into England in the twelfth century.

To PREMO'NSTRATE.† *v. a.* [*præ* and *monstro*, Lat.] To show beforehand.

I am half persuaded that Wells also had their prophecies as well as Bath, and that this bishop was *premonstrated* (that I may not say predestinate) to give this great wound to this bishoprick. *Sir J. Harington, Br. View of the Church*, p. 111.

Neither in the delivery of these things, though evidently true, do we presuppose any thing, as if we would gain men's affections by stealth or flattery, but we *premonstrate* rather, that is, we deduce one thing out of another continually, from the first principles of metaphysicks until we come to the last and least differences of things. *Hartlib, Reform. of Schools*, p. 51.

PREMONSTRA'TION.* *n. s.* [from *premonstrate.*] Act of showing beforehand.

If such demonstration was made for the beginning, then the like *premonstration* is to be looked for in the fulfilling. *Shelford, Learned Discourses*, p. 323.

PREMUNI'RE. *n. s.* [Latin.]

1. A writ in the common law, whereby a penalty is incurrable, as infringing some statute.

Premunire is now grown a good word in our English laws, by tract of time; and yet at first it was merely mistaken for premonire. *Bramhall against Hobbes.*

2. The penalty so incurred.

Wolsey incurred a *premunire*, forfeited his honour, estate, and life, which he ended in great calamity. *South.*

3. A difficulty; a distress. A low ungrammatical word.

PREMUNI'TION. *n. s.* [from *premunio*, Lat.] An anticipation of objection.

To PRENO'MINATE.† *v. a.* [*prænomino*, Lat.] To forename.

Think'st thou to catch my life so pleasantly,
As to *prenominate* in nice conjecture
Where thou wilt hit me dead? *Shakspeare, Tr. and Cress.*

PRENO'MINATE.* *part. adj.* [from the verb.] Forenamed.

Him you would sound,
Having ever seen, in the *prenominate* crimes,
The youth, you breathe of, guilty. *Shakspeare, Hamlet.*

PRENOMINA'TION. *n. s.* [*præ* and *nomino*, Lat.] The privilege of being named first.

The watry productions should have the *prenomination*; and they of the land rather derive their names, than nominate those of the sea. *Brown, Vulg. Err.*

PRENO'TION.† *n. s.* [*prenotion*, Fr. *præ* and *nosco*, Lat.] Foreknowledge; prescience.

The hedgehog's pretension of winds is so exact, that it stoppeth the north or southern hole of its nest, according unto *prenotion* of these winds ensuing. *Brown.*

Hence that perpetual struggle to recover the lost region of light, that ardent thirst after truth and intellectual ideas, which the mind of man would neither seek to attain, nor rejoice in, nor know when attained, except she had some *prenotion* or anticipation of them. *Bp. Berkeley, Siris*, § 314.

PRENSA'TION.* *n. s.* [*prensatus*, from *prenso*, Lat. to catch hold of.] The act of seizing with violence.

Historians complain, that within three ages after our Lord, commonly by ambitious *prensations*, by simoniacal corruptions, by political bandyings, by all kinds of sinister ways, men crept into the papacy. *Barrow on the Pope's Supremacy.*

PRE'NTICE.† *n. s.* [contracted, by colloquial licence, from *apprentice*. Dr. Johnson. — It is a very old contraction; for Chaucer has *prentis*, in the present sense.] One bound to a master, in order to instruction in a trade.

My accuser is my *prentice*, and when I did correct him for his fault, he did vow upon his knees he would be even with me. *Shakspeare, Hen. VI.*

PRE'NTICESHIP. *n. s.* [from *prentice.*] The servitude of an apprentice.

He serv'd a *prenticeship*, who sets up shop,

Honour aspireth to death; grief flieth to it; and fear *preoccupieth* it. *Bacon.*

2. To prepossess; to fill with prejudices.

That the model be plain without colours, lest the eye *preoccupate* the judgement. *Wotton on Architecture.*

PREOCCUPA'TION.† *n. s.* [*preoccupation*, Fr. from *preoccupate.*]

1. Anticipation.

To provide so tenderly by *preoccupation*, as no spider may suck poison out of a rose.

Proceed. against Garnet, (1606,) Ccc. 3. b.

2. Prepossession.

The remark which the vindicator makes on the supposed obscurity of one of our church articles, (which from mere prejudice of education, and *preoccupation* of mind, he does not understand,) on the framers of the articles, on the venerable fathers of the Reformation, and on the conduct of the established church, deserves a much severer censure than I am disposed to pass on it.

Bp. of Durham, (*Barrington*,) *Sermons, Charges, &c.* p. 423.

3. Anticipation of objection.

As if, by way of *preoccupation*, he should have said; well, here you see your commission, this is your duty, these are your discouragements; never seek for evasions from worldly afflictions; this is your reward, if you perform it; this is your doom, if you decline it. *South.*

To PREO'CCUPY.† *v. a.*

1. To take previous possession of.

Places where demons are enthroned or seated; either having *preoccupied* such places of themselves; or, brought thither by certain ceremonies and magical invocations, do as it were dwell there. *Mede on Churches*, p. 63.

2. To prepossess; to occupy by anticipation or prejudices.

I think it more respectful to the reader to leave something to reflections, than *preoccupy* his judgement. *Arbuthnot.*

To PREO'MINATE. *v. a.* [*præ* and *ominor*, Lat.] To prognosticate; to gather from omens any future event.

Because many ravens were seen when Alexander entered Babylon, they were thought to *preominate* his death. *Brown.*

PREOPI'NION. *n. s.* [*præ* and *opinio*, Lat.] Opinion antecedently formed; prepossession.

Diet holds no solid rule of selection; some, in indistinct voracity, eating almost any; others, out of a timorous *preopinion*, refraining from very many things. *Brown.*

PREO'PTION.* *n. s.* [*præ* and *option.*] The right of first choice.

Agamemnon, as general, had the *preoption* of what part of the booty he pleased.

Stackhouse, Hist. of the Bib. vol. i. B. 5. ch. 4.

To PREORDA'IN. *v. a.* [*præ* and *ordain.*] To ordain beforehand.

Sin is the contrariety to the will of God, and if all things be *preordained* by God, and so demonstrated to be willed by him, it remains there is no such thing as sin. *Hammond.*

Few souls *preordain'd* by fate,
The race of gods have reach'd that envy'd state. *Roscommon.*

PREO'RDINANCE.* *n. s.* [*præ* and *ordinance.*] Antecedent decree; first decree. Not in use.

These lowly courtesies
Might stir the blood of ordinary men,
And turn *preordinance* and first decree
Into the law of children. *Shakspeare, Jul. Cæs.*

PREO'RDINATE.* *part. adj.* [*præ* and *ordinate.*] Preordained.

Am I of that virtue, that I maye resist against celestial influence, *preordinate* by providence divine?

Sir T. Elyot, Gov. fol. 187. b.

PREORDINA'TION.† *n. s.* [from *preordain.*] The act of preordaining.

Cities grow great and little, neither by fate, nor fortune, but by God's *preordination*. *Fotherby, Atheom.* p. 278.

Where we were when the foundations of the earth were laid, when the morning stars sang together, and all the sons of God shouted for joy, He must answer who asks it; who understands entities of *preordination* and beings yet unbeing.

Brown, Chr. Mor. iii. 25.

PRE'PARATE.* *part.* [*preparatus*, Lat.] Prepared. Obsolete.

For thee is *preparate* the eternal glory.

Old Morality of Every Man.

PREPARA'TION. *n. s.* [*preparatio*, Lat. *preparation*, Fr. from *prepare.*]

To PREPE'NSE.* *v. n.* To deliberate beforehand.

And ever in your noble heart *prepense*,
That all the sorrow in the world is lesse
Than vertue's might and value's confidence.
Spenser, F. Q. iii. xi. 14.

PREPE'NSE.† *adj.* [from the verb.] Forethought; preconceived; contrived beforehand: as, malice *prepense*.

PREPO'LLENCE.* PREPO'LLENCY. } *n. s.* [*præpollens*, Lat.] Prevalence.

Sometimes in a more refined and highly philosophick sense, Osiris is the whole active force of the universe, considered as having a *prepollency* of good in its effects.
Coventry, Phil. to Hyd. Conv. 3.

Those who hold this uncomfortable and gloomy opinion, would do well to consider what such men as Cudworth, archbishop King, Hutcheson, and Balguy, have so strongly urged in confutation of this opinion of the *prepollence* of evil in the world. *Dr. Warton, Note on Dryden's 10th Sat. of Juv.*

To PREPO'NDER. *v. a.* [from *preponderate.*] To outweigh. Not used.

Though pillars by channelling be seemingly ingrossed to our sight, yet they are truly weakened; and therefore ought not to be the more slender, but the more corpulent, unless apparencies *preponder* truths. *Wotton on Architecture.*

PREPO'NDERANCE. PREPO'NDERANCY. } *n. s.* [from *preponderate.*] The state of outweighing; superiority of weight.

As to an addition of ponderosity in dead bodies, comparing them unto blocks, this occasional *preponderancy* is rather an appearance than reality. *Brown, Vulg. Err.*

The mind should examine all the grounds of probability, and, upon a due balancing the whole, reject or receive proportionably to the *preponderancy* of the greater grounds of probability. *Locke.*

Little light boats were the ships which people used, to the sides whereof this fish remora fastening, might make it swag, as the least *preponderance* on either side will do, and so retard its course. *Grew, Mus.*

PREPO'NDERANT.* *part. adj.* [*preponderans*, Lat.] Outweighing.

The *preponderant* scale must determine. *Reid.*

To PREPO'NDERATE. *v. a.* [*præpondero*, Lat.]

1. To outweigh; to overpower by weight.

An inconsiderable weight, by distance from the centre of the balance, will *preponderate* greater magnitudes. *Glanville.*

The triviallest thing, when a passion is cast into the scale with it, *preponderates* substantial blessings. *Gov. of the Tongue.*

2. To overpower by stronger influence.

To PREPO'NDERATE. *v. n.*

1. To exceed in weight.

That is no just balance, wherein the heaviest side will not *preponderate*. *Wilkins.*

He that would make the lighter scale *preponderate*, will not so soon do it by adding new weight to the emptier, as if he took out of the heavier what he adds to the lighter. *Locke.*

Unless the very mathematical center of gravity of every system be fixed in the very mathematical center of the attractive power of all the rest, they cannot be evenly attracted on all sides, but must *preponderate* some way or other. *Bentley.*

2. To exceed in influence or power analogous to weight.

In matters of probability, we cannot be sure that we have all particulars before us, and that there is no evidence behind, which may outweigh all that at present seems to *preponderate* with us. *Locke.*

By putting every argument on one side and the other into the balance, we must form a judgment which side *preponderates*. *Watts.*

PREPONDERA'TION. *n. s.* [from *preponderate.*] The act or state of outweighing any thing.

In matters, which require present practice, we must content ourselves with a mere *preponderation* of probable reasons. *Watts, Logick.*

A youthful man, who *prepossess'd* her room.
Beaumont, Psyche, p. 284.

2. To fill with an opinion unexamined; to prejudice.

She was *prepossessed* with the scandal of salivating. *Wiseman.*

PREPOSSE'SSION. *n. s.* [from *prepossess.*]

1. Preoccupation; first possession.

God hath taken care to anticipate and prevent every man to give piety the *prepossession*, before other competitors should be able to pretend to him; and so to engage him in holiness first, and then in bliss. *Hammond on Fundamentals.*

2. Prejudice; preconceived opinion.

Had the poor vulgar rout only, who were held under the prejudices and *prepossessions* of education, been abused into such idolatrous superstitions, it might have been pitied, but not so much wondered at. *South.*

With thought, from *prepossession* free, reflect
On solar rays, as they the sight respect. *Blackmore.*

PREPOSSE'SSOR.* *n. s.* [from *prepossess.*] One that possesses before another. Not in use.

They signify only a bare *prepossessor*, one that possessed the land before the present possessor. *Brady, Gloss.*

PREPO'STEROUS. *adj.* [*præposterus*, Lat.]

1. Having that first which ought to be last.

The method I take may be censured as *preposterous*, because I thus treat last of the antediluvian earth, which was first in order of nature. *Woodward, Nat. Hist.*

2. Wrong; absurd; perverted.

Put a case of a land of Amazons, where the whole government, publick and private, is in the hands of women: is not such a *preposterous* government against the first order of nature, for women to rule over men, and in itself void. *Bacon.*

Death from a father's hand, from whom I first
Receiv'd a being, 'tis a *preposterous* gift,
An act at which inverted nature starts,
And blushes to behold herself so cruel. *Denham.*

Such is the world's *preposterous* fate;
Amongst all creatures, mortal hate
Love, though immortal, doth create. *Denham.*

The Roman missionaries gave their liberal contribution, affording their *preposterous* charity to make them proselytes, who had no mind to be confessors or martyrs. *Fell.*

By this distribution of matter continual provision is every where made for the supply of bodies, quite contrary to the *preposterous* reasonings of those men, who expected so different a result. *Woodward, Nat. Hist.*

3. Applied to persons: foolish; absurd.

Preposterous ass! that never read so far
To know the cause why musick was ordain'd. *Shakspeare.*

PREPO'STEROUSLY. *adv.* [from *preposterous.*] In a wrong situation; absurdly.

Those things do best please me,
That befal *preposterously*. *Shakspeare, M. Night's Dream.*

Upon this supposition, one animal would have its lungs, where another hath its liver, and all the other members *preposterously* placed; there could not be a like configuration of parts in any two individuals. *Bentley, Serm.*

PREPO'STEROUSNESS.† *n. s.* [from *preposterous.*] Absurdity; wrong order or method.

'Tis the saucy servant that causes the lord to shrink his descending favours. Of the two, pride is more tolerable in a master. The other is a *preposterousness*, which Solomon saw the earth did groan for. *Feltham, Res.* i, 7.

PRE'POTENCY. *n. s.* [*præpotentia*, Lat.] Superior power; predominance.

If there were a determinate *prepotency* in the right, and such as ariseth from a constant root in nature, we might expect the same in other animals. *Brown.*

PRE'PUCE. *n. s.* [*prepuce*, Fr. *præputium*, Lat.] That which covers the glans; foreskin.

The *prepuce* was much inflamed and swelled. *Wiseman.*

Some primary literal signification is *prerequired* to that other of figurative. *Hammond.*

PRERE'QUISITE. *adj.* [*præ* and *requisite.*] Previously necessary.

The conformation of parts is necessary, not only unto the *prerequisite* and previous conditions of birth, but also unto the parturition. *Brown, Vulg. Err.*

Before the existence of compounded body, there must be a pre-existence of active principles, necessarily *prerequisite* to the mixing these particles of bodies. *Hale.*

PRERE'QUISITE.* *n. s.* Something previously necessary.

How much more justly may I challenge that privilege to do it, with the same *prerequisites*? *Dryden, Ep. pref. to Annus Mirabilis.*

To PRERESO'LVE.* *v. a.* [*præ* and *resolve.*] To resolve previously.

I am confident you are herein *preresolved*, as I wish. *Sir E. Dering's Speeches*, p. 143.

PRERO'GATIVE. *n. s.* [*prerogative*, Fr. *prærogativa*, low Lat.] An exclusive or peculiar privilege.

My daughters and the fair Parthenia might far better put in their claim for that *prerogative*. *Sidney.*

Our *prerogative*
Calls not your counsels, but our natural goodness
Imparts this. *Shakspeare.*

How could communities,
The primogeniture, and due of birth,
Prerogative of age, sceptres, and crowns,
But by degree, stand in authentick place? *Shakspeare.*

The great Caliph hath an old *prerogative* in the choice and confirmation of the kings of Assyria. *Knolles.*

They are the best laws, by which the king hath the justest *prerogative*, and the people the best liberty. *Bacon.*

Had any of these second causes despoiled God of his *prerogative*, or had God himself constrained the mind and will of man to impious acts by any celestial inforcements? *Ralegh.*

They obtained another royal *prerogative* and power, to make war and peace at their pleasure. *Davies.*

The house of commons to these their *prerogatives* over the lords, sent an order to the lieutenant of the Tower, that he should cause him to be executed that very day. *Clarendon.*

For freedom still maintain'd alive,
Freedom an English subject's sole *prerogative*,
Accept our pious praise. *Dryden.*

All wish the dire *prerogative* to kill,
Ev'n they wou'd have the power, who want the will. *Dryden.*

It seems to be the *prerogative* of human understanding, when it has distinguished any ideas, so as to perceive them to be different, to consider in what circumstances they are capable to be compared. *Locke.*

I will not consider only the *prerogatives* of man above other animals, but the endowments which nature hath conferred on his body in common with them. *Ray on the Creation.*

PRERO'GATIVED. *adj.* [from *prerogative.*] Having an exclusive privilege; having prerogative.

'Tis the plague of great ones,
Prerogativ'd are they less than the base;
'Tis destiny unshunable. *Shakspeare, Othello.*

PRES. *Pres*, *prest*, seem to be derived from the Saxon,

pneoſτ, a priest; it being usual in after times to drop the letter *o* in like cases. *Gibson's Camden.*

PRE'SAGE.† *n. s.* [*presage*, Fr. *præsagium*, Lat. Dr. Johnson has placed the accent on the last syllable, which was common in our old poetry, and which Dryden has followed. But Milton gives it on the first, as this substantive is now usually spoken; though Dr. Johnson has corruptly cited a single passage from the great poet, which might leave the reader to suppose that *preságe* was intended: " Joy and shout *presage* of victory;" which is printed as an entire line; when the real passage is very different.] Prognostick; presension of futurity.

And the sad augurs mock their own *preságe*. *Shakspeare, Sonnet.*

Our's joy fill'd, and shout,
Présage of victory. *Milton, P. L.*

I — lend them oft my aid,
Oft my advice by *presages* and signs. *Milton, P. R.*

If there be aught of *presage* in the mind. *Milton, S. A.*

Too true *preságes* of his future doom. *Dryden, Lucret.*

Dreams have generally been considered by authors only as revelations of what has already happened, or as *presages* of what is to happen. *Addison.*

To PRESA'GE. *v. a.* [*presager*, Fr. *præsagio*, Lat.]

1. To forbode; to foreknow; to foretell; to prophesy: it seems properly used of internal presension.

Henry's late *presaging* prophesy
Did glad my heart with hope. *Shakspeare, Hen. VI.*

What power of mind
Foreseeing, or *presaging* from the depth
Of knowledge past or present, could have fear'd
How such united force of gods, how such
As stood like these, could ever know repulse? *Milton, P. L.*

This contagion might have been *presaged* upon consideration of its precursors. *Harvey on Consumptions.*

Wish'd freedom, I *presage* you soon will find,
If Heav'n be just, and if to virtue kind. *Dryden.*

2. Sometimes with *of* before the thing foretold.

That by certain signs we may *presage*
Of heats and rains, and wind's impetuous rage,
The Sovereign of the heav'ns has set on high
The moon to mark the changes of the sky. *Dryden.*

3. To foretoken; to foreshow.

If I may trust the flattering ruth of sleep,
My dreams *presage* some joyful news at hand. *Shakspeare.*

Dreams advise,
Which he hath sent propitious, some great good
Presaging. *Milton, P. L.*

That cloud, that hangs upon thy brow, *presages*
A greater storm than all the Turkish power
Can throw upon us. *Denham, Sophy.*

When others fell, this standing did *presage*
The crown shou'd triumph over pop'lar rage. *Waller.*

PRESA'GEFUL.* *adj.* [*presage* and *full.*] Foreboding; full of presage.

The brawling brook,
And cave *presageful*, send a hollow moan,
Resounding long in listening Fancy's ears. *Thomson, Winter.*

Garrets him, and squalid walls, await,
Unless, *presageful*, from this friendly strain
He glean advice, and shun the scribbler's doom. *Shenstone, Econ. P. ii.*

PRESA'GEMENT. *n. s.* [from *presage.*]

1. Forebodement; presension.

I have spent much enquiry, whether he had any ominous *presagement* before his end. *Wotton.*

2. Foretoken.

The falling of salt is an authentick *presagement* of ill luck, from whence notwithstanding nothing can be naturally feared. *Brown, Vulg. Err.*

PRESA'GER.* *n. s.* [from *presage.*] Foreteller; foreshewer.

O let my books be then the eloquence
And dumb *presagers* of my speaking breast. *Shakspeare, Sonnet.*

PRE'SBYTER. *n. s.* [*presbyter*, Lat. πρεσβύτερος.]

1. A priest.

Presbyters absent through infirmity from their churches, might be said to preach by those deputies who in their stead did but read homilies. *Hooker.*

They cannot delegate the episcopal power, properly so called, to *presbyters*, without giving them episcopal consecration. *Leslie.*

2. A presbyterian.

And *presbyters* have their jackpuddings too. *Butler.*

PRESBYTE'RIAL. } *adj.* [πρεσβυτερος.] Consisting of
PRESBYTE'RIAN. } elders; a term for a modern form of ecclesiastical government.

Chiefly was urged the abolition of episcopal, and the establishing of *presbyterian* government. *King Charles.*

Who should exclude him from an interest, and so unhappily a more unavoidable sway in *presbyterial* determinations? *Holyday.*

PRESBYTE'RIAN. *n. s.* [from *presbyter.*] An abettor of presbytery or Calvinistical discipline.

One of the more rigid *presbyterians*. *Swift.*

PRESBYTE'RIANISM.* *n. s.* [from *presbyterian.*] The principles and discipline of presbyterians.

The tories tell us, that the whig scheme would end in *presbyterianism* and a commonwealth. *Addison, Freehold.* No. 54.

PRE'SBYTERY. *n. s.* [from *presbyter.*] Body of elders, whether priests or laymen.

Those which stood for the *presbytery*, thought their cause had more sympathy with the discipline of Scotland than the hierarchy of England. *Bacon.*

Flea-bitten synod, an assembly brew'd
Of clerks and elders ana, like the rude
Chaos of *presbytery*, where laymen guide
With the tame woolpack clergy by their side. *Cleaveland.*

Could a feeble *presbytery*, though perchance swelling enough, correct a wealthy, a potent offender? *Holyday.*

PRE'SCIENCE. *n. s.* [*prescience*, Fr. from *prescient.*] Foreknowledge; knowledge of future things.

They tax our policy, and call it cowardice,
Forestall our *prescience*, and esteem no act
But that of hand. *Shakspeare, Tr. and Cress.*

Prescience or foreknowledge, considered in order and nature, if we may speak of God after the manner of men, goeth before providence; for God foreknew all things before he had created them, or before they had being to be cared for; and *prescience* is no other than an infallible foreknowledge. *Ralegh.*

God's *prescience*, from all eternity, being but the seeing every thing that ever exists as it is, contingents as contingents, necessary as necessary, can neither work any change in the object, by thus seeing it, nor itself be deceived in what it sees. *Hammond.*

If certain *prescience* of uncertain events imply a contradiction, it seems it may be struck out of the omnisciency of God, and leave no blemish behind. *More.*

Of things of the most accidental and mutable nature, God's *prescience* is certain. *South.*

Freedom was first bestow'd on human race,
And *prescience* only held the second place. *Dryden.*

PRE'SCIENT. *adj.* [*præsciens*, Lat.] Foreknowing; prophetick.

Henry, upon the deliberation concerning the marriage of his eldest daughter into Scotland, had shewed himself sensible and almost *prescient* of this event. *Bacon.*

Who taught the nations of the field and wood,
Prescient, the tides or tempests to withstand? *Pope.*

PRE'SCIOUS.† *adj.* [*præscius*, Lat.] Having foreknowledge.

Bellarmine among the rest can brand him as a friend to Arianism, and a patron of that anabaptistical fancy of the unlawfulness of war; which yet himself, as *prescious* of so unjust an imputation, prevents and confutes in an epistle to Paulus Voltzius. *Bp. Hall, Peacemaker*, § 12.

Thrice happy thou, dear partner of my bed,
Whose holy soul the stroke of fortune fled;
Prescious of ills, and leaving me behind,
To drink the dregs of life. *Dryden, Æn.*

To PRESCI'ND.† *v. a.* [*præscindo.* Lat.] To cut off; to abstract.

Our next enquiry is, What this God the Son did suffer as the Son of man; not in the latitude of all his sufferings, but so far as they are comprehended in this article, [Suffered :] which first *prescindeth* all the antecedent part by the expression of time " under Pontius Pilate." *Pearson on the Creed*, Art. 4.

A bare act of obliquity does not only *prescind* from, but positively deny, such a special dependence. *Norris.*

Not an abstract idea compounded of inconsistencies, and *prescinded* from all real things. *Bp. Berkeley, Siris*, § 323.

PRESCI'NDENT. *adj.* [*præscindens*, Lat.] Abstracting.

We may, for one single act, abstract from a reward, which nobody who knows the *prescindent* faculties of the soul, can deny. *Cheyne, Philos. Princip.*

To PRESCRI'BE. *v. a.* [*præscribo*, Lat.]

1. To set down authoritatively; to order; to direct.

Doth the strength of some negative arguments prove this kind of negative argument strong, by force whereof all things are denied, which Scripture affirmeth not, or all things, which Scripture *prescribeth* not, condemned. *Hooker.*

To the blanc moon her office they *prescrib'd. Milton, P. L.*

There's joy, when to wild will you laws *prescribe*,
When you bid fortune carry back her bribe. *Dryden.*

When parents loves are order'd by a son,
Let streams *prescribe* their fountains where to run. *Dryden.*

By a short account of the pressing obligations which lie on the magistrate, I shall not so much *prescribe* directions for the future, as praise what is past. *Atterbury.*

2. To direct medically.

The end of satire is the amendment of vices by correction; and he who writes honestly is no more an enemy to the offender, than the physician to the patient, when he *prescribes* harsh remedies. *Dryden.*

The extremest ways they first ordain,
Prescribing such intolerable pain,
As none but Cæsar could sustain. *Dryden.*

Should any man argue, that a physician understands his own art best; and therefore, although he should *prescribe* poison to all his patients, he cannot be justly punished, but is answerable only to God. *Swift.*

To PRESCRI'BE. *v. n.*

1. To influence by long custom.

A reserve of puerility we have not shaken off from school, where being seasoned with minor sentences, they *prescribe* upon our riper years, and never are worn out but with our memories. *Brown, Vulg. Err.*

2. To influence arbitrarily; to give law.

The assuming an authority of dictating to others, and a forwardness to *prescribe* to their opinions, is a constant concomitant of this bias of our judgements. *Locke.*

3. [*Prescrire*, Fr.] To form a custom which has the force of law.

That obligation upon the lands did not *prescribe* or come into disuse, but by fifty consecutive years of exemption. *Arbuthnot.*

4. To write medical directions and forms of medicine.

Modern 'pothecaries, taught the art
By doctors' bills to play the doctors' part,
Bold in the practice of mistaken rules,
Prescribe, apply, and call their masters fools. *Pope.*

PRESCRI'BER.* *n. s.* [from *prescribe.*] One who gives any rules or directions.

The sun can neither do nor work any thing, but as God, the *prescriber* of order, hath appointed him. *Fotherby, Atheom.* (1622.) p. 185.

None of these great *prescribers* do ever fail providing themselves, and their notions, with a number of implicit disciples. *Swift, Tale of a Tub.*

PRE'SCRIPT. *adj.* [*præscriptus*, Lat.] Directed; accurately laid down in a precept.

Those very laws so added, they themselves do not judge unlawful; as they plainly confess both in matter of *prescript* attire, and of rites appertaining to burial. *Hooker.*

PRE'SCRIPT.† *n. s.* [*præscriptum*, Lat.]

1. Direction; precept; model prescribed. Milton seems to accent the last syllable, Dr. Johnson observes; as Spenser, he might have added, did before him.

He came with swift descent
Unto the place where his *prescript* did shew. *Spenser, Hubb. Tale.*

We Christians, by the tenour and *prescript* of our religion, expect the hope of righteousness. *Chillingworth, Serm.* 8.

By his *prescript*, a sanctuary is fram'd
Of cedar, overlaid with gold. *Milton, P. L.*

2. Medical order.

Nor did he ever with so much regret submit unto any *prescript*, as when his physicians required him to eat suppers. *Fell, Life of Hammond.*

PRESCRI'PTION.† *n. s.* [*prescription*, Fr. *præscriptio*, Lat. from *præscribo*, Lat.]

1. Rules produced and authorized by long custom; custom continued till it has the force of law.

You tell a pedigree
Of threescore and two years, a silly time
To make *prescription* for a kingdom's worth. *Shakspeare.*

Use such as have prevailed before in things you have employed them; for that breeds confidence, and they will strive to maintain their *prescription*. *Bacon, Ess.*

It will be found a work of no small difficulty, to dispossess a vice from that heart, where long possession begins to plead *prescription*. *South.*

Our poet bade us hope this grace to find,
To whom by long *prescription* you are kind. *Dryden.*

The Lucquese plead *prescription*, for hunting in one of the duke's forests, that lies upon their frontiers. *Addison.*

2. Medical receipt.

My father left me some *prescriptions*
Of rare and prov'd effects; such as his reading
And manifest experience had collected
For general sovereignty. *Shakspeare.*

Approving of my obstinacy against all common *prescriptions*, he asked me, whether I had never heard of the Indian way of curing the gout by moxa. *Temple.*

3. Appointment. An old sense of the word, overpassed by Dr. Johnson.

God detested them; much more the wanton rites of your *prescription*. *Bale, Yet a Course*, (1543,) fol. 78. b.

Who vainly brake the covenant of their God,
Nor in the ways of his *prescription* trod. *Sandys, Ps.* 78.

If the words be as determinate and express, as the example and *prescription* of Christ, it is sufficient. *Bp. Bramhall, Ch. of Eng. Def.* p. 229.

PRESCRI'PTIVE.* *adj.* [*præscriptus*, Lat.] Pleading the continuance and authority of custom.

Instead of being terrified by the conceit of a *prescriptive* right in our sovereigns to tyrannize over the subject, I am ready to think the contrary so evident from the constant course of our history, that the simplest of the people are in no hazard of falling into the delusion. *Hurd.*

PRE'SEANCE. *n. s.* [*preseance*, Fr.] Priority of place in sitting. Not used.

The ghests, though rude in their other fashions, may, for their discreet judgement in precedence and *preseance*, read a lesson to our civilest gentry. *Carew, Surv. of Cornwall.*

PRE'SENCE. *n. s.* [*presence*, Fr. *præsentia*, Lat.]

1. State of being present; contrary to absence.

To-night we hold a solemn supper,
And I'll request your *presence*. *Shakspeare.*

The *presence* of a king engenders love
Amongst his subjects and his loyal friends,
As it disanimates his enemies. *Shakespeare, Hen. VI.*

We have always the same natures, and are every where the servants of the same God, as every place is equally full of his *presence*, and every thing is equally his gift. *Law.*

2. Approach face to face to a great personage.

The shepherd Dorus answered with such a trembling voice and abashed countenance, and oftentimes so far from the matter, that it was some sport to the young ladies, thinking it want of education which made him so discountenanced with unwonted *presence*. *Sidney.*

Men that very *presence* fear,
Which once they knew authority did bear! *Daniel.*

3. State of being in the view of a superiour.

I know not by what power I am made bold,
In such a *presence* here, to plead my thoughts. *Shakspeare.*

Thou with Eternal Wisdom didst converse,
Wisdom thy sister, and with her didst play
In *presence* of the Almighty Father, pleas'd
With thy celestial song. *Milton, P. L.*

Perhaps I have not so well consulted the repute of my intellectuals, in bringing their imperfections into such discerning *presences*. *Glanville, Scepsis.*

Since clinging cares and trains of inbred fears,
Not aw'd by arms, but in the *presence* bold,
Without respect to purple or to gold. *Dryden.*

4. A number assembled before a great person.

Look I so pale,
— Ay; and no man in the *presence*,
But his red colour hath forsook his cheeks. *Shakspeare.*

Odmar, of all this *presence* does contain,
Give her your wreath whom you esteem most fair. *Dryden.*

5. Port; air; mien; demeanour.

Virtue is best in a body that is comely, and that hath rather dignity of *presence*, than beauty of aspect. *Bacon.*

A graceful *presence* bespeaks acceptance, gives a force to language, and helps to convince by look and posture. *Collier.*

How great his *presence*, how erect his look,
How every grace, how all his virtuous mother
Shines in his face, and charms me from his eyes. *Smith.*

6. Room in which a prince shows himself to his court.

By them they pass, all gazing on them round,
And to the *presence* mount, whose glorious view
Their frail amazed senses did confound. *Spenser.*

An't please your grace, the two great cardinals
Wait in the *presence*. *Shakspeare, Hen. VIII.*

The lady Anne of Bretagne, passing through the *presence* in the court of France, and espying Chartier, a famous poet, leaning upon his elbow fast asleep, openly kissing him, said, We must honour with our kiss the mouth from whence so many sweet verses have proceeded. *Peacham.*

7. Readiness at need; quickness at expedients.

A good bodily strength is a felicity of nature, but nothing comparable to a large understanding and ready *presence* of mind. *L'Estrange.*

Errors, not to be recall'd, do find
Their best redress from *presence* of the mind,
Courage our greatest failings does supply. *Waller.*

8. The person of a superiour.

To her the sovran *presence* thus reply'd *Milton.*

PRESENCE-CHAMBER. } *n. s.* [*presence* and *chamber* or
PRESENCE-ROOM. } *room.*] The room in which a great person receives company.

If these nerves, which are the conduits to convey them from without to their audience in the brain, the mind's *presence-room*, are so disordered, as not to perform their functions, they have no postern to be admitted by. *Locke.*

Kneller, with silence and surprise,
We see Britannia's monarch rise,
And aw'd by thy delusive hand,
As in the *presence-chamber* stand. *Addison.*

PRESENSA'TION.* *n. s.* [*pre* and *sensation.*] Previous notion or idea.

That plenitude of happiness that has been reserved for future times, the presage and *presensation* of it, has in all ages been a very great joy and triumph to all holy men and prophets. *More, Conj. Cabb.* (1653,) p. 219.

PRESE'NSION.† *n. s.* [*præsensio*, Lat.] Perception beforehand.

The hedgehog's *presension* of winds is exact. *Brown.*

There is, saith Cicero, an ancient opinion, drawn from the utmost bounds of time, that there is among men a certain divination which the Greeks call prophecy, that is a *presention* and knowledge of future things. *Barrow on the Creed.*

PRE'SENT. *adj.* [*present*, Fr. *præsens*, Lat.]

1. Not absent; being face to face; being at hand.

But neither of these are any impediment, because the regent thereof is of an infinite immensity more than commensurate to the extent of the world, and such as is most intimately *present* with all the beings of the world. *Hale.*

Be not often *present* at feasts, not at all in dissolute company; pleasing objects steal away the heart. *Bp. Taylor.*

Much I have heard
Incredible to me, in this displeas'd,
That I was never *present* on the place
Of those encounters. *Milton, S. A.*

2. Not past; not future.

Thou future things can'st represent
As *present*. *Milton, P. L.*

A *present* good may reasonably be parted with, upon a probable expectation of a future good which is more excellent. *Wilkins.*

The moments past, if thou art wise, retrieve
With pleasant memory of the bliss they gave;
The *present* hours in *present* mirth employ,
And bribe the future with the hopes of joy. *Prior.*

The *present* age hath not been less inquisitive than the former ages were. *Woodward, Nat. Hist.*

The *present* moment like a wife we shun,
And ne'er enjoy, because it is our own. *Young.*

3. Ready at hand; quick in emergencies.

If a man write little, he had need have a great memory; if he confer little, he had need have a *present* wit; and if he read little, he had need have much cunning. *Bacon.*

'Tis a high point of philosophy and virtue for a man to be so *present* to himself, as to be always provided against all accidents. *L'Estrange.*

4. Favourably attentive; not neglectful; propitious.

Be *present* to her now, as then,
And let not proud and factious men
Against your wills oppose their mights. *B. Jonson.*

The golden goddess, *present* at the prayer,
Well knew he meant th' inanimated fair,
And gave the sign of granting his desire. *Dryden.*

Nor could I hope, in any place but there,
To find a god so *present* to my prayer. *Dryden.*

5. Unforgotten; not neglectful.

The ample mind keeps the several objects all within sight, and *present* to the soul. *Watts.*

6. Not abstracted; not absent of mind; attentive.

7. Being now in view; being now under consideration.

Thus much I believe may be said, that the much greater part of them are not brought up so well, or accustomed to so much religion, as in the *present* instance. *Law.*

The PRE'SENT. An elliptical expression for *the present time;* the time now existing.

When he saw descend
The Son of God to judge them, terrify'd
He fled; not hoping to escape, but shun
The *present*; fearing, guilty, what his wrath
Might suddenly inflict. *Milton, P. L.*

Men that set their hearts only upon the *present*, without looking forward into the end of things, are struck at. *L'Estrange.*

Who, since their own short understandings reach
No further than the *present*, think ev'n the wise
Speak what they think, and tell tales of themselves. *Rowe.*

At PRE'SENT. [*à present*, Fr.] At the present time; now; elliptically, for *the present time.*

The state is *at present* very sensible of the decay in their trade. *Addison.*

PRE'SENT. *n. s.* [*present*, Fr. from the verb.]

1. A gift; a donative; something ceremoniously given.

Plain Clarence!
I will send thy soul to heaven,
If heaven will take the *present* at our hands. *Shakspeare.*

His dog to-morrow, by his master's command, he must carry for a *present* to his lady. *Shakspeare.*

He sent part of the rich spoil, with the admiral's ensign, as a *present* unto Solyman. *Knolles, Hist. of the Turks.*

Say, heavenly muse, shall not thy sacred vein
Afford a *present* to the infant God?
Hast thou no verse, no hymn, no solemn strain,
To welcome him to this his new abode? *Milton, Ode.*

They that are to love inclin'd,
Sway'd by chance, not choice or art,
To the first that's fair or kind,
Make a *present* of their heart. *Waller.*

Somewhat is sure design'd by fraud or force;
Trust not their *presents*, nor admit the horse. *Dryden.*

2. A letter or mandate exhibited *per presentes.*

Be it known to all men by these *presents.* *Shakspeare.*

To PRESE'NT.† *v. a.* [*præsento*, low Lat. *presenter*, Fr. in all the senses.]

1. To place in the presence of a superiour.

On to the sacred hill
They led him high applauded, and *present*
Before the seat supreme. *Milton, P. L.*

2. To exhibit to view or notice.

He knows not what he says; and vain is it,
That we *present* us to him. *Shakspeare, K. Lear.*

3. To offer; to exhibit.

Thou therefore now advise,
Or hear what to my mind first thoughts *present.* *Milton, P. L.*

Now every leaf, and every moving breath
Presents a foe, and every foe a death. *Denham.*

Lectorides's memory is ever ready to offer to his mind something out of other men's writings or conversations, and is *presenting* him with the thoughts of other persons perpetually. *Watts, Imp. of the Mind.*

4. To give formally and ceremoniously.

Folks in mud-wall tenement,
Affording pepper-corn for rent,
Present a turkey or a hen
To those might better spare them ten. *Prior.*

5. To put into the hands of another in ceremony.

So ladies in romance assist their knight,
Present the spear, and arm him for the fight. *Pope.*

6. To favour with gifts. To *present*, in the sense of to *give*, has several structures: we say absolutely, to *present* a man, to give something to him. This is less in use. The common phrases are, to *present* a gift to a man; or, to *present* the man with a gift.

Thou spendest thy time in waiting upon such a great one, and thy estate in *presenting* him; and, after all, hast no other reward, but sometimes to be smiled upon, and always to be smiled at. *South.*

He now *presents*, as ancient ladies do,
That, courted long, at length are forc'd to woo. *Dryden.*

Octavia *presented* the poet, for his admirable elegy on her son Marcellus. *Dryden.*

Should I *present* thee *with* rare figur'd plate,
O how thy rising heart would throb and beat. *Dryden.*

PRESE'NTIALLY.* *adv.* [from *presential.*] In a way which supposes actual presence.

All spirits that around their rays extol,
Possess each point of the circumference
Presentially. *More, Song of the Soul*, iii. ii. 28.

To PRESE'NTIATE. *v. a.* [from *present.*] To make present.

The fancy may be so strong, as to *presentiate* upon one theatre, all that ever it took notice of in times past: the power of fancy, in *presentiating* any one thing that is past, being no less wonderful, than having that power, it should also acquire the perfection to *presentiate* them all. *Grew.*

PRESENTI'FICK.† *adj.* [*præsens* and *facio*, Latin.] Making present. Not in use.

Adam had a sense of the divine presence; — notwithstanding he found no want of any covering to hide himself from that *presentifick* sense of him, nor indeed felt himself as naked in that notion of nakedness. *More, Conj. Cabb.* (1653,) p. 171.

PRESENTI'FICKLY. *adv.* [from *presentifick.*] In such a manner as to make present.

The whole evolution of times and ages, from everlasting to everlasting, is collectedly and *presentifickly* represented to God at once, as if all things and actions were, at this very instant, really present and existent before him. *More.*

PRE'SENTLY. *adv.* [from *present.*]

1. At present; at this time; now. Obsolete.

The towns and forts you *presently* have, are still left unto you to be kept either with or without garrisons, so as you alter not the laws of the country. *Sidney.*

Presu'mable.* *adj.* [from *presume.*] That may be believed previously without examination, or affirmed without immediate proof.

Presu'mably. *adv.* [from *presume.*] Without examination.

Authors *presumably* writing by common places, wherein, for many years, promiscuously amassing all that make for their subject, break forth at last into useless rhapsodies. *Brown.*

To **PRESU'ME.** *v. n.* [*presumer*, Fr. *præsumo*, Lat.]

1. To suppose; to believe previously without examination.

O much deceiv'd, much failing, hapless Eve,
Of thy *presum'd* return! event perverse! *Milton, P. L.*

Experience supplants the use of conjecture in the point; we do not only *presume* it may be so, but actually find it is so. *Gov. of the Tongue.*

2. To suppose; to affirm without immediate proof.

Although in the relation of Moses there be very few persons mentioned, yet are there many more to be *presumed*. *Brown.*

I *presume*
That as my hand has open'd bounty to you,
My heart dropp'd love; my pow'r rain'd honour more
On you, than any. *Shakspeare, Hen. VIII.*

3. To venture without positive leave.

There was a matter we were no less desirous to know, than fearful to ask, lest we might *presume* too far. *Bacon.*

I to the heavenly vision thus *presum'd*. *Milton, P. L.*

4. To form confident or arrogant opinions: with *upon* before the cause of confidence.

The life of Ovid being already written in our language, I will not *presume* so far *upon* myself, to think I can add any thing to Mr. Sandys his undertaking. *Dryden.*

This man *presumes upon* his parts, that they will not fail him at time of need, and so thinks it superfluous labour to make any provision beforehand. *Locke.*

5. To make confident or arrogant attempts.

In this we fail to perform the thing, which God seeth meet, convenient and good; in that we *presume* to see what is meet and convenient, better than God himself. *Hooker.*

God, to remove his ways from human sense,
Plac'd heaven from earth so far, that earthly sight,
If it *presume*, might err in things too high,
And no advantage gain. *Milton, P. L.*

6. It has *on* or *upon* sometimes before the thing supposed.

He, that would not deceive himself, ought to build his hypothesis on matter of fact, and not *presume on* matter of fact, because of his hypothesis. *Locke.*

Luther *presumes upon* the gift of continency. *Atterbury.*

7. It has *of* sometimes, but not properly.

Presuming of his force, with sparkling eyes,
Already he devours the promis'd prize. *Dryden.*

Presu'mer.† *n. s.* [from *presume.*] One that presupposes; an arrogant person; a presumptuous person.

Though men in general believed a future state, yet they had but confused *presumptions* of the nature and condition of it. *Rogers.*

2. Confidence grounded on any thing presupposed: with *upon*.

A *presumption, upon* this aid, was the principal motive for the undertaking. *Clarendon.*

Those at home held their immoderate engrossments of power by no other tenure, than their own *presumption upon* the necessity of affairs. *Swift, Miscell.*

3. An argument strong, but not demonstrative; a strong probability.

The error and unsufficience of their arguments doth make it, on the contrary side against them, a strong *presumption*, that God hath not moved their hearts to think such things, as he hath not enabled them to prove. *Hooker.*

4. Arrogance; confidence blind and adventurous; presumptuousness.

Let my *presumption* not provoke thy wrath;
For I am sorry, that with reverence
I did not entertain thee as thou art. *Shakspeare.*

It warns a warier carriage in the thing,
Lest blind *presumption* work their ruining. *Daniel.*

I had the *presumption* to dedicate to you a very unfinished piece. *Dryden.*

5. Unreasonable confidence of divine favour.

The awe of his majesty will keep us from *presumption*, and the promises of his mercy from despair. *Rogers.*

Presu'mptive.† *adj.* [*presomptive*, Fr. from *presume.*]

1. Taken by previous supposition.

We commonly take shape and colour for so *presumptive* ideas of several species, that, in a good picture, we readily say, this is a lion, and that a rose. *Locke.*

2. Supposed: as, the *presumptive* heir: opposed to the heir *apparent*.

Heirs *presumptive* are such, who, if the ancestor should die immediately, would in the present circumstances of things be his heirs; but whose right of inheritance may be defeated by the contingency of some nearer heir being born. *Blackstone.*

3. Confident; arrogant; presumptuous.

There being two opinions repugnant to each other, it may not be *presumptive* or sceptical to doubt of both. *Brown.*

Presu'mptively.* *adv.* [from *presumptive.*] By previous supposition.

I follow him not
With any token of *presumptuous* suit;
Nor would I have him, till I do deserve him. *Shakspeare.*

The boldness of advocates prevail with judges; whereas they should imitate God, who represseth the *presumptuous*, and giveth grace to the modest. *Bacon, Ess.*

Minds somewhat rais'd
By false *presumptuous* hope. *Milton, P. L.*

It being not the part of a *presumptuous*, but of a truly humble man to do what he is bidden, and to please those whom he is bound in duty to obey. *Kettlewell.*

Some will not venture to look beyond received notions of the age, nor have so *presumptuous* a thought, as to be wiser than their neighbours. *Locke.*

2. Irreverent with respect to holy things.

The sins whereinto he falleth, are not *presumptuous*; but are ordinarily of weakness and infirmity. *Perkins.*

Thus I *presumptuous*: and the vision bright,
As with a smile more brighten'd, thus reply'd. *Milton, P. L.*

The powers incens'd
Punish'd his *presumptuous* pride,
That for his daring enterprize she died. *Dryden.*

Can'st thou love
Presumptuous Crete, that boasts the tomb of Jove? *Pope.*

Presu'mptuously. *adv.* [from *presumptuous.*]

Arrogantly; confidently.
Irreverently.

Do you, who study nature's works, decide,
Whilst I the dark mysterious cause admire;
Nor, into what the gods conceal, *presumptuously* enquire.
Addison on Italy.

3. With vain and groundless confidence in divine favour.

I entreat your prayers, that God will keep me from all premature persuasion of my being in Christ, and not suffer me to go on *presumptuously* or desperately in any course. *Hammond.*

PRESU'MPTUOUSNESS.† *n. s.* [from *presumptuous.*] Quality of being presumptuous; confidence; irreverence. *Barret.*

Who going into extremes on different sides, and applying this truth in conformity to their own wrong dispositions, have run themselves either into *presumptuousness* of sinning on the one hand, or despair of performing any acceptable duty on the other. *Conybeare.*

PRESUPPO'SAL. *n. s.* [*præ* and *supposal.*] Supposal previously formed.

All things necessary to be known that we may be saved, but known with *presupposal* of knowledge concerning certain principles, whereof it receiveth us already persuaded. *Hooker.*

To PRESUPPO'SE. *v. a.* [*presupposer*, Fr. *præ* and *suppose.*] To suppose as previous, to imply as antecedent.

In as much as righteous life *presupposeth* life, in as much as to live virtuously it is impossible except we live; the first impediment, which we endeavour to remove, is penury and want of things without which we cannot live. *Hooker.*

All kinds of knowledge have their certain bounds; each of them *presupposeth* many necessary things learned in other sciences, and known beforehand. *Hooker.*

PRESUPPOSI'TION.† *n. s.* [*presupposition*, Fr. *præ* and *supposition.*] Supposition previously formed. *Sherwood.*

PRESURMI'SE. *n. s.* [*præ* and *surmise.*] Surmise previously formed.

It was your *presurmise*,
That in the dole of blows, your son might drop. *Shakspeare.*

PRETE'NCE. *n. s.* [*prætensus*, Lat.]

1. A false argument grounded upon fictitious postulates.

This *pretence* against religion will not only be baffled, but we shall gain a new argument to persuade men over. *Tillotson.*

2. The act of showing or alleging what is not real; show; appearance.

With flying speed and seeming great *pretence*
Came running in a messenger. *Spenser.*

So strong his appetite was to those executions he had been accustomed to in Ireland, without any kind of commission or *pretence* of authority. *Clarendon.*

Let not the Trojans, with a feign'd *pretence*
Of proffer'd peace, delude the Latian prince. *Dryden.*

I should have dressed the whole with greater care; but I had little time, which I am sure you know to be more than *pretence*. *Wake, Prep. for Death.*

3. Assumption; claim to notice.

Despise not these few ensuing pages; for never was any thing of this *pretence* more ingenuously imparted. *Evelyn.*

4. Claim true or false.

Spirits in our just *pretences* arm'd
Fell with us. *Milton, P. L.*

Found worthy not of liberty alone,
Too mean *pretence*, but what we more affect,
Honour, dominion, glory, and renown. *Milton, P. L.*

Primogeniture cannot have any *pretence* to a right of solely inheriting property or power. *Locke.*

5. Shakspeare uses this word, with more affinity to the original Latin, for something threatened, or held out to terrify.

I have conceived a most faint neglect of late, which I have rather blamed as my own jealous curiosity, than as a very *pretence* and purpose of unkindness. *Shakspeare, K. Lear.*

He hath writ this to feel my affection for your honour, and to no other *pretence* of danger. *Shakspeare, K. Lear.*

In the great hand of God I stand, and thence
Against the undivulg'd *pretence* I fight
Of treasonous malice. *Shakspeare, Macbeth.*

To PRETE'ND.† *v. a.* [*prætendo*, Lat. *pretendre*, Fr.]

1. To hold out; to stretch forward. This is mere Latinity, and not now used. Perhaps it should be *protend.*

The captain —
His target always over her *pretended.* *Spenser, F. Q.* vi. xi. 19.

Lucagus, to lash his horses, bends
Prone to the wheels, and his left foot *pretends.* *Dryden.*

2. To simulate; to make false appearances or representations; to allege falsely.

This let him know,
Lest wilfully transgressing he *pretend*
Surprisal. *Milton, P. L.*

What reason then can any man *pretend* against religion, when it is so apparently for the benefit, not only of human society, but of every particular person. *Tillotson.*

3. To show hypocritically.

'Tis their interest to guard themselves from those riotous effects of *pretended* zeal, nor is it less their duty. *Decay of Chr. Piety.*

4. To hold out as a delusive appearance; to exhibit as a cover of something hidden. This is rather Latin.

Warn all creatures from thee
Henceforth; lest that too heavenly form, *pretended*
To hellish falshood, snare them. *Milton, P. L.*

5. To claim. In this sense we rather say, *pretend to.*

Chiefs shall be grudg'd the part which they *pretend.* *Dryden.*

Are they not rich? what more can they *pretend?* *Pope.*

6. To design; to intend. Obsolete.

For though she were right glad so rid to be
From that vile lozel which her late offended;
Yet now no less encombrance she did see
And peril, by this salvage man *pretended.*
Spenser, F. Q. vi. iv. 10.

None your foes, but such as shall *pretend*
Malicious practices against his state.
Shakspeare, Hen. VI. P. I.

To PRETE'ND. *v. n.*

1. To put in a claim truly or falsely. It is seldom used without shade of censure.

What peace can be, where both to one *pretend?*
But they more diligent, and we more strong. *Dryden.*

In those countries that *pretend* to freedom, princes are subject to those laws which their people have chosen. *Swift.*

2. To presume on ability to do any thing; to profess presumptuously.

Of the ground of redness in this sea are we not fully satisfied? for there is another red sea, whose name we *pretend* not to make out from those principles. *Brown.*

PRETE'NDEDLY.* *adv.* [from the part. *pretended.*] By false appearance or representation.

An action — that came speciously and *pretendedly* out of a church. *Hammond, Works,* iv. 593.

In such cases any inferiour is exempted from obligation to comply with his superiour, either truly or *pretendedly* such.
Barrow on the Pope's Supremacy.

PRETE'NDER.† *n. s.* [from *pretend.*]

1. One who lays claim to any thing.

The prize was disputed only till you were seen; now all *pretenders* have withdrawn their claims *Dryden.*

Whatever victories the several *pretenders* to the empire obtained over one another, they are recorded on coins without the least reflection. *Addison on Medals.*

The numerous *pretenders* to places would never have been kept in order, if expectation had been cut off. *Swift.*

To just contempt ye vain *pretenders* fall,
The people's fable and the scorn of all. *Pope.*

Pretenders to philosophy or good sense grow fond of this sort of learning. *Watts.*

2. In English history, the name given to the person who was excluded by the law from the Crown of of England.

In the speeches she [Queen Anne] named the revolution twice; and said she would look on those concerned in it as the surest to her interests: she also fixed a new designation on the pretended prince of Wales, and called him *the pretender*; and he was so called in a new set of addresses, which, upon this occasion, were made to the queen; and I intend to follow the precedent, as often as I may have occasion hereafter to name him. *Burnet, Hist. of his own Time*, (1708.)

PRETE'NDINGLY. *adv.* [from *pretending.*] Arrogantly; presumptuously.

I have a particular reason to look a little *pretendingly* at present. *Collier on Pride.*

Too oft *pretexed* with our country's good!
Edwards, Can. of Crit. Son. i.

PRETE'XT.† *n. s.* [*pretexte*, Fr. *prætextum*, Lat. a border, a cloak, a covering; then, a pretence.] Pretence; false appearance; false allegation.

My *pretext* to strike at him admits
A good construction. *Shakspeare, Coriol.*

He made *pretext*, that I should onely go
And helpe convey his freight; but thought not so. *Chapman.*

Under this *pretext*, the means he sought
To ruin such whose might did much exceed
His power to wrong. *Daniel, Civ. War.*

As chymists gold from brass by fire would draw,
Pretexts are into treason forg'd by law. *Denham.*

I shall not say with how much, or how little *pretext* of reason they managed those disputes. *Dec. of Chr. Piety.*

They suck the blood of those they depend upon, under a *pretext* of service and kindness. *L'Estrange.*

PRE'TOR. *n. s.* [*prætor*, Lat. *preteur*, Fr.] The Roman judge. It is now sometimes taken for a mayor.

PRE'TTILY. *adv.* [from *pretty*.] Neatly; elegantly; pleasingly; without dignity or elevation.

How *prettily* the young swain seems to wash
The hand was fair before. *Shakspeare, Wint. Tale.*

One saith *prettily*; in the quenching of the flame of a pestilent ague, nature is like people that come to quench the fire of a house; so busy, as one letteth another. *Bacon.*

Children, kept out of ill company, take a pride to behave themselves *prettily*, after the fashion of others. *Locke.*

PRE'TTINESS.† *n. s.* [from *pretty*.] Beauty without dignity; neat elegance without elevation.

Thought and affliction —
She turns to favour and to *prettiness*. *Shakspeare, Hamlet.*

There is goodliness in the bodies of animals, as in the ox, greyhound, and stag; or majesty and stateliness, as in the lion, horse, eagle, and cock; grave awfulness, as in mastiffs; or elegancy and *prettiness*, as in lesser dogs and most sort of birds, all which are several modes of beauty. *More.*

Those drops of *prettiness*, scatteringly sprinkled amongst the creatures, were designed to defecate and exalt our conceptions, not to inveigle or detain our passions. *Boyle.*

PRE'TTY.† *adj.* [præt, finery, Sax. *pretto*, Italian; *prat*, *prattigh*, Dutch; *prydus*, Welsh, beautiful, handsome; *prydis*, Goth.]

Britain's sea-chiefs by Anna's high command,
Resistless o'er the Thuscan billows ride. *Blackmore.*

Thus song could *prevail*
O'er death and o'er hell,
A conquest how hard and how glorious;
Though fate had fast bound her
With Styx nine times round her,
Yet musick and love were victorious. *Pope.*

This kingdom could never *prevail against* the united power of England. *Swift.*

3. To gain influence; to operate effectually.

I do not pretend that these arguments are demonstrations of which the nature of this thing is not capable: but they are such strong probabilities, as ought to *prevail* with all those who are not able to produce greater probabilities to the contrary. *Wilkins.*

4. To persuade or induce. It has *with*, *upon*, or *on* before the person persuaded.

With minds obdurate nothing *prevaileth*, as well they that preach, as they that read unto such, shall still have cause to complain with the prophets of old, who will give credit unto our teaching? *Hooker.*

He was *prevailed with* to restrain the earl of Bristol upon his first arrival. *Clarendon.*

The serpent *with* me
Persuasively has so *prevail'd*, that I
Have also tasted. *Milton, P. L.*

They are more in danger to go out of the way, who are marching under the conduct of a guide, that it is an hundred to one will mislead them, than he that has not yet taken a step, and is likelier to be *prevailed on* to enquire after the right way. *Locke.*

There are four sorts of arguments that men, in their reasonings with others, make use of to *prevail on* them. *Locke.*

The gods pray
He would resume the conduct of the day,
Nor let the world be lost in endless night;
Prevail'd upon at last, again he took
The harness'd steeds, that still with horror shook. *Addison.*

Upon assurances of revolt, the queen was *prevailed with* to send her forces upon that expedition. *Swift.*

Prevail upon some judicious friend to be your constant hearer, and allow him the utmost freedom. *Swift.*

PREVA'ILING. *adj.* [from *prevail.*] Predominant; having most influence; having great power; prevalent; efficacious.

Probabilities, which cross men's appetites and *prevailing* passions, run the same fate: let never so much probability hang on one side of a covetous man's reasoning, and money on the other, it is easy to foresee which will outweigh. *Locke.*

Save the friendless infants from oppression;
Saints shall assist thee with *prevailing* prayers,
And warring angels combat on thy side. *Rowe.*

PREVA'ILMENT. *n. s.* [from *prevail.*] Prevalence.

Messengers

PRE'VALENCY. } Lat.] Superiority; influence: predominance; efficacy; force; validity.

The duke better knew, what kind of arguments were of *prevalence* with him. *Clarendon.*

Others finding that, in former times, many churchmen were employed in the civil government, imputed their wanting of these ornaments their predecessors wore, to the power and *prevalency* of the lawyers. *Clarendon.*

Animals, whose forelegs supply the use of arms, hold, if not an equality in both, a *prevalency* oft times in the other. *Brown, Vulg. Err.*

Why, fair one, would you not rely
On reason's force with beauty's join'd;
Could I their *prevalence* deny,
I must at once be deaf and blind. *Prior.*

Least of all does this precept imply, that we should comply with any thing that the *prevalence* of corrupt fashion has made reputable. *Rogers.*

PRE'VALENT. *adj.* [*prævalens*, Lat.]

1. Victorious; gaining superiority; predominant.

Brennus told the Roman ambassadors, that *prevalent* arms were as good as any title, and that valiant men might account to be their own as much as they could get. *Raleigh.*

On the foughten field,
Michael and his angels *prevalent*
Encamping. *Milton, P. L.*

The conduct of a peculiar providence made the instruments of that great design *prevalent* and victorious, and all those mountains of opposition to become plains. *South.*

2. Powerful; efficacious.

Eve! easily may faith admit, that all
The good which we enjoy, from heaven descends;
But, that from us aught should ascend to heaven,
So *prevalent*, as to concern the mind
Of God high-blest; or to incline his will;
Hard to belief may seem. *Milton, P. L.*

3. Predominant.

This was the most received and *prevalent* opinion, when I first brought my collection up to London. *Woodward.*

PRE'VALENTLY. *adv.* [from *prevalent.*] Powerfully; forcibly.

To rise at morn more *prevalently* bright. *Prior.*

To PREVA'RICATE.* *v. a.* [*prævaricor*, Latin; *prevariquer*, Fr. from *varico*, to go crookedly. In our language, the active verb is old, and also used by our best authors; but Dr. Johnson has taken no notice of it, though he had inadvertently placed the example from Spenser under the neuter verb.] To pervert; to turn from the right; to corrupt; to evade by some quibble.

Laws are either disannulled, or quite *prevaricated*, through change and alteration of times; yet they are good in themselves. *Spenser.*

God intended we should serve him as the sun and moon do, as fire and water do; never to *prevaricate* the laws he fixed to us. *Bp. Taylor, Serm.* (1651,) p. 139.

He that *prevaricates* the proportions and excellent reasons of Christianity, is a person without zeal, and without love. *Bp. Taylor, Serm.* (1651,) p. 205.

Go to the crib, thou glutton, and there it will be found, that when the charger is clean, yet nature's rules were not *prevaricated;* the beast eats up all his provisions, because they are natural and simple. *Bp. Taylor, Serm.* (1653,) p. 210.

The great masters of heathen wisdom do plainly discover either a great deal of ignorance, or malice, in *prevaricating* that light they had reflected upon them from Jewish tradition.
Pleydell, Serm. at the Funeral of Glanville, p. 2.

To PREVA'RICATE. *v. n.* [*prevaricor*, Lat. *prevariquer*, Fr.] To cavil; to quibble; to shuffle.

He *prevaricates* with his own understanding, and cannot seriously consider the strength, and discern the evidence of argumentations against his desires. *South.*

Whoever helped him to this citation, I desire he will never trust him more; for I would think better of himself, than that he would wilfully *prevaricate*. *Stillingfleet.*

PREVARICA'TION. *n. s.* [*prævaricatio*, Lat. *prevarication*, Fr. from *prevaricate.*] Shuffle; cavil.

Several Romans, taken prisoners by Hannibal, were released upon obliging themselves by an oath to return again to his camp: among these was one, who, thinking to elude the oath, went the same day back to the camp, on pretence of having forgot something; but this *prevarication* was so shocking to the Roman senate, that they ordered him to be delivered up to Hannibal. *Addison.*

PREVA'RICATOR.† *n. s.* [*prævaricator*, Lat. *prevaricateur*, Fr. from *prevaricate.*]

1. A caviller; a shuffler.

Where the envious, proud,
Ambitious, factious, superstitious, loud
Boasters, and perjur'd, with the infinite more
Prevaricators swarm. *B. Jonson, Underwoods.*

This petty *prevaricator* of America, the zany of Columbus. *Milton, Apol. Smectymn.*

2. A sort of occasional orator: an academical phrase, at Cambridge.

He should not need so vainly to have pursued me through the various shapes of a divine, a doctor, a head of a college, a professor, a *prevaricator*, a mathematician. *Bp. Wren, Monarchy Asserted*, Pref.

It would have made you smile, to hear the *prevaricator*, in his jocular way, give him his title and character to his face. *A. Philips, Life of Abp. Williams*, p. 34.

To PREVE'NE. *v. a.* [*prævenio*, Lat.] To hinder.

If thy indulgent care
Had not *preven'd*, among unbody'd shades
I now had wander'd. *Philips.*

PREVE'NIENT. *adj.* [*preveniens*, Latin.] Preceding; going before; preventive.

From the mercy-seat above
Prevenient grace descending, had remov'd
The stony from their hearts, and made new flesh
Regenerate grow instead. *Milton, P. L.*

To PREVE'NT. *v. a.* [*prævenio*, Lat. *prevenir*, Fr.]

1. To go before as a guide; to go before, making the way easy.

Are we to forsake any true opinion, or to shun any requisite action, only because we have in the practice thereof been *prevened* by idolaters? *Hooker.*

Prevent him with the blessings of goodness. *Ps.* xxi. 3.

Prevent us, O Lord, in all our doings with thy most gracious favour. *Common Prayer.*

Let thy grace, O Lord, always *prevent* and follow us. *Common Prayer.*

Men have been *principled* with an opinion that they must not consult reason in things of religion. *Locke.*

Let an enthusiast be *principled* that he or his teacher is inspired, and you in vain bring the evidence of clear reasons against his doctrine. *Locke.*

He seems a settled and *principled* philosopher, thanking fortune for the tranquillity he has by her aversion. *Pope.*

2. To establish firmly in the mind.

The promiscuous reading of the Bible is far from being of any advantage to children, either for the perfecting their reading, or *principling* their religion. *Locke.*

PRI'NCOCK. } *n. s.* [from *prink* or *prim cock*; perhaps *præcox* or *præcoquium* ingenium, Lat.] A coxcomb; a conceited person: a pert young rogue. A ludicrous word: obsolete. Dr. Johnson. — *Princox* is not obsolete, but still a northern word for a pert or forward fellow. Of *princock* Dr. Johnson could find no example. It seems to have been formerly used for a child made saucy through too much indulgence.
PRI'NCOX. }

You are a saucy boy;
This trick may chance to scathe you: — I know what;
You must contrary me! — you are a *princox*, go. *Shakspeare.*

It is a *princock* boy, who, in his school, knows not how far one proceeds against all order. *Florio, Tr. of Montaigne*, p. 503.

To PRINK. *v. n.* [*pronken*, Dutch.] To prank; to deck for show. It is the diminutive of *prank*.

Hold a good wager she was every day longer *prinking* in the glass than you was. *Art of Tormenting.*

To PRINT. *v. a.* [*imprimer*, *empreint*, Fr.]

1. To mark by pressing any thing upon another.

On his fiery steed betimes he rode,
That scarcely *prints* the turf on which he trod. *Dryden.*

2. To impress any thing, so as to leave its form.

Perhaps some footsteps *printed* in the clay,
Will to my love direct your wand'ring way. *Roscommon.*

3. To form by impression.

Your mother was most true to wedlock, prince,
For she did *print* your royal father off,
Conceiving you. *Shakspeare, Wint. Tale.*

Ye shall not make any cuttings in your flesh for the dead, nor *print* any marks upon you. *Lev.* ix. 28.

His royal bounty brought its own reward;
And in their minds so deep did *print* the sense,
That if their ruins sadly they regard,
'Tis but with fear. *Dryden.*

4. To impress words or make books, not by the pen, but the press.

This nonsense got in by a mistake of the stage editors, who *printed* from the piecemeal written parts. *Pope.*

Is it probable, that a promiscuous jumble of *printing* letter should often fall into a method which should stamp on paper a coherent discourse? *Locke.*

As soon as he begins to spell, pictures of animals should be got him, with the *printed* names to them. *Locke.*

To PRINT.† *v. n.*

1. To use the art of typography.

Liberty of *printing* must be enthralled again! *Milton, Areopagitica.*

2. To publish a book.

From the moment he *prints*, he must expect to hear no more truth. *Pope.*

PRINT.† *n. s.* [*empreinte*, Fr.]

1. Mark or form made by impression.

Shewe ye to me the *prente* of the money. *Wicliffe, St. Matt.* xxii.

Some more time
Must wear the *print* of his remembrance out. *Shakspeare.*

Abhorred slave,
Which any *print* of goodness wilt not take,
Being capable of all ill! *Shakspeare, Tempest.*

Attend the foot,
That leaves the *print* of blood where'er it walks. *Shakspeare.*

Up they tost the sand,
No wheel seen, nor wheel's *print* was in the mould imprest
Behind them. *Chapman, Iliad.*

Our life so fast away doth slide,
As doth an hungry eagle through the wind;
Or as a ship transported with the tide,
Which in their passage leave no *print* behind. *Davies.*

My life is but a wind,
Which passeth by, and leaves no *print* behind. *Sandys.*

O'er the smooth enamell'd green,
Where no *print* of step hath been. *Milton, Arcades.*

The heaven, by the sun's team untrod,
Hath took no *print* of the approaching light,
And all the spangled host keep watch. *Milton, Ode Nativ.*

Before the lion's den appeared the footsteps of many that had gone in, but no *prints* of any that ever came out. *South.*

Winds bear me to some barren island,
Where *print* of human feet was never seen. *Dryden.*

From hence Astrea took her flight, and here
The *prints* of her departing steps appear. *Dryden.*

If they be not sometimes renewed by repeated exercise of the senses or reflection, the *print* wears out. *Locke.*

2. That which being impressed leaves its form: as, a *butter print*.

3. Pictures cut in wood or copper to be impressed on paper. It is usual to say wooden *prints* and copper plates.

4. Picture made by impression.

From my breast I cannot tear
The passion which from thence did grow;
Nor yet out of my fancy rase
The *print* of that supposed face. *Waller.*

The *prints* which we see of antiquities, may contribute to form our genius, and to give us great ideas. *Dryden.*

Words standing for things should be expressed by little draughts and *prints* made of them. *Locke.*

5. The form, size, arrangement, or other qualities of the types used in printing books.

To refresh the former hint,
She read her maker in a fairer *print*. *Dryden.*

6. The state of being published by the printer.

I love a ballad in *print*, or a life. *Shakspeare.*

His natural antipathy to a man, who endeavours to signalize his parts in the world, has hindered many persons from making their appearance in *print*. *Addison.*

I published some tables, which were out of *print*. *Arbuthnot.*

The rights of the christian church are scornfully trampled on in *print*. *Atterbury.*

7. Single sheet printed for sale; a paper something less than a pamphlet.

The *prints*, about three days after, were filled with the same terms. *Addison.*

The publick had said before, that they were dull; and they were at great pains to purchase room in the *prints*, to testify under their hands the truth of it. *Pope.*

Inform us, will the emperor treat,
Or do the *prints* and papers lie? *Pope.*

8. Formal method; exactness. Not a low word, as Dr. Johnson would have it to be in his solitary example from Locke; but the usual expression of our forefathers to denote a complete performance, with precision, with the utmost nicety.

I will do it, sir, in *print*. *Shakspeare, L. Lab. Lost.*

All this I speak in *print*. *Shakspeare, Two Gent of Ver.*

He must speak in *print*, walk in *print*, eat and drink in *print!* *Burton, Anat. of Mel.* p. 539.

A legge in *print*, a pretie foot. *Warner, Albion's England.*

It is so rare to see
Ought that belongs to young nobility
In *print*, but their own clothes. *Suckling.*

Lay his head sometimes higher, sometimes lower, that he may not feel every little change, who is not designed to have his maid lay all things in *print*, and tuck him in warm. *Locke.*

PRI'NTER. *n. s.* [from *print.*]

1. One that prints books.

I find, at reading all over, to deliver to the *printer*, in that which I ought to have done to comply with my design, I am fallen very short. *Digby.*

To buy books, because they were published by an eminent *printer*, as much as if a man should buy cloaths that did not fit him, only because made by some famous taylor. *Pope.*

See, the *printer*'s boy below;
Ye hawkers all, your voices lift. *Swift.*

2. One that stains linen with figures.

PRI'NTING.* *n. s.* [from *print.*]

1. The art or process of impressing letters or words; typography.

Thou hast caused *printing* to be used; and, contrary to the king, his crown and dignity, thou hast built a paper-mill! *Shakspeare, Hen. VI.* P. II.

2. The process of staining linen with figures.

PRI'NTLESS. *adj.* [from *print.*] That which leaves no impression.

Ye elves,
And ye, that on the sands with *printless* foot
Do chase the ebbing Neptune. *Shakspeare, Tempest.*

Whilst from off the waters fleet,
Thus I set my *printless* feet,
O'er the cowslip's velvet head,
That bends not as I tread. *Milton, Comus.*

PRI'OR. *adj.* [*prior*, Lat.] Former; being before something else; antecedent; anteriour.

Whenever tempted to do or approve any thing contrary to the duties we are enjoined, let us reflect that we have a *prior* and superior obligation to the commands of Christ. *Rogers.*

PRI'OR. *n. s.* [*prieur*, Fr.]

1. The head of a convent of monks, inferiour in dignity to an abbot.

Neither she, nor any other, besides the *prior* of the convent, knew any thing of his name. *Addison, Spect.*

PRISM. *n. s.* [*prisme*, Fr. πρίσμα.]

A *prism* of glass is a glass bounded with two equal and parallel triangular ends, and three plain and well polished sides, which meet in three parallel lines, running from the three angles of one end, to the three angles of the other end. *Newton, Opt.*

Here, aweful Newton, the dissolving clouds
Form fronting, on the sun, thy showery *prism*. *Thomson.*

PRISMA'TICK. *adj.* [*prismatique*, Fr. from *prism.*] Formed as a prism.

If the mass of the earth was cubick, *prismatick*, or any other angular figure, it would follow, that one, too vast a part, would be drowned, and another be dry. *Derham.*

False eloquence, like the *prismatick* glass,
Its gaudy colours spreads on every place;
The face of nature we no more survey,
All glares alike, without distinction gay. *Pope.*

PRISMA'TICALLY. *adv.* [from *prismatick.*] In the form of a prism.

Take notice of the pleasing variety of colours exhibited by the triangular glass, and demand what addition or decrement of either salt, sulphur, or mercury, befalls the glass, by being *prismatically* figured; and yet it is known, that without that shape, it would not afford those colours as it does. *Boyle.*

PRI'SMOID. *n. s.* A body approaching to the form of a prism.

PRI'SON.† *n. s.* [*prison*, Fr. ꝑꞃıꞅun, Saxon; *prisund*, Goth. and Cimbr. "*Prisoun.*" Wicliffe. Menage considers it to be from *pris*, taken, seized.] A strong hold in which persons are confined; a gaol.

He hath commission
To hang Cordelia in the *prison*. *Shakspeare, K. Lear.*
For those rebellious here their *prison* ordain'd.
Milton, P. L.

I thought our utmost good
Was in one word of freedom understood,
The fatal blessing came; from *prison* free,
I starve abroad, and lose the sight of Emily. *Dryden.*

Unkind! can you, whom only I adore,
Set open to your slave the *prison* door? *Dryden.*

The tyrant Æolus,
With power imperial, curbs the struggling winds,
And sounding tempests in dark *prisons* binds. *Dryden.*

He, that has his chains knocked off, and the *prison* doors set open to him, is presently at liberty. *Locke.*

At his first coming to his little village, it was as disagreeable to him as a *prison*, and every day seemed too tedious to be endured in so retired a place. *Law.*

To PRI'SON.✝ *v. a.* [from the noun.]

1. To emprison; to shut up in hold; to restrain from liberty.

The fairest maid she was, that ever yet
Prison'd her locks within a golden net,
Or let them waving hang with roses fair beset.
P. Fletcher, Purp. Island.

2. To captivate; to enchain.

Who, as they sung, would take the *prison'd* soul,
And lap it in Elysium. *Milton, Comus.*

3. To confine.

Universal plodding *prisons* up
The nimble spirits in the arteries. *Shakspeare.*

Then did the king enlarge
The spleen he *prison'd*. *Chapman, Iliad.*

PRI'SONBASE. *n. s.* A kind of rural play, commonly called *prisonbars*. See BASE.

The spachies of the court play every Friday at giocho di canni, which is no other than *prisonbase* upon horseback, hitting one another with darts, as the others do with their hands. *Sandys, Trav.*

PRI'SONER. *n. s.* [*prisonnier*, Fr.]

1. One who is confined in hold.

Cæsar's ill-erected tower,
To whose flint bosom my condemned lord
Is doomed a prisoner *Shakspeare, Rich. II.*

The most pernicious infection, next the plague, is the smell of the jail, when *prisoners* have been long and close, and nastily kept. *Bacon.*

He that is tied with one slender string, such as one resolute struggle would break, he is *prisoner* only to his own sloth, and who will pity his thraldom? *Decay of Chr. Piety.*

A *prisoner* is troubled, that he cannot go whither he would; and he that is at large is troubled, that he does not know whither to go. *L'Estrange.*

2. A captive; one taken by the enemy.

So oft as homeward I from her depart,
I go like one that having lost the field,
Is *prisoner* led away with heavy heart. *Spenser.*

There succeeded an absolute victory for the English, the taking of the Spanish general d'Ocampo *prisoner*, with the loss of few of the English. *Bacon.*

He yielded on my word,
And as my *prisoner*, I restore his sword. *Dryden.*

Shakspeare.

PRI'SONMENT.✝ *n. s.* [from *prison*.] Confinement; imprisonment; captivity.

May be he will not touch young Arthur's life,
But hold himself safe in his *prisonment*. *Shakspeare, K. John.*

Thou should'st perceive my passion, if these signs
Of *prisonment* were off me, and this hand
But owner of a sword. *Beaum. and Fl. Two Nob. Kinsmen.*

PRI'STINE.✝ *adj.* [*pristin*, old French; *pristinus*, Lat.] First; ancient; original.

Nor can ever that thick cloud, you are now enveloped with, of melancholized old age and undeserved adversity, either dark the remembrance of your *pristine* lustre, or hide from me the sight of your present worth.
More, Song of the Soul, (1647,) Ded.

Some of them are reinstated in their *pristine* happiness.
Glanville, Pre-exist. ch. 14.

Now their *pristine* worth
The Britons recollect. *Philips.*

This light being trajected only through the parallel superficies of the two prisms, if it suffered any change by the refraction of one superficies, it lost that impression by the contrary refraction of the other superficies, and so, being restored to its *pristine* constitution, became of the same nature and condition as at first. *Newton, Opt.*

PRI'THEE. A familiar corruption of *pray thee*, or *I pray thee*, which some of the tragick writers have injudiciously used.

Well, what was that scream for, I *prithee*? *L'Estrange.*

Alas! why com'st thou at this dreadful moment,
To shock the peace of my departing soul?
Away! I *prithee* leave me! *Rowe, Jane Shore*

PRI'VACY. *n. s.* [from *private*.]

1. State of being secret; secrecy.

2. Retirement; retreat; place intended to be secret.

Clamours our *privacies* uneasy make,
Birds leave their nests disturb'd, and beasts their haunts forsake.
Dryden.

Her sacred *privacies* all open lie,
To each profane enquiring vulgar eye. *Rowe.*

3. *Privauté*, Fr.] Privity; joint knowlege; great familiarity. *Privacy* in this sense is improper.

We contemplate him not only in the quality of his place, but already in some degree of a *privado*. *Wotton, Rem.* p. 539.

No special privilege for favourites, no postern-gate or back stairs for some choice *privadoes*. *Hammond, Works*, iv. 529.

It is no new thing to see a *privado* carry it so high, as to awaken the jealousy of his prompter
Gov. of the Tongue, p. 151.

PRI'VATE.✝ *adj.* [*privatus*, Lat.]

1. Not open; secret.

You shall go with me;
I have some *private* schooling for you both. *Shakspeare.*

Fancy retires
Into her *private* cell, when nature rests. *Milton, P. L.*

Private, or secret prayer, is that which is used by a man alone apart from all other *Wh. Duty of Man.*

Fame, not contended with her broad high-way,
Delights, for change, thro' *private* paths to stray. *Harte.*

2. Alone; not accompanied.

3. Being upon the same terms with the rest of the community; particular: opposed to *publick*.

When publick consent of the whole hath established any thing, every man's judgement, being thereunto compared, were *private*, howsoever his calling be to some kind of publick charge; so that of peace and quietness there is not any way possible, unless the probable voice of every intire society or body politick overrule all *private* of like nature in the same body. *Hooker, Pref.*

He sues
To let him breathe between the heav'ns and earth,
A *private* man in Athens. *Shakspeare, Ant. and Cleop.*

What infinite heartease must kings neglect,
That *private* men enjoy? and what have kings,
That *private* have not too, save ceremony? *Shakspeare.*

Peter was but a *private* man, and not to be any way compared with the dukes of his house. *Peacham of Antiquities.*

The first principles of christian religion should not be farced with school points and *private* tenets. *Sanderson.*

Dare you,
A *private* man, presume to love a queen? *Dryden.*

My end being *private*, I have not expressed my conceptions in the language of the schools. *Digby.*

5. Admitted to participation of knowledge; privy.

Had Echo but been *private* with thy thoughts,
She would have dropt away herself in tears.
B. Jonson, Cynth. Revels.

She knew them averse to her religion, and *private* to her troubles and imprisonment.
Sir R. Naunton, Fr. Reg. Obs. on Q. Eliz.

6. Sequestered.

In this *private* plot, be we the first
That shall salute our rightful sovereign
With honour of his birthright to the crown.
Shakspeare, Hen. VI. P. II.

7. *In* PRIVATE. Secretly; not publickly; not openly.

In private grieve, but with a careless scorn;
In publick seem to triumph, not to mourn. *Granville.*

PRI'VATE.✝ *n. s.*

1. A secret message.

His *private* with me of the dauphin's love,
Is much more general than these lines import. *Shakspeare.*

2. Particular business. This and the former meaning are obsolete.

Nor must I be unmindful of my *private*,
For which I have call'd my brother, and the tribunes,
My kinsfolk, and my clients, to be near me.
B. Jonson, Catiline.

3. A common soldier.

PRIVATE'ER.✝ *n. s.* [from *private*. Dr. Johnson gives an example of this word only from Swift. It appears to have been brought into use at a period considerably antecedent to the time of Swift; for Lord Clarendon employs it, and explains it: "It was resolved that all possible encouragement should be given to *privateers*, that is, to as many as would take commissions from the admiral to set out vessels of war, *as they call them*, to take prizes from the enemy." Life, ii. 462.] A ship fitted out by private men to plunder the enemies of the state.

He is at no charge for a fleet, further than providing *privateers*, wherewith his subjects carry on a piratical war at their own expence. *Swift, Miscell.*

To PRIVATE'ER. *v. a.* [from the noun.] To fit out ships against enemies, at the charge of private persons.

PRI'VATELY. *adv.* [from *private*.] Secretly; not openly.

There, this night,
We'll pass the business *privately* and well. *Shakspeare.*

And as he sat upon the mount of Olives, the disciples came unto him *privately*. *St. Mat.* xxiv. 3.

PRI'VATENESS.✝ *n. s.* [from *private*.]

1. The state of a man in the same rank with the rest of the community.

2. Secrecy; privacy.

Ambassadors attending the court in great number, he did content with courtesy, reward and *privateness*. *Bacon.*

Noon, when the citizens were at dinner, was chosen as the next fittest time for *privateness*.
Abp. Laud, Hist. of his Trial and Troubles.

Studies serve for delight, for ornament, and for ability. Their chief use for delight is in *privateness* and retiring.
Bacon, Ess. 50.

3. Obscurity; retirement.

He drew him into the fatal circle from a resolved *privateness* at his house, — where he could well have bent his mind to a retired course. *Wotton, Parall. of Essex and Buckingham.*

PRIVA'TION. *n. s.* [*privation*, Fr. *privatio*, Lat.]

1. Removal or destruction of any thing or quality.

For, what is this contagious sin of kind,
But a *privation* of that grace within. *Davies.*

If the *privation* be good, it follows not the former condition was evil, but less good; for the flower or blossom is a positive good, although the remove of it, to give place to the fruit, be a comparative good. *Bacon.*

So bounded are our natural desires,
That wanting all, and setting pain aside,
With bare *privation* sense is satisfy'd. *Dryden.*

After some account of good, evil will be known by consequence, as being only a *privation* or absence of good. *South.*

A *privation* is the absence of what does naturally belong to the thing, or which ought to be present with it; as when a man or horse is deaf or dead, or a physician or divine unlearned; these are *privations*. *Watts, Logick.*

2. The act of the mind by which, in considering a subject, we separate it from any thing appendant.

3. The act of degrading from rank or office.

If part of the people or estate be somewhat in the election, you cannot make them nulls or cyphers in the *privation* or translation. *Bacon.*

PRI'VATIVE. *adj.* [*privatif*, Fr. *privativus*, Lat.]

1. Causing privation of any thing.

2. Consisting in the absence of something; not positive. *Privative* is in things, what negative is in propositions.

The impression from *privative* to active, as from silence to noise, is a greater degree than from less noise to more.
Bacon, Nat. Hist.

The very *privative* blessings, the blessings of immunity, safeguard, liberty and integrity, which we enjoy, deserve the thanksgiving of a whole life. *Bp. Taylor.*

PRI'VATIVE. *n. s.* That of which the essence is the absence of something, as silence is only the absence of sound.

Harmonical sounds and discordant sounds are both active and positive, but blackness and darkness are indeed but *privatives*, and therefore have little or no activity; somewhat they do contristate, but very little. *Bacon, Nat. Hist.*

PRI'VATIVELY. *adv.* [from *privative*.]

1. By the absence of something necessary to be present.

2. Negatively.

The duty of the new covenant is set down, first *privately*, not like that of Mosaical observances external, but positively, laws given into the minds and hearts. *Hammond.*

PRI'VATIVENESS. *n. s.* [from *privative*.] Notation of absence of something that should be present.

PRI'VET.✝ *n. s.* [*ligustrum*.] Evergreen: a plant. *Miller.*

The leaves of *privet* have a binding nature, and with the broth thereof burnings with fire are healed. *Barret, Alv.* 1580

PRI'VILEGE. *n. s.* [*privilege*, French, *privilegium*, Latin.]

1. Peculiar advantage.

Here's my sword,
Behold it is the *privilege* of mine honours,
My oath, and my profession: *Shakspeare.*

He went
Invisible, yet stay'd, such *privilege*
Hath omnipresence. *Milton, P. L.*

He claims his *privilege*, and says 'tis fit,
Nothing should be the judge of wit, but wit. *Denham.*

Smiles, not allow'd to beasts, from reason move,
And are the *privilege* of human love. *Dryden.*

When the chief captain ordered him to be scourged uncondemned, he pleads the legal *privilege* of a Roman, who ought not to be treated so. *Kettlewell.*

A soul that can securely death defy,
And counts it nature's *privilege* to die. *Dryden.*

The *privilege* of birth-right was a double portion. *Locke.*

2. **Immunity; right not universal.**

I beg the ancient *privilege* of Athens. *Shakspeare.*

To PRI'VILEGE. *v. a.* [from the noun.]

1. To invest with rights or immunities; to grant a privilege.

The great are *privileg'd* alone,
To punish all injustice but their own. *Dryden.*
He happier yet, who *privileg'd* by fate
To shorter labour, and a lighter weight,
Receiv'd but yesterday the gift of breath,
Ordain'd to-morrow to return to death. *Prior.*

2. To exempt from censure or danger.

The court is rather deemed as a *privileged* place of unbridled licentiousness, than as the abiding of him, who, as a father, should give a fatherly example. *Sidney.*

He took this place for sanctuary,
And it shall *privilege* him from your hands. *Shakspeare.*
This place
Doth *privilege* me, speak what reason will. *Daniel.*

3. To exempt from paying tax or impost.

PRI'VITY.✝ *n. s.* [*privauté*, Fr. from *privy.*]

1. Private communication.

I will unto you in *privity* discover the drift of my purpose; I mean thereby to settle an eternal peace in that country, and also to make it very profitable to her majesty. *Spenser on Ireland.*

2. Consciousness; joint knowledge; private concurrence.

The authority of higher powers have force even in these things which are done without their *privity*, and are of mean reckoning. *Hooker.*

Upon this French going out, took he upon him,
Without the *privity* o' th' king, to appoint
Who should attend him? *Shakspeare, Hen. VIII.*

All the doors were laid open for his departure, not without the *privity* of the prince of Orange, concluding that the kingdom might better be settled in his absence. *Swift.*

3. Privacy.

For all his dayes he drownes in *privitie*,
Yet has full large to live and spend at libertie.
Spenser, F. Q. iii. ix. 2.

4. [In the plural.] Secret parts.

Few of them have any thing to cover their *privities.* *Abbot.*

PRI'VY. *adj.* [*privé*, Fr.]

1. Private; not publick; assigned to secret uses.

The party, 'gainst the which he doth contrive,
Shall seize on half his goods; the other half
Comes to the *privy* coffer of the state. *Shakspeare.*

2. Secret; clandestine; done by stealth.

He took advantage of the night for such *privy* attempts, insomuch that the bruit of his manliness was spread every where. *2 Mac.* viii. 7.

3. Secret; not shewn; not publick.

The sword of the great men that are slain entereth into their *privy* chamber. *Ezek.* xxi. 14.

4. Admitted to secrets of state.

The king has made him
One of the *privy* council. *Shakspeare, Hen. VIII.*

One, having let his beard grow from the martyrdom of king Charles I. till the restoration, desired to be made a *privy* counsellor. *Spectator.*

5. Conscious to any thing; admitted to participation of knowledge.

Sir Valentine
This night intends to steal away your daughter;
Myself am one made *privy* to the plot. *Shakspeare.*
Many being *privy* to the fact,
How hard is it to keep it unbetray'd? *Daniel.*

He would rather lose half of his kingdom, than be *privy* to such a secret, which he commanded me never to mention. *Swift.*

PRI'VY. *n. s.* Place of retirement; necessary house.

Your fancy
Would still the same ideas give ye,
As when you spy'd her on the *privy.* *Swift.*

PRIZE.✝ *n. s.* [*prix*, Fr. Dr. Johnson. — Rather the Germ. *preis*, and *pris*, Goth. See PRAISE, and PRICE.]

1. A reward gained by contest with competitors.

If ever he go alone, I'll never wrestle for *prize.* *Shakspeare.*

Though their foe were big and strong, and often brake the ring,
Forg'd of their lances; yet enforc't, he left th' affected *prize.* *Chapman.*

I fought and conquer'd, yet have lost the *prize.* *Dryden.*

The raising such silly competitions among the ignorant, proposing *prizes* for such useless accomplishments, and inspiring them with such absurd ideas of superiority, has in it something immoral as well as ridiculous. *Addison.*

They are not indeed suffered to dispute with us the proud *prizes* of arts and sciences, of learning and elegance, in which, I have much suspicion, they would often prove our superiors. *Law.*

2. A reward gained by any performance.

True poets empty fame and praise despise,
Fame is the trumpet, but your smile the *prize.* *Dryden.*

3. [*Prise*, French.] Something taken by adventure; plunder.

The king of Scots she did send to France,
To fill king Edward's fame with prisoner kings,
And make his chronicle as rich with *prize*,
As is the ouzy bottom of the sea
With sunken wreck. *Shakspeare, Hen. V.*

Age that all men overcomes, hath made his *prize* on thee. *Chapman.*

He acquitted himself like a valiant, but not like an honest man; for he converted the *prizes* to his own use. *Arbuthnot.*

Then prostrate falls, and begs with ardent eyes
Soon to obtain and long possess the *prize.* *Pope.*

To PRIZE.✝ *v. a.* [*priser*, Fr. *appreciare*, Lat. From *appraise*, Dr. Johnson says. But *appraise* is a corruption of *apprise.* See the etymology of *appraise.*]

1. To rate; to value at a certain price.

Life I *prize* not a straw; but for mine honour
Which I would free. *Shakspeare.*

A goodly price that I was *prized* at of them. *Zech.* xi. 13.

2. To esteem; to value highly.

I go to free us both of pain;
I *priz'd* your person, but your crown disdain. *Dryden.*

Some the French writers, some our own despise;
The ancients only, or the moderns *prize.* *Pope.*

PRI'ZER.✝ *n. s.* [*priseur*, Fr. from *prize.*]

1. One that values.

It holds its estimate and dignity,
As well wherein 'tis precious of itself,
As in the *prizer.* *Shakspeare, Tr. and Cress.*

2. One who contends for a prize.

Why would you be so fond to overcome
The bony *prizer* of the humorous Duke? *Shakspeare, As you like it.*

I have a plot upon these *prizers.* *B. Jonson, Cynth. Revels.*

PRI'ZEFIGHTER. *n. s.* [*prize* and *fighter.*] One that fights publickly for a reward.

Martin and Crambe engaged like *prizefighters.* *Arbuthnot and Pope.*

In Fig the *prizefighter* by day delight. *Bramston.*

PRO. [Latin.] For; in defence of; *pro* and *con*, for *pro* and *contra*, for and against. Despicable cant.

Doctrinal points in controversy had been agitated in the pulpits, with more warmth than had used to be; and thence the animosity increased in books *pro* and *con.* *Clarendon.*

Matthew met Richard, when
Of many knotty points they spoke,
And *pro* and *con* by turns they took. *Prior.*

PRO'A, or PROE.* *n. s.* [perhaps from the Spanish *proa*, the prow of a ship.] A name given to a sailing vessel of the Indies.

The distance from land to land, or from island to island, not being too great for their *proes* and canoes, might be easily passed by that people. *Young on Idolatr. Corrupt.* (1734,) p. 229.

PROBABI'LITY. *n. s.* [*probabilitas*, Lat. *probabilité*, Fr. from *probable*.] Likelihood; appearance of truth; evidence arising from the preponderation of argument: it is less than moral certainty.

Probability is the appearance of the agreement or disagreement of two ideas, by the intervention of proofs, whose connection is not constant; but appears for the most part to be so. *Locke.*

As for *probabilities*, what thing was there ever set down so agreeable with sound reason, but some probable shew against it might be made? *Hooker, Pref.*

The reason why men are moved to believe a *probability* of gain by adventuring their stocks into such foreign countries as they have never seen, and of which they have made no trial, is from the testimony of other credible persons. *Wilkins.*

If a truth be certain, and thwart interest, it will quickly fetch it down to but a *probability*; nay, if it does not carry with it an impregnable evidence, it will go near to debase it to a downright falsity. *South.*

Though moral certainty be sometimes taken for a high degree of *probability*, which can only produce a doubtful assent; yet it is also frequently used for a firm assent to a thing upon such grounds as fully satisfy a prudent man. *Tillotson.*

For a perpetual motion, magnetical virtues are not without some strong *probabilities* of proving effectual. *Wilkins.*

Which tempers, if they were duly improved by proper studies, and sober methods of education, would in all *probability* carry them to greater heights of piety, than are to be found amongst the generality of men. *Law.*

PRO'BABLE.† *adj.* [*probable*, Fr. *probabilis*, Lat.]

1. Likely; having more evidence than the contrary.

The publick approbation, given by the body of this whole church unto those things which are established, doth make it but *probable* that they are good, and therefore unto a necessary proof that they are not good it must give place. *Hooker.*

I do not say, that the principles of religion are meerly *probable*; I have before asserted them to be morally certain. And that to a man who is careful to preserve his mind free from prejudice, and to consider, they will appear unquestionable, and the deductions from them demonstrable. *Wilkins.*

That is accounted *probable*, which has better arguments producible for it, than can be brought against it. *South.*

They assented to things, that were neither evident nor certain, but only *probable*; for they conversed, they merchandized upon a *probable* persuasion of the honesty and truth of those whom they corresponded with. *South.*

2. That may be proved.

He who maintains traditions or opinions not *probable* by Scripture. *Milton, Of Civ. Power in Ecc. Cases.*

PRO'BABLY. *adv.* [from *probable*.] Likely; in likelihood.

Distinguish betwixt what may possibly, and what will *probably* be done. *L'Estrange, Fab.*

Our constitution in church or state could not *probably* have been long preserved, without such methods. *Swift.*

PRO'BATE.* *n. s.* [*probatum*, Lat. proved.]

1. Proof.

Macrobius that did treate
Of Scipion's dream what was the true *probate*.
Skelton, Poems, p. 20.

2. The proof of a will; the official copy of a will with the certificate of its [illegible]g been proved. Dr. Johnson has noticed this meaning, from Cowel, only as the Latin word *probat*.

When the will is so proved, a copy thereof in parchment is made out under the seal of the ordinary, and delivered to the executor, together with a certificate of its having been proved before him: all which together is usually stiled the *probate*. *Blackstone.*

PROBA'TION.† *n. s.* [*probatio*, Lat. from *probo*, Lat. *probation*, old Fr.]

1. Proof; evidence; testimony.

Of the truth herein,
This present object made *probation*. *Shakspeare, Hamlet.*

He was lapt in a most curious mantle, which, for more *probation*, I can produce. *Shakspeare, Cymbeline.*

The kinds of *probation* for several things being as much disproportioned, as the objects of the several senses are to one another. *Wilkins.*

2. The act of proving by ratiocination or testimony.

This did our church first deliver as the proof and illustration of the descent: — but yet those words of St. Peter have no such power of *probation*. *Pearson on the Creed*, Art. 5.

When these principles, what is, is, and it is impossible for the same thing to be, and not to be, are made use of in the *probation* of propositions, wherein are words standing for complex ideas, as man or horse, there they make men receive and retain falsehood for manifest truth. *Locke.*

3. [*Probation*, Fr.] Trial; examination.

In the practical part of knowledge, much will be left to experience and *probation*, whereunto indication cannot so fully reach. *Bacon, Nat. Hist.*

4. Moral trial.

At the end of the world, when the state of our trial and *probation* shall be finished, it will be a proper season for the distribution of public justice. *Nelson.*

5. Trial before entrance into monastick life; noviciate.

She —
May be a nun without *probation*. *Beaum. and Fl. Philaster.*

I suffer many things as an author militant, whereof, in your days of *probation*, you have been a sharer. *Pope to Swift.*

PROBA'TIONAL.* *adj.* [from *probation*.] Serving for trial.

Their afflictions are not penal, but medicinal, or *probational*. *Bp. Richardson, on the O. Test.* (1655,) p. 278.

A state of purgation, which they imagined to consist of a *probational* fire. *Wheatly on the Comm. Pr.* ch. 6. § 11.

PROBA'TIONARY.† *adj.* [from *probation*.] Serving for trial.

For the present it is a *probationary* article. *Bp. Taylor, Diss. from Popery*, § 2.

PROBA'TIONER. *n. s.* [from *probation*.]

1. One who is upon trial.

Hear a mortal muse thy praise rehearse,
In no ignoble verse;
But such as thy own verse did practise here,
When thy first fruits of poesy were given,
To make thyself a welcome inmate there;
While yet a young *probationer*,
And candidate of heaven. *Dryden.*

Build a thousand churches, where these *probationers* may read their wall lectures. *Swift.*

2. A novice.

This root of bitterness was but a *probationer* in the soil; and though it set forth some offsets to preserve its kind, yet Satan was fain to cherish them. *Decay of Chr. Piety.*

PROBA'TIONERSHIP. *n. s.* [from *probationer*.] State of being a probationer; noviciate.

He has afforded us only the twilight of probability, suitable to that state of mediocrity and *probationership*, he has been pleased to place us in here, wherein to check our over-confidence. *Locke.*

PROBA'TIONSHIP.* *n. s.* [from *probation*.] State of probation; noviciate.

Before the end of these ladies' *probationship*, and matriculation, his majesty charged the cathedral doctors to dismiss them out of the university. *Transl. of Boccalini*, (1626,) p. 202.

PRO'BATIVE.* *adj.* [*probatus*, Lat.] Serving for trial.

Some [judgements, which God inflicts upon men,] are only *probative*, and designed to try and stir up those virtues, which before lay dormant in the soul. *South, Serm.* iv. 358.

The stopping him [Abraham] by an angel from heaven, in the very article of time, was a much better argument against human sacrifices, than a *probative* command, not executed, could be for it. *Waterland, Script. Vindic.* P. i. p. 79.

PROBA'TOR.* *n. s.* [Latin.]

1. An examiner; an approver.

Some nominated and appointed for *probators*. *Maydman, Naval Speculations*, p. 182.

2. In law, an accuser; one who undertakes to prove a crime charged upon another. *Cowel.*

PRO'BATORY.† *adj.* [from *probo*, Lat.]

1. Serving for trial.

Job's afflictions were no vindicatory punishments, but *probatory* chastisements to make trial of his graces. *Bramhall.*

2. Serving for proof.

His other heap of arguments are assertory, not *probatory*. *Bp. Taylor, Artif. Handsom.* p. 126.

PROBA'TUM EST. A Latin expression added to the end of a receipt, signifying *it is tried* or *proved*.

Vain the concern that you express,
That uncall'd Alard will possess
Your house and coach both day and night,
And that Macbeth was haunted less
By Banquo's restless sprite:
Lend him but fifty louis d'or,
And you shall never see him more;
Take my advice, *probatum est.*
Why do the gods indulge our store,
But to secure our rest? *Prior.*

PROBE. *n. s.* [from *probo*, Lat.] A slender wire by which surgeons search the depth of wounds.

A round white stone was lodged, which was so fastened in that part, that the physician with his *probe* could not stir it. *Fell.*

I made search with a *probe*. *Wiseman, Surgery.*

PROBE-SCISSORS. *n. s.* [*probe* and *scissors*.] Scissors used to open wounds, of which the blade thrust into the orifice has a button at the end.

The sinus was snipt up with *probe-scissors*. *Wiseman.*

To **PROBE.** *v. a.* [*probo*, Lat.] To search; to try by an instrument.

Nothing can be more painful, than to *probe* and search a purulent old sore to the bottom. *South.*

He'd raise a blush, where secret vice he found;
And tickle, while he gently *prob'd* the wound. *Dryden.*

PRO'BITY. *n. s.* [*probité*, Fr. *probitas*, Lat.] Honesty; sincerity; veracity.

The truth of our Lord's ascension, might be deduced from the *probity* of the apostles. *Fiddes, Serm.*

So near approach we their celestial kind,
By justice, truth, and *probity* of mind. *Pope.*

PRO'BLEM. *n. s.* [*probleme*, Fr. πρόβλημα.] A question proposed.

The *problem* is, whether a man constantly and strongly believing, that such a thing shall be, it doth help any thing to the effecting of the thing. *Bacon, Nat. Hist.*

Deeming that abundantly confirmed to advance it above a disputable *problem*, I proceed to the next proposition. *Hammond.*

Although in general one understood colours, yet were it not an easy *problem* to resolve, why grass is green? *Brown.*

This *problem* let philosophers resolve,
What makes the globe from West to East revolve. *Blackmore.*

PROBLEMA'TICAL. *adj.* [from *problem*; *problematique*, Fr.] Uncertain; unsettled; disputed; disputable.

It is a question *problematical* and dubious, whether the observation of the sabbath was imposed upon Adam, and his posterity in paradise. *White.*

I promised no better arguments than might be expected in a point *problematical*. *Boyle.*

Diligent enquiries into remote and *problematical* guilt, leave a gate wide open to the whole tribe of informers. *Swift.*

PROBLEMA'TICALLY. *adv.* [from *problematical*.] Uncertainly.

To **PROBLE'MATIZE.*** *v. n.* [from *problematical*.] To propose problems. A ludicrous word. See *To* ELENCHIZE.

Hear him *problematize!* *B. Jonson, New Inn.*

PROBO'SCIS. *n. s.* [*proboscis*, Lat.] A snout; the trunk of an elephant; but it is used also for the same part in every creature, that bears any resemblance thereunto.

The elephant — wreath'd, to make them sport,
His lithe *proboscis*. *Milton, P. L.*

PROCA'CIOUS.† *adj.* [*procax*, Lat.] Petulant; saucy; loose.

Let any person possessed with the devil be set before your tribunal; that spirit, being commanded by a Christian to speak, shall as truly there confess himself to be a devil, as otherwhere a god; if he does not so confess, not daring to lie, even there spill the blood of that *procacious* Christian. *Barrow*, vol. ii. S. 20.

PROCA'CITY.† *n. s.* [from *procacious*.] Petulance; looseness.

In vain are all your flatteries,
In vain are all your knaveries,
Delights, deceits, *procacities*. *Burton, Anat. of Mel.* p. 549.

Porphyrius with good colour of reason might have objected *procacity* against St. Paul in taxing his betters. *Barrow on the Pope's Supremacy.*

PROCATA'RCTICK.† *adj.* [προκαταρκτικός.] Forerunning; remotely antecedent. See PROCATARXIS.

This efficient cause is of two kinds; either internal; or external, evident, manifest, and *procatarctick*. *Ferrand on Love Melancholy*, (1640,) p. 41.

James IV. of Scotland, falling away in his flesh, without the precedence of any *procatarctick* cause, was suddenly cured by decharming the witchcraft. *Harvey on Consumptions.*

The physician enquires into the *procatarctick* causes. *Harvey.*

PROCATA'RXIS. *n. s.* [προκάταρξις.] *Procatarxis* is the pre-existent cause of a disease, which co-operates with others that are subsequent, whether internal or external; as anger or heat of climate, which brings such an ill disposition of the juices, as occasion a fever: the ill disposition being the immediate cause, and the bad air the *procatarctick* cause. *Quincy.*

PROCE'DURE. *n. s.* [*procedure*, Fr. from *proceed*.]

1. Manner of proceeding; management; conduct.

This is the true *procedure* of conscience, always supposing a law from God, before it lays obligation upon man. *South.*

2. Act of proceeding; progress; process; operation.

Although the distinction of these several *procedures* of the soul do not always appear distinct, especially in sudden actions, yet in actions of weight, all these have their distinct order and *procedure*. *Hale, Orig. of Mankind.*

3. Produce; thing produced.

No known substance, but earth and the *procedures* of earth, as tile and stone, yieldeth any moss or herby substance. *Bacon.*

To **PROCEE'D.** *v. n.* [*procedo*, Lat. *proceder*, Fr.]

1. To pass from one thing or place to another.

Adam
Proceeded thus to ask his heavenly guest. *Milton, P. L.*

Then to the prelude of a war *proceeds*;
His horns, yet sore, he tries against a tree. *Dryden.*

I shall *proceed* to more complex ideas. *Locke.*

2. To go forward; to tend to the end designed; to advance.

Temperately *proceed* to what you would
Thus violently redress. *Shakspeare, Coriol.*

These things, when they *proceed* not, they go backward. *B. Jonson, Catiline.*

3. To come forth from a place or from a sender.

I *proceeded* forth and came from God; neither came I of myself, but he sent me. *St. John*, viii. 42.

4. To go or march in state.

He ask'd a clear stage for his muse to *proceed* in. *Anon.*

5. To issue; to arise; to be the effect of; to be produced from.

A dagger of the mind, a false creation
Proceeding from the heat oppressed brain.
Shakspeare, Macbeth.

From me what can *proceed*
But all corrupt; both mind and will both deprav'd.
Milton, P. L.

All this *proceeded* not from any want of knowledge. *Dryden.*

6. To prosecute any design.

He that *proceeds* upon other principles, in his enquiry into any sciences, posts himself in a party. *Locke.*

Since husbandry is of large extent, the poet singles out such precepts to *proceed* on, as are capable of ornament. *Addison.*

7. To be transacted; to be carried on.

He will, after his sour fashion tell you,
What hath *proceeded* worthy note to-day. *Shakspeare.*

8. To make progress.

Violence
Proceeded, and oppression, and sword law,
Through all the plain. *Milton, P. L.*

9. To carry on juridical process.

Proceed by process, lest parties break out,
And sack great Rome with Romans. *Shakspeare.*

Instead of a ship, to levy upon his county such a sum of money for his majesty's use, with direction in what manner he should *proceed* against such as refused. *Clarendon.*

To judgement he *proceeded* on the accus'd. *Milton, P. L.*

10. To transact; to act; to carry on any affair methodically.

From them I will not hide
My judgements, how with mankind I *proceed*;
As how with peccant angels late they saw. *Milton, P. L.*

How severely with themselves *proceed*,
The men who write such verse as who can read?
Their own strict judges, not a word they spare,
That wants or force, or light, or weight, or care. *Pope.*

11. To take effect; to have its course.

This rule only *proceeds* and takes place, when a person cannot of common law condemn another by his sentence. *Ayliffe.*

12. To be propagated; to come by generation.

From my loins thou shalt *proceed*. *Milton, P. L.*

13. To be produced by the original efficient cause.

O Adam, one Almighty is, from whom
All things *proceed*, and up to him return. *Milton, P. L.*

PROCEE'D.† *n. s.* [from the verb.] Produce: as, the *proceeds* of an estate. Clarissa. Not an imitable word, though much used in writings of commerce. Dr. Johnson. — The word is more than a century older than the time of Richardson; and yet continues to be used.

The only *procede* (that I may use the mercantile term) you can expect, is thanks. *Howell, Lett.* (dat. 1621,) i. i. 29.

PROCEE'DER. *n. s.* [from *proceed*.] One who goes forward; one who makes a progress.

He that seeketh victory over his nature, let him not set himself too great nor too small tasks; for the first will make him dejected by often failing; and the second will make him a small *proceeder*, though by often prevailings. *Bacon.*

PROCEE'DING. *n. s.* [*procedé*, Fr. from *proceed*.]

1. Process from one thing to another; series of conduct; transaction.

I'll acquaint our duteous citizens,
With all your just *proceedings* in this case. *Shakspeare.*

My dear love
To your *proceedings* bids me tell you this. *Shakspeare.*

The understanding brought to knowledge by degrees, and, in such a general *proceeding*, nothing is hard. *Locke.*

It is a very unusual *proceeding*, and I would not have been guilty of it for the world. *Arbuthnot, J. Bull.*

To clear the justice of God's *proceedings*, it seems reasonable there should be a future judgement for a suitable distribution of rewards and punishments. *Nelson.*

From the earliest ages of christianity, there never was a precedent of such a *proceeding*. *Swift.*

2. Legal procedure: as, such are the *proceedings* at law.

PROCE'LLOUS. *adj.* [*procellosus*, Lat.] Tempestuous. *Dict.*

PROCELEUSMA'TICK.* *adj.* [*προκελευσματικὸς*, Greek; from *πρὸ*, before, and *κέλευσμα*, an old word or shout of encouragement to sailors and soldiers.] Exhorting by songs or speeches.

The ancient *proceleusmatick* song, by which the rowers of of gallies were animated, may be supposed to have been of this kind. There is now an oar-song used by the Hebridians. *Johnson, Journ. West. Islands.*

PROCE'PTION. *n. s.* Preoccupation; act of taking something sooner than another. A word not in use.

Having so little power to offend others, that I have none to preserve what is mine own from their *proception*. *King Charles.*

PROCE'RE.* *adj.* [*procerus*, Latin.] Tall. Not in use.

Such lignous and woody plants, as are hard of substance, *procere* of stature. *Evelyn, Introduct.* § 3.

PROCE'RITY.† *n. s.* [*procerité*, Fr. Cotgrave; from *procerus*, Lat.] Talness; height of stature. This is a word well authorized, and in use more than a century before the time of Addison, from whom alone Dr. Johnson has brought an example.

Touching the *procerity*, and lowness, and artificial dwarfing of trees. *Bacon, Nat. Hist.* No. 532.

Pattens, and the like inventions, which seek to give an advantage of *procerity* and comeliness to our stature.
Bp. Taylor, Artif. Handsom. p. 75.

We shall make attempts to lengthen out the humane figure, and restore it to its ancient *procerity*. *Addison.*

PRO'CESS.† *n. s.* [*proces*, Fr. *processus*, Lat. Milton, in both the examples cited by Dr. Johnson, places the accent on the second syllable of *process*; which Mr. Nares suspects to be the ancient accentuation, though Shakspeare accents the word on the first syllable. Yet Mr. Nares has brought no example in support of Milton, and of this opinion; observing only, that the accent on the second syllable adhered longer to the phrase in *process of time*, than to any other; in which he well remembers to have frequently heard it called *procéss*. Such is Milton's expression; and it was such before him, as I now show under the third meaning.]

1. Tendency; progressive course.

That there is somewhat higher than either of these two, no other proof doth need, than the very *process* of man's desire, which being natural should be frustrate, if there were not some farther thing wherein it might rest at the length contented, which in the former it cannot do. *Hooker.*

2. Regular and gradual progress.

Commend me to your honourable wife;
Tell her the *process* of Antonio's end;
Say how I lov'd you; speak me fair in death. *Shakspeare.*

They declared unto him the whole *process* of that war, and with what success they had endured. *Knolles.*

Immediate are the acts of God, more swift
Than time or motion; but to human ears
Cannot without *process* of speech be told. *Milton, P. L.*

Saturnian Juno
Attends the fatal *process* of the war. *Dryden.*

In the parable of the wasteful steward, we have a lively image of the force and *process* of this temptation. *Rogers.*

3. Course; continual flux or passage.

I have been your wife, in this obedience,
Upward of twenty years; if in the course
And *process* of this time you can report,
And prove it too against mine honour aught,
Turn me away. *Shakspeare, Hen. VIII.*

Where in *processe* of time he grew to be
A pretty scholar.
Lenton, Young Gallant's Whirligig, (1629,) p. 3.

This empire rise,
By policy and long *process* of time. *Milton, P. L.*

Many acts of parliament have, in long *process* of time, been lost, and the things forgotten. *Hale, Law of England.*

4. Methodical management of any thing.

Experiments, familiar to chymists, are unknown to the learned, who never read chymical *processes*. *Boyle.*

The *process* of that great day, with several of the particular circumstances of it, are fully described by our Saviour. *Nelson.*

An age they live releas'd
From all the labour, *process*, clamour, woe,
Which our sad scenes of daily action know. *Prior.*

5. Course of law.

Proceed by *process*,
Lest parties, as he is belov'd, break out. *Shakspeare.*

All *processes* ecclesiastical should be made in the king's name, as in writs at the common law. *Hayward.*

That a suit of law, and all judicial *process*, is not in itself a sin, appears from courts being erected by consent in the apostles' days, for the management and conduct of them. *Kettlewell.*

The patricians they chose for their patrons, to answer for their appearance, and defend them in any *process*. *Swift.*

6. In anatomy, eminence of the bones and other parts.

The bone of the thigh — hath in the head of it three eminent *processes*. *Smith on Old Age*, p. 50.

PROCE'SSION.† *n. s.* [*procession*, Fr. *processio*, Lat.]

1. A train marching in ceremonious solemnity.

If there be cause for the church to go forth in solemn *procession*, his whole family have such business come upon them, that no one can be spared. *Hooker.*

Him all his train
Follow'd in bright *procession*. *Milton, P. L.*

'Tis the *procession* of a funeral vow,
Which cruel laws to Indian wives allow. *Dryden.*

The priests, Potitius at their head,
In skins of beasts involv'd, the long *procession* led. *Dryden.*

When this vast congregation was formed into a regular *procession* to attend the ark of the covenant, the king marched at the head of his people, with hymns and dances. *Addison.*

It is to be hoped, that the persons of wealth, who made their *procession* through the members of these new erected seminaries, will contribute to their maintenance *Addison.*

The Ethiopians held an annual sacrifice of twelve days to the gods; all that time they carried their images in *procession*, and placed them at their festivals. *Broome.*

2. The act of issuing or proceeding from.

The Word was God by generation, the Holy Ghost by *procession*. *Pearson on the Creed*, Art. 2.

The original of the Holy Spirit, we assert to be in way of *procession* from God the Father and God the Son. *Barrow.*

The Holy Ghost is neither made, nor created, nor begotten, but proceeding from the Father and the Son as the Spirit of both: the mode or manner of which *procession* is above our capacities. *Horbery, Serm.* p. 443.

To PROCE'SSION. *v. n.* [from the noun.] To go in procession. A low word.

PROCE'SSIONAL.† *adj.* [*processional*, Fr.] Relating to procession. *Cotgrave.*

We have had our names prefixed at length, to whole volumes of mean *productions.* *Swift.*

PRODU'CTIVE. *adj.* [from *produce.*] Having the power to produce; fertile; generative; efficient.

In thee
Not in themselves, all their known virtue appears
Productive as in herb and plant. *Milton, P. L.*

This is turning nobility unto a principle of virtue, and making it *productive* of merit, as it is understood to have been originally a reward of it. *Spectator.*

Be thou my aid, my tuneful song inspire,
And kindle with thy own *productive* fire. *Dryden.*

If the *productive* fat of the marl be spent, it is not capable of being mended with new. *Mortimer.*

Numbers of Scots are glad to exchange their barren hills for our fruitful vales so *productive* of that grain. *Swift.*

Hymen's flames like stars unite,
And burn for ever one;
Chaste as cold Cynthia's virgin light,
Productive as the sun. *Pope.*

Plutarch, in his life of Theseus, says, that that age was *productive* of men of prodigious stature. *Broome.*

PRODU'CTIVENESS.* *n. s.* [from *productive.*] State or quality of being productive.

PRO'EM. *n. s.* [προοίμιον; *procemium,* Lat. *proeme,* old Fr.] Preface; introduction.

One and the same *proëm,* containing a general motive to provoke people to obedience of all and every one of these precepts, was prefixed before the decalogue. *White.*

So gloz'd the tempter, and his *proem* tun'd. *Milton, P. L.*

Thus much may serve by way of *proem,*
Proceed we therefore to our poem. *Swift, Miscell.*

Justinian has, in the *proem* to the digests, only prefixed the term of five years for studying the laws. *Ayliffe.*

To PRO'EM.* *v. a.* [from the noun.] To preface.

Moses might here very well *proeme* the repetition of the covenant with this upbraiding reprehension. *South, Serm.* viii. 367.

PROE'MIAL.* *adj.* [from *proem.*] Introductory.

This contempt of the world may be a piece of *proemial* piety, an usher or Baptist to repentance. *Hammond, Works,* iv. 492.

That would oblige me to exceed the limits of this *proemial* discourse. *Biblioth. Bibl.* i. 12.

PRO'FACE.* *interj.* [*prouface,* old French. "*Prouface,* messieurs, et a toute la compagnie: *Much good do it you,* my masters, and to all the company." Wodroephe's Fr. and Eng. Gramm. 1623, p. 256. "Bon *prou* leur *face:* Much good may it do them." Cotgrave in V. PROU.] An old exclamation of welcome, frequent in the writers of Shakspeare's time. Obsolete.

Master page, good master page, sit: *proface!* What you want in meat, we'll have in drink. *Shakspeare, Hen. IV.* P. II.

PROFANA'TION. *n. s.* [*profanation,* Fr. from *profano,* Latin.]

1. The act of violating any thing sacred.

He knew how bold men are to take even from God himself; how hardly that house would be kept from impious *profanation* he knew. *Hooker.*

What I am and what I would, are to your ears, divinity; to any others, *profanation.* *Shakspeare, Tw. Night.*

'Twere *profanation* of our joys,
To tell the laity our love. *Donne.*

Profanation of the Lord's-day, and of other solemn festival days, which are devoted to divine and religious offices, is impious. *White.*

All *profanation* and invasion of things sacred, is an offence against the eternal law of nature. *South.*

Others think I ought not to have translated Chaucer: they suppose a veneration due to his old language, and that it is little less than *profanation* and sacrilege to alter it. *Dryden.*

2. Irreverence to holy things or persons.

Great men may jest with saints, 'tis wit in them;
But, in the less, foul *profanation*. *Shakspeare.*

PROFA'NE. *adj.* [*profane*, Fr. from *profanus*, Lat.]

1. Irreverent to sacred names or things.

Profane fellow!
Wert thou the son of Jupiter, and no more
But what thou art besides, thou wert too base
To be his groom. *Shakspeare, Cymb.*

These have caused the weak to stumble, and the *profane* to blaspheme, offending the one, and hardening the other. *South.*

2. Not sacred; secular.

The universality of the deluge is attested by *profane* history; for the fame of it is gone through the earth, and there are records or traditions concerning it in all the parts of this and the new found world. *Burnet, Theory.*

3. Polluted; not pure.

Nothing is *profane* that serveth to holy things. *Ralegh.*

4. Not purified by holy rites.

Far hence be souls *profane*,
The Sibyl cry'd, and from the grove abstain. *Dryden.*

To PROFA'NE. *v. a.* [*profano*, Lat. *profaner*, Fr.]

1. To violate; to pollute.

He then, that is not furnish'd in this sort,
Doth but usurp the sacred name of knight,
Profaning this most honourable order. *Shakspeare.*

Pity the temple *profaned* of ungodly men. 2 *Mac.* viii. 2.

Foretasted fruit
Profan'd first by the serpent, by him first
Made common and unhallow'd. *Milton, P. L.*

How far have we
Profan'd thy heavenly gift of poesy?
Made prostitute and profligate the muse,
Debas'd. *Dryden.*

How are festivals *profaned*? When they are not regarded, nor distinguished from common days; when they are made instruments of vice and vanity; when they are spent in luxury and debauchery; when our joy degenerates into sensuality, and we express it by intemperance and excess? *Nelson.*

2. To put to wrong use.

I feel me much to blame,
So idly to *profane* the precious time. *Shakspeare.*

PROFA'NELY. *adv.* [from *profane*.] With irreverence to sacred names or things.

I will hold my tongue no more, as touching their wickedness, which they *profanely* commit. 2 *Esdr.* xv. 8.

Let none of things serious, much less of divine,
When belly and head's full, *profanely* dispute. *B. Jonson.*

That proud scholar, intending to erect altars to Virgil, speaks of Homer too *profanely*. *Broome.*

PROFA'NENESS. *n. s.* [from *profane*.] Irreverence of what is sacred.

Apollo, pardon
My great *profaneness* 'gainst thy oracle! *Shakspeare.*

Profaners of this neighbour stained steel. *Shakspeare.*

There are a lighter ludicrous sort of *profaners*, who use the Scripture to furnish out their jests. *Gov. of the Tongue.*

PROFE'CTION. *n. s.* [*profectio*, Lat.] Advance; progression.

This, with *profection* of the horoscope unto the seventh house or opposite signs, every seventh year oppresseth living natures. *Brown, Vulg. Err.*

To PROFE'SS.† *v. a.* [*professer*, Fr. from *professus*, Lat.]

1. To declare himself in strong terms of any opinion or character.

The day almost itself *professes* yours,
And little is to do. *Shakspeare, Macbeth.*

Would you have me speak after my custom,
As being a *profess'd* tyrant to their sex. *Shakspeare.*

Let no man, that *professes* himself a christian, keep so heathenish a family, as not to see God be daily worshipped in it. *Wh. Duty of Man.*

Pretending first
Wise to fly pain, *professing* next the spy. *Milton, P. L.*

A servant to thy sex, a slave to thee,
A foe *profest* to barren chastity. *Dryden, Kn. Tale.*

2. To make a show of any sentiments by loud declaration.

Love well your father;
To your *professing* bosoms I commit him. *Shakspeare.*

3. To declare publickly one's skill in any art or science, so as to invite employment.

What, master, read you? first resolve me that.
— I read that I *profess* the art of love. *Shakspeare.*

Without eyes thou shalt want light; *profess* not the knowledge therefore that thou hast not. *Ecclus.* iii. 25.

4. To exhibit the appearance of.

So hideous is her shape, so huge her head,
That even the hellish feends affrighted bee
At sight thereof, and from her presence flee:
Yet did her face and former parts *professe*
A faire young mayden full of comely glee.
Spenser, F. Q. vi. vi. 1.

To PROFE'SS. *v. n.*

1. To declare openly.

They *profess*, that they know God, but in works they deny him. *Tit.* i. 16.

If judgment begin at the house of God, we may certainly conclude, that they who are more *professedly* wicked shall not escape. *Lowth on Obadiah,* ver. 17.

PROFE'SSION. *n. s.* [*profession*, Fr. from *profess*.]

1. Calling; vocation: known employment. The term *profession* is particularly used of divinity, physick, and law.

I must tell you,
You tender more your person's honour, than
Your high *profession* spiritual. *Shakspeare, Hen. VIII.*

If we confound arts with the abuse of them, we shall condemn all honest trades; for there are that deceive in all *professions*, and bury in forgetfulness all knowledge. *Ralegh.*

Some of our *profession* keep wounds tented. *Wiseman.*

No other one race, not the sons of any one other *profession*, not perhaps altogether, are so much scattered amongst all *professions*, as the sons of clergymen. *Sprat, Serm.*

This is a practice, in which multitudes, besides those of the learned *professions*, may be engaged. *Watts.*

2. Declaration.

A naked *profession* may have credit, where no other evidence can be given. *Glanville, Scepsis.*

The *professions* of princes, when a crown is the bait, are a slender security. *Leslie.*

Most profligately false, with the strongest *professions* of sincerity. *Swift.*

3. The act of declaring one's self of any party or opinion.

For by oil in their lamps, and the first lighting of them, which was common to them both, is meant that solemn *profession* of faith and repentance, which all christians make in baptism. *Tillotson.*

When christianity came to be taken up, for the sake of those civil encouragements which attended their *profession*, the complaint was applicable to christians. *Swift.*

PROFE'SSIONAL. *adj.* [from *profession*.] Relating to a particular calling or profession.

Professional, as well as national, reflections are to be avoided. *Richardson, Clarissa.*

PROFE'SSIONALLY.* *adv.* [from *professional*.] By profession.

PROFE'SSOR. *n. s.* [*professeur*, Fr. from *profess*.]

1. One who declares himself of any opinion or party.

When the holiness of the *professors* of religion is decayed you may doubt the springing up of a new sect. *Bacon, Ess.*

The whole church of *professors* at Philippi to whom he writes, was not made up wholly of the elect, sincere, and preserving christians, but like the net, in Christ's parable, that caught both good and bad, and had no doubt some insincere persons, hypocrites, and temporaries in it. *Hammond.*

2. One who publickly practises or teaches an art.

Professors in most sciences, are generally the worst qualified to explain their meanings to those who are not of their tribes. *Swift.*

3. One who is visibly religious.

Ordinary illiterate people, who were *professors*, that shewed a concern for religion, seemed much conversant in St. Paul's epistles. *Locke.*

PROFESSO'RIAL.* *adj.* [*professorius*, Lat.] Relating to a professor.

Those persons, for their *professorial* interest, had quite altered the old schemes of philosophy. *Bentley, Phil. Lips.* § 43.

PROFE'SSORY.* *adj.* [*professorius*, Latin.] Professorial; belonging to the professors.

This dedicating of foundations and dotations to *professory* learning, hath not only had a malign aspect and influence upon the growth of sciences, but hath also been prejudicial to states and governments. *Bacon, Adv. of Learning*, B. 2.

To PRO'FFER. *v. a.* [*profero*, Lat. *proferer*, Fr.]

1. To propose; to offer to acceptance.

To them that covet such eye-glutting gain,
Proffer thy gifts, and fitter servants entertain. *Spenser.*

Does Cato send this answer back to Cæsar,
For all his generous cares and *proffer'd* friendship. *Addison.*

2. To attempt of one's own accord.

None, among the choice and prime
Of those heaven-warring champions, could be found
So hardy as to *proffer*, or accept
Alone, the dreadful voyage. *Milton, P. L.*

PRO'FFER. *n. s.* [from the verb.]

1. Offer made; something proposed to acceptance.

Basilius, content to take that, since he could have no more, allowed her reasons, and took her *proffer* thankfully. *Sidney.*

Proffers, not took, reap thanks for their reward. *Shakspeare.*

The king
Great *proffers* sends of pardon and of grace,
If they would yield, and quietness embrace. *Daniel.*

He made a *proffer* to lay down his commission of command in the army. *Clarendon.*

But these, nor all the *proffers* you can make,
Are worth the heifer which I set to stake.

2. Essay; attempt.

It is done with time, and by little and little, and with many essays and *proffers*.

PRO'FFERER. *n. s.* [from *proffer*.] He that offers.

Maids, in modesty, say no, to that
Which they would have the *proff'rer* construe ay. *Shakspeare.*

He who always refuses, taxes the *profferer* with indiscretion, and declares his assistance needless. *Collier.*

PROFI'CIENCE. } *n. s.* [from *proficio*, Latin.] Profit;
PROFI'CIENCY. } advancement in any thing; improvement gained. It is applied to intellectual acquisition.

Persons of riper years, who flocked into the church during the three first centuries, were obliged to pass through instructions, and give account of their *proficiency*. *Addison.*

Some reflecting with too much satisfaction on their own *proficiencies*, or presuming on their election by God, persuade themselves into a careless security. *Rogers, Serm.*

PROFI'CIENT. *n. s.* [*proficiens*, Lat.] One who has made advances in any study or business.

I am so good a *proficient* in one quarter of an hour, that I can drink with any tinker in his own language. *Shakspeare.*

I am disposed to receive further light in this matter, from those whom it will be no disparagement for much greater *proficients* than I to learn. *Boyle.*

Young deathlings were, by practice, made
Proficients in their father's trade. *Swift, Miscell.*

PROFI'CUOUS. *adj.* [*proficuus*, Lat.] Advantageous; useful.

It is very *proficuous*, to take a good large dose. *Harvey.*

To future times
Proficuous, such a race of men produce,
As in the cause of virtue firm, may fix
Her throne inviolate. *Philips.*

PRO'FILE. *n. s.* [*profil*, Fr.] The side face; half face.

The painter will not take that side of the face, which has some notorious blemish in it; but either draw it in *profile*, or else shadow the more imperfect side. *Dryden.*

Till the end of the third century, I have not seen a Roman emperor drawn with a full face: they always appear in *profile*, which gives us the view of a head very majestick. *Addison.*

PRO'FIT. *n. s.* [*profit*, Fr.]

1. Gain; pecuniary advantage.

Thou must know,
'Tis not my *profit* that does lead mine honour. *Shakspeare.*

He thinks it highly just, that all rewards of trust, *profit*, or dignity, should be given only to those, whose principles direct them to preserve the constitution. *Swift.*

2. Advantage; accession of good.

What *profit* is it for men now to live in heaviness, and after death to look for punishment? 2 *Esdr.* vii. 47.

Wisdom that is hid, and treasure that is hoarded up, what *profit* is in them both? *Ecclus.* xx. 30.

Say not what *profit* is there of my service; and what good things shall I have hereafter. *Ecclus.* xi. 23.

The king did not love the barren wars with Scotland, though he made his *profit* of the noise of them. *Bacon.*

3. Improvement; advancement; proficiency.

To PRO'FIT. *v. a.* [*profiter*, Fr.]

She has *profited* so well already by your counsel, that she can say her lesson. *Dryden, Span. Friar.*

3. To be of use or advantage.

Oft times nothing *profits* more,
Than self-esteem grounded on just and right. *Milton, P. L.*
What *profited* thy thoughts, and toils, and cares,
In vigour more confirm'd, and riper years? *Prior.*

PRO'FITABLE. *adj.* [*profitable*, Fr. from *profit.*]

1. Gainful; lucrative.

A pound of man's flesh, taken from a man,
Is not so estimable or *profitable*,
As flesh of muttons, beefs, or goats. *Shakspeare.*

The planting of hop-yards, sowing of wheat and rape-seed, are found very *profitable* for the planters, in places apt for them, and consequently *profitable* for the kingdom. *Bacon.*

2. Useful; advantageous.

To wail friends lost
Is not by much so wholesome, *profitable*,
As to rejoice at friends but newly found. *Shakspeare.*

Then Judas, thinking indeed that they would be *profitable* in many things, granted them peace. *2 Mac.* xii.

What was so *profitable* to the empire, became fatal to the emperor. *Arbuthnot on Coins.*

PRO'FITABLENESS. *n. s.* [from *profitable.*]

1. Gainfulness.

2. Usefulness; advantageousness.

We will now briefly take notice of the *profitableness* of plants for physick and food. *More against Atheism.*

What shall be the just portion of those, whom neither the condescension or kindness, nor wounds and sufferings of the son of God could persuade, nor yet the excellency, easiness and *profitableness* of his commands invite? *Calamy, Serm.*

PRO'FITABLY. *adv.* [from *profitable.*]

1. Gainfully.

2. Advantageously; usefully.

You have had many opportunities to settle this reflection, and have *profitably* employed them. *Wake.*

PRO'FITLESS.† *adj.* [from *profit.*] Void of gain or advantage.

We must not think the Turk is so unskilful,
To leave that latest, which concerns him first;
Neglecting an attempt of ease and gain,
To wake and wage a danger *profitless.* *Shakspeare, Othello.*
I pray thee, cease thy counsel,
Which falls into mine ears as *profitless*
As water in a sieve. *Shakspeare, Much Ado.*
An empty, *profitless*, temptationless sin.
Hammond, Works, iv. 513.

PRO'FLIGACY.* *n. s.* [from *profligate.*] State of being lost to decency and virtue.

As this pious act of the sovereign has excited, may we not hope it will continue to keep alive, a spirit of attention, in every friend of his country, to the fatal consequences which must flow from *profligacy* and licentiousness; and prove ruinous to national prosperity, happiness, and credit.
Bp. of Salisbury, (Barrington,) Lett. to his Clergy, (1789.)

PRO'FLIGATE. *adj.* [*profligatus*, Lat.] Abandoned; lost to virtue and decency; shameless.

Time sensibly all things impairs;
Our fathers have been worse than theirs,
And we than ours; next age will see
A race more *profligate* than we,
With all the pains we take, have skill enough to be.
Roscommon.

How far have we
Prophan'd thy heavenly gift of poesy?
Made prostitute and *profligate* the muse,
Debas'd to each obscene and impious use,
Whose harmony was first ordain'd above
For tongues of angels, and for hymns of love. *Dryden.*

Though Phalaris his brazen bull were there,
And he wou'd dictate what he'd have you swear,
Be not so *profligate*, but rather choose
To guard your honour, and your life to lose. *Dryden.*

Melancholy objects and subjects will, at times, impress the most *profligate* spirits. *Richardson, Clarissa.*

PRO'FLIGATE. *n. s.* An abandoned shameless wretch.

It is pleasant to see a notorious *profligate* seized with a concern for his religion, and converting his spleen into zeal.
Addison.

I have heard a *profligate* offer much stronger arguments against paying his debts, than ever he was known to do against christianity; because he happened to be closer pressed by the bailiff than the parson. *Swift, Miscell.*

How could such a *profligate* as Antony, or a boy of eighteen, like Octavius, ever dare to dream of giving the law to such an empire and people. *Swift.*

To PRO'FLIGATE.† *v. a.* [*profligo*, Lat.] To drive away; to overcome. A word borrowed from the Latin without alteration of the sense, but not used, Dr. Johnson says; citing only the example from Hervey. It had been in use long before Hervey's time; and is in our old vocabularies. In the same sense Bacon uses *profligation.*

It is an infinite disgrace and reproach unto their cause to have been, in all men's eyes, so abject and *profligated*, as to be able to get no more defenders.
Fotherby, Atheom. (1622,) p. 67.

Lavatories, to wash the temples, hands, wrists, and jugulars, do potently *profligate* and keep off the venom. *Harvey.*

PRO'FLIGATELY. *adv.* [from *profligate.*] Shamelesly.

Most *profligately* false, with the strongest professions of sincerity. *Swift, Miscell.*

PRO'FLIGATENESS.† *n. s.* [from *profligate.*] The quality of being profligate.

Others, who are not chargeable with all this *profligateness*, yet are in avowed opposition to religion.
Butler, Anal. of Rel. Concl.

PROFLIGA'TION.* *n. s.* [*profligatus*, Lat.] Defeat: rout. See *To* PROFLIGATE.

He was desirous to avoid not only *profusion*, but the least effusion of Christian blood. *Hayward.*
The great *profusion* and expence
Of his revenues bred him much offence. *Daniel.*

3. Abundance; exuberant plenty.

Trade is fitted to the nature of our country, as it abounds with a great *profusion* of commodities of its own growth, very convenient for other countries. *Addison.*
The raptur'd eye,
The fair *profusion*, yellow Autumn spies. *Thomson.*

To PROG.† *v. n.* [Dr. Johnson offers no etymology of this word. It is perhaps from the Dutch *prachgen*, to go a begging; or from the Lat. *procor*, to ask. Anciently, our word was *prok*, as in the Pr. Parv. next *progue*; then *prog*. Dr. Johnson calls it a low word, citing only an example from L'Estrange. Our best writers use it for begging, for procuring by any mean shift.]

1. To go a begging; to wander about like a beggar; to procure by a beggarly trick.

That man in the gown, in my opinion,
Looks like a *proguing* knave. *Beaum. and Fl. Span. Curate.*
Progging fancy, then upon her guard, —
Remembers where she well or ill hath far'd. *More, Immo*
This Lake had linked himself in with *progging* for suits, and helping them to fill their purses. *Sir A. Weldon, Court of K. James*, p. 55.
Excommunication serves for nothing with them, but to *prog* and pander for fees. *Milton, Of Ref. in Eng.* B. 2.
To catch a vapour of fame, to *prog* for a frivolous semblance of power or dignity. *Barrow, Serm.* i. 341.

2. To rob; to steal.
3. To shift meanly for provisions. A low word.

She went out *progging* for provisions as before. *L'Estrange.*

PROG. *n. s.* [from the verb.] Victuals; provision of any kind. A low word.

O nephew! your grief is but folly,
In town you may find better *prog*. *Swift, Miscell.*
Spouse tuckt up doth in pattens trudge it
With handkerchief of *prog*, like trull with budget;
And eat by turns plumcake, and judge it. *Congreve.*

To PROGE'NERATE.* *v. a.* [*progenero*, Lat.] To beget; to propagate. *Cotgrave, and Sherwood.*

PROGENERA'TION. *n. s.* [*progenero*, Lat.] The act of begetting; propagation.

PROGE'NITOR. *n. s.* [*progenitor*, Lat.] A forefather; an ancestor in a direct line.

Although these things be already past away by her *progenitors* former grants unto those lords, yet I could find a way to remedy a great part thereof. *Spenser on Ireland.*
Like true subjects, sons of your *progenitors*,
Go chearfully together. *Shakspeare.*
All generations then had hither come,
From all the ends of the earth, to celebrate
And reverence thee, their great *progenitor*. *Milton, P. L.*
Power by right of fatherhood is not possible in any one otherwise than as Adam's heir, or as *progenitor* over his own descendants. *Locke.*
The principal actors in Milton's poem are not only our *progenitors*, but representatives. *Addison.*

PRO'GENY. *n. s.* [*progenie*, old Fr. *progenies*, Lat.] Offspring; race; generation.

The sons of God have God's own natural son as a second Adam from heaven, whose race and *progeny* they are by spiritual and heavenly birth. *Hooker.*

Not me begotten of a shepherd swain,
But issu'd from the *progeny* of kings. *Shakspeare.*

By promise he receives
Gift to his *progeny* of all that land. *Milton, P. L.*

The base degenerate iron offspring ends;
A golden *progeny* from heaven descends. *Dryden.*

Thus shall we live in perfect bliss, and see,
Deathless ourselves, our num'rous *progeny*. *Dryden.*

We are the more pleased to behold the throne surrounded by a numerous *progeny*, when we consider the virtues of those from whom they descend. *Addison, Freeholder.*

PROGNO'STICABLE. *adj.* [from *prognosticate.*] Such as may be foreknown or foretold.

The causes of this inundation cannot be regular, and therefore their effects not *prognosticable* like eclipses. *Brown, Vulg. Err.*

To PROGNO'STICATE. *v. a.* [from *prognostick.*] To foretell; to foreshow.

He had now outlived the day, which his tutor Sandford had *prognosticated* upon his nativity he would not outlive. *Clarendon.*

Unskill'd in schemes by planets to foreshow,
I neither will, nor can *prognosticate*,
To the young gaping heir, his father's fate. *Dryden.*

PROGNOSTICA'TION. *n. s.* [from *prognosticate.*]

1. The act of foreknowing or foreshowing.

Raw as he is, and in the hottest day *prognostication* proclaims, shall he be set against a brick-wall, the sun looking with a southward eye upon him, where he is to behold him, with flies blown to death. *Shakspeare, Wint. Tale.*

This theory of the earth begins to be a kind of prophecy or *prognostication* of things to come, as it hath been hitherto an history of things past. *Burnet, Theory.*

2. Foretoken.

He bid him farewell, arming himself in a black armour, as a badge or *prognostication* of his mind. *Sidney.*

If an oily palm be not a fruitful *prognostication*, I cannot scratch mine ear. *Shakspeare, Ant. and Cleop.*

PROGNO'STICATOR.† *n. s.* [from *prognosticate.*] Foreteller; foreknower.

The astrologers, the star-gazers, the monthly *prognosticators*. *Isaiah*, xlvii. 13.

That astrologer, made his almanack give a tolerable account of the weather by a direct inversion of the common *prognosticators*, to let his belief run counter to reports. *Gov. of the Tongue.*

PROGNO'STICK. *adj.* [*prognostique*, Fr. προγνωςικὸς.] Foretokening disease or recovery; foreshowing: as, a *prognostick* symptom.

PROGNO'STICK. *n. s.* [from the adj.]

1. The skill of foretelling diseases or the event of diseases. This is a Gallicism.

Hippocrates's *prognostick* is generally true, that it is very hard to resolve a small apoplexy. *Arbuthnot.*

2. A prediction.

Though your *prognosticks* run too fast,
They must be verified at last. *Swift.*

3. A token forerunning.

Whatsoever you are or shall be, has been but an easy *prognostick* from what you were. *South.*

Careful observers
By sure *prognosticks* may foretell a shower. *Swift.*

*PROGRAMMA.** *n. s.* [Latin; *programme*, Fr.]

1. A proclamation, or edict, set up in a publick place.

A *programma* stuck up in every college hall, under the vice-chancellor's hand, that no scholars abuse the soldiers. *Life of A. Wood*, p. 281.

2. What is written before something else; a preface.

His [Dr. Bathurst's] *programma* on preaching, instead of a dry formal remonstrance, is an agreeable and lively piece of writing. *Warton, Life of Bathurst*, p. 218.

PRO'GRESS. *n. s.* [*progrès*, Fr. from *progressus*, Lat.]

1. Course; procession; passage.

I cannot, by the *progress* of the stars,
Give guess how near to-day. *Shakspeare, Jul. Cæs.*

The morn begins
Her rosy *progress* smiling. *Milton, P. L.*

The Sylphs behold it kindling as it flies,
And pleas'd pursue its *progress* through the skies. *Pope.*

2. Advancement; motion forward.

Through all thy veins shall run
A cold and drowsy humour, which shall seize
Each vital spirit; for no pulse shall keep
His natural *progress*, but surcease to beat. *Shakspeare.*

This motion worketh in round at first, which way to deliver itself; and then worketh in *progress*, where it findeth the deliverance easiest. *Bacon, Nat. Hist.*

Out of Æthiopia beyond Egypt had been a strange *progress* for ten hundred thousand men. *Raleigh, Hist.*

Whosoever understands the *progress* and revolutions of nature, will see that neither the present form of the earth, nor its first form, were permanent and immutable. *Burnet.*

It is impossible the mind should ever be stopped in its *progress* in this space. *Locke.*

The bounds of all body we have no difficulty to arrive at; but when the mind is there, it finds nothing to hinder its *progress* into the endless expansion. *Locke.*

Perhaps I judge hastily, there being several, in whose writings I have made very little *progress*. *Swift, Miscell.*

3. Intellectual improvement; advancement in knowledge; proficience.

Solon the wise his *progress* never ceas'd,
But still his learning with his days increas'd. *Denham.*

It is strange, that men should not have made more *progress* in the knowledge of these things. *Burnet.*

Several defects in the understanding hinder it in its *progress* to knowledge. *Locke.*

Others despond at the first difficulty, and conclude, that making any *progress* in knowledge, farther than serves their ordinary business, is above their capacities. *Locke.*

You perhaps have made no *progress* in the most important Christian virtues; you have scarce gone half way in humility and charity. *Law.*

4. Removal from one place to another.

From Egypt arts their *progress* made to Greece,
Wrapt in the fable of the golden fleece. *Denham.*

5. A journey of state; a circuit.

He gave order that there should be nothing in his journey like unto a warlike march, but rather like unto the *progress* of a king in full peace. *Bacon.*

O may I live to hail the day,
When the glad nation shall survey
Their sovereign through his wide command,
Passing in *progress* o'er the land. *Addison.*

To PRO'GRESS. *v. n.* [*progredior*, Lat.] To move forward; to pass. Not used.

Let me wipe off this honourable dew,
That silverly doth *progress* on thy cheeks. *Shakspeare.*

To PRO'GRESS.* *v. a.* To go round.

In supereminence of beatifick vision, *progressing* the dateless and irrevoluble circle of eternity. *Milton, of Ref. in Eng.* B. 2.

PROGRE'SSION. *n. s.* [*progression*, Fr. *progressio*, Latin.]

1. Proportional process; regular and gradual advance.

The squares of the diameters of these rings, made by any prismatick colour, were in arithmetical *progression*. *Newton.*

2. Motion forward.

Those worthies, who endeavour the advancement of learning, are likely to find a clearer *progression*, when so many rubs are levelled. *Brown, Vulg. Err.*

In philosophical enquiries, the order of nature should govern, which in all *progression* is to go from the place one is then in, to that which lies next to it. *Locke.*

3. Course; passage.

He hath fram'd a letter, which accidentally, or by the way of *progression*, hath miscarried. *Shakspeare.*

4. Intellectual advance.

For the saving the long *progression* of the thoughts to first principles, the mind should provide several intermediate principles. *Locke.*

PROGRE'SSIONAL. *adj.* [from *progression.*] Such as is in a state of encrease or advance.

They maintain their accomplished ends, and relapse not again unto their *progressional* imperfections. *Brown.*

PROGRE'SSIVE. *adj.* [*progressif*, Fr. from *progress.*] Going forward; advancing.

Princes, if they use ambitious men, should handle it so, as they be still *progressive*, and not retrograde. *Bacon.*

In *progressive* motion, the arms and legs move successively; but in natation, both together. *Brown, Vulg. Err.*

Their course
Progressive, retrograde, or standing still. *Milton, P. L.*

The *progressive* motion of this animal is made not by walking, but by leaping. *Ray on the Creation.*

Ere the *progressive* course of restless age
Performs three thousand times its annual stage,
May not our power and learning be supprest,
And arts and empire learn to travel west? *Prior.*

PROGRE'SSIVELY. *adv.* [from *progressive.*] By gradual steps or regular course.

The reason why they fall in that order, from the greatest epacts *progressively* to the least, is because the greatest epacts denote a greater distance of the moon before the sun, and consequently a nearer approach to her conjunction. *Holder.*

PROGRE'SSIVENESS. *n. s.* [from *progressive.*] The state of advancing.

To PROHI'BIT. *v. a.* [*prohibeo*, Lat. *prohiber*, Fr.]

1. To forbid; to interdict by authority.

She would not let them know of his close lying in that *prohibited* place, because they would be offended. *Sidney.*

The weightiest, which it did command them, are to us in the gospel *prohibited*. *Hooker.*

Moral law is two-fold; simply moral, or moral only by some external constitution, or imposition of God. Divine law, simply moral, commandeth or *prohibiteth* actions, good or evil, in respect of their inward nature and quality. *White.*

2. To debar; to hinder.

Gates of burning adamant
Barr'd over us, *prohibit* all egress. *Milton, P. L.*

PROHI'BITER.† *n. s.* [from *prohibit.*] Forbidder; interdicter. *Sherwood.*

PROHIBI'TION.† *n. s.* [*prohibition*, Fr. *prohibitio*, Lat. from *prohibit.*]

1. Forbiddance; interdict; act of forbidding.

Might there not be some other mystery in this *prohibition*, than they think of? *Hooker.*

'Gainst self-slaughter
There is a *prohibition* so divine,
That cravens my weak hand. *Shakspeare, Cymb.*

He bestowed the liberal choice of all things, with one only *prohibition*, to try his obedience. *Raleigh, Hist. of the World.*

Let us not think hard
One easy *prohibition*, who enjoy
Free leave so large to all things else. *Milton, P. L.*

The law of God in the ten commandments consists mostly of *prohibitions*; thou shalt not do such a thing. *Tillotson.*

2. A writ issued by one court, to stop the proceeding of another.

A *prohibition* is a writ issuing, properly, only out of the court of king's bench, being the king's prerogative writ, but it may also be had in some cases out of the court of chancery, common pleas, or exchequer, directed to the judge, and parties of a suit in any inferior court, commanding them to cease from the prosecution thereof. *Blackstone.*

PROHI'BITIVE.* *adj.* [from *prohibit.*] Implying prohibition.

This precept is in form negative and *prohibitive*; but supposeth and implieth somewhat affirmative and positive. *Barrow on the Decalogue.*

PROHI'BITORY. *adj.* [from *prohibit.*] Implying prohibition; forbidding.

A prohibition will lie on this statute, notwithstanding the penalty annexed; because it has words *prohibitory*, as well as a penalty annexed. *Ayliffe, Parergon.*

To PROJE'CT.† *v. a.* [*projicio*, *projectus*, Lat.]

1. To throw.

Before his feete herself she did *project*. *Spenser, F. Q.* vi. i. 45.

2. To throw out; to cast forward.

The ascending villas
Project long shadows o'er the crystal tide. *Pope.*

3. To exhibit a form, as of the image thrown on a mirrour.

Diffusive of themselves where'er they pass,
They make that warmth in others they expect;
Their valour works like bodies on a glass,
And does its image on their men *project*. *Dryden.*

If we had a plan of the naked lines of longitude and latitude, *projected* on the meridian, a learner might more speedily advance himself in the knowledge of geography. *Watts.*

4. [*Projetter*, Fr.] To scheme; to form in the mind; to contrive.

It ceases to be counsel, to compel men to assent to whatever tumultuary patrons shall *project*. *King Charles.*

What sit we then *projecting* peace and war? *Milton, P. L.*

What desire, by which nature *projects* its own pleasure or preservation, can be gratified by another man's personal pursuit of his own vice. *South.*

To PROJE'CT. *v. n.* To jut out; to shoot forward; to shoot beyond something next it: as, the cornice *projects*.

PRO'JECT. *n. s.* [*projet*, Fr. from the verb.] Scheme; design; contrivance.

It is a discovering the longitude, and deserves a much higher name than that of a *project*. *Addison, Guardian.*

In the various *projects* of happiness, devised by human reason, there appeared inconsistencies not to be reconciled. *Rogers.*

PROJE'CTILE. *n. s.* [from the adj.] A body put in motion.

Projectiles would for ever move on in the same right line, did not the air, their own gravity, or the ruggedness of the plane stop their motion. *Cheyne, Philos. Prin.*

PROJE'CTILE. *adj.* [*projectile*, Fr.] Impelled forward.

Good blood, and a due *projectile* motion or circulation, are necessary to convert the aliment into laudable juices. *Arbuthnot.*

PROJE'CTION.† *n. s.* [from *project.*]

1. The act of throwing away.

He called that place Ramath-lehi, that is, the *projection* or casting away of the jaw-bone; as the Chaldee and Kimchi interpret it. *Patrick on Judges*, xv. 17.

2. The act of shooting forwards.

If the electrick be held unto the light, many particles will be discharged from it, which motion is performed by the breath of the effluvium issuing with agility; for as the electrick cooleth, the *projection* of the atoms ceaseth. *Brown.*

3. [*Projection*, Fr.] Plan; delineation. See *To* PROJECT.

For the bulk of the learners of astronomy, that *projection* of the stars is best, which includes in it all the stars in our horizon, reaching to the 38th degree of the southern latitude. *Watts, Impr. of the Mind.*

4. Scheme; plan of action: as, a *projection* of a new scheme.

5. [*Projection*, Fr.] In chymistry, an operation; crisis of an operation; moment of transmutation.

A little quantity of the medicine, in the *projection*, will turn a sea of the baser metal into gold by multiplying. *Bacon.*

PROJE'CTMENT.* *n. s.* [from *project.*] Design; contrivance. Not in use.

She never doubted but that men, that were never so dishonest in their *projectments* for each other's confusion, might agree in their allegiance to her. *Clarendon.*

PROJE'CTOR. *n. s.* [from *project.*]

1. One who forms schemes or designs.

The following comes from a *projector*, a correspondent as diverting as a traveller; his subject having the same grace of novelty to recommend it. *Addison.*

Among all the *projectors* in this attempt, none have met with so general a success, as they who apply themselves to soften the rigour of the precept. *Rogers.*

2. One who forms wild impracticable schemes.

Chymists, and other *projectors*, propose to themselves things utterly impracticable. *L'Estrange.*

Astrologers that future fates foreshew,
Projectors, quacks, and lawyers not a few. *Pope.*

PROJE'CTURE. *n. s.* [*projecture*, Fr. *projectura*, Lat.] A jutting out.

To PROIN.† *v. a.* [not a corruption of *prune*, as Dr. Johnson pretends; but one of our oldest words, and probably (as Mr. Tyrwhitt has observed) from the Fr. *provigner*, to take cuttings from vines, in order to plant them out. See *To* PRUNE.] To lop; to cut; to trim; to prune. Obsolete.

He *proineth* him, and piketh. *Chaucer, Merch. Tale.*

I sit and *proin* my wings
After flight, and put new stings
To my shafts. *B. Jonson.*

The country husbandman will not give the *proining* knife to a young plant, as not able to admit the scar. *B. Jonson.*

To PROIN.* *v. n.* To be employed in pruning. Obsolete.

A good husband is ever *proining* in his vineyard, or his field. *Bacon, Adv. on the Controv. of the Ch. of Eng.*

To PROLA'TE.† *v. a.* [*prolatum*, Latin.] To pronounce; to utter.

The pressures of war have somewhat cowed their spirits, as may be gathered from the accent of their words, which they *prolate* in a whining querulous tone, as if still complaining and crest-fallen. *Howell.*

For the sake of what was deemed solemnity, every note was *prolated* in one uniform mode of intonation. *Mason on Ch. Musick*, p. 261.

PROLA'TE. *adj.* [*prolatus*, Lat.] Extended beyond an exact round.

As to the *prolate* spheroidical figure, though it be the necessary result of the earth's rotation about its own axe, yet it is also very convenient for us. *Cheyne, Phil. Prin.*

PROLA'TION.† *n. s.* [*prolatus*, Lat.]

1. Pronunciation; utterance.

Who keepeth true his tunes, may not pass his sounds;
His alterations and *prolations* must be pricked truly. *Skelton, Poems*, p. 290.

S is a most easy and gentle letter, and softly hisseth against the teeth in the *prolation*. *B. Jonson, Eng. Grammar.*

Parrots, having been used to be fed at the *prolation* of certain words, may afterwards pronounce the same. *Ray.*

2. Delay; act of deferring. *Ainsworth.*

PROLEGO'MENA.† *n. s.* [προλεγόμενα; *prolegomenes*, Fr.] Previous discourse; introductory observations.

To these tedious *prolegomena* may I subjoin, that in consequence of researches successfully urged by poetical antiquaries, I should express no surprize if the very title of the piece before us were hereafter, on good authority, to be discarded? *Steevens, Prelim. Note on Pericles.*

PROLE'PSIS. *n. s.* [πρόληψις; *prolepse*, Fr.]

1. A form of rhetorick, in which objections are anticipated.

This was contained in my *prolepsis* or prevention of his answer. *Bramhall against Hobbes.*

2. An errour in chronology by which events are dated too early.

This is a *prolepsis* or anachronism. *Theobald.*

PROLE'PTICAL.† } PROLE'PTICK. } *adj.* [from *prolepsis*. *Proleptick* is a medical word, applied to certain fits of a disease.] Previous; antecedent.

Historical time is that which is deduced from the æra orbis conditi. *Proleptical*, is that which is fixed in the chaos. *Gregory, Posthum.* (1640,) p. 170.

The *proleptical* notions of religion cannot be so well defended by the professed servants of the altar. *Glanville.*

PROLE'PTICALLY.† *adv.* [from *proleptical.*] By way of anticipation.

It is the general property of all such buried writings to speak *proleptically*; and to anticipate those things that are to happen in future ages. *Bentley, Diss. on Phalaris*, § 16.

PROLETA'RIAN.† *adj.* [*proletarius*, Lat. See PROLETARY.] Mean; wretched; vile; vulgar.

Like speculators should foresee,
From pharos of authority,
Portended mischiefs farther than
Low *proletarian* tything-men. *Hudibras.*

PRO'LETARY.* *n. s.* [*proletarius*, Lat. "Qui in plebe Romanâ tenuissimi pauperrimique erant, nec amplius quam mille quingentum æris in censum deferebant, *proletarii* appellati sunt" Aul. Gell. lib. xvi. cap. 16.] A common person; one of the lowest order.

Of 15000 *proletaries* slain in a battle, scarce fifteen are recorded in history. *Burton, Anat. of Mel.* Pref.

PROLI'FICAL.† } PROLI'FICK. } *adj.* [*prolifique*, Fr. *proles* and *facio.*]

1. Fruitful; generative; pregnant; productive.

Main ocean flow'd; not idle, but with warm
Prolifick humour soft'ning all her globe,
Fermented the great mother to conceive,
Satiate with genial moisture. *Milton, P. L.*

Every dispute in religion grew *prolifical*, and in ventilating one question, many new ones were started. *Dec. of Chr. Piety.*

His vital pow'r air, earth, and seas supplies,
And breeds whate'er is bred beneath the skies;
For every kind, by thy *prolifick* might,
Springs. *Dryden.*

All dogs are of one species, they mingling together in generation, and the breed of such mixtures being *prolifick*. *Ray.*

From the middle of the world,
The sun's *prolifick* rays are hurl'd;
'Tis from that seat he darts those beams,
Which quicken earth with genial flames. *Prior.*

2. Promising fecundity.

Thus after the *prolifical* benediction, Be fruitful and multiply, Adam begat in his own likeness after his own image; and, by the continuation of the same blessing, the succession of human generations hath been continued. *Pearson on the Creed*, Art. 2.

PROLI'FICALLY. *adv.* [from *prolifick.*] Fruitfully; pregnantly.

PROLIFICA'TION. *n. s.* [*proles* and *facio*, Lat.] Generation of children.

Thou makest *prolification*,
And dost that children ben begette. *Gower, Conf. Am.* B. 4.

Their fruits, proceeding from simpler roots, are not so distinguishable as the offspring of sensible creatures, and *prolifications* descending from double origins. *Brown.*

PROLI'FICKNESS.* *n. s.* [from *prolifick.*] The state of being prolifick. *Scott.*

PROLI'X. *adj.* [*prolixe*, Fr. *prolixus*, Lat.]

1. Long: tedious; not concise.

According to the caution we have been so *prolix* in giving, if we aim at right understanding the true nature of it, we must examine what apprehension mankind make of it. *Digby.*

Should I at large repeat
The bead-roll of her vicious tricks,
My poem would be too *prolix*. *Prior.*

2. Of long duration. This is a very rare sense.

If the appellant appoints a term too *prolix*, the judge may then assign a competent term. *Ayliffe, Parergon.*

PROLI'XIOUS.† *adj.* [from *prolix.*] Dilatory; tedious. A word of Shakspeare's coining. Dr. Johnson. — Not so: It is shewn to have been in use, before Shakspeare employed it, by Mr. Steevens in a note on the passage.

Lay by all nicety and *prolixious* blushes. *Shakspeare, Meas. for Meas.*

PROLI'XITY. *n. s.* [*prolixité*, Fr. from *prolix.*] Tediousness; tiresome length; want of brevity.

It is true, without any slips of *prolixity*, or crossing the plain highway of talk, that the good Anthonio hath lost a ship. *Shakspeare, Merch. of Ven.*

In some other passages, I may have, to shun *prolixity*, unawares slipt into the contrary extreme.. *Boyle.*

Elaborate and studied *prolixity* in proving such points as no body calls in question. *Waterland.*

PROLI'XLY. *adv.* [from *prolix.*] At great length; tediously.

On these *prolixly* thankful she enlarged. *Dryden.*

The *prolixness*, constraint, and monotony of modern languages. *A. Smith on the Form. of Languages.*

PROLOCU'TOR.† *n. s.* [Latin.] The foreman; the speaker of a convocation.

In the late provinciall synod held at Poyssy in France, Beza, the *prolocutor* of the ministres, was pressed of the learned bishops to shew with what authoritie he preached, who sent him, who called him to that vocation. *Stapleton, Fort. of the Faith,* (1565,) fol. 92. b.

The convocation the queen prorogued, though at the expence of Dr. Atterbury's displeasure, who was design'd their *prolocutor.* *Swift.*

PROLOCU'TORSHIP. *n. s.* [from *prolocutor.*] The office or dignity of prolocutor.

To PRO'LOGIZE.* *v. n.* [from *prologue.*] To deliver a prologue.

Prologues are bad huishers before the wise:
Why may not then an huisher *prologize?*
Beaum. and Fl. Four Pl. in One.

PRO'LOGUE. *n. s.* [πρόλογος; *prologue*, Fr. *prologus*, Latin.]

1. Preface; introduction to any discourse or performance.

Come, sit, and a song.
— Shall we clap into 't roundly, without hawking, or spitting, or saying we are hoarse, which are the only *prologues* to a bad voice? *Shakspeare, As you like it.*

In her face excuse
Came *prologue*, and apology to prompt. *Milton, P. L.*

2. Something spoken before the entrance of the actors of a play.

If my death might make this island happy,
And prove the period of their tyranny,
I would expend it with all willingness;
But mine is made the *prologue* to their play. *Shakspeare.*

The peaking cornuto comes in the instant, after we had spoke the *prologue* of our comedy. *Shakspeare.*

To PRO'LOGUE. *v. a.* [from the noun.] To introduce with a formal preface.

He his special nothing ever *prologues.* *Shakspeare.*

To PROLO'NG. *v. a.* [*prolonger*, Fr. *pro* and *longus*, Latin.]

Life much. *Milton, P. L.*

Th' unhappy queen with talk *prolong'd* the night. *Dryden.*

2. To put off to a distant time.

To-morrow in my judgement is too sudden;
For I myself am not so well provided,
As else I would be were the day *prolong'd.* *Shakspeare.*

PROLONGA'TION. *n. s.* [*prolongation*, Fr. from *prolong.*]

1. The act of lengthening.

Nourishment in living creatures is for the *prolongation* of life. *Bacon, Nat. Hist.*

2. Delay to a longer time.

This ambassage concerned only the *prolongation* of days for payment of monies. *Bacon, Hen. VII.*

PROLO'NGER.* *n. s.* [from *To prolong.*] What lengthens out, or continues.

The story says, the same candle was burning six months after: — an example of the most miraculous *prolonger* that ever I met withal! *More, Antid. against Idolatry,* ch. 8.

O Temperance, thou *prolonger* of life, thou insurer of pleasure, thou promoter of business! *Hay, Ess. on Deformity,* p. 25.

PROLU'SION.† *n. s.* [*prolusio*, Lat. Dr. Johnson defines this word "entertainments, performance of diversion." This is not the meaning. A prolusion is a prelude; an introduction; an essay.

It is memorable, which Famianus Strada, in the first book of his academical *prolusions*, relates of Suarez. *Hakewill.*

Our Saviour having mentioned the beginnings of sorrows, — and *prolusions* of this so bloody day. *Hammond, Works,* iv. 490.

The sequel of this *prolusion* shall be the work of another day. *Guardian,* No. 119.

These two pieces in blank verse — were finished in their present state, as *prolusions*, or illustrative practical specimens, for our author's course of lectures in rhetoric. *Warton, Hist. E. P.* iii. 65.

*PROMENA'DE.** *n. s.* [French.] Walk. This is a common phrase of recent times; and Burke has printed it in Italick characters, using it in a passage of keen irony, as though it were a finical adoption of no date; whereas it is an affectation of long standing.

This little intermixture of a garden-plat or pattern, set both with the flowers of nature and the fruits of grace, may be no unpleasant walk or *promenade* for the unconfined portion of some solitary prisoner. *W. Mountague, Dev. Ess.* P. i. (1648,) p. 364.

They told him to think no more of the matter, and to try his fortune in another *promenade!* *Burke on a Regicide Peace,* Lett. 3.

To PROME'RIT.* *v. a.* [*promereo*, Lat.]

1. To oblige; to confer a favour on.

He loves not God; no, not whiles he *promerits* him with his favours: It is the title that St. Paul gives to wicked men, that they are θεοστυγεῖς, god-haters. *Bp. Hall, Rem.* p. 87.

2. To deserve; to procure by merit.

Fom him then, and from him alone, must we expect salvation, acknowledging and confessing freely there is nothing in ourselves, which can effect it or deserve it for us, nothing in any other creature which can *promerit* or procure it to us. *Pearson on the Creed,* Art. 2.

PRO'MINENCE.† } PRO'MINENCY. } *n. s.* [*prominence*, old French; *prominentia*, Latin.] Protuberance; extant part.

It shows the nose and eyebrows, with the *prominencies* and fallings in of the features. *Addison on Medals.*

PRO'MINENT. *adj.* [*prominens*, Lat.] Standing out beyond the other parts; protuberant; extant.

Whales are described with two *prominent* spouts on their heads, whereas they have but one in the forehead terminating over the windpipe. *Brown, Vulg. Err.*

She has her eyes so *prominent*, and placed so that she can see better behind her than before her. *More.*

Two goodly bowls of massy silver,
With figures *prominent* and richly wrought. *Dryden.*

Some have their eyes stand so *prominent* as the hare, that they can see as well behind as before them. *Ray.*

PRO'MINENTLY.* *adv.* [from *prominent.*] So as to stand out beyond the other parts.

PROMI'SCUOUS. *adj.* [*promiscuus*, Lat.] Mingled; confused; undistinguished.

Glory he requires, and glory he receives,
Promiscuous from all nations. *Milton, P. L.*

Promiscuous love by marriage was restrain'd. *Roscommon.*

In rush'd at once a rude *promiscuous* crowd;
The guards, and then each other overbear,
And in a moment throng the theatre. *Dryden.*

No man, that considers the *promiscuous* dispensations of God's providence in this world, can think it unreasonable to conclude, that after this life good men shall be rewarded, and sinners punished. *Tillotson.*

The earth was formed out of that *promiscuous* mass of sand, earth, shells, subsiding from the water. *Woodward.*

Clubs, diamonds, hearts, in wild disorder seen,
With throngs *promiscuous* strow the level green. *Pope.*

A wild where weeds and flowers *promiscuous* shoot. *Pope.*

PROMI'SCUOUSLY. *adv.* [from *promiscuous.*] With confused mixture; indiscriminately.

We beheld where once stood Ilium, called Troy *promiscuously* of Tros. *Sandys, Trav.*

That generation, as the sacred writer modestly expresses it, married and gave in marriage without discretion or decency, but *promiscuously*, and with no better a guide than the impulses of a brutal appetite. *Woodward.*

Here might you see
Barons and peasants on the embattled field,
In one huge heap, *promiscuously* amast. *Philips.*

Unaw'd by precepts human or divine,
Like birds and beasts *promiscuously* they join. *Pope.*

PROMI'SCUOUSNESS.* *n. s.* [from *promiscuous.*] The state of being promiscuous. *Ash.*

PRO'MISE. *n. s.* [*promissum*, Lat. *promise*, *promesse*, Fr.]

1. Declaration of some benefit to be conferred.

I eat the air, *promise* cramm'd; you cannot feed capons so. *Shakspeare.*

His *promises* were, as he then was, mighty;
But his performance, as he now is, nothing. *Shakspeare.*

O Lord, let thy *promise* unto David be established. *1 Chron.*

Duty still preceded *promise*, and strict endeavour only founded comfort. *Fell.*

Behold, she said, perform'd in ev'ry part
My *promise* made; and Vulcan's labour'd art. *Dryden.*

Let any man consider, how many sorrows he would have escaped, had God called him to his rest, and then say, whether the *promise* to deliver the just from the evils to come, ought not to be made our daily prayer. *Wake.*

More than wise men, when the war began, could *promise* to themselves in their most sanguine hopes. *Davenant.*

2. Performance of promise; grant of the thing promised.

Now are they ready, looking for a *promise* from thee. *Acts*, xxiii. 21.

3. Hopes; expectation.

Your young prince Mamillius is a gentleman of the greatest *promise*. *Shakspeare, Wint. Tale.*

To PRO'MISE.† *v. a.* [*promettre*, Fr. *promitto*, Lat.]

1. To make declaration of some benefit to be conferred.

While they *promise* them liberty, they themselves are the servants of corruption. *2 Pet.* ii. 18.

I could not expect such an effect as I found, which seldom reaches to the degree that is *promised* by the prescribers of any remedies. *Temple, Miscell.*

2. To make declaration, even of ill.

He *promyseth* dampnacyon to them that refuseth penaunce; to them that dooth it, forgyvnes; to them that goo forthwarde and profyte in it, joye. *Bp. Fisher, Ps.* p. 23.

To PRO'MISE.† *v. n.*

1. To assure one by a promise.

Promising is the very air o' the time: it opens the eyes of expectation: performance is ever the duller for his act. *Shakspeare.*

I dare *promise* for this play, that in the roughness of the numbers, which was so designed, you will see somewhat more masterly than any of my former tragedies. *Dryden.*

As he *promised* in the law, he will shortly have mercy, and gather us together. *2 Mac.* ii. 18.

All the pleasure we can take, when we met these *promising* sparks, is in the disappointment. *Felton.*

She brib'd my stay with more than human charms;
Nay *promis'd*, vainly *promis'd* to bestow
Immortal life. *Pope, Odyss.*

2. It is used of assurance, even of ill.

Will not the ladies be afraid of the lion?
—I fear it, I *promise* you. *Shakspeare.*

3. To exhibit a prospect of good; to excite hope: as, *promising* weather; the business is in a *promising* way.

PRO'MISEBREACH.* *n. s.* [*breach* and *promise.*] Violation of promise. Not in use.

Criminal in double violation
Of sacred chastity, and of *promisebreach*. *Shakspeare, Meas. for Meas.*

PRO'MISEBREAKER. *n. s.* [*promise* and *break.*] Violator of promises.

He's an hourly *promisebreaker*, the owner of no one good quality worthy your entertainment. *Shakspeare.*

PRO'MISER. *n. s.* [from *promise.*] One who promises.

Who let this *promiser* in? did you, good Diligence?
Give him his bribe again. *B. Jonson.*

Fear's a large *promiser*; who subject live
To that base passion, know not what they give. *Dryden.*

PRO'MISSORY.† *adj.* [*promissoris*, Lat.]

1. Containing profession of some benefit to be conferred.

As the preceptive part enjoins the most exact virtue, so is it most advantageously enforced by the *promissory*, which is most exquisitely adapted to the same end. *Dec. of Chr. Piety.*

The *promissory* lies of great men are known by shouldering, hugging, squeezing, smiling, and bowing. *Arbuthnot.*

2. Containing acknowledgement of a promise to be performed, or engagement fulfilled; as, a *promissory* note.

PRO'MISSORILY. *adv.* [from *promissory.*] By way of promise.

Nor was he obliged by oath to a strict observation of that which *promissorily* was unlawful. *Brown.*

PRO'MONT.† } *n. s.* [*promontoire*, Fr. *promontorium*,
PRO'MONTORY. } Latin. *Promont* I have observed only in Suckling. Dr. Johnson. — *Promont* is used by an older and better writer than Suckling.] A headland; a cape; high land jutting into the sea.

The land did shoot out with a great *promontory*. *Abbot.*

Like one that stands upon a *promontory*,
And spies a far off shore where he would tread. *Shakspeare.*

A forked mountain, or blue *promontory*,
With trees upon't, nod unto the world,
And mock our eyes with air. *Shakspeare, Ant. and Cleop.*

Like *promonts* at sea, they look high at a distance, as if all the country were an elevated mountain. *Feltham, Res.*

The waving sea can with each flood
Bath some high *promont*. *Suckling.*

They, on their heads,
Main *promontories* flung, which in the air
Came shadowing, and oppress'd whole legions arm'd. *Milton, P. L.*

Every gust of rugged winds,
That blows from off each beaked *promontory*. *Milton, Lycidas.*

If you drink tea upon a *promontory* that overhangs the sea, it is preferable to an assembly. *Pope.*

To PROMO'TE. *v. a.* [*promoveo*, *promotus*, Lat.]

1. To forward; to advance.

Next to religion, let your care be to *promote* justice. *Bacon.*

Nothing lovelier can be found,
Than good works in her husband to *promote*. *Milton, P. L.*

He that talks deceitfully for truth, must hurt it more by his example, than he *promotes* it by his arguments. *Atterbury.*

Frictions of the extreme parts *promote* the flux of the juices in the joints. *Arbuthnot.*

2. [*Promouvoir*, Fr.] To elevate; to exalt; to prefer.

I will *promote* thee unto very great honour. *Num.* xxii. 17.

Shall I leave my fatness wherewith they honour God and man, and go to be *promoted* over the trees. *Judges*, ix. 9.

Did I solicit thee
From darkness to *promote* me? *Milton, P. L.*

Promo'ter. *n. s.* [*promoteur*, Fr. from *promote*.]

1. Advancer; forwarder; encourager.

Knowledge hath received little improvement from the endeavours of many pretending *promoters*. *Glanville.*

Our Saviour makes this return, fit to be engraven in the hearts of all *promoters* of charity: Verily, I say unto you, inasmuch as you have done it unto one of the least of these my brethren, ye have done it unto me. *Atterbury.*

2. Informer; makebate. An obsolete use.

His eies be *promoters*, some trespas to spie. *Tusser.*

Informers and *promoters* oppress and ruin the estates of many of his best subjects. *Drummond.*

Promo'tion. *n. s.* [*promotion*, Fr. from *promote*.] Advancement; encouragement; exaltation to some new honour or rank; preferment.

Many fair *promotions*
Are daily given to enoble those,
That scarce, some two days since, were worth a noble. *Shakspeare.*

The high *promotion* of his grace of Canterbury,
Who holds his state at door 'mongst pursuivants. *Shakspeare.*

My rising is thy fall,
And my *promotion* will be thy destruction. *Milton, P. R.*

Thou youngest virgin-daughter of the skies,
Made in the last *promotion* of the blest;
Whose palms new pluck'd from paradise,
In spreading branches more sublimely rise. *Dryden.*

To Promo've. *v. a.* [*promoveo*, Lat. *promouvoir*, Fr.] To forward; to advance; to promote. A word little used.

Never yet was honest man,
That ever drove the trade of love:
It is impossible, nor can
Integrity our ends *promove*. *Suckling.*

Making useless offers, but *promoving* nothing. *Fell.*

PROMPT. *adj.* [*prompt*, Fr. *promptus*, Lat.]

1. Quick; ready; acute; easy.

Very discerning and *prompt* in giving orders, as occasions required. *Clarendon.*

Flow'd from their lips, in prose or numerous verse. *Milton, P. L.*

To the stern sanction of th' offended sky,
My *prompt* obedience bows. *Pope.*

2. Quick; petulant.

I was too hasty to condemn unheard;
And you, perhaps, too *prompt* in your replies. *Dryden.*

3. Ready without hesitation; wanting no new motive.

Tell him, I'm *prompt*
To lay my crown at's feet, and there to kneel. *Shakspeare.*

The brazen age,
A warlike offspring, *prompt* to bloody rage. *Dryden.*

Still arose some rebel slave,
Prompter to sink the state, than he to save. *Prior.*

4. Ready; told down: as, *prompt* payment.

5. Easy; unobstructed.

The reception of light into the body of the building was very *prompt*, both from without and from within. *Wotton.*

To Prompt. *v. a.* [*prontare*, Italian]

1. To assist by private instruction; to help at a loss.

Sitting in some place where no man shall *prompt* him, let the child translate his lesson. *Ascham.*

You've put me now to such a part, which never
I shall discharge to th' life.
—Come, come, we'll *prompt* you. *Shakspeare, Coriol.*

My voice shall sound as you do *prompt* mine ear,
And I will stoop and humble my intents
To your well-practis'd wise directions. *Shakspeare.*

None could hold the book so well to *prompt* and instruct this stage play, as she could. *Bacon, Hen. VII.*

He needed not one to *prompt* him, because he could say the prayers by heart. *Stillingfleet.*

2. To dictate.

Every one some time or other dreams he is reading books, in which case the invention *prompts* so readily, that the mind is imposed on. *Addison.*

Grace shines around her with serenest beams,
And whispering angels *prompt* her golden dreams. *Pope.*

3. To incite; to instigate.

The Volscians stand
Ready, when time shall *prompt* them, to make road
Upon's again. *Shakspeare, Coriol.*

Speak not by the matter
Which your heart *prompts* you to, but with such words
But rooted in your tongue. *Shakspeare.*

If they *prompt* us to anger, their design makes use of it to a further end, that the mind, being thus disquieted, may not be easily composed to prayer. *Duppa.*

Rage *prompted* them at length and found them arms. *Milton.*

Kind occasion *prompts* their warm desires. *Pope.*

4. To remind.

The inconcealable imperfections of ourselves will hourly *prompt* us our corruption, and loudly tell us we are sons of earth. *Brown, Vulg. Err.*

Pro'mpter. *n. s.* [from *prompt*.]

1. One who helps a publick speaker, by suggesting the word to him when he falters.

Were it my cue to fight, I should have known it
Without a *prompter*. *Shakspeare, Othello.*

In florid impotence he speaks,
And as the *prompter* breathes, the puppet squeaks. *Pope.*

2. An admonisher; a reminder.

We understand our duty without a teacher, and acquit ourselves as we ought to do without a *prompter*. *L'Estrange.*

Pro'mptitude.† *n. s.* [*promptitude*, Fr. from *promptus*, Lat.] Readiness; quickness. Barrow has somewhere employed this word.

With the ostentatious display of courage are closely connected *promptitude* of offence and quickness of resentment. *Johnson, Journ. West. Islands.*

Pro'mptly. *adv.* [from *prompt*.] Readily; quickly; expeditiously.

He that does his merchandize cheerfully, *promptly*, and readily, and the works of religion slowly, it is a sign that his heart is not right with God. *Bp. Taylor.*

Pro'mptness. *n. s.* [from *prompt*.] Readiness; quickness; alacrity.

Had not this stop been given him by that accidental sickness, his great courage and *promptness* of mind would have carried him directly forward to the enemy, till he had met him in the open plains of Persia. *South.*

Firm and rigid muscles, strong pulse, activity and *promptness* in animal actions, are signs of strong fibres. *Arbuthnot.*

Pro'mpture. *n. s.* [from *prompt*.] Suggestion; motion given by another; instigation. A word not used.

Though he hath fallen by *prompture* of the blood;
Yet hath he in him such a mind of honour,
That had he twenty heads to tender down
On twenty bloody blocks, he'd yield them up. *Shakspeare, Meas. for Meas.*

PRO'MPTUARY.† *n. s.* [*promptuaire*, Fr. *promptuarium*, Lat.] A storehouse; a repository; a magazine.

Whence should I rather draw my blessing, than from that psalm, (of all others,) the *promptuary* and storehouse of all blessing? *Bp. King, Vitis Palat.* (1614,) p. 1.

History, that great treasury of time, and *promptuary* of heroick actions. *Howell, For. Trav.* p. 35.

This stratum is still expanded at top, serving as the seminary or *promptuary*, that furnisheth forth matter for the formation of animal and vegetable bodies. *Woodward.*

To PROMU'LGATE. *v. a.* [*promulgo*, Lat.] To publish; to make known by open declaration.

Those albeit I know he nothing so much hateth as to *promulgate*, yet I hope that this will occasion him to put forth divers other goodly works. *Spenser.*

Those to whom he entrusted the *promulgating* of the Gospel, had far different instructions. *Dec. of Chr. Piety.*

It is certain laws, by virtue of any sanction they receive from the *promulgated* will of the legislature, reach not a stranger, if by the law of nature every man hath not a power to punish offences against it. *Locke.*

PROMULGA'TION. *n. s.* [*promulgatio*, Lat. from *promulgate.*] Publication; open exhibition.

The stream and current of this rule hath gone as far, it hath continued as long as the very *promulgation* of the Gospel. *Hooker.*

External *promulgation*, or speaking thereof, did not alter the same, in respect of the inward form or quality. *White.*

The very *promulgation* of the punishment will be part of the punishment, and anticipate the execution. *South.*

PROMU'LGATOR.† *n. s.* [from *promulgate.*] Publisher; open teacher.

How groundless a calumny this is, appears from the sanctity of the Christian religion, which excludes fraud and falsehood; so also from the designments and aims of its first *promulgators*. *Dec. of Chr. Piety.*

An old legacy to the *promulgators* of the law of liberty. *Warburton, Serm.* 20.

To PROMU'LGE.† *v. a.* [from *promulgo*, Latin.] To promulgate; to publish; to teach openly.

The first law was *promulged* by Moses. *Hayward, Answ. to Doleman*, (1603,) ch. 2.

Besides the *promulging* and procuring, there is yet a further act, which is, conferring of salvation upon us. *Pearson on the Creed*, Art. 2.

The chief design of them is, to establish the truth of a new revelation in those countries, where it is first *promulged* and propagated. *Atterbury.*

PROMU'LGER. *n. s.* [from *promulge.*] Publisher; promulgator.

The *promulgers* of our religion, Jesus Christ and his apostles, raised men and women from the dead, not once only, but often. *Atterbury.*

PRONA'TION.* *n. s.* [from *prone.*] In anatomy, the position of the hand, in which the palm is turned downward.

The muscles — can perform flexion, extension; *pronation*, supination, the tonick motion. *Smith on Old Age*, p. 62.

PRONA'TOR. *n. s.* In anatomy, a muscle of the radius, of which there are two, that help to turn the palm downwards. *Dict.*

PRONE.† *adj.* [*prone*, old French; *pronus*, Lat.]

1. Bending downward; not erect.

There wanted yet a creature not *prone*,
And brute as other creatures, but indu'd
With sanctity of reason, might erect
His stature, and upright with front serene
Govern the rest. *Milton, P. L.*

2. Lying with the face downwards: contrary to *supine*.

Upon these three positions in man, wherein the spine can only be at right lines with the thigh, arise those postures, *prone*, supine, and erect. *Brown, Vulg. Err.*

3. Precipitous; headlong; going downwards.

Down thither *prone* in flight
He speeds, and through the vast ethereal sky
Sails between worlds. *Milton, P. L.*

4. Declivous; sloping.

Since the floods demand,
For their descent, a *prone* and sinking land;
Does not this due declivity declare
A wise director's providential care? *Blackmore.*

5. Inclined; propense; disposed. It has commonly an ill sense.

The labour of doing good, with the pleasure arising from the contrary, doth make men for the most part slower to the one and *proner* to the other, than that duty, prescribed them by law, can prevail sufficiently with them. *Hooker.*

Those who are ready to confess him in judgement and profession, are very *prone* to deny him in their doings. *South.*

If we are *prone* to sedition, and delight in change, there is no cure more proper than trade, which supplies business to the active, and wealth to the indigent. *Addison.*

Still *prone* to change, though still the slaves of state. *Pope.*

PRO'NENESS. *n. s.* [from *prone.*]

1. The state of bending downwards; not erectness.

If erectness be taken, as it is largely opposed unto *proneness*, or the posture of animals looking downwards, carrying their venters, or opposite part to the spine, directly towards the earth, it may admit of question. *Brown, Vulg. Err.*

2. The state of lying with the face downwards; not supineness.

3. Descent; declivity.

4. Inclination; propension; disposition to ill.

The holy spirit saw that mankind is unto virtue hardly drawn, and that righteousness is the less accounted of, by reason of the *proneness* of our affections to that which delighteth. *Hooker.*

The soul being first from nothing brought,
When God's grace fails her, doth to nothing fall;
And this declining *proneness* unto nought,
Is ev'n that sin that we are born withal. *Davies.*

He instituted this worship, because of the carnality of their hearts, and the *proneness* of the people to idolatry. *Tillotson.*

The *proneness* of good men to commiserate want, in whatsoever shape it appears. *Atterbury.*

How great is the *proneness* of our nature, to comply with this temptation! *Rogers.*

PRONG.† *n. s.* [*pranghen*, Dutch, to squeeze. Minsheu. Dr. Johnson. — Rather from the Icel. *prion*, a needle; pρeon, Sax. a buckle; whence perhaps the Fr. *prin*, sharp, piercing.] A fork.

The cooks make no more ado, but slicing it into little gobbets, prick it on a *prong* of iron, and hang it in a furnace. *Sandys, Trav.*

Whacum his sea-coal *prong* threw by,
And basely turn'd his back to fly. *Hudibras.*

Be mindful,
With iron teeth of rakes and *prongs* to move
The crusted earth. *Dryden, Virg.*

PRO'NITY.† *n. s.* [from *prone.*] Proneness.

Of this mechanick *pronity*, I do not see any good tendency. *More, Div. Dialogues.*

What restraints shall we lay upon the vicious *pronities* and inclinations of human nature? *Killingbeck, Serm.* p. 227.

PRONO'MINAL.* *adj.* [*pronominalis*, Lat.] Having the nature of a pronoun.

The *pronominal* words recurred often. *Dalgarno, Deaf and Dumb Man's Tutor*, (1680,) p. 134.

Some few *pronominal* adjectives must here be excepted, as having the possessive case. *Lowth, Eng. Gram.*

PRO'NOUN. *n. s.* [*pronom*, Fr. *pronomen*, Lat.] A word that is used instead of the proper name.

I, thou, he; we, ye, they, are names given to persons, and used instead of their proper names, from whence they had the name of *pronouns*, as though they were not nouns themselves, but used instead of nouns. *Clarke, Lat. Gram.*

To PRONOU'NCE. *v. a.* [*prononcer*, Fr. *pronuncio*, Latin.]

1. To speak; to utter.

He *pronounced* all these words unto me with his mouth. *Jer.* xxxvi. 18.

2. To utter solemnly; to utter confidently.

She
So good a lady, that no tongue could ever
Pronounce dishonour of her. *Shakspeare, Hen. VIII.*

I have *pronounced* the word, saith the Lord. *Jer.* xxxiv. 5.

So was his will
Pronounc'd among the gods. *Milton, P. L.*

Sternly he *pronounc'd*
The rigid interdiction. *Milton, P. L.*

Absalom *pronounced* a sentence of death against his brother. *Locke.*

3. To form or articulate by the organs of speech.

Language of man *pronounc'd*
By tongue of brute, and human sense express'd. *Milton, P. L.*

Though diversity of tongues continue, this would render the *pronouncing* them easier. *Holder.*

4. To utter rhetorically.

To PRONOU'NCE. *v. n.* To speak with confidence or authority.

How confidently soever men *pronounce* of themselves, and believe that they are then most pious, when they are most eager and unquiet; yet 'tis sure this is far removed from the true genius of religion. *Dec. of Chr. Piety.*

Every fool may believe, and *pronounce* confidently; but wise men will, in matters of discourse, conclude firmly, and in matters of fact, act surely. *South, Serm.*

PRONOU'NCE.* *n. s.* [from the verb.] Declaration. Not in use.

That all controversy may end in the final *pronounce* or canon of one archprimate or protestant pope. *Milton, Reas. of Ch. Gov.* B. I.

PRONOU'NCEABLE.* *adj.* [*prononçable*, Fr. from *pronounce.*] That may be pronounced. *Cotgrave, and Sherwood.*

PRONOU'NCER. *n. s.* [from *pronounce.*] One who pronounces.

The *pronouncer* thereof shall be condemned in expences. *Ayliffe, Parergon.*

PRONUNCIA'TION. *n. s.* [*pronunciatio*, from *pronuncio*, Lat. *pronunciation*, Fr.]

1. The act or mode of utterance.

The design of speaking being to communicate our thoughts by ready, easy, and graceful *pronunciation*, all kind of letters have been searched out, that were serviceable for the purpose. *Holder.*

It were easy to produce thousands of his verses, which are lame for want of half a foot, sometimes a whole one, and which no *pronunciation* can make otherwise. *Dryden.*

2. That part of rhetorick which teaches to speak in publick with pleasing utterance and graceful gesture.

PRONU'NCIATIVE.* *adj.* [from *pronunciate.*] Uttering confidently; dogmatical.

The confident and *pronunciative* school of Aristotle. *Bacon, Prometheus.*

PROOF.† *n. s.* [ꝓꝛoꝼ, Sax. of ꝓꝛoꝼian, to prove; *profa*, Icel. to try; *prufen*, German.]

1. Evidence; testimony; convincing token; convincing argument; means of conviction.

That they all have always so testified, I see not how we should possibly wish a *proof* more palpable than this. *Hooker.*

This has neither evidence of truth, nor *proof* sufficient to give it warrant. *Hooker.*

Though the manner of their trials should be altered, yet the *proof* of every thing must needs be by the testimony of such persons as the parties shall produce. *Spenser.*

That which I shall report will bear no credit,
Were not the *proof* so high. *Shakspeare.*

One soul in both, whereof good *proof*
This day affords. *Milton, P. L.*

Things of several kinds may admit and require several sorts of *proofs*, all which may be good in their kind. And therefore nothing can be more irrational than for a man to doubt of, or deny the truth of any thing, because it cannot be made out, by such kind of *proofs* of which the nature of such a thing is not capable. They ought not to expect either sensible *proof* or demonstration for such matters as are not capable of such *proofs*, supposing them to be true. *Wilkins.*

This, vers'd in death, the infernal knight relates,
And then for *proof* fulfill'd their common fates. *Dryden.*

Those intervening ideas, which serve to shew the agreement of any two others, are called *proofs*. *Locke.*

2. Test; trial; experiment.

Retire, or taste thy folly, and learn by *proof*,
Hell-born! not to contend with spirits of heav'n. *Milton, P. L.*

Sampson,
This day to Dagon is a solemn feast,
Thy strength they know surpassing human race,
And now some publick *proof* thereof require
To honour this great feast. *Milton, S. A.*

When the imagination hath contrived the frame of such an instrument, and conceives that the event must infallibly answer its hopes, yet then does it strangely deceive in the *proof*. *Wilkins, Math. Magick.*

Gave, while he taught, and edify'd the more,
Because he shew'd, by *proof*, 'twas easy to be poor. *Dryden.*

My paper gives a timorous writer an opportunity of putting his abilities to the *proof*. *Addison.*

Here for ever must I stay,
Sad *proof* how well a lover can obey. *Pope.*

3. Firm temper; impenetrability; the state of being wrought and hardened, till the expected strength is found by trial to be attained.

Add *proof* unto mine armour with thy prayers,
And with thy blessings steel my lance's point. *Shakspeare.*

To me the cries of fighting fields are charms,
Keen be my sabre, and of *proof* my arms;
I ask no other blessing of my stars. *Dryden.*

See arms of *proof*, both for myself and thee,
Chuse thou the best. *Dryden.*

4. Armour hardened till it will abide a certain trial.

He Bellona's bridegroom, lapt in *proof*,
Confronted him. *Shakspeare, Macbeth.*

5. In printing, the rough draught of a sheet when first pulled.

PROOF. *adj.* [This word, though used as an adjective, is only elliptically put for *of proof.*]

1. Impenetrable; able to resist.

Now put your shields before your hearts, and fight
With hearts more *proof* than shields. *Shakspeare.*

Opportunity I here have had
To try thee, sift thee, and confess have found thee
Proof against all temptation, as a rock
Of adamant. *Milton, P. R.*

He past expression lov'd,
Proof to disdain, and not to be remov'd. *Dryden.*

When the mind is thoroughly tinctured, the man will be *proof* against all oppositions. *Collier.*

Guiltless of hate, and *proof* against desire;
That all things weighs, and nothing can admire. *Dryden.*

When a capuchin thought *proof* against bribes, had undertaken to carry on the work, he died a little after. *Addison.*

2. It has either *to* or *against* before the power to be resisted.

Imagin'd wise,
Constant, mature, *proof against* all assaults. *Milton, P. L.*

Deep in the snowy Alps, a lump of ice
By frost was harden'd to a mighty price;
Proof to the sun it now securely lies,
And the warm dog-star's hottest rage defies. *Addison.*

The God of day,
To make him *proof against* the burning ray,
His temples with celestial ointment wet. *Addison.*

PROO'FLESS. *adj.* [from *proof.*] Unproved; wanting evidence.

Some were so manifestly weak and *proofless*, that he must be a very courteous adversary, that can grant them. *Boyle.*

To PROP. *v. a.* [*proppen*, Dutch.]

1. To support by placing something under or against.

What we by day
Lop overgrown, or *prop*, or bind,
One night derides. *Milton, P. L.*

2. To support by standing under or against.

Like these earth unsupported keeps its place,
Though no fixt bottom *props* the weighty mass. *Creech.*
Eternal snows the growing mass supply,
Till the bright mountains *prop* th' incumbent sky;
As Atlas fix'd each hoary pile appears. *Pope.*

3. To sustain; to support.

The nearer I find myself verging to that period, which is to be labour and sorrow, the more I *prop* myself upon those few supports that are left me. *Pope.*

PROP. *n. s.* [*proppe*, Dutch.] A support; a stay; that on which any thing rests.

The boy was the very staff of my age, my very *prop.* *Shakspeare.*

You take my house, when you do take the *prop*
That doth sustain my house; you take my life,
When you do take the means whereby I live. *Shakspeare.*

Some plants creep along the ground, or wind about other trees or *props*, and cannot support themselves. *Bacon.*

That he might on many *props* repose,
He strengths his own, and who his part did take. *Daniel.*
Again, if by the body's *prop* we stand,
If on the body's life, her life depend,
As Meleager's on the fatal brand,
The body's good she only would intend. *Davies.*
Fairest unsupported flower,
From her best *prop* so far. *Milton, P. L.*
The current of his victories found no stop,
Till Cromwell came, his party's chiefest *prop.* *Waller.*

'Twas a considerable time before the great fragments that fell rested in a firm posture; for the *props* and stays, whereby they leaned one upon another, often failed. *Burnet.*

The *props* return
Into thy house, that bore the burden'd vines. *Dryden.*

Had it been possible to find out any real and firm foundation for Arianism to rest upon, it would never have been left to stand upon artificial *props*, or to subsist by subtlety and management. *Waterland.*

PRO'PAGABLE. *adj.* [from *propagate.*] Such as may be spread; such as may be continued by succession.

Such creatures as are produced each by its peculiar seed, constitute a distinct *propagable* sort of creatures. *Boyle.*

To PRO'PAGATE. *v. a.* [*propago*, Lat.]

1. To continue or spread by generation or successive production.

All that I eat, or drink, or shall beget,
Is *propagated* curse! *Milton, P. L.*
Is it an elder brother's duty so
To *propagate* his family and name;
You would not have yours die and buried with you? *Otway.*
From hills and dales the cheerful cries rebound;
For echo hunts along, and *propagates* the sound. *Dryden.*

2. To extend; to widen.

I have upon a high and pleasant hill
Feign'd fortune to be thron'd: the base o' the mount
Is rank'd with all deserts, all kind of natures,
That labour on the bosom of this sphere
To *propagate* their states. *Shakspeare, Timon.*

3. To carry on from place to place; to promote.

Some have thought the *propagating* of religion by arms not only lawful, but meretorious. *Decay of Chr. Piety.*

Who are those that truth must *propagate*
Within the confines of my father's state. *Dryden.*

Those who seek truth only, and desire to *propagate* nothing else, freely expose their principles to the test. *Locke.*

Because dense bodies conserve their heat a long time, and the densest bodies conserve their heat the longest, the vibrations of their parts are of a lasting nature; and therefore may be *propagated* along solid fibres of uniform dense matter to a great distance, for conveying into the brain the impressions made upon all the organs of sense. *Newton.*

4. To encrease; to promote.

Griefs of mine own lie heavy in my breast,
Which thou wilt *propagate*, to have them prest
With more of thine. *Shakspeare.*
Sooth'd with his future fame,
And pleas'd to hear his *propagated* name. *Dryden.*

5. To generate.

Superstitious notions, *propagated* in fancy, are hardly ever totally eradicated. *Richardson, Clarissa.*

To PRO'PAGATE. *v. n.* To have offspring.

No need that thou
Should'st *propagate*, already infinite,
And through all numbers absolute, though one. *Milton, P. L.*

PROPAGA'TION.✝ *n. s.* [*propagatio*, Lat. *propagation*, Fr. from *propagate.*]

1. Continuance or diffusion by generation or successive production.

Men have souls rather by creation than *propagation.* *Hooker.*

There are other secondary ways of the *propagation* of it, as lying in the same bed. *Wiseman, Surgery.*

There is not in all nature any spontaneous generation, but all come by *propagation*, wherein chance hath not the least part. *Ray on the Creation.*

Old stakes of olive trees in plants revive;
But nobler vines by *propagation* thrive. *Dryden.*

2. Encrease; extension; enlargement.

Their insatiable avarice, and their unhuman and remorseless cruelty, shown in the spoil and waste they had made upon all nations round about them for the *propagation* of their empire, which they were still enlarging as their desires, and their desires as hell. *South, Serm.* xi. 39.

PRO'PAGATOR. *n. s.* [from *propagate.*]

1. One who continues by successive production.

2. A spreader; a promoter.

Socrates, the greatest *propagator* of morality, and a martyr for the unity of the Godhead, was so famous for this talent, that he gained the name of the Drole. *Addison.*

To PROPE'L. *v. a.* [*propello*, Lat.] To drive forward.

Avicen witnesses the blood to be frothy that is *propelled* out of a vein of the breast. *Harvey.*

This motion, in some human creatures, may be weak in respect to the viscidity of what is taken, so as not to be able to *propel* it. *Arbuthnot on Aliments.*

That overplus of motion would be too feeble and languid to *propel* so vast and ponderous a body with that prodigious velocity. *Bentley, Serm.*

To PROPE'ND.✝ *v. n.* [*propendo*, Lat. to hang forwards.] To incline to any part; to be disposed in favour of any thing.

My sprightly brethren, I *propend* to you,
In resolution to keep Helen still. *Shakspeare.*

His eyes are like a balance, apt to *propend* each way, and to be weighed down with every wench's looks; his heart a weathercock; his affection tinder. *Burton, Anat. of Mel.* p. 454.

The soul, being an active nature, is always *propending* to the exercising of one faculty or another. *Glanville, Pre-exist.* ch. 13.

PROPE'NDENCY. *n. s.* [from *propend.*]

1. Inclination or tendency of desire to any thing.

2 [From *propendo*, Lat. to weigh.] Preconsideration; attentive deliberation; perpendency.

An act above the animal actings, which are transient, and admit not of that attention, and *propendency* of actions. *Hale.*

PROPE'NSE. *adj.* [*propensus*, Lat.] Inclined; disposed. It is used both of good and bad.

Women, *propense* and inclinable to holiness, be edified in good things, rather than carried away as captives. *Hooker.*

I have brought scandal
In feeble hearts, *propense* enough before
To waver, or fall off, and join with idols. *Milton, S. A.*

PROPE'NSENESS.* *n. s.* [from *propense.*] Natural tendency.

There is a *propenseness* to diseases in the body, out of which, without any other disorder, diseases will grow. *Donne, Devot.* p. 573.

PROPE'NSION. } *n. s.* [*propension*, Fr. *propensio*, Lat.
PROPE'NSITY. } from *propense.*]

1. Moral inclination; disposition to any thing good or bad.

Some miscarriages might escape, rather through necessities of state, than any *propensity* of myself to injuriousness. *King Charles.*

So forcible are our *propensions* to mutiny, that we equally take occasions from benefits or injuries. *Gov. of the Tongue.*

Let there be but *propensity*, and bent of will to religion, and there will be sedulity and indefatigable industry. *South.*

It requires a critical nicety, to find out the genius or the *propensions* of a child. *L'Estrange.*

The natural *propension*, and the inevitable occasions of complaint, accidents of fortune. *Temple.*

He assists us with a measure of grace, sufficient to overbalance the corrupt *propensity* of the will. *Rogers.*

2. Natural tendency.

Bodies, that of themselves have no *propensions* to any determinate place, do nevertheless move constantly and perpetually one way. *Digby.*

This great attrition must produce a great *propensity* to the putrescent alkaline condition of the fluids. *Arbuthnot.*

PRO'PER.† *adj.* [*propre*, Fr. *proprius*, Lat.]

1. Peculiar; not belonging to more; not common.

As for the virtues that belong unto moral righteousness and honesty of life, we do not mention them, because they are not *proper* unto christian men as they are christian, but do concern them as they are men. *Hooker.*

Men of learning hold it for a slip in judgement, when offer is made to demonstrate that as *proper* to one thing, which reason findeth common unto many. *Hooker.*

No sense the precious joys conceives,
Which in her private contemplations be;
For then the ravish'd spirit the senses leaves,
Hath her own powers and *proper* actions free. *Davies.*

Of nought no creature ever formed ought,
For that is *proper* to th' Almighty's hand. *Davies.*

Dufresnoy's rules, concerning the posture of the figures, are almost wholly *proper* to painting, and admit not any comparison with poetry. *Dryden, Dufresnoy.*

Outward objects, that are extrinsecal to the mind, and its own operations, proceeding from powers intrinsecal and *proper* to itself, which become also objects of its contemplation, are the original of all knowledge. *Locke.*

They professed themselves servants of Jehovah their God, in a relation and respect peculiar and *proper* to themselves. *Nelson.*

2. Noting an individual.

A *proper* name may become common, when given to several beings of the same kind; as Cæsar. *Watts.*

3. One's own. It is joined with any of the possessive's: as, *my* proper, *their* proper.

The bloody book of law
You shall yourself read in the bitter letter,
After your own sense; yea, though *our proper* son
Stood in your action. *Shakspeare, Othello.*

Court the age
With somewhat of *your proper* rage. *Waller.*

If we might determine it, *our proper* conceptions would be all voted axioms. *Glanville, Scepsis.*

Now learn the diff'rence at *your proper* cost,
Betwixt true valour and an empty boast. *Dryden.*

4. Natural; original.

In *our proper* motion we ascend
Up to our native seat. *Milton, P. L.*

5. Fit; accommodated; adapted: suitable; qualified.

In Athens all was pleasure, mirth, and play,
All *proper* to the spring, and sprightly May. *Dryden.*

He is the only *proper* person of all others for an Epic poem, who, to his natural endowments of a large invention, a ripe judgement, and a strong memory, has joined the knowledge of the liberal arts. *Dryden.*

In debility, from great loss of blood, wine and all aliment, that is easily assimilated or turned into blood, are *proper*: for blood is required to make blood. *Arbuthnot.*

6. Exact; accurate; just.

7. Not figurative.

Those parts of nature, into which the chaos was divided, they signified by dark names, which we have expressed in their plain and *proper* terms. *Burnet, Theory.*

8. It seems in Shakspeare to signify, mere; pure.

See thyself, devil;
Proper deformity seems not in the fiend
So horrid as in woman. *Shakspeare, K. Lear.*

9. [*Propre*, Fr.] Elegant; pretty.

Moses was a *proper* child. *Heb.* xi. 23.

10. Tall; lusty; handsome with bulk: a low word. Dr. Johnson. — Rather, well-made; good-looking; personable; and not a low word. Perhaps the preceding definition and example should be brought hither.

This Ludovico is a *proper* man. *Shakspeare, Othello.*

At last she concluded with a sigh, thou wast the *properest* man in Italy. *Shakspeare, Much Ado.*

A *proper* goodly fox was carrying to execution. *L'Estrange.*

To PROPERATE.* *v. a.* [*propero*, Lat.] To hasten. See *To* APPROPERATE. *Cockeram.*

PROPERA'TION.* *n. s.* [*properatio*, Lat.] The act of hastening; the act of making haste. *Bailey.*

PRO'PERLY. *adv.* [from *proper.*]

1. Fitly; suitably.

2. In a strict sense.

What dies but what has life
And sin? the body *properly* hath neither. *Milton, P. L.*

The miseries of life are not *properly* owing to the unequal distribution of things. *Swift.*

There is a sense in which the works of every man, good as well as bad, are *properly* his own. *Rogers.*

PRO'PERNESS. *n. s.* [from *proper.*]

1. The quality of being proper.

2. Tallness.

PRO'PERTY.† *n. s.* [from *proper.*]

1. Peculiar quality.

What special *property* or quality is that, which being no where found but in sermons, maketh them effectual to save souls? *Hooker.*

A secondary essential mode, is any attribute of a thing which is not of primary consideration, and is called a *property*. *Watts.*

2. Quality; disposition.

'Tis conviction, not force, that must induce assent; and sure the logick of a conquering sword has no great *property* that way; silence it may, but convince it cannot. *Dec. of Chr. Piety.*

It is the *property* of an old sinner to find delight in reviewing his own villanies in others. *South.*

3. Right of possession.

Some have been deceived into an opinion, that the inheritance of ruling over men, and *property* in things, sprung from the same original, and were to descend by the same rules. *Locke.*

Property, whose original is from the right a man has to use any of the inferior creatures, for subsistence and comfort, is for the sole advantage of the proprietor, so that he may even destroy the thing that he has *property* in. *Locke*

. Possession held in one's own right.

For numerous blessings yearly show'r'd,
And *property* with plenty crown'd,
Accept our pious praise. *Dryden.*

. The thing possessed.

'Tis a thing impossible
I should love thee but as a *property*. *Shakspeare.*

No wonder such men are true to a government, where liberty runs so high, where *property* is so well secured. *Swift.*

6. Nearness or right. I know not which is the sense in the following lines.

Here I disclaim all my paternal care,
Propinquity, and *property* of blood,
And as a stranger to my heart and me,
Hold thee. *Shakspeare, K. Lear.*

7. Some article required in a play for the actors; something appropriate to the character played.

I will draw a bill of *properties*, such as our play wants. *Shakspeare, M. Night's Dream.*

The purple garments raise the lawyer's fees,
High pomp and state are useful *properties*. *Dryden.*

Begin then to con our part, when we are ready to be hissed off the stage, and death is now pulling off our *properties!* *Abp. Sancroft, Serm.* p. 101.

Greenfield was the name of the *property* man in that time, who furnished implements for the actors. *Pope.*

8. *Property* for *propriety*. Any thing peculiarly adapted. Not used.

Our poets excel in grandity and gravity, smoothness and *property*, in quickness and briefness. *Camden.*

To PRO'PERTY. *v. a.* [from the noun.]

1. To invest with qualities.

His rear'd arm
Crested the world; his voice was *property'd*
As all the tuned spheres. *Shakspeare, Ant. and Cleop.*

2. To seize or retain as something owned, or in which one has a right; to appropriate; to hold. This word is not now used in either meaning.

His large fortune
Subdues and *properties* to his love and tendance
All sorts of hearts. *Shakspeare, Timon.*

They have here *propertied* me, keep me in darkness, and do all they can to face me out of my wits. *Shakspeare, Tw. Night.*

I am too high born to be *propertied*,
To be a secondary at controul. *Shakspeare, K. John.*

PRO'PHASIS. *n. s.* [πρόφασις.] In medicine, a foreknowledge of diseases.

PRO'PHECY. *n. s.* [προφητεία; *prophetie*, Fr.] A declaration of something to come; prediction. *

He hearkens after *prophecies* and dreams. *Shakspeare.*

Poets may boast
Their work shall with the world remain;
Both bound together, live or die,
The verses and the *prophecy*. *Waller.*

PRO'PHESIER. † *n. s.* [from *prophesy*.] One who prophesies.

He has deceived me like a double-meaning *prophesier*. *Shakspeare, All's Well.*

To PRO'PHESY. *v. a.*

1. To predict; to foretell; to prognosticate.

Miserable England,
I *prophesy* the fearfull'st time to thee,
That ever wretched age hath look'd upon. *Shakspeare.*

I hate him, for he doth not *prophesy* good, but evil. 1 *Kings.*

The Lord sent me to *prophesy*, against this house, all the words that ye have heard. *Jer.* xxvi. 12.

2. To foreshow.

Methought thy very gait did *prophesy*
A royal nobleness. *Shakspeare, K. Lear.*

To PRO'PHESY. *v. n.*

1. To utter predictions.

Strange screams of death,
And *prophesying* with accents terrible
Of dire combustion. *Shakspeare.*

Receiv'd by thee, I *prophesy*, my rhimes,
Mix'd with thy works, their life no bounds shall see. *Tickell.*

2. To preach. A scriptural sense.

Prophesy unto the wind, *prophesy* son of man. *Ezekiel.*

The elders of the Jews builded, and prospered through the *prophesying* of Haggai. *Ezra*, vi. 14.

PRO'PHET. *n. s.* [*prophete*, Fr. προφήτης.]

1. One who tells future events; a predicter; a foreteller.

Every flower
Did as a *prophet* weep what it foresaw,
In Hector's wrath. *Shakspeare, Tr. and Cress.*

Jesters oft prove *prophets*. *Shakspeare, K. Lear.*

O *prophet* of glad tidings! finisher
Of utmost hope! *Milton, P. L.*

He lov'd so fast,
As if he fear'd each day wou'd be her last;
Too true a *prophet* to foresee the fate,
That should so soon divide their happy state. *Dryden.*

God, when he makes the *prophet*, does not unmake the man. *Locke.*

2. One of the sacred writers empowered by God to display futurity.

His champions are the *prophets* and apostles. *Shakspeare.*

It buildeth her faith and religion upon the sacred and canonical Scriptures of the holy *prophets* and apostles, as upon her main and prime foundation. *White.*

PRO'PHETESS. *n. s.* [*prophetesse*, Fr. from *prophet*.] A woman that foretells future events.

He shall split thy very heart with sorrow,
And say poor Margaret was a *prophetess*. *Shakspeare.*

That it is consonant to the word of God, so in singing to answer, the practice of Miriam the *prophetess*, when she answered the men in her song, will approve. *Peacham.*

If my love but once were crown'd,
Fair *prophetess*, my grief would cease. *Prior.*

PRO'PHETLIKE.* *adj.* [*prophet* and *like*.] Like a prophet.

Then *prophetlike*
They hail'd him father to a race of kings. *Shakspeare, Macbeth.*

PROPHE'TICAL. } PROPHE'TICK. } *adj.* [*prophetique*, Fr. from *prophet*.]

1. Foreseeing or foretelling future events.

Say, why
Upon this blasted heath you stop our way,
With such *prophetick* greeting. *Shakspeare, Macbeth.*

The counsel of a wise and then *prophetical* friend was forgotten. *Wotton.*

Some perfumes procure *prophetical* dreams. *Bacon.*

Till old experience do attain
To something like *prophetick* strain. *Milton, Il Pens.*

Some famous *prophetick* pictures represent the fate of England by a mole, a creature blind and busy, smooth and deceitful, continually working under ground, but now and then to be discerned in the surface. *Stillingfleet.*

No arguments made a stronger impression on these Pagan converts, than the predictions relating to our Saviour in those old *prophetick* writings deposited among the hands of the greatest enemies to Christianity, and owned by them to have been extant many ages before his appearance. *Addison.*

2. It has *of* before the thing foretold.

The more I know, the more my fears augment,
And fears are oft *prophetick of* th' event. *Dryden.*

PROPHE'TICALLY. *adv.* [from *prophetical*.] With knowledge of futurity; in manner of a prophecy.

He is so *prophetically* proud of an heroical cudgelling, that he raves in saying nothing. *Shakspeare, Tr. and Cress.*

This great success among Jews and Gentiles, part of it historically true at the compiling of these articles, and part of it *prophetically* true then, and fulfilled afterward, was a most effectual argument to give authority to this faith. *Hammond.*

She sigh'd, and thus *prophetically* spoke. *Dryden.*

To PRO'PHETIZE. *v. n.* [*prophetiser*, Fr. from *prophet*.] To give predictions. Not in use.

Nature else hath conference
With profound sleep, and so doth warning send
By *prophetizing* dreams. *Daniel, Civ. War.*

PROPHYLA'CTICAL.† } *adj.* [προφυλακτικὸς, from προ-
PROPHYLA'CTICK. } φυλάσσω.] Preventive; preservative.

This remedy, in my opinion, should rather be *prophylactical*, for prevention of the disease, than therapeutical for the cure of it. *Ferrand on Love Melanch.* (1640,) p. 336.

Medicine is distributed into *prophylactick*, or the art of preserving health; and therapeutick, or the art of restoring health. *Watts, Logick.*

PROPHYLA'CTICK.* *n. s.* A preventive; a preservative.

What remains here is to point out, if possible, some simple, easy, and rational method of putting the human body, where the disease in question prevails, into such a state, as shall probably guard it against catching the deadly poison. That such a *prophylactic* may be found in the muriatic acid, or the concentrated spirit of sea-salt, I am induced to believe. *Sir W. Fordyce, on the Mur. Acid*, p. 6.

PROPINA'TION.* *n. s.* [*propinatio*, Lat.] The act of delivering a cup, after having drunk part of its contents, to another person; the act of pledging. See *To* PROPINE.

This *propination* was carried about towards the right hand, where the superior quality of some of the guests did not oblige them to alter that method. *Potter, Antiq. of Greece*, B. 4. ch. 20.

To PROPI'NE.* *v. a.* [*propino*, Lat.]

1. To offer in kindness, as when we drink to any one, and present the cup to him, to drink after us. An elegant word, not now in use. So Bp. Hurd remarks on the following passage cited from the excellent bishop Taylor. He might have added, that it was in use before Taylor wrote.

Some drop of gracefull dewe to us *propine*. *Chaucer, Ballad of our Ladie.*

It [the doctrine of Jesus Christ] *propines* to us the noblest, the highest, the bravest pleasures of the world. *Bp. Taylor, Mor. Demonstr. of the Chr. Rel.* (1660.)

2. To expose.

Unless we would *propine* both ourselves, and our cause, unto open and just derision. *Fotherby, Atheom.* (1622,) p. 11.

To PROPI'NQUATE.* *v. n.* [*propinquo*, Lat.] To approach; to draw near to. *Cockeram.*

PROPI'NQUITY. *n. s.* [*propinquitas*, Lat.]

1. Nearness; proximity; neighbourhood.

They draw the retina nearer to the crystalline humour, and by their relaxation suffer it to return to its natural distance according to the exigency of the object, in respect of distance or *propinquity*. *Ray on the Creation.*

2. Nearness of time.

Thereby was declared the *propinquity* of their desolations, and that their tranquillity was of no longer duration, than those soon decaying fruits of summer. *Brown.*

3. Kindred; nearness of blood.

Here I disclaim all my paternal care,
Propinquity, and property of blood,
And as a stranger to my heart and me
Hold thee. *Shakspeare, K. Lear.*

PROPI'TIABLE.† *adj.* [from *propitiate*.] Such as may be induced to favour; such as may be made propitious. *Cockeram.*

To PROPI'TIATE. *v. a.* [*propitio*, Lat.] To induce to favour; to gain; to conciliate; to make propitious.

You, her priest, declare
What offerings may *propitiate* the fair,
Rich orient pearl, bright stones that ne'er decay,
Or polish'd lines which longer last than they. *Waller.*

They believe the affairs of human life to be managed by certain spirits under him, whom they endeavour to *propitiate* by certain rites. *Stillingfleet.*

Vengeance shall pursue the inhuman coast,
Till they *propitiate* thy offended ghost. *Dryden.*

Let fierce Achilles, dreadful in his rage,
The God *propitiate*, and the pest assuage. *Pope.*

To PROPI'TIATE.* *v. n.* To make atonement.

The sorrows of our Lord were *propitiating* for the sins of Eden. *Young, Serm.* (1703,) ii. 267.

PROPITIA'TION. *n. s.* [*propiciation*, Fr. from *propitiate*.]

1. The act of making propitious.

2. The atonement; the offering by which propitiousness is obtained.

He is the *propitiation* for the sins of the whole world. 1 *John.*

PROPITIA'TOR.† *n. s.* [from *propitiate*.] One that propitiates. *Sherwood.*

PROPI'TIATORY.† *adj.* [*propiciatoire*, Fr. from *propitiate*.] Having the power to make propitious.

I have playnly enough set furth the *propitiatory* sacrifice of our Saviour. *Abp. Cranmer, Def. of the Sacram.* (1550,) fol. 112.

Is not this more than giving God thanks for their virtues, when a *propitiatory* sacrifice is offered for their honour? *Stillingfleet.*

PROPI'TIATORY.* *n. s.* The mercy-seat; the covering of the ark in the temple of the Jews. *Bullokar.*

Golden vessels of charity, placed within the outward vail of the temple, and looking continually towards the *propitiatory*. *W. Mountague, Dev. Ess.* P. i. (1648,) p. 390.

He [the Messias] the true ark of the covenant; the only *propitiatory* by his blood. *Pearson on the Creed*, Art. 2.

PROPI'TIOUS. *adj.* [*propitius*, Lat. *propice*, Fr.] Favourable; kind.

To assuage the force of this new flame,
And make thee more *propitious* in my need,
I mean to sing the praises of thy name. *Spenser.*

Let not my words offend thee,
My maker, be *propitious* while I speak! *Milton, P. L.*

Indulgent god! *propitious* power to Troy,
Swift to relieve, unwilling to destroy. *Dryden.*

Would but thy sister Marcia be *propitious*
To thy friend's vows. *Addison, Cato.*

Ere Phœbus rose, he had implor'd
Propitious heav'n. *Pope, Rape of the Lock.*

PROPI'TIOUSLY. *adv.* [from *propitious*.] Favourably; kindly.

So when a muse *propitiously* invites,
Improve her favours, and indulge her flights. *Roscommon.*

PROPI'TIOUSNESS. *n. s.* [from *propitious*.] Favourableness; kindness.

All these joined with the *propitiousness* of climate to that sort of tree and the length of age it shall stand and grow, may produce an oak. *Temple.*

PRO'PLASM. *n. s.* [πρὸ and πλάσμα.] Mould; matrix.

Those shells serving as *proplasms* or moulds to the matter which so filled them, limited and determined its dimensions and figure. *Woodward, Nat. Hist.*

PROPLA'STICE. *n. s.* [προπλαστική.] The art of making moulds for casting.

PRO'POLIS.* *n. s.* [*propolis*, Lat.] A glutinous substance, with which bees close the holes and crannies of their hives.

PROPO'NENT. *n. s.* [from *proponens*, Lat.] One that makes a proposal, or lays down a position.

For mysterious things of faith rely
On the *proponent*, heaven's authority. *Dryden.*

PROPO'RTION.† *n. s.* [*proportion*, Fr. *proportio*, Lat. "Græcè analogia, Latinè (audendum est enim quoniam hæc primùm à nobis novantur) comparatio *proportio*ve dici potest." Cicero, De Univ.]

1. Comparative relation of one thing to another; notion resulting from comparing two ratios, and finding them similar.

Let any man's wisdom determine by lessening the territory, and increasing the number of inhabitants, what *proportion* is requisite to the peopling of a region in such a manner, that the land shall be neither too narrow for those whom it feedeth, nor capable of a greater multitude. *Ralegh.*

By *proportion* to these rules, we may judge of the obligation that lies upon all sorts of injurious persons. *Bp. Taylor.*

Things nigh equivalent and neighbouring value
By lot are parted; but high heav'n thy share,
In equal balance weigh'd 'gainst earth and hell,
Flings up the adverse scale, and shuns *proportion.* *Prior.*

2. Settled relation of comparative quantity; equal degree.

Greater visible good does not always raise men's desires, in *proportion* to the greatness it is acknowledged to have, though every little trouble sets us on work to get rid of it. *Locke.*

He must be little skilled in the world, who thinks that men's talking much or little shall hold *proportion* only to their knowledge. *Locke.*

Several nations are recovered out of their ignorance, in *proportion* as they converse more or less with those of the reformed churches. *Addison on Italy.*

In *proportion* as this resolution grew, the terrors before us seemed to vanish. *Tatler.*

3. Harmonick degree.

His volant touch
Instinct through all *proportions*, low and high,
Fled, and pursu'd transverse the resonant fugue. *Milton, P. L.*

4. Symmetry; adaptation of one to another.

Measure is that which perfecteth all things, because every thing is for some end; neither can that thing be available to any end, which is not proportionable thereunto: and to *proportion* as well excesses as defects, are opposite. *Hooker.*

It must be mutual in *proportion* due
Giv'n and receiv'd. *Milton, P. L.*

No man of the present age is equal in the strength, *proportion*, and knitting of his limbs to the Hercules of Farnese. *Dryden.*

The *proportions* are so well observed, that nothing appears to an advantage, or distinguishes itself above the rest. *Addison.*

Harmony, with ev'ry grace,
Plays in the fair *proportions* of her face. *Mrs. Carter.*

5. Form; size.

All things receiv'd, do such *proportion* take,
As those things have, wherein they are receiv'd;
So little glasses little faces make,
And narrow webs on narrow frames are weav'd. *Davies.*

To Propo'rtion. *v. a.* [*proportionner*, Fr. from the noun.]

1. To adjust by comparative relation.

Till body up to spirit work, in bounds
Proportion'd to each kind. *Milton, P. L.*

In the loss of an object, we do not *proportion* our grief to the real value it bears, but to the value our fancies set upon it. *Addison, Spect.*

2. To form symmetrically.

Nature had *proportioned* her without any fault, quickly to be discovered by the senses; yet altogether seemed not to make up that harmony that Cupid delights in. *Sidney.*

Propo'rtionable. *adj.* [from *proportion.*] Adjusted by comparative relation: such as is fit.

His commandments are not grievous, because he offers us an assistance *proportionable* to the difficulty. *Tillotson.*

It was enlivened with an hundred and twenty trumpets, assisted with a *proportionable* number of other instruments. *Addison.*

Propo'rtionableness.* *n. s.* [from *proportionable.*] State or quality of being proportionable.

The ground of all pleasure is agreement and *proportionableness* of the temper and constitution of any thing. *Hammond, Works*, iv. 479.

Propo'rtionably.† *adv.* [from *proportion.*] According to proportion; according to comparative relation.

By the greatness and beauty of the creatures *proportionably* the Maker of them is seen. *Wisd.* xiii. 5.

The mind ought to examine all the grounds of probability, and upon a due balancing the whole, reject or receive it *proportionably* to the preponderancy of the greater grounds of probability, on one side or the other. *Locke.*

The parts of a great thing are great, and there are *proportionably* large estates in a large country. *Arbuthnot.*

Though religion be more eminently necessary to those in stations of authority, yet these qualities are *proportionably* conducive to publick happiness in every inferior relation. *Rogers.*

Propo'rtional. *adj.* [*proportionel*, from *proportion.*] Having a settled comparative relation; having a certain degree of any quality compared with something else.

The serpent lives,
Lives, as thou said'st, and gains to live as man
Higher degree of life, inducement strong
To us, as likely tasting to attain
Proportional ascent, which cannot be
But to be gods or angels. *Milton, P. L.*

Four numbers are said to be *proportional*, when the first containeth, or is contained by the second, as often as the third containeth, or is contained by the fourth. *Cocker.*

If light be swifter in bodies than in vacuo in the proportion of the sines which measure the refraction of the bodies, the forces of the bodies to reflect and refract light, are very nearly *proportional* to the densities of the same bodies. *Newton.*

Proportiona'lity. *n. s.* [from *proportional.*] The quality of being proportional.

All sense, as grateful, dependeth upon the equality or the *proportionality* of the motion or impression made. *Grew.*

Propo'rtionally. *adv.* [from *proportional.*] In a stated degree.

If these circles, whilst their centres keep their distances and positions, could be made less in diameter, their interfering one with another, and by consequence the mixture of the heterogeneous rays would be *proportionally* diminished. *Newton.*

Propo'rtionate. *adj.* [from *proportion.*] Adjusted to something else, according to a certain rate or comparative relation.

The connection between the end and any means is adequate, but between the end and means *proportionate.* *Grew.*

The use of spectacles, by an adequate connection of truths, gave men occasion to think of microscopes and telescopes; but the invention of burning glasses depended on a *proportionate*; for that figure, which contracts the species of any body, that is, the rays by which it is seen, will, in the same proportion, contract the heat wherewith the rays are accompanied. *Grew.*

In the state of nature, one man comes by no absolute power to use a criminal according to the passion or heats of his own will; but only to retribute to him, so far as conscience dictates, what is *proportionate* to his transgression. *Locke.*

To Propo'rtionate. *v. a.* [from *proportion.*] To adjust according to settled rates to something else.

The parallelism and due *proportionated* inclination of the axis of the earth. *More, Div. Dialogues.*

Since every single particle hath an innate gravitation toward all others, *proportionated* by matter and distance, it evidently appears, that the outward atoms of the chaos would necessarily tend inwards, and descend from all quarters towards the middle of the whole space. *Bentley, Serm.*

Propo'rtionately.* *adv.* [from *proportionate.*] In a manner adjusted to something else, according to a certain rate or comparative relation.

To this internal perfection is added a *proportionately* happy condition. *Pearson on the Creed*, Art. 12.

Propo'rtionateness. *n. s.* [from *proportionate.*] The state of being by comparison adjusted.

By this congruity of those faculties to their proper objects, and by the fitness and *proportionateness* of these objective impressions upon their respective faculties, accommodated to their reception, the sensible nature hath so much of perception as is necessary for its sensible being. *Hale.*

PROPO'RTIONLESS.* *adj.* [*proportion* and *less.*] Wanting proportion, or symmetry.

A *proportionless* feature without favour. *Comment on Chaucer,* (1665,) p. 175.

PROPO'SAL. *n. s.* [from *propose.*]

1. Scheme or design propounded to consideration or acceptance.

If our *proposals* once again were heard,
We should compel them to a quick result. *Milton, P. L.*

The work, you mention, will sufficiently recommend itself, when your name appears with the *proposals.* *Addison to Pope.*

2. Offer to the mind.

Upon the *proposal* of an agreeable object, a man's choice will rather incline him to accept than refuse it. *South.*

This truth is not likely to be entertained readily upon the first *proposal.* *Atterbury.*

To **PROPO'SE.** *v. a.* [*proposer,* Fr. *propono,* Lat.] To offer to the consideration.

Raphael, to Adam's doubt *propos'd,*
Benevolent and facile thus replied. *Milton, P. L.*

My design is to treat only of those, who have chiefly *proposed* to themselves the principal reward of their labours. *Tatler.*

In learning any thing, there should be as little as possible first *proposed* to the mind at once, and that being understood, proceed then to the next adjoining part. *Watts.*

To **PROPO'SE.†** *v. n.* [from the Fr. *propos,* discourse.] To converse. Dr. Johnson has mistakenly defined it, to lay schemes, in the following passage. It is not now in use.

Run thee into the parlour,
There shalt thou find my cousin Beatrice,
Proposing with the prince and Claudio. *Shakspeare, Much Ado.*

PROPO'SE.* *n. s.* [*propos,* Fr.] Talk; discourse. Obsolete.

There will she hide her,
To listen our *propose.* *Shakspeare, Much Ado.*

PROPO'SER. *n. s.* [from *propose.*] One that offers any thing to consideration.

Faith is the assent to any proposition, not made out by the deductions of reason, but upon the credit of the *proposer,* as coming from God. *Locke.*

He provided a statute, that whoever proposed any alteration to be made, should do it with a rope about his neck; if the matter proposed were generally approved, then it should pass into a law; if it went in the negative, the *proposer* to be immediately hanged. *Swift.*

PROPOSI'TION. *n. s.* [*proposition,* Fr. *propositio,* Lat.]

1. One of the three parts of a regular argument.

The first *proposition* of the precedent argument is not necessary. *White.*

2. A sentence in which any thing is affirmed or decreed.

Chrysippus, labouring how to reconcile these two *propositions,* that all things are done by fate, and yet that something is in our own power, cannot extricate himself. *Hammond.*

Contingent *propositions* are of a dubious quality, and they cause opinion only, and not divine faith. *White.*

The compounding of the representation of things with an affirmation or negation, makes a *proposition.* *Hale.*

3. Proposal; offer of terms.

The enemy sent *propositions,* such as upon delivery of a strong fortified town, after a handsome defence, are usually granted. *Clarendon.*

PROPOSI'TIONAL. *adj.* [from *proposition.*] Considered as a proposition.

If it has a singular subject in its *propositional* sense, it is always ranked with universals. *Watts, Logick.*

To **PROPOU'ND.†** *v. a.* [*propono,* Lat. Anciently our word was *propoun* or *propown.* "This is one [point] that I will now *propowne* and set forthe." Hunting of Purgatorye, 1561. fol. 4. b.]

1. To offer to consideration; to propose.

The parliament, which now is held, decreed
Whatever pleas'd the king but to *propound.* *Daniel.*

To leave as little as I may unto fancy, which is wild and irregular, I will *propound* a rule. *Wotton.*

Dar'st thou to the Son of God *propound*
To worship thee? *Milton, P. R.*

The existence of the church hath been *propounded* as an object of our faith in every age of Christianity. *Pearson.*

The greatest stranger must *propound* the argument. *More.*

The arguments which Christianity *propounds* to us, are reasonable encouragements to bear sufferings patiently. *Tillotson.*

2. To offer; to exhibit.

A spirit rais'd from depth of under-ground,
That shall make answer to such questions,
As by your grace shall be *propounded* him. *Shakspeare.*

PROPOU'NDER.† *n. s.* [from *propound.*] He that propounds; he that offers; proposer.

That the propositions might appear not to have proceeded from any rash or light conceit in our English *propounders,* publishers, and maintainers of them. *Bp. Bancroft, Dang. Posit.* B. 2. ch. 1.

The point of the sword thrust from him both the propositions and the *propounders.* *Milton, Eiconoclast.* § 11.

PROPRI'ETARY.† *n. s.* [*proprietaire,* Fr. from *propriety.*] Possessor in his own right.

He is bound in conscience, in all honest sincerity, to use all good means for the finding out of the right *proprietary.* *Bp. Hall, Cases of Consc.* D. 1. C. 4.

'Tis a mistake to think ourselves stewards in some of God's gifts, and *proprietaries* in others: they are all equally to be employed, according to the designation of the donor. *Gov. of the Tongue.*

PROPRI'ETARY. *adj.* Belonging to a certain owner.

Though sheep, which are *proprietary,* are seldom marked, yet they are not apt to straggle. *Grew, Cosmol.*

PROPRI'ETOR. *n. s.* [from *proprius,* Lat.] A possessor in his own right.

Man, by being master of himself, and *proprietor* of his own person, and the actions or labour of it, had still in himself the great foundation of property. *Locke.*

Though they are scattered on the wings of the morning, and remain in the uttermost parts of the sea, even there shall his right hand fetch them out, and lead them home to their ancient *proprietor.* *Rogers.*

PROPRI'ETRESS. *n. s.* [from *proprietor.*] A female possessor in her own right; a mistress.

A big-bellied bitch borrowed another bitch's kennel to lay her burthen in; the *proprietress* demanded possession, but the other begged her excuse. *L'Estrange.*

PROPRI'ETY.† *n. s.* [*proprieté,* Fr. *proprietas,* Latin.]

1. Peculiarity of possession; exclusive right.

Why hath not a man as true *propriety* in his estate as his life? *Bp. Hall, Cases of Conscience.*

They compounded with Sir Nicholas Crispe for his *propriety* in the fort and castle. *Ld. Clarendon, Life.*

You that have promised to yourselves *propriety* in love,
Know women's hearts like straws do move. *Suckling.*

Benefit of peace, and vacation for piety, render it necessary by laws to secure *propriety.* *Hammond.*

Hail, wedded love, mysterious law, true source
Of human offspring, sole *propriety*
In Paradise! of all things common else. *Milton, P. L.*

They secure *propriety* and peace. *Dryden.*

To that we owe not only the safety of our persons and the *propriety* of our possessions, but our improvement in the several arts. *Atterbury.*

2. Accuracy; justness.

Common use, that is the rule of *propriety,* affords some aid to settle the signification of language. *Locke.*

3. Proper state.

Silence that dreadful bell; it frights the isle
From her *propriety*. *Shakspeare, Othello.*

Propt, for *propped*. [from *prop*.] Sustained by some prop.

See in her cell sad Eloisa spread,
Propt on some tomb, a neighbour of the dead. *Pope.*

To PROPU'GN.† *v. a.* [*propugno*, Lat.] To defend; to vindicate; to contend for.

Thankfulness is our meet tribute to those sacred champions for *propugning* of our faith. *Hammond.*

The second error of the anabaptists, which A. R. strenuously *propugneth*, is their decrying down pædobaptism. *Featley, Dippers Dipt*, p. 72.

Propu'gnacle.* *n. s.* [*propugnacule*, Fr. *propugnaculum*, Lat.] A fortress. Not in use.

Rochel was the chiefest *propugnacle* of the protestants there. *Howell, Lett.* i. v. 8.

Propugna'tion. *n. s.* [*propugnatio*, from *propugno*, Latin.] Defence.

What *propugnation* is in one man's valour,
To stand the push and enmity of those
This quarrel would excite! *Shakspeare, Tr. and Cress.*

Propu'gner. *n. s.* [from *propugn*.] A defender.

So zealous *propugners* are they of their native creed, that they are importunately diligent to instruct men in it, and in all the little sophistries for defending it. *Gov. of the Tongue.*

Propulsa'tion.* *n. s.* [*propulsation*, Fr. *propulsatio*, Lat.] The act of repelling or driving away; the act of keeping at a distance. *Cotgrave, and Sherwood.*

The just cause of war is the *propulsation* of publick injuries. *Bp. Hall, Cases of Consc.* D. 3. C. 8.

Two enquiries offer themselves to be considered: one is concerning the *propulsation* or repelling of injuries; the other is concerning the revenging of injuries already done. *Norris on the Beatitudes*, Disc. 3.

To PROPU'LSE.* *v. a.* [*propulso*, Lat.] To keep off: to drive away; to repel. Not in use. *Cotgrave, and Bullokar.*

Propu'lsion. *n. s.* [*propulsus*, Lat.] The act of driving forward.

Joy worketh by *propulsion* of the moisture of the brain, when the spirits dilate and occupy more room. *Bacon.*

The evanescent solid and fluid will scarce differ, and the extremities of those small canals will by *propulsion* be carried off with the fluid continually. *Arbuthnot on Aliments.*

Prore. *n. s.* [*prora*, Lat.] The prow; the forepart of the ship. A poetical word used for a rhyme.

There no vessel, with vermillion *prore*,
Or bark of traffick, glides from shore to shore. *Pope.*

Proroga'tion. *n. s.* [*prorogatio*, from *prorogo*, Lat. *prorogation*, Fr.]

1. Continuance; state of lengthening out to a distant time; prolongation.

The fulness and effluence of man's enjoyments in the state of innocence, might seem to leave no place for hope, in respect of any farther addition, but only of the *prorogation* and future continuance of what already he possessed. *South.*

2. Interruption of the session of parliament by the regal authority.

It would seem extraordinary, if an inferior court should take a matter out of the hands of the high court of parliament, during a *prorogation*. *Swift.*

To Proro'gue.† *v. a.* [*prorogo*, Lat. *proroger*, Fr.]

1. To protract; to prolong.

The time of fasting is not *proroged* till an appointed number of yeares or dayes be expired, but till the looseness or wantonness of the flesh, temptations, or motions, be utterly bridled. *Transl. of Bullinger's Serm.* p. 246.

Mirth *prorogues* life, whets the wit, makes the body young, lively, and fit for any manner of employment. *Burton, Anat. of Mel.* p. 297.

He *prorogued* his government, still threatening to dismiss himself from publick cares. *Dryden.*

2. To put off; to delay.

My life were better ended by their hate,
Than death *prorogued* wanting of thy love. *Shakspeare, Rom. and Jul.*

There is nothing more absolutely destructive of the very designs of religion, than to stop a sinner in his return to God, by persuading his corrupt heart, that he may *prorogue* that return with safety, and without prejudice to his eternal concernments. *South, Serm.* vii. 126.

3. To withhold the session of parliament to a distant time.

By the king's authority alone, they are assembled, and by him alone are they *prorogued* and dissolved, but each house may adjourn itself. *Bacon.*

Proru'ption. *n. s.* [*proruptus*, from *prorumpo*, Lat.] The act of bursting out.

Others ground this disruption upon their continued or protracted time of delivery, whereat, excluding but one a day, the latter brood impatient by a forcible *proruption* anticipates their period of exclusion. *Brown, Vulg. Err.*

Prosa'ick.† *adj.* [*prosaique*, Fr. *prosaicus*, from *prosa*, Latin.] Belonging to prose; resembling prose.

In modern rhythm, be it *prosaic* or poetic, he [the reader] must expect to find it governed for the greater part by accent. *Harris, Philolog. Inquiries.*

These *prosaic* lines, this spiritless eulogy, are much below the merit of the critic whom they are intended to celebrate. *Dr. Warton, Ess. on Pope.*

Pro'sal.* *adj.* [from *prosa*, Lat.] Prosaick. Not in use.

The priest not always composed his *prosal* raptures into verse. *Sir T. Brown, Miscell.* p. 177.

To PROSCRI'BE. *v. a.* [*proscribo*, Lat.]

1. To censure capitally; to doom to destruction.

Robert Vere, earl of Oxford, through the malice of the peers, was banished the realm, and *proscribed*. *Spenser.*

I hid for thee
Thy murder of thy brother, being so brib'd,
And writ him in the list of my *proscrib'd*
After thy fact. *B. Jonson.*

Follow'd and pointed at by fools and boys,
But dreaded and *proscrib'd* by men of sense. *Roscommon.*

In the year 325, as is well known, the Arian doctrines were *proscribed*, and anathematized in the famous council of Nice, consisting of 318 bishops, very unanimous in their resolutions, excepting a few reclaimants. *Waterland.*

2. To interdict. Not in use.

He shall be found,
And taken or *proscrib'd* this happy ground. *Dryden.*

Some utterly *proscribe* the name of chance, as a word of impious and profane signification; and indeed if taken by us in that sense, in which it was used by the heathen, so as to make any thing casual, in respect of God himself, their exception ought justly to be admitted. *South.*

Proscri'ber. *n. s.* [from *proscribe*.] One that dooms to destruction.

The triumvir and *proscriber* had descended to us in a more hideous form, — if the emperor had not taken care to make friends of him [Virgil] and Horace. *Dryden on Epick Poetry.*

Proscri'ption. *n. s.* [*proscriptio*, Lat.] Doom to death or confiscation.

You took his voice who should be prickt to die,
In our black sentence and *proscription*. *Shakspeare.*

Sylla's old troops
Are needy and poor; and have but left t' expect
From Catiline new bills and new *proscriptions*. *B. Jonson.*

For the title of *proscription* or forfeiture, the emperor hath been judge and party, and justiced himself. *Bacon.*

Proscri'ptive.* *adj.* [*proscriptus*, Latin.] Proscribing.

People frequently acquire in such confederacies a narrow, bigotted, and *proscriptive* spirit. *Burke on the Discontents*, (1770.)

If Persius, under the severities of a *proscriptive* and sanguinary government, was often obliged to conceal his meaning, this was not the case of Hall. *Warton, Hist. E. P.* iv. 30.

PROSE.† *n. s.* [*prose*, Fr. *prosa*, Lat.]

1. Language not restrained to harmonick sounds or set number of syllables; discourse not metrical.

Things unattempted yet in *prose* or rhyme. *Milton, P. L.*

The reformation of *prose* was owing to Boccace, who is the standard of purity in the Italian tongue, though many of his phrases are become obsolete. *Dryden.*

A poet lets you into the knowledge of a device better than a *prose*-writer, as his descriptions are often more diffuse. *Addison.*

Prose-men alone for private ends,
I thought, forsook their ancient friends *Prior.*

I will be still your friend in *prose:*
Esteem and friendship to express,
Will not require poetick dress. *Swift.*

My head and heart thus flowing through my quill,
Verse-man and *prose*-man, term me which you will. *Pope.*

2. A prayer of the Romish church, used only on particular days. See Du Cange in V. Prosa.

Hymns or *proses* full of idolatry. *Harmar, Tr. of Beza.* (1587,) p. 267.

Compare how many prayers, *proses*, panegyrics, and other expressions of the deepest devotion, are bestowed on the Virgin. *Brevint, Saul and Samuel at Endor*, (1674,) p. 4.

To Prose.* *v. n.* [from the noun.]

1. To write prose.

It was found, that whether aught was imposed me by them that had the overlooking, or betaken to of mine own choice in English or other tongue, *prosing* or versing, but chiefly this latter, the style, by certain vital signs it had, was likely to live. *Milton, Reas. of Ch. Gov.* B. 2.

2. To make a tedious relation. A cant word.

Marivaux is now held in such contempt, that *marivauder* is a fashionable phrase among the French, and signifies neither more nor less than our fashionable phrase of *prosing*. *Mason, Note on Gray's Lett.*

To **PRO'SECUTE.** *v. a.* [*prosequor*, *prosecutus*, Latin.]

1. To pursue; to continue endeavours after any thing.

I am belov'd of beauteous Hermia,
Why should not I then *prosecute* my right? *Shakspeare.*

I must not omit a father's timely care,
To *prosecute* the means of thy deliverance
By ransom. *Milton, S. A.*

That which is morally good is to be desired and *prosecuted;* that which is evil is to be avoided. *Wilkins.*

He *prosecuted* this purpose with strength of argument and close reasoning, without incoherent sallies. *Locke.*

2. To continue; to carry on.

The same reasons, which induced you to entertain this war, will induce you also to *prosecute* the same. *Hayward.*

All resolute to *prosecute* their ire,
Seeking their own and country's cause to free. *Daniel.*

He infested Oxford, which gave them the more reason to *prosecute* the fortifications. *Clarendon.*

With louder cries
She *prosecutes* her griefs, and thus replies. *Dryden.*

3. To proceed in consideration or disquisition of any thing.

An infinite labour to *prosecute* those things, so far as they might be exemplified in religious and civil actions. *Hooker.*

4. To pursue by law; to sue criminally.

5. To *prosecute* differs from to *persecute:* to *persecute* always implies some cruelty, malignity, or injustice; to *prosecute*, is to proceed by legal measures, either with or without just cause.

To Pro'secute.* *v. n.* To carry on a legal prosecution.

He is therefore the proper person to *prosecute* for all public offences and breaches of the peace. *Blackstone.*

Prosecu'tion. *n. s.* [from *prosecute.*]

1. Pursuit; endeavour to carry on.

Many offer at the effects of friendship, but they do not last; they are promising in the beginning, but they fail, jade, and tire in the *prosecution.* *South.*

Their jealousy of the British power, as well as their *prosecutions* of commerce and pursuits of universal monarchy, will fix them in their aversions towards us. *Addison.*

2. Suit against a man in a criminal cause.

Persons at law may know, when they are unfit to communicate till they have put a stop to their guilt, and when they are fit for the same during their *prosecution* of it. *Kettlewell.*

Pro'secutor.† *n. s.* [from *prosecute.*] One that carries on any thing; a pursuer of any purpose; one who pursues another by law in a criminal cause.

Hot *prosecuters* of their own opinions. *Sir E. Sandys, State of Religion.*

The lord Cromwell was conceived to be the principal mover and *prosecutor* thereof. *Spelman, Hist. of Sacrilege.*

On a conviction of larceny the *prosecutor* shall have restitution of his goods. *Blackstone.*

PRO'SELYTE.† *n. s.* [προσηλυτος, Gr. a stranger; *proselyte*, Fr.]

1. A convert; one brought over to a new opinion in religion.

Woe unto you, scribes and Pharisees, hypocrites! for ye compass sea and land to make one *proselyte;* and, when he is made, ye make him twofold more the child of hell than yourselves. *St. Matt.* xxiii. 14.

2. One brought over to any new opinion.

He that saw hell in's melancholy dream,
Scar'd from his sins, repented in a fright,
Had he view'd Scotland, had turn'd *proselyte.* *Cleaveland.*

Men become professors and combatants for those opinions they were never convinced of, nor *proselytes* to. *Locke.*

Where'er you tread,
Millions of *proselytes* behind are led,
Through crowds of new-made converts still you go. *Granville.*

What numbers of *proselytes* may we not expect? *Addison.*

To Pro'selyte.† *v. a* To convert. A bad word, Dr. Johnson says; citing only the example from the Government of the Tongue. It is, however, a word which has been used by good writers, before that book was published; and has not in later times been disdained by very competent judges of serviceable language.

Others, whom they *proselyte* to their religion. *More, Antid. against Idolatry*, Pref.

His base and cruel disposition gave occasion to that sarcastical speech of Cæsar Augustus, That it was better to be Herod's hog than his son. For, as a *proselyted* Jew, he would not meddle with the former; but, as worse than a Jew, he barbarously procured the murder of the latter. *South, Serm.* xi. 108.

Men of this temper cut themselves off from the opportunities of *proselyting* others, by averting them from their company. *Gov. of the Tongue.*

There dwells a noble pathos in the skies,
Which warms our passions, *proselytes* our hearts. *Young, Night Th.* 9.

He [Swift] *proselyted* great numbers to the publick worship of God; crouded his church with communicants; and then enlarged it (principally at his own expence) to receive more. *Delany, Rem. on Ld. Orrery*, p. 64.

I feel no dislike to any one for thinking differently from me, nor have I any propensity to *proselyte* others to my sentiments. *Bp. Watson, Charge*, (1798,) p. 3.

Pro'selytism.* *n. s.* [from *proselyte.*]

1. Conversion.

That spiritual *proselytism*, to which the Jew was wont to be washed, as the Christian is baptized. *Hammond, Works*, iv. 500.

2. Desire to make converts.

* The church of Rome maintains, that all non-catholics are in a state of damnation. This also is a mere religious opinion, uncharitable indeed, but unimportant to a protestant; since we all have a just confidence, that our salvation will not depend on the sentence of a pope. But when this opinion is attended with a persuasion, that it is a catholic's duty to bring all men, "per fas ac nefas," within the pale of the Roman church, it becomes a political opinion, pregnant with a zeal for *proselytism*, and bringing forth persecution; it lights up the fires of Smithfield, and of the Inquisition.
Bp. Watson, Charge, (1805,) p. 8.

To PRO'SELYTIZE.* *v. n.* [from *proselyte.*] To make converts.

As he was zealously *prozelytizing* at Medina, news came that Abusophian Ben-Hareth was going into Syria.
L. Addison, Life of Mahomet, (1679,) p. 71.

To PRO'SELYTIZE.* *v. a.* To convert.

If his grace be one of those whom they endeavour to *proselytize*, he ought to be aware of the character of the sect, whose doctrines he is invited to embrace.
Burke, Lett. to a Noble Lord.

PRO'SER.* *n. s.* [from *prose.*]

1. A writer of prose.

And surely Nash, though he a *proser* were,
A branch of laurel yet deserves to beare. *Drayton.*

2. In cant language, one who makes a tiresome relation of uninteresting matters.

PROSEMINA'TION. *n. s.* [*prosemino, proseminatus*, Lat.] Propagation by seed.

Touching the impossibility of the eternal succession of men, animals, or vegetables by natural propagation or *prosemination*, the reasons thereof shall be delivered. *Hale.*

PROSO'DIAN. *n. s.* [from *prosody.*] One skilled in metre or prosody.

Some have been so bad *prosodians*, as from thence to derive malum, because that fruit was the first occasion of evil.
Brown, Vulg. Err.

PROSO'DICAL.* *adj.* [from *prosody.*] Of, or relating to, prosody.

This is a burlesque Latin poem, — not destitute of *prosodical* harmony. *Warton, Hist. E. P.* ii. 356.

I put the learned bishop's [Dr. Lowth's] *prosodical* system thus in short. *Mason on Church Musick*, p. 180.

PRO'SODIST.* *n. s.* [from *prosody.*] One who understands prosody.

The exact *prosodist* will find the line of swiftness by one time longer than that of tardiness. *Johnson, Life of Pope.*

PRO'SODY.† *n. s.* [*prosodie*, Fr. προσῳδία.] The part of grammar which teaches the sound and quantity of syllables, and the measures of verse.

Prosody and orthography are not *parts* of grammar, but diffused like the blood and spirits through the whole. *B. Jonson.*

PROSOPOPŒ'IA. *n. s.* [προσωποποιία; *prosopopée*, Fr.] Personification; figure by which things are made persons.

These reasons are urged, and raised by the *prosopopœia* of Nature speaking to her children. *Dryden.*

PRO'SPECT. *n. s.* [*prospectus*, Lat.]

1. View of something distant.

Eden and all the coast in *prospect* lay. *Milton, P. L.*

The Jews being under the œconomy of immediate revelation, might be supposed to have had a freer *prospect* into that heaven, whence their law descended. *Dec. of Chr. Piety.*

It is better to marry than to burn, says St. Paul; a little burning felt pushes us more powerfully, than greater pleasures in *prospect* allure. *Locke.*

2. Place which affords an extended view.

Him God beholding from his *prospect* high,
Wherein past, present, future he beholds,
Thus spake. *Milton, P. L.*

3. Series of objects open to the eye.

There is a very noble *prospect* from this place: on the one side lies a vast extent of seas, that runs abroad further than the eye can reach: just opposite stands the green promontory of Surrentum, and on the other side the whole circuit of the bay of Naples. *Addison.*

4. Object of view.

Man to himself
Is a large *prospect*, rais'd above the level
Of his low creeping thoughts. *Denham.*

Present, sad *prospect!* can he ought descry,
But what affects his melancholy eye;
The beauties of the ancient fabrick lost
In chains of craggy hills, or lengths of dreary coast. *Prior.*

5. View delineated; a picturesque representation of a landscape.

Claude Lorrain, on the contrary, was convinced, that taking nature as he found it seldom produced beauty; his pictures are a composition of the various draughts which he has previously made from various beautiful scenes and *prospects*. *Reynolds.*

6. View into futurity: opposed to *retrospect.*

To be king,
Stands not within the *prospect* of belief,
No more than to be Cawdor. *Shakspeare, Macbeth.*

To him, who hath a *prospect* of the different state of perfect happiness or misery, that attends all men after this life, the measures of good and evil are mightily changed. *Locke.*

If there be no *prospect* beyond the grave, the inference is right; Let us eat and drink, for to-morrow we shall die *Locke.*

Against himself his gratitude maintain'd,
By favours past, not future *prospects* gain'd. *Smith.*

7. Regard to something future.

Is he a prudent man, as to his temporal estate, that lays designs only for a day, without any *prospect* to, or provision for the remaining part of his life. *Tillotson.*

To PROSPE'CT. *v. n.* [*prospectus*, Lat.] To look forward. *Dict.*

PROSPE'CTION.* *n. s.* [*prospectus*, Latin.] Act of looking forward, or providing.

What does all this prove, but that the *prospection*, which must be somewhere, is not in the animal, but in the Creator?
Paley, Nat. Theol. ch. 18.

PROSPE'CTIVE.† *adj.* [from *prospect.*]

1. Viewing at a distance.

Time's long and dark *prospective* glass.
Milton, Vac. Exercises.

2. Acting with foresight.

The French king and king of Sweden are circumspect, industrious, and *prospective* too, in this affair. *Child.*

Whatever explication be adopted, we have a *prospective* contrivance of the most curious kind: we have organizations three deep. *Paley, Nat. Theol.* ch. 9. § 5.

*PROSPE'CTUS.** *n. s.* [Latin.] The plan proposed of a literary work, usually containing a specimen of it.

Before my *prospectus* appeared, my very intentions were scrutinized and suspected.
Geddes, of his Tr. of the Bible, Addr. p. 9.

To PRO'SPER. *v. a.* [*prospero*, Lat.] To make happy; to favour.

Kind gods, forgive
Me that, and *prosper* him. *Shakspeare, K. Lear.*

All things concur to *prosper* our design;
All things to *prosper* any love but mine. *Dryden.*

To PRO'SPER. *v. n.* [*prosperer*, Fr.]

1. To be prosperous; to be successful.

My word shall not return void, but accomplish that which I please, and it shall *prosper* in the thing whereto I sent it.
Isaiah.

This man encreased by little and little, and things *prospered* with him more and more. *2 Mac.* viii. 8.

Surer to *prosper*, than prosperity
Could have assur'd us. *Milton, P. L.*

2. To thrive; to come forward.

All things do *prosper* best, when they are advanced to the better; a nursery of stocks ought to be in a more barren ground, than that whereunto you remove them. *Bacon.*

The plants, which he had set, did thrive and *prosper*. *Cowley.*

How they *prosper'd*, bud, and bloom. *Milton, P. L.*

That neat kind of acer, whereof violins and musical instruments are made, *prospers* well in these parts. *Brown, Trav.*

Prospe'rity. *n. s.* [*prosperitas*, Lat. *prosperité*, Fr.] Success; attainment of wishes; good fortune.

Prosperity, in regard of our corrupt inclination to abuse the blessings of Almighty God, doth prove a thing dangerous to the souls of men. *Hooker.*

God's justice reaps that glory in our calamities, which we robbed him of in our *prosperity*. *King Charles.*

Pro'sperous. *adj.* [*prosperus*, Lat.] Successful; fortunate.

Your good advice, which still hath been both grave
And *prosperous*. *Shakspeare, Macbeth.*

Either state to bear,
Prosperous or adverse. *Milton.*

May he find
A happy passage, and a *prosperous* wind. *Denham.*

Pro'sperously. *adv.* [from *prosperous*.] Successfully; fortunately.

Prosperously I have attempted, and
With bloody passage led your wars, even to
The gates of Rome. *Shakspeare, Coriol.*

In 1596, was the second invasion upon the main territories of Spain, *prosperously* atchieved by Robert Earl of Essex, in consort with the earl of Nottingham. *Bacon.*

Those, who are *prosperously* unjust, are entitled to panegyrick, but afflicted virtue is stabbed with reproaches. *Dryden.*

Pro'sperousness. *n. s.* [from *prosperous*.] Prosperity.

Prospi'cience. *n. s.* [from *prospicio*, Lat.] The act of looking forward.

Prosterna'tion.† *n. s.* [from *prosterno*, Lat.] Dejection; depression; state of being cast down; act of casting down. A word not to be adopted, Dr. Johnson says; citing only the authority of Wiseman. It is used by an older and better writer.

While we think we are borne aloft, and apprehend no hazard, the failing floor sinks under us, and with it we descend to ruin. There is a *prosternation* in assaults unlooked for. *Feltham, Res.* ii. 60.

Pain interrupts the cure of ulcers, whence are stirred up a fever, watching, and *prosternation* of spirits. *Wiseman.*

Pro'sthesis. *n. s.* [πρόσθεσις.] In surgery, that which fills up what is wanting, as when fistulous ulcers are filled up with flesh. *Dict.*

To **PRO'STITUTE.** *v. a.* [*prostituo*, Lat. *prostituer*, Fr.]

1. To sell to wickedness; to expose to crimes for a reward. It is commonly used of women sold to whoredom by others or themselves.

Do not *prostitute* thy daughter, to cause her to be a whore. *Lev.* xix. 29.

Marrying or *prostituting*,
Rape or adultery. *Milton, P. L.*

Who shall prevail with them to do that themselves which they beg of God, to spare his people and his heritage, to *prostitute* them no more to their own sinister designs. *Dec. of Chr. Piety.*

Affections, consecrated to children, husbands, and parents, are vilely *prostituted* and thrown away upon a hand at loo. *Addison.*

2. To expose upon vile terms.

It were unfit, that so excellent and glorious a reward, as the Gospel promises, should stoop down like fruit upon a full laden bough, to be plucked by every idle and wanton hand, that heaven should be *prostituted* to slothful men. *Tillotson.*

Pro'stitute.† *adj.* [*prostitutus*, Lat.] Vicious for hire; sold to infamy or wickedness; sold to whoredom; vile.

Leave things so *prostitute*,
And take the Alcaick lute. *B. Jonson, Indign. on his New Inn.*

Their common loves, a lewd abandon'd pack,
By sloth corrupted, by disorder fed,
Made bold by want, and *prostitute* for bread. *Prior.*

Pro'stitute.† *n. s.* [from the verb.]

1. A hireling; a mercenary; one who is set to sale.

At open fulsome bawdry they rejoice,
Base *prostitute!* thus dost thou gain thy bread. *Dryden.*

He had the impudence to offer him a purse of gold: the good bishop saw it, and trembled: and was never known to express a greater concern than upon that occasion: the confusion he was in upon such an unexpected provocation extremely disordered him, and he immediately sent away this abandoned *prostitute* with great indignation. *Nelson, Life of Bp. Bull*, p. 459.

No hireling she, no *prostitute* to praise. *Pope.*

2. [*Prostibulum*, Lat.] A publick strumpet.

From every point they come,
Then dread no dearth of *prostitutes* at Rome. *Dryden.*

Prostitu'tion. *n. s.* [*prostitution*, Fr. from *prostitute*.]

1. The act of setting to sale; the state of being set to sale.

2. The life of a publick strumpet.

An infamous woman, having passed her youth in a most shameless state of *prostitution*, now gains her livelihood by seducing others. *Addison, Spect.*

Pro'stitutor.* *n. s.* [from *prostitute*.] One who abuses, disgraces, or vilifies.

I see the reason why you thought of printing the Discourse on the Holy Spirit by itself, as you did the Discourse on the Sacrament. It was on account of that part which exposes the pretences of our modern enthusiasts. So that this sermon would be as seasonable a reproof of the methodists, as the other was of the *prostitutors* of the Lord's Supper. *Hurd to Warburton*, Lett. 150.

PRO'STRATE.† *adj.* [*prostratus*, Lat. The accent was formerly on the first syllable. Sidney so places it. Spenser on the second. Shakspeare on the first. Milton on both. It is now constantly, perhaps, on the first.]

1. Lying at length.

Once I saw with dread oppressed
Her whom I dread; so that with *prostrate* lying,
Her length the earth in love's chief cloathing dressed. *Sidney.*

Before fair Britomart she fell *prostrate*. *Spenser.*

He heard the western lords would undermine
His city's wall, and lay his tow'rs *prostrate*. *Fairfax.*

Groveling and *prostrate* on yon lake of fire. *Milton, P. L.*

2. Lying at mercy.

Look gracious on thy *prostrate* thrall. *Shakspeare.*

At thy knees lie
Our *prostrate* bosomes forc't with prayers to trie,
If any hospitable right, or boone
Of other nature, such as have bin wonne
By laws of other houses, thou wilt give. *Chapman.*

O'er shields, and helms, and helmed heads he rode
Of thrones, and mighty seraphim *prostrate*. *Milton, P. L.*

3. Thrown down in humblest adoration.

The warning sound was no sooner heard, but the churches were filled, the pavement covered with bodies *prostrate*, and washed with tears of devout joy. *Hooker.*

Let us to the place
Repairing where he judg'd us, *prostrate* fall
Before him reverent; and there confess
Humbly our faults, and pardon beg. *Milton, P. L.*

While *prostrate* here in humble grief I lie,
Kind virtuous drops just gath'ring in my eye. *Pope.*

To **Pro'strate.** *v. a.* [*prostratus*, Lat.] This was accented anciently on the first syllable.]

1. To lay flat; to throw down.

In the streets many they slew, and fired divers places, *prostrating* two parishes almost entirely. *Hayward.*

A storm that all things doth *prostrate*
Finding a tree alone all comfortless,
Beats on it strongly, it to ruinate. *Spenser.*

Stake and bind up your weakest plants against the winds, before they come too fiercely, and in a moment *prostrate* a whole year's labour. *Evelyn's Kalendar.*

The drops falling thicker, faster, and with greater force, beating down the fruit from the trees, *prostrating* and laying corn growing in the fields. *Woodward, Nat. Hist.*

2. [*Se prosterner*, Fr.] To throw down in adoration.

Some have *prostrated* themselves an hundred times in the day, and as often in the night. *Duppa.*

PROSTRA'TION. *n. s.* [*prosternation*, Fr. from *prostrate.*]

1. The act of falling down in adoration.

Not is only a resolved *prostration* unto antiquity, a powerful enemy unto knowledge, but any confident adherence unto authority. *Brown, Vulg. Err.*

The worship of the gods had been kept up in temples, with altars, images, sacrifices, hymns, and *prostrations.* *Stillingfleet.*

The truths they had subscribed to in speculation, they reversed by a brutish senseless devotion, managed with a greater *prostration* of reason than of body. *South.*

2. Dejection; depression.

A sudden *prostration* of strength or weakness attends this colick. *Arbuthnot.*

PRO'STYLE. *n. s.* [*prostyle*, Fr. πρόςυλ☉.] A building that has only pillars in the front. *Dict.*

PROSY'LLOGISM.† *n. s.* [*pro* and *syllogism.*]

A *prosyllogism* is when two or more syllogisms are so connected together, that the conclusion of the former is the major or the minor of the following. *Watts.*

I made a *prosyllogism*, which Mr. Parsons in his ignorance called my syllogism! *Bp. Morton, Discharge, &c.* (1633,) p. 201.

PRO'TASIS.† *n. s.* [*protase*, Fr. πρότασις, Gr.]

1. A maxim or proposition.

I would I had not cause to give you this *protasis.* *Bp. Morton, Discharge, &c.* p. 277.

2. In the ancient drama, the first part of a comedy or tragedy that explains the argument of the piece. *Dict.*

Do you look for conclusions in a *protasis?* I thought the law of comedy had reserved to the catastrophe. *B. Jonson, Magn. Lady.*

PROTA'TICK. *adj.* [*protatique*, Fr. προτατικὸς.] Previous.

There are indeed some *protatick* persons in the ancients, whom they use in their plays to hear or give the relation. *Dryden.*

To PROTE'CT. *v. a.* [*protectus*, Lat. *proteger*, Fr.] To defend; to cover from evil; to shield.

The king
Had virtuous uncles to *protect* his grace. *Shakspeare.*

Leave not the faithful side,
That gave thee being, still shades thee, and *protects.* *Milton, P. L.*

Full in the midst of his own strength he stands,
Stretching his brawny arms and leafy hands,
His shade *protects* the plains. *Dryden, Virg.*

PROTE'CTION. *n. s.* [*protection*, Fr. from *protect.*]

1. Defence; shelter from evil.

Drive toward Dover, friend, where thou shalt meet
Both welcome and *protection.* *Shakspeare, K. Lear.*

If the weak might find *protection* from the mighty, they could not with justice lament their condition. *Swift.*

2. A passport; exemption from being molested: as, he had a *protection* during the rebellion.

The law of the empire is my *protection.* *Kettlewell.*

PROTE'CTIVE.† *adj.* [from *protect.*] Defensive; sheltering.

The frays, the trains, the incitements, the opportunity, the occasions of offence, the lures and temptations from abroad, and the businesses and accidents of life, deny us any safety but what we have from the favour of *protective* Providence. *Feltham, Res.* ii. 59.

The stately-sailing swan —
Bears forward fierce, and guards his osier isle,
Protective of his young. *Thomson, Spring.*

PROTE'CTOR. *n. s.* [*protecteur*, Fr. from *protect.*]

1. Defender; shelterer; supporter; one who shields from evil or impression; guardian.

Hither the oppressed shall henceforth resort,
Justice to crave, and succour at your court;
And then your highness, not for our's alone,
But for the world's *protector* shall be known. *Waller.*

The king of Spain, who is *protector* of the commonwealth, received information from the great duke. *Addison.*

2. An officer who had heretofore the care of the kingdom in the king's minority.

Is it concluded, he shall be *protector?*
— It is determin'd, not concluded yet. *Shakspeare.*

PROTE'CTORATE.* *n. s.* [from *protector.*] Government by a protector.

Richard's assumption of the *protectorate* was in every respect agreeable to the laws and usage. *Walpole, Hist. Doubts,* App.

This gentleman had been treated with particular severity, during the *protectorate*, for his attachment to the royal cause. *Wakefield, Mem.* p. 77.

PROTE'CTORSHIP.* *n. s.* [from *protector.*] Office of a protector.

Did he not, in his *protectorship*,
Levy great sums of money through the realm? *Shakspeare, Hen. VI.* P. II.

The commonwealth party cried out upon his [Richard Cromwell's] assuming the *protectorship*, as a high usurpation. *Burnet, Hist. of his Own Time.*

PROTE'CTRESS. *n. s.* [*protectrice*, Fr. from *protector.*] A woman that protects.

All things should be guided by her direction, as the sovereign patroness and *protectress* of the enterprize. *Bacon.*

Behold those arts with a propitious eye,
That suppliant to their great *protectress* fly. *Addison.*

To PROTE'ND.† *v. a.* [*protendo*, Lat.] To hold out; to stretch forth.

All stood with their *protended* spears prepar'd. *Dryden.*
With his *protended* lance he makes defence. *Dryden.*

Grimalkin, to domestick vermin sworn
An everlasting foe, with watchful eye
Lies nightly brooding o'er a chinky gap
Protending her fell claws, to thoughtless mice
Sure ruin! *Philips, Splendid Shilling.*

PROTE'NSE.* *n. s.* [from *protendo*, Lat.] Extension. Not in use.

Begin, O Clio, and recount from hence
My glorious Soveraine's goodly auncestrye,
Till that by dew degrees, and long *protense*,
Thou have it lastly brought unto her Excellence. *Spenser, F. Q.* iii. iii. 4.

PROTE'RVITY.† *n. s.* [*protervitas*, Latin.] Peevishness; petulance. *Bullokar.*

To PROTE'ST. *v. n.* [*protestor*, Lat. *protester*, Fr.] To give a solemn declaration of opinion or resolution.

Here's the twin brother of thy letter; but let thine inherit first, for, I *protest*, mine never shall. *Shakspeare.*

The peaking cornuto comes in the instant, after we had *protested* and spoke the prologue of our comedy. *Shakspeare.*

I have long lov'd her; and I *protest* to you, bestowed much on her; followed her with a doating observance. *Shakspeare.*

He *protests* against your votes, and swears
He'll not be try'd by any but his peers. *Denham.*

The conscience has power to disapprove and to *protest* against the exorbitances of the passions. *South.*

To PROTE'ST. *v. a.*

1. To prove; to show; to give evidence of. Not used.

Many unsought youths, that even now
Protest their first of manhood. *Shakspeare, Macbeth.*

2. To call as a witness.

Fiercely they oppos'd
My journey strange, with clamorous uproar,
Protesting fate supreme. *Milton, P. L.*

PRO'TEST.† *n. s.* [from the verb.]

1. A solemn declaration of opinion commonly against something: as, the lords published a *protest*.

2. [In commercial law.] A notification written upon a copy of a bill of exchange for its non-payment or non-acceptance. *Mason.*

Protest must be made in writing, under a copy of such bill of Exchange by some notary public, or by any other substantial inhabitant in the presence of two credible witnesses; and notice of such *protest* must within fourteen days after be given to the drawer. *Blackstone.*

PRO'TESTANT. *adj.* [from *protest.*] Belonging to protestants.

Since the spreading of the *protestant* religion, several nations are recovered out of their ignorance. *Addison.*

PRO'TESTANT. *n. s.* [*protestant*, Fr. from *protest.*] One of those who adhere to them, who, at the beginning of the Reformation, protested against the errours of the church of Rome.

This is the first example of any protestant subjects that have taken up arms against their king a *protestant*. *King Charles.*

PRO'TESTANTISM.* *n. s.* [from *protestant.*] The protestant religion.

I think I shall speak a great truth, If I say that the only thing that makes *protestantism* considerable in Christendom, is the Church of England. *South, Serm.* v. 64.

There were schisms, in the primitive times, long before popery, ... sequently much longer before *protestantism*, as such, was in being. *Trapp, Popery truly Stated,* P. iii.

When the liberal genius of *protestantism* had perfected its work, and the first fanaticisms of well-meaning but misguided zealots had subsided, every species of useful and elegant knowledge recovered its strength, and arose with new vigour. *Warton, Hist. E. P.* ii. 461.

PRO'TESTANTLY.* *adv.* [from *protestant.*] In conformity to protestants.

Nothing more *protestantly* can be permitted, than a free and lawful debate at all times by writing, conference, or disputation of what opinion soever, disputable by Scripture; concluding that no man in religion is properly a heretick at this day, but he who maintains traditions or opinions not probable by Scripture. *Milton, of Civ. Power in Eccl. Cases.*

PROTESTA'TION. *n. s.* [*protestation*, Fr. from *protest.*] A solemn declaration of resolution, fact, or opinion.

He maketh *protestation* to them of Corinth, that the Gospel did not by other means prevail with them, than with others the same Gospel taught by the rest of the apostles. *Hooker.*

But to your *protestation;* let me hear
What you profess. *Shakspeare, Wint. Tale.*

If the lords of the council issued out any order against them, some nobleman published a *protestation* against it. *Clarendon.*

I smiled at the solemn *protestation* of the poet in the first page, that he believes neither in the fates or destinies. *Addison.*

PROTE'STER. *n. s.* [from *protest.*] One who protests; one who utters a solemn declaration.

Did I use
To stale with ordinary oaths my love
To every new *protester?* *Shakspeare, Jul. Cæs.*

What if he were one of the latest *protesters* against popery? and but one among many, that set about the same work? *Atterbury.*

*PRO'TEUS.** *n. s.* [Latin.] One who assumes any shape: from *Proteus*, a marine deity of the heathens, who was said to appear in various forms. "Hence a *proteus* is taken for an ordinary turncoat, one that shapes his actions and opinions to the times." *Bullokar.*

With the Jews they pass for Jews; being such *proteus's* in religion, that nobody was ever able to discover what shape or standard their consciences are really of. *Maundrell, Trav.* p. 13.

PROTHO'NOTARY.† *n. s.* [*pronotaire*, Fr. *protonotarius*, Lat.] The head register.

I poynt you to be *protonotory*
Of Fame's court. *Skelton, Poems,* p. 23.

Saligniacus, the pope's *prothonotory*, denies the Nubians professing of obedience to the bishop of Rome. *Brerewood.*

He had the *prothonotariship* of the chancery. *Carew.*

PRO'TOCOL. *n. s.* [*protokol*, Dutch; *protocole*, Fr. πρωτοκολλον, from πρῶτος and κολλὴ.] The original copy of any writing.

An original is stiled the *protocol*, or scriptura matrix; and if the *protocol*, which is the root and foundation of the instrument, does not appear, the instrument is not valid. *Ayliffe.*

PRO'TOMARTYR.† *n. s.* [πρῶτος and μάρτυρ.]

1. The first martyr. A term applied to St. Stephen.

Had the glorious *protomartyr* fixed his eyes only upon his persecutors, his heart could not but have failed to see the fire in their faces. *Bp. Hall, Sel. Thoughts,* § 12.

From hence we went immediately to St. Stephen's gate, so called from its vicinity to this place of the *protomartyr's* suffering. *Maundrell, Trav.* p. 103.

2. Any one who suffers first in a cause. Not noticed by Dr. Johnson.

The honour and gallantry of the Earl of Lindsey is so illustrious a subject, that it is fit to adorn an heroick poem; for he was the *protomartyr* of the cause, and the type of his unfortunate royal master. *Dryden, All for Love, Dedic.*

PRO'TOPLAST.† *n. s.* [πρῶτος and πλαστὸς.] Original; thing first formed as a copy to be followed afterwards.

They cannot discern the true essence of things with that clearness, as the *protoplast*, our first parent, could. *Howell, Lett.* ii. 8.

The *protoplast* could have no right to immortality but what was founded in the gratuitous stipulation and covenant of God. *Bp. Bull, Works,* iii. 1083.

The consumption was the primitive disease, which put a period to our *protoplasts*, Adam and Eve. *Harvey.*

PROTOPLA'STICK.* *adj.* [from *protoplast.*] First formed.

Our *protoplastick* sire
Lost paradise by heaven's provoked ire. *Howell, Lex. Tetraglott.* (1660.)

PRO'TOTYPE. *n. s.* [*prototype*, Fr. πρωτότυπον.] The original of a copy; exemplar; archetype.

Man is the *prototype* of all exact symmetry. *Wotton.*

The image and *prototype* were two distinct things; and therefore what belonged to the exemplar could not be attributed to the image. *Stillingfleet.*

To PROTRA'CT. *v. a.* [*protractus*, Latin.] To draw out; to delay; to lengthen; to spin to length.

Where can they get victuals to support such a multitude, if we do but *protract* the war. *Knolles.*

He shrives this woman to her smock;
Else ne'er could he so long *protract* his speech. *Shakspeare.*

PROTRA'CT. *n. s.* [from the verb.] Tedious continuance.

Since I did leave the presence of my love,
Many long weary days I have out-worn,
And many nights, that slowly seem'd to move
Their sad *protract* from evening until morn. *Spenser.*

PROTRA'CTER. *n. s.* [from *protract.*]

1. One who draws out any thing to tedious length.

The prudent part is to propose remedies for the present evils, and *provisions* against future events. *Temple.*

Religion lays the strictest obligations upon men, to make the best *provision* for their comfortable subsistence in this world, and their salvation in the next. *Tillotson.*

3. Accumulation of stores beforehand; stock collected.

Mendoza advertised, that he would valiantly defend the city, so long as he had any *provision* of victuals. *Knolles.*

In such abundance lies our choice,
As leaves a greater store of fruit untouch'd,
Still hanging incorruptible, till men
Grow up to their *provision*. *Milton, P. L.*

David, after he had made such vast *provision* of materials for the temple, yet because he had dipt his hands in blood, was not permitted to lay a stone in that sacred pile. *South.*

4. Victuals; food; provender.

He caused *provisions* to be brought in. *Clarendon.*

Provisions laid in large for man or beast. *Milton, P. L.*

Under whose chin nature hath fastened a little bag, which she hath also taught him to use as a store-house; for in this having filled his belly, he preserveth the remnant of his *provision*. *Heylin.*

5. Terms settled; care taken.

This law was only to reform the degenerate English, but there was no care taken for the reformation of the mere Irish, no ordinance, no *provision* made for the abolishing of their barbarous customs. *Davies on Ireland.*

To Provi'sion.* *v. a.* To supply with provisions.

Provi'sional. *adj.* [*provisionel*, Fr. from *provision*.] Temporarily established; provided for present need.

The commenda semestris grew out of a natural equity, that, in the time of the patron's respite given him to present, the church should not be without a *provisional* pastor. *Ayliffe.*

Provi'sionally. *adv.* [from *provisional*.] By way of provision.

The abbot of St. Martin was born, was baptized, and declared a man *provisionally*, till time should shew what he would prove, nature had moulded him so untowardly. *Locke.*

Provi'sionary.* *adj.* [from *provision*.] Making provision for the occasion.

The preamble of the law, standing as it now stands, has the lie direct given to it by the *provisionary* part of the act. *Burke on American Taxat.* (1774.)

PROVI'SO. *n. s.* [Latin: as, *proviso rem ita se habituram esse*.] Stipulation; caution; provisional condition.

This *proviso* is needful, that the sheriff may not have the like power of life as the marshal hath. *Spenser.*

Some will allow the church no further power, than only to exhort, and this but with a *proviso* too, that it extends not to such as think themselves too wise to be advised. *South.*

He doth deny his prisoners,
But with *proviso* and exception,
That we, at our own charge, shall ransom strait
His brother-in-law. *Shakspeare, Hen. IV.*

Provi'sor.* *n. s.* [Latin; *proviseur*, Fr.]

1. A purveyor. *Cowel.*

2. One who sued to, and looked forward to, the court of Rome, for provision. The practice of such persons was prohibited, 42 Hen. III.

The kings had extremely abridged the papal power in many material particulars: they had passed the statute of *provisors*; the statute of premunire, &c. *Burke, Tracts on the Popery Laws.*

Provi'sory.* *adj.* [*provisoire*, Fr.] Conditional; implying a limitation; including a proviso. Not in use. *Cotgrave.*

Provoca'tion.† *n. s.* [*provocatio*, Lat. *provocation*, Fr.]

1. An act or cause by which anger is raised.

It is a fundamental law in the Turkish empire, that they may without any other *provocation*, make war upon Christendom for the propagation of their law. *Bacon.*

Tempt not my swelling rage
With black reproaches, scorn, and *provocation*. *Smith.*

2. An appeal to a judge.

A *provocation* is every act, whereby the office of the judge or his assistance is asked; a *provocation* including both a judicial and an extrajudicial appeal. *Ayliffe.*

3. I know not whether, in the following passage, it be *appeal* or *incitement*. Dr. Johnson. — In the passage from Hooker, cited by Dr. Johnson, it is undoubtedly *incitement*. It was so used before Hooker wrote, and afterwards by the excellent bishop Pearson.

Though the study and labour were Leylande's in collecting these noble antiquitees, yet was the first *provocacyon* thereunto king Henry's, wyth the payment of all hys charges. *Bale, Leland's New Year's Gift*, sign. K.

The like effects may grow in all towards their pastor, and in their pastor towards every of them, between whom there daily and interchangeably pass in the hearing of God himself, and in the presence of his holy angels, so many heavenly acclamations, exultations, *provocations*, and petitions. *Hooker.*

The great necessity of professing our faith, in that particular, appeareth several ways, as indispensably tending to the illustration of God's glory, the humiliation of mankind, the *provocation* to obedience, the aversion from iniquity, and all consolation in our duty. *Pearson on the Creed*, Art. 1.

Provo'cative.* *adj.* [from *provoke*.] Stimulating; inciting.

No *provocative* verse;
Nothing but what Lucretia might rehearse. *Cartwright on B. Jonson, Plays, &c.* (1651.)

The artificial and *provocative* articles of luxury. *Skelton, Deism Revealed*, Dial. 8.

Provo'cative. *n. s.* [from *provoke*.] Any thing which revives a decayed or cloyed appetite.

There would be no variety of tastes to solicit his palate, and occasion excess, nor any artificial *provocatives* to relieve satiety. *Addison.*

Provo'cativeness. *n. s.* [from *provocative*.] The quality of being provocative.

Provo'catory.* *n. s.* [*provocatoire*, Fr. from *provoke*.] A challenge. *Cotgrave.*

To PROVO'KE. *v. a.* [*provoquer*, Fr. *provoco*, Lat.]

1. To rouse; to excite by something offensive; to awake.

Ye *provoke* me unto wrath, burning incense unto other gods. *Jer.* xliv. 8.

Neither to *provoke* nor dread
New war *provok'd*. *Milton, P. L.*

To whet their courage, and their rage *provoke*. *Dryden.*

I neither fear, nor will *provoke* the war. *Dryden.*

2. To anger; to enrage; to offend; to incense.

Though often *provoked*, by the insolence of some of the bishops, to a dislike of their overmuch fervour, his integrity to the king was without blemish. *Clarendon.*

Such acts
Of contumacy will *provoke* the Highest. *Milton, P. L.*

Agamemnon *provokes* Apollo against them, whom he was willing to appease afterwards. *Pope.*

3. To cause; to promote.

Drink is a great provoker; it *provokes* and unprovokes. *Shakspeare.*

One Petro covered up his patient with warm cloaths, and when the fever began a little to decline, gave him cold water to drink till he *provoked* sweat. *Arbuthnot.*

4. To challenge.

He now *provokes* the sea-gods from the shore,
With envy Triton heard the martial sound,
And the bold champion for his challenge drown'd. *Dryden.*

5. To induce by motive; to move: to incite.

We may not be startled at the breaking of the exterior earth; for the face of nature hath *provoked* men to think of and observe such a thing. *Burnet, Theory.*

To PROVO'KE. *v. n.*

1. To appeal. A Latinism.

Arius and Pelagius durst *provoke*
To what the centuries preceding spoke. *Dryden.*

2. To produce anger.

It was not your brother's evil disposition made him seek his death, but a *provoking* merit. *Shakspeare, K. Lear.*

The Lord abhorred them, because of the *provoking* of his sons. *Deut.* xxxii. 19.

If we consider man in such a loathsome and *provoking* condition, was it not love enough, that he was permitted to enjoy a being. *Bp. Taylor.*

PROVO'KER. *n. s.* [from *provoke.*]

1. One that raises anger.

As in all civil insurrections, the ringleader is looked on with a peculiar severity, so, in this case, the first *provoker* has double portion of the guilt. *Gov. of the Tongue.*

2. Causer; promoter.

Drink, Sir, is a great *provoker* of nosepainting, sleep, and urine. *Shakspeare, Macbeth.*

PROVO'KINGLY. *adv.* [from *provoking.*] In such a manner as to raise anger.

When we see a man that yesterday kept a humiliation, today invading the possessions of his brethren, we need no other proof how hypocritically and *provokingly* he confessed his pride. *Dec. of Chr. Piety.*

PRO'VOST. *n. s.* [ꝓꞃoꝼaꞅꞇ, Sax. *provost*, Fr. *provosto*, Ital. *præpositus*, Lat.]

1. The chief of any body: as, the *provost* of a college.

He had particular intimacy with Dr. Potter, *provost* of Queen's college. *Fell.*

2. The executioner of an army.

Kingston, *provost* marshal of the king's army, was deemed not only cruel but inhuman in his executions. *Hayward.*

PRO'VOSTSHIP.✝ *n. s.* [ꝓꞃoꝼaꞅꞇꞅcipe, Sax.] The office of a provost.

C. Piso first rose, and afterwards was advanced to the *provostship* of Rome by Tiberius. *Hakewill.*

That was as much in value, as my *provostship* [of Eton college] were worth at a market. *Wotton, Rem.* p. 563.

PROW. *n. s.* [*proue*, Fr. *proa*, Spanish; *prora*, Lat.] The head or forepart of a ship.

The sea-victory of Vespasian was a lady holding a palm in her hand, at her foot the *prow* of a ship. *Peacham on Drawing.*

Straight to the Dutch he turns his dreadful *prow*,
More fierce th' important quarrel to decide. *Dryden.*

PROW.✝ *adj.* [*preux*, old French; from *probus*, Latin. Our old word was *preu*, "A worthy knyght, *preu* and hardy." Hist. of K. Arthur, ch. 20.] Valiant. See also PROWEST.

Great ayd thereto his mighty puissance
And dreaded name shall give in that sad day:
Where also proofe of thy *prow* valliance
Thou then shalt make. *Spenser, F. Q.* iii. iii. 28.

PRO'WESS, *n. s.* [*prodezza*, Italian; *prouesse*, Fr.] Bravery; valour: military gallantry.

Men of such *prowess*, as not to know fear in themselves, and yet to teach it in others that should deal with them; for they had often made their lives triumph over most terrible dangers, never dismayed, and ever fortunate. *Sidney.*

I hope
That your wisdom will direct my thought,
Or that your *prowess* can me yield relief. *Spenser.*

Henry the Fifth by his *prowess* conquered all France. *Shakspeare.*

Nor should thy *prowess* want praise and esteem,
But that 'tis shewn in treason. *Shakspeare, Hen. VI.*

Those are they
First seen in acts of *prowess* eminent,
And great exploits; but of true virtue void. *Milton, P. L.*

Michael! of celestial armies prince;
And thou in military *prowess* next,
Gabriel! *Milton, P. L.*

The vigour of this arm was never vain,
And that my wanted *prowess* I retain,
Witness these heaps of slaughter on the plain. *Dryden.*

These were the entertainments of the softer nations, that fell under the virtue and *prowess* of the two last empires. *Temple.*

PRO'WEST.✝ *adj.* [the superlative formed from *prow*, adj.] Bravest; most valiant.

They be two of the *prowest* knights on ground,
And oft approv'd in many a hard assay,
And eke of surest steel, that may be found:
Do arm yourself against that day them to confound. *Spenser.*

The fairest of her sex, Angelica,
His daughter, sought by many *prowest* knights. *Milton, P. L.*

To PROWL.✝ *v. a.* [Of this word the etymology is doubtful: the old dictionaries write *prole*, which the dreamer Casaubon derives from προαλής, ready, quick. Skinner, a far more judicious etymologist, deduces it from *proieler*, a diminutive formed by himself from *proier*, to prey, Fr. Perhaps it may be formed, by accidental corruption, from *patrol.*]

1. To rove over.

He *prowls* each place, still in new colours deckt,
Sucking one's ill, another to infect. *Sidney.*

2. To collect by plunder.

By how many tricks did the pope *prowl* money from all parts of Christendom. *Barrow on the Pope's Supremacy.*

To PROWL.✝ *v. n.* To rove about in search of a thing; to wander for prey; to prey; to plunder.

Though ye *prolle* ay, ye shall it never find. *Chaucer, Chan. Yeom. Tale.*

The champion robbeth by night,
And *prowleth* and filcheth by daie. *Tusser.*

Nor do they bear so quietly the loss of some parcels confiscated abroad, as the great detriment which they suffer by some *prowling* vice-admiral or publick minister. *Ralegh.*

At when a *prowling* wolf,
Whom hunger drives to seek new haunt for prey. *Milton, P. R.*

Shall he, who looks erect on heaven,
E'er stoop to mingle with the *prowling* herd,
And dip his tongue in gore. *Thomson.*

PROWL.* *n. s.* [from the verb.] Ramble for plunder. A low colloquial expression.

PRO'WLER.✝ *n. s.* [from *prowl.*] One that roves about for prey.

Subtle *prowlers*, pastors in name, but indeed wolves. *Milton, Hist. of Eng.* B. 3.

On churchyards drear,
The disappointed *prowlers* fall, and dig
The shrouded body from the grave. *Thomson.*

PRO'XIMATE. *adj.* [*proximus*, Lat.] Next in the series of ratiocination; near and immediate: opposed to *remote* and *mediate.*

Writing a theory of the deluge, we were to shew the *proximate* natural causes of it. *Burnet, Theory.*

Substance is the remote genus of bird, because it agrees not only to all kinds of animals, but also to things inanimate; but animal is the *proximate* or nearest genus of bird, because it agrees to fewest other things. *Watts, Logick.*

PRO'XIMATELY. *adv.* [from *proximate.*] Immediately; without intervention.

The consideration of our mind, which is incorporeal, and the contemplation of our bodies, which have all the charac-

ters of excellent contrivance; these alone easily and *proximately* guide us to the wise Author of all things. *Bentley.*

Pro'xime. *adj.* [*proximus*, Lat.] Next; immediate.

A syllogism is made up of three propositions, and these of three terms variously joined: the three terms are called the remote matter of a syllogism, the three propositions the *proxime* or immediate matter of it. *Watts, Logick.*

Proxi'mity. *n. s.* [*proximité*, Fr. *proximitas*, from *proximus*, Lat.] Nearness.

When kingdoms have customably been carried by right of succession, according to *proximity* of blood, the violation of this course hath always been dangerous. *Hayward.*

If he plead *proximity* of blood,
That empty title is with ease withstood. *Dryden.*

Add the convenience of the situation of the eye, in respect of its *proximity* to the brain, the seat of common sense. *Ray.*

I can call to my assistance
Proximity, mark that! and distance. *Prior.*

Must we send to stab or poison all the popish princes, who have any pretended title to our crown by the *proximity* of blood? *Swift, Miscell.*

PRO'XY. *n. s.* [By contraction from *procuracy*.]

1. The agency of another.
2. The substitution of another; the agency of a substitute; appearance of a representative.

None acts a friend by a deputy, or can be familiar by *proxy*. *South.*

Had Hyde thus sat by *proxy* too,
As Venus once was said to do,
The painter must have search'd the skies,
To match the lustre of her eyes. *Granville.*

3. The person substituted or deputed.

A wise man will commit no business of importance to a *proxy*, where he may do it himself. *L'Estrange.*

We must not think that we, who act only as their *proxies* and representatives, may do it for them. *Kettlewell.*

Pro'xyship.* *n. s.* [from *proxy*.] Office of a proxy.

The two cases are so like: — the same correspondence and *proxyship* between these spirits and their images; the same malice and opposition against faith and God's ordinance. *Brevint, Saul and Sam. at Endor*, p. 394.

Pruce. *n. s.* [*Pruce* is the old name for Prussia.] Prussian leather.

Some leathern bucklers use
Of folded hides, and other shields of *pruce*. *Dryden.*

PRUDE.† *n. s.* [*prude*, Fr. Dr. Johnson. — Menage remarks on *prude*, that Huet admitted it to be also a Saxon word; and derived it from the Lat. *prudens*. Menage himself derives it from *provida*: others, he says, from *proba*. The Saxon pꞃuꝺe or pꞃuꞇ agrees with the character of a prude, as meaning *proud*, haughty, conceited: or, with Serenius, it may be referred to the Icel. *prudr*, decorous, modest; the prude affecting to be such.] A woman over-nice and scrupulous, and with false affectation.

The *prude* and coquette, as different as they appear in their behaviour, are in reality the same kind of women. The motive of action in both is the affectation of pleasing men. They are sisters of the same blood and constitution; only one chooses a grave, and the other a light dress. The *prude* appears more virtuous, the coquette more vicious, than she really is. The distant behaviour of the *prude* tends to the same purpose as the advances of the coquette; and you have as little reason to fall into despair from the severity of one, as to conceive hopes from the familiarity of the other. *Tatler*, No. 126.

The graver *prude* sinks downward to a gnome,
In search of mischief, still on earth to roam. *Pope.*

Not one careless thought intrudes,
Less modest than the speech of *prudes*. *Swift.*

Pru'dence. *n. s.* [*prudence*, Fr. *prudentia*, Lat.] Wisdom applied to practice.

Under *prudence* is comprehended, that discreet, apt, suiting, and disposing as well of actions as words, in their due place, time, and manner. *Peacham.*

Prudence is principally in reference to actions to be done, and due means, order, seasons, and method of doing or not doing. *Hale.*

If the probabilities on the one hand should somewhat preponderate the other, yet if there be no considerable hazard on that side, which has the least probability, and a very great apparent danger in a mistake about the other: in this case *prudence* will oblige a man to do that which may make most for his own safety. *Wilkins.*

PRU'DENT. *adj.* [*prudent*, Fr. *prudens*, Lat.]

1. Practically wise.

The simple inherit folly, but the *prudent* are crowned with knowledge. *Prov.* xiv. 18.

I have seen a son of Jesse, that is a man of war, and *prudent* in matters. 1 *Sam.* xvi. 18.

The monarch rose preventing all reply,
Prudent, lest from his resolution rais'd
Others among the chiefs might offer. *Milton, P. L.*

2. Foreseeing by natural instinct.

So steers the *prudent* crane
Her annual voyage. *Milton, P. L.*

Prude'ntial. *adj.* [from *prudent*.] Eligible on principles of prudence.

He acts upon the surest and most *prudential* grounds, who, whether the principles, which he acts upon, prove true or false, yet secures a happy issue to his actions. *South.*

Motives are only *prudential*, and not demonstrative. *Tillotson.*

These virtues, though of excellent use, some *prudential* rules it is necessary to take with them in practice. *Rogers.*

Prude'ntials. *n. s.* Maxims of prudence or practical wisdom.

Many stanzas, in poetick measures, contain rules relating to common *prudentials*, as well as to religion. *Watts.*

Prudentia'lity. *n. s.* [from *prudential*.] Eligibility on principles of prudence.

Being incapable rightly to judge of the *prudentiality* of affairs, they only gaze upon the visible success, and thereafter condemn or cry up the whole progression. *Brown.*

Prude'ntially. *adv.* [from *prudential*.] According to the rules of prudence.

If he acts piously, soberly, and temperately, he acts *prudentially* and safely. *South.*

Pru'dently. *adv.* [from *prudent*.] Discreetly; judiciously.

These laws were so *prudently* framed, as they are found fit for all succeeding times. *Bacon, Hen. VII.*

Such deep designs of empire does he lay
O'er them, whose cause he seems to take in hand;
And *prudently* would make them lords at sea,
To whom with ease he can give laws by land. *Dryden.*

Pru'dery.† *n. s.* [from *prude*.] Overmuch nicety in conduct.

Whatever notion she may have of her perfection, she deceives her own heart, and is still in the state of *prudery*. *Tatler*, No. 126.

What is *prudery*? 'Tis a beldam,
Seen with wit and beauty seldom. *Pope.*

Pru'dish. *adj.* [from *prude*.] Affectedly grave.

I know you all expect, from seeing me,
Some formal lecture, spoke with *prudish* face. *Garrick.*

To **PRUNE.**† *v. a.* [of unknown derivation. Dr. Johnson. — Mr. Tyrwhitt, with great probability, deduces it from the Fr. *provigner*, (or *prouigner*,) originally meaning to take cuttings from vines, in order to plant them out. Hence, he says, it has been used for the cutting away of the superfluous shoots of all trees; which we now call *pruning*; and for that operation which birds, and particularly hawks, perform upon themselves, of picking

out' their superfluous or damaged feathers. See also Menage: *Provigner* de *propaginare*, qu' Isidore explique "flagellum vitis, terræ submersum, sternere." *Provin.* Les Angevins disent *prouain.* Our word has the forms of *preen, proine,* and *prune.*]

1. To lop; to divest trees of their superfluities.

So lop'd and *pruned* trees do flourish fair. *Davies.*

Let us ever extol
His bounty, following our delightful task,
To *prune* those growing plants, and tend these flowers. *Milton, P. L.*

What we by day
Lop overgrown, or *prune*, or prop, or bind,
One night with wanton growth derides,
Tending to wild. *Milton, P. L.*

Horace will our superfluous branches *prune*,
Give us new rules, and set our harp in tune. *Waller.*

You have no less right to correct me, than the same hand that raised a tree, has to *prune* it. *Pope.*

2. To clear from excrescences; to trim.

His royal bird
Prunes the immortal wing, and cloys his beak. *Shakspeare.*

Some sitting on the beach to *prune* their painted breasts. *Drayton, Polyolb.* S. 1.

Many birds *prune* their feathers; and crows seem to call upon rain, which is but the comfort they receive in the relenting of the air. *Bacon, Nat. Hist.*

The muse, whose early voice you taught to sing,
Prescrib'd her heights, and *prun'd* her tender wing. *Pope.*

To PRUNE. *v. n.* To dress; to prink. A ludicrous word.

Every scribbling man
Grows a fop as fast as e'er he can,
Prunes up, and asks his oracle the glass,
If pink or purple best become his face. *Dryden.*

PRUNE. *n. s.* [*prune, prúneau*, Fr. *prunum*, Lat.] A dried plum.

In drying of pears and *prunes* in the oven, and removing of them, there is a like operation. *Bacon, Nat. Hist.*

PRU'NEL. *n. s.* [*prunella.*] An herb. *Ainsworth.*

PRUNE'LLO. *n. s.*

1. A kind of stuff of which the clergymen's gowns are made.

Worth makes the man, and want of it the fellow;
The rest is all but leather or *prunello.* *Pope.*

2. [*Prunelle*, Fr.] A kind of plum. *Ainsworth.*

PRU'NER. *n. s.* [from *prune.*] One that crops trees.

Lest thy redundant juice
Should fading leaves, instead of fruits, produce,
The *pruner's* hand with letting blood must quench
Thy heat, and thy exuberant parts retrench. *Denham.*

PRUNI'FEROUS. *adj.* [*prunum* and *fero*, Lat.] Plumbearing.

PRU'NINGHOOK. } *n. s.* A hook or knife used in
PRU'NINGKNIFE. } lopping trees.

Let thy hand supply the *pruningknife*,
And crop luxuriant stragglers. *Dryden.*

No plough shall hurt the glebe, no *pruninghook* the vine. *Dryden, Virg.*

The cyder land obsequious still to thrones,
Her *pruninghooks* extended into swords. *Philips.*

PRU'RIENCE.† } *n. s.* [from *prurio*, Lat. which
PRU'RIENCY. } is from *uro*, to burn; and that from the Gr. πῦρ, fire.] An itching or a great desire or appetite to any thing. *Swift.*

Gratifying a certain *pruriency* of taxation that seems to infect his blood. *Burke, Obs. on the State of the Nat.* (1769.)

PRU'RIENT.† *adj.* [*pruriens*, Lat.] Itching. Dr. Johnson has no other authority than the name of Ainsworth. I find the word in use in 1639, but in a passage not worth citing.

The depravations of a *prurient* curiosity. *Warton, Hist. E. P.* iv. 68.

PRURI'GINOUS.† *adj.* [*prurigo*, Lat.] Tending to an itch.

Their blood becoming *pruriginous*, and exalted, by the salt and corrupt diet, as it often does, produces mange, scabs, and leprosies. *Greenhill, Art of Embalming*, (1705,) p. 164.

*PRURI'GO.** *n. s.* [Latin.] Itch.

A fever he had, but not of any acute kind; an unsufferable *prurigo* over all his body, with continual tortures of the colon. *Gregory, Posthum.* (1640,) p. 102.

To PRY. *v. n.* [of unknown derivation.] To peep narrowly; to inspect officiously, curiously, or impertinently.

I can counterfeit the deep tragedian,
Speak, and look back, and *pry* on ev'ry side,
Intending deep suspicion. *Shakspeare, Rich. III.*

I *pry'd* me through the crevice of a wall,
When for his hand he had his two sons heads. *Shakspeare.*

Watch thou, and wake when others be asleep,
To *pry* into the secrets of the state. *Shakspeare.*

We of th' offending side
Must keep aloof from strict arbitrement;
And stop all sight holes, every loop, from whence
The eye of reason may *pry* in upon us. *Shakspeare.*

He that *prieth* in at her windows, shall also hearken at her doors. *Ecclus.* xiv. 23.

We have naturally a curiosity to be *prying* and searching into forbidden secrets. *L'Estrange.*

Search well
Each grove and thicket, *pry* in every shape,
Lest hid in some the arch hypocrite escape. *Dryden.*

I wak'd, and looking round the bow'r
Search'd ev'ry tree, and *pry'd* on ev'ry flow'r,
If any where by chance I might espy
The rural poet of the melody. *Dryden.*

Nor need we with a *prying* eye survey
The distant skies, to find the milky way. *Creech.*

Actions are of so mixt a nature, that as men *pry* into them, or observe some parts more than others, they take different hints, and put contrary interpretations on them. *Addison.*

All these I frankly own without denying;
But where has this Praxiteles been *prying.* *Addison.*

PRY'INGLY.* *adv.* [from *prying.*] With impertinent curiosity.

Let it suffice we have the fact to terrify us, without examining too *pryingly* and solicitously into the reasons of so unparalleled a transformation. *Biblioth. Bibl.* (*on Gen.* xix. 26.) i. 427.

PSALM.† *n. s.* [pꞅalm, Saxon; *psalme, pseaume*, Fr. ψαλμος.] A holy song.

The choice and flower of all things profitable in other books, the *psalms* do both more briefly contain and more movingly express, by reason of that poetical form wherewith they are written. *Hooker.*

Sternhold was made groom of the chamber, for turning certain of David's *psalms* into verse. *Peacham.*

Those just spirits that wear victorious palms,
Hymns devout and holy *psalms*
Singing continually. *Milton, Ode.*

In another *psalm*, he speaks of the wisdom and power of God in the creation. *Burnet, Theory.*

She, her daughters, and her maids, meet together at all the hours of prayer in the day, and chant *psalms*, and other devotions, and spend the rest of their time in such good works, and innocent diversions, as render them fit to return to their *psalms* and prayers. *Law.*

PSA'LMIST. *n. s.* [*psalmiste*, Fr. from *psalm.*] Writer of holy songs.

How much more rational is this system of the *psalmist*, than the Pagans scheme in Virgil, where one deity is represented as raising a storm, and another as laying it. *Addison.*

PSALMO'DICAL.* } *adj.* [from *psalmody.*] Relating
PSA'LMODICK. } to psalmody.

The real design was — to accommodate every part of the service to the *psalmodic* tone. *Warton, Hist. E. P.* iii. 168.

If queen Elizabeth patronized cathedral musick exclusively, she did not interdict *psalmodical.* *Mason on Church Mus.* p. 170.

Psa'lmodist.* *n. s.* [from *psalmody.*] One who sings holy songs.

It will be thought as fit for our lips and hearts as for our ears, to turn *psalmodists.* *Hammond on the Ps.* Pref.

Anciently, the word was sometimes *podle*, and *poodle*. "A *podle* or slough." Huloet.] A small muddy lake; a dirty plash.

The Hebrews drink of the well-head, the Greeks of the stream, and the Latins of the *puddle*. *Bp. Hall.*

Thou did'st drink
The stale of horses, and the gilded *puddle*
Which beasts would cough at. *Shakspeare, Ant. and Cleop.*

A physician cured madmen thus: they were tied to a stake, and then set in a *puddle*, till brought to their wits. *L'Estrange.*

Treading where the treacherous *puddle* lay,
His heels flew up; and on the grassy floor
He fell, besmear'd with filth. *Dryden, Virg.*

Happy was the man, who was sent on an errand to the most remote street, which he performed with the greatest alacrity, ran through every *puddle*, and took care to return covered with dirt. *Addison, Freeholder.*

To **Pu'ddle.** *v. a.* [from the noun.] To muddy; to foul or pollute with dirt; to mix dirt and water.

As if I saw my sun shine in a *puddled* water, I cried out of nothing but Mopsa. *Sidney.*

Some unhatch'd practice
Hath *puddled* his clear spirit; and, in such cases,
Men's natures wrangle with inferiour things,
Though great ones are the object. *Shakspeare, Othello.*

His beard they have singed off with brand of fire,
And ever as it blaz'd, they threw on him
Great pails of *puddled* mire to quench the hair. *Shakspeare, Com. of Err.*

The noblest blood of Africk
Runs in my veins, a purer stream than thine;
For, though derived from the same source, thy current
Is *puddl'd* and defil'd with tyranny. *Dryden.*

To **Pu'ddle.*** *v. n.* To make a dirty stir.

Indeed I were very simple, if with Crabronius I should *poodle* in a wasp's nest, and think to purchase ease by it! *Junius, Sin Stigmat.* (1639,) Pref.

Have I not heard the sea, *puff'd up* with winds,
Rage like an angry boar chafed with sweat? *Shakspeare.*

Let him fall by his own greatness,
And *puff* him *up* with glory, till it swell
And break him. *Denham, Sophy.*

Flattering of others, and boasting of ourselves, may be referred to lying; the one to please others, and *puff* them *up* with self-conceit; the other to gain more honour than is due to ourselves. *Ray on the Creation.*

2. To drive or agitate with blasts of wind.

I have seen the cannon,
When it has blown his ranks into the air,
And from his arm *puff'd* his own brother. *Shakspeare.*

The unerring sun by certain signs declares,
When the South projects a stormy day,
And when the clearing North will *puff* the clouds away.
Dryden, Virg.

Why must the winds all hold their tongue?
If they a little breath should raise,
Would that have spoil'd the poet's song,
Or *puff'd* away the monarch's praise? *Prior.*

I have been endeavouring very busily to raise a friendship, which the first breath of any ill-natured by-stander could *puff* away. *Pope.*

3. To drive with a blast of breath scornfully.

I can enjoy her while she's kind,
But when she dances in the wind,
And shakes her wings, and will not stay,
I *puff* the prostitute away;
The little or the much she gave is quietly resign'd. *Dryden.*

4. To swell or blow up with praise.

The attendants of courts engage them in quarrels of jurisdiction, being truly parasiti curiæ, in *puffing* a court *up* beyond her bounds for their own advantage. *Bacon.*

2. Inferiour; lower in rank.

When the place of a chief judge becomes vacant, a *puisne* judge, who hath approved himself deserving, should be preferred. *Bacon, Adv. to Villiers.*

3. Petty; inconsiderable; small.

A *puisne* tilter, that spurs his horse but on one side, breaks his staff like a noble goose. *Shakspeare, As you like it.*

PUI'SSANCE.† *n. s.* [*puissance*, Fr. This word seems to have been pronounced with only two syllables. Dr. Johnson. — Not always so formerly: for though Spenser has repeatedly used it as a word of only two syllables, he has also evidently made it a word of three. Some of the poets of our own time have, I think, in *puissance* and *puissant*, affected this trisyllabical pronunciation.] Power; strength; force.

Greate ayd thereto his mighty *puissaunce*
And dreaded name shall give in that sad day:
Where also proofe of thy prow valiaunce
Thou then shalt make. *Spenser, F. Q.* iii. iii. 28.

The chariots were drawn not by the strength of horses, but by the *puissance* of men. *Destruct. of Troy.*

Grandsires, babies, and old women;
Or past, or not arriv'd to, pith and *puissance*. *Shakspeare.*

Look with forehead bold and big enough
Upon the power and *puissance* of the king. *Shakspeare.*

Our *puissance* is our own; our own right hand
Shall teach us highest deeds. *Milton, P. L.*

PUI'SSANT. *adj.* [*puissant*, Fr.] Powerful; strong; forcible.

The queen is coming with a *puissant* host. *Shakspeare.*

Told the most piteous tale of Lear
That ever ear receiv'd; which in recounting
His grief grew *puissant*, and the strings of life
Began to crack. *Shakspeare.*

The climate of Syria, the far distance from the strength of Christendom, and the near neighbourhood of those that were most *puissant* among the Mahometans, caused that famous enterprise, after a long continuance of terrible war, to be quite abandoned. *Ralegh, Ess.*

For piety renown'd, and *puissant* deeds. *Milton, P. L.*

PUI'SSANTLY. *adv.* [from *puissant.*] Powerfully; forcibly.

Persyng our hertis with thy *pulchritude*.
Chaucer, Court of Love, ver. 613.

Neither will it agree unto the beauty of animals, wherein there is an approved *pulchritude*. *Brown, Vulg. Err.*

Pulchritude is conveyed by the outward senses unto the soul, but a more intellectual faculty is that which relishes it. *More.*

That there is a great *pulchritude* and comeliness of proportion in the leaves, flowers, and fruits of plants, is attested by the general verdict of mankind. *Ray on the Creation.*

By their virtuous behaviour they compensate the hardness of their favour, and by the *pulchritude* of their souls make up what is wanting in the beauty of their bodies. *Ray.*

To PULE.† *v. n.* [*piauler*, Fr.]

1. To cry like a chicken; to whine like a young whelp. See PULING. *Cotgrave.*

2. To whine; to cry; to whimper.

To speak *puling* like a beggar at Hallomass. *Shakspeare.*

To have a wretched *puling* fool,
A whining mammet in her fortune's tender,
To answer, I'll not wed. *Shakspeare, Rom. and Jul.*

Weak *puling* things unable to sustain
Their share of labour, and their bread to gain. *Dryden.*

When ice covered the water, the child bathed his legs; and when he began this custom, was *puling* and tender. *Locke.*

This *puling* whining harlot rules his reason,
And prompts his zeal for Edward's bastard brood. *Rowe.*

PU'LICK. *n. s.* An herb. *Ainsworth.*

Let the songs be loud and cheerful, and not chirpings or *pulings*. *Bacon.*

PU'LINGLY.* *adv.* [from *puling.*] With whining; with complaint.

I do not long to have
My sleep ta'en from me, and go *pulingly*,
Like a poor wench [who] had lost her market-money.
Beaum. and Fl. Captain.

PU'LIOL. *n. s.* An herb. *Ainsworth.*

To PULL. *v. a.* [pullian, Saxon.]

1. To draw violently towards one: opposed to *push*, which is to drive from one.

What they seem to offer us with the one hand, the same with the other they *pull* back. *Hooker.*

He put forth his hand, and *pulled* the dove in. *Gen.* viii. 9.

His hand which he put forth dried up, so that he could not *pull* it in again. 1 *Kings*, xiii. 4.

Pull them out like sheep for the slaughter, and prepare them for the day of slaughter. *Jer.* vii. 11.

They *pulled* away the shoulder and stopped their ears. *Zech.*

Ill fortune never crushed that man, whom good fortune deceived not; I therefore have counselled my friends to place all things she gave them so, as she might take them from them, not *pull* them. *B. Jonson, Discoveries.*

. To draw forcibly: commonly with *on* or *off*, or some other particle.

He was not so desirous of wars, as without just cause of his own to *pull* them *upon* him. *Hayward.*

A boy came in great hurry to *pull off* my boots. *Swift.*

. To pluck; to gather.

When bounteous Autumn rears his head,
He joys to *pull* the ripen'd pear. *Dryden.*

Flax *pulled* in the bloom, will be whiter and stronger than if let stand till the seed is ripe. *Mortimer.*

4. To tear; to rend.

He hath turned aside my ways, and *pulled* me in pieces; he hath made me desolate. *Lam.* iii. 2.

5. *To* PULL *down.* To subvert; to demolish.

Although it was judged in form of a statute, that he should be banished, and his whole estate confiscated, and his houses *pulled down*, yet his case even then had no great blot of ignominy. *Bacon.*

In political affairs, as well as mechanical, it is far easier to *pull down* than build up; for that structure, which was above ten summers a building, and that by no mean artists, was destroyed in a moment. *Howell, Voc. For.*

When God is said to build or *pull down*, 'tis not to be understood of an house; God builds and unbuilds worlds. *Burnet.*

6. *To* PULL *down.* To degrade.

He begs the gods to turn blind fortune's wheel,
To raise the wretched, and *pull down* the proud. *Roscommon.*

What title has this queen but lawless force?
And force must *pull* her *down*. *Dryden.*

They may be afraid to *pull down* ministers and favourites grown formidable. *Davenant.*

7. *To* PULL *up.* To extirpate; to eradicate.

What censure, doubting thus of innate principles, I may deserve from men, who will be apt to call it *pulling up* the old foundations of knowledge, I cannot tell; I persuade myself, that the way I have pursued, being conformable to truth, lays those foundations surer. *Locke.*

PULL. *n. s.* [from the verb.]

1. The act of pulling.

I awaked with a violent *pull* upon the ring, which was fastened at the top of my box. *Swift, Gulliv. Trav.*

2. Contest; struggle.

This wrestling *pull* between Corineus and Gogmagog is reported to have befallen at Dover. *Carew.*

3. Pluck; violence suffered.

Duke of Glo'ster, scarce himself,
That bears so shrewd a maim; two *pulls* at once;
His lady banish'd, and a limb lopt off. *Shakspeare.*

PU'LLBACK.* *n. s.* [*pull* and *back.*] That which keeps back; a restraint.

To run on in despite of the revulsions and *pullbacks* of such remoras, aggravates our transgressions. *Brown, Chr. Mor.* iii. 10.

We find so many *pullbacks* within us, so many strong and stubborn aversions to our good inclinations.
Scott, Chr. Life, P. i. ch. 3.

PU'LLEN.† *n. s.* [*pulain*, old Fr. Dr. Johnson.— See PULLET. *Pullen* or *pullain*, is still our northern word, and is old in our language, though Dr. Johnson could find no other authority for it than the name of Bailey.] Poultry.

What have you to do with *pullen* or partridge?
Beaum. and Fl. Love's Cure.

Search their houses, and you shall find no butter salted up against winter, no powdering tub, no *pullein* in the rickbarton, no flesh in the pot or at the spit.
Heylin, Descr. of France.

PU'LLER.† *n. s.* [from *pull.*]

1. One that pulls.

Shameless Warwick, peace?
Proud setter up and *puller* down of kings. *Shakspeare.*

2. That which draws forcibly; an inciter.

Up comes a service of shoeing-horns of all sorts; as rashers on the coals, red herrings, a gammon of bacon, cavecary, anchovies, and abundance of such *pullers* on! And then begin the full pots to go round about the table, and the empty against the walls! *Junius, Sin Stigmat.* (1639,) p. 270.

PU'LLET.† *n. s.* [*poulet*, Fr. from *poule*; whence our POULT. "Ces mots viennent du Latin *pullus*, fait du Grec πῶλος, qui signifie en général le petit d'un animal, et particulièrement un *poulain*, un jeune cheval. Les Latins ont étendu cette signification aux *petits des oiseaux*, et même aux rejetons des arbres." Morin in V. POULE.] A young hen.

Brew me a pottle of sack finely.
—With eggs, sir?
—Simple of itself; I'll no *pullet* sperm in my brewage.
Shakspeare.

I felt a hard tumour on the right side, the bigness of a *pullet*'s egg. *Wiseman, Surgery.*

They died not because the *pullets* would not feed, but because the devil foresaw their death, he contrived that abstinence in them. *Brown, Vulg. Err.*

PU'LLEY. *n. s.* [*poulie*, Fr.] A small wheel turning on a pivot, with a furrow on its outside in which a rope runs.

Nine hundred of the strongest men were employed to draw up these cords by many *pulleys* fastened on the poles, and, in three hours, I was raised and slung into the engine. *Swift.*

Here *pullies* make the ponderous oak ascend. *Gay.*

To PU'LLULATE.† *v. n.* [*pullulo*, Lat. *pulluler*, Fr. This is an old word in our language, though given by Dr. Johnson without any authority or example.] To germinate; to bud.

Money is but as drugs and lenitive ointments, to mitigate the swellings and diseases of the body, whose root remaineth still within, and pullulateth again, after the same or some other manner: but wisdom is a spirit incorporated into the radical humour, giving health, strength, and life to the body, to extirpate the roots of all diseases. *Granger on Ecclesiastes*, (1621,) p. 175.

Which would have stifled the *pullulating* evil. *Warburton, All. of Ch. and State*, (1736,) p. 135.

PULLULA'TION.* *n. s.* [from *pullulate*.] The act of budding or growing.

These were the generations or *pullulations* of the heavenly and earthly nature. *More, Conj. Cabb.* (1653,) p. 64.

What has the appearance of vice in its first *pullulations*. *Phil. Lett. on Physiognomy*, (1751,) p. 143.

PU'LMONARY. *adj.* [from *pulmo*, Lat.] Belonging to the lungs.

Often these unhappy sufferers, for want of sufficient vigour and spirit to carry on the animal regimen, drop into a true *pulmonary* consumption. *Blackmore.*

The force of the air upon the *pulmonary* artery is but small in respect to that of the heart. *Arbuthnot.*

PU'LMONARY. *n. s.* [*pulmonaire*, Fr. *pulmonaria*, Lat.] The herb lungwort. *Ainsworth.*

PULMO'NICK. *adj.* [*pulmo*, Lat.] Belonging to the lungs.

An ulcer of the lungs may be a cause of *pulmonick* consumption, or consumption of the lungs. *Harvey.*

Cold air, by its immediate contact with the surface of the lungs, is capable of producing defluxions upon the lungs, ulcerations, and all sorts of *pulmonick* consumptions. *Arbuthnot.*

PULMO'NICK.* *n. s.* One affected with a disorder of the lungs.

Pulmonicks are subject to consumptions, and the old to asthmas. *Arbuthnot.*

PULP. *n. s.* [*pulpa*, Lat. *pulpe*, Fr.]

1. Any soft mass.

The jaw bones have no marrow severed, but a little *pulp* of marrow diffused. *Bacon, Nat. Hist.*

2. The soft part of fruit; the part of fruit distinct from the seeds and rind.

The savoury *pulp* they chew, and in the rind,
Still as they thirsted, scoop the brimming stream. *Milton, P. L.*

Besides this use of the *pulp* or pericarpium, for the guard of the seed, it serves also by a secondary intension, for the sustenance of man and other animals. *Ray.*

The grub
Oft unobserv'd invades the vital core,
Pernicious tenant! and her secret cave
Enlarges hourly, preying on the *pulp*
Ceaseless. *Philips.*

PU'LPIT. *n. s.* [*pulpitum*, Lat. *pulpitre*, *pupitre*, Fr.]

1. A place raised on high, where a speaker stands.

Produce his body to the market-place,
And in the *pulpit*, as becomes a friend,
Speak in the order of his funeral. *Shakspeare, Jul. Cæs.*

2. The higher desk in the church, where the sermon is pronounced: distinct from the lower desk where prayers are read.

We see on our theatres, the examples of vice rewarded, yet it ought not to be an argument against the art, any more than the impieties of the *pulpit* in the late rebellion. *Dryden.*

Sir Roger has given a handsome *pulpit* cloth, and railed in the communion table. *Addison, Spect.*

Bishops were not wont to preach out of the *pulpit*. *Ayliffe.*

Pulpits their sacred satire learn'd to spare,
And vice admir'd to find a flatterer there. *Pope.*

PU'LPOUS.† *adj.* [*poulpeux*, Fr. Cotgrave; from *pulp*.] Soft; pappy.

The redstreak's *pulpous* fruit
With gold irradiate, and vermillion shines. *Philips.*

PU'LPOUSNESS. *n. s.* [from *pulpous*.] The quality of being pulpous.

PU'LPY. *adj.* [from *pulp*.] Soft; pappy.

In the walnut and plumbs is a thick *pulpy* covering, then a hard shell, within which is the seed. *Ray on the Creation.*

Putrefaction destroys the specifick difference of one vegetable from another, converting them into a *pulpy* substance of an animal nature. *Arbuthnot on Aliments.*

PU'LSATILE.* *adj.* [*pulsatil*, French; *pulsatilis*, Lat.] That may be struck or beaten: as, a *pulsatile* instrument, that is, a drum, tabor, psaltery, &c. made to sound by beating them with the hand, or with a small stick; or with a hammer, as bells.

The rattle, among the ancients, is a musical instrument of the *pulsatile* kind. *Mus. Dict.* (1769,) p. 194.

PULSA'TION. *n. s.* [*pulsation*, Fr. *pulsatio*, from *pulso*, Latin.] The act of beating or moving with quick strokes against any thing opposing.

This original of the left vein was thus contrived, to avoid the *pulsation* of the great artery. *Brown, Vulg. Err.*

These commotions of the mind and body oppress the heart, whereby it is choaked and obstructed in its *pulsation*. *Harvey.*

PULSA'TOR. *n. s.* [from *pulso*, Lat.] A striker; a beater.

PU'LSATORY.* *adj.* [from *pulsation*.] Beating like the pulse.

An inward, pungent, and *pulsatory* ache within the skull, somewhat lower than the place of his hurt. *Wotton, Rem.* p. 418.

PULSE. *n. s.* [*pulsus*, Lat.]

1. The motion of an artery as the blood is driven through it by the heart, and as it is perceived by the touch.

Pulse is thus accounted for: when the left ventricle of the heart contracts, and throws its blood into the great artery, the blood in the artery is not only thrust forward towards the extremities, but the channel of the artery is likewise dilated; when the impetus of the blood against the sides of the artery ceases; that is, when the left ventricle ceases to contract, then the spiral fibres of the artery, by their natural elasticity, return again to their former state, and contract the channel of the artery, till it is again dilated by the diastole of the heart; this diastole of the artery is called its *pulse*, and the time the spiral fibres are returning to their natural state, is the distance between two *pulses*: this *pulse* is in all the arteries of the body at the same time; an high *pulse* is either vehement or strong, but if the dilatation of the artery does not rise to its usual height, it is called a low or weak *pulse*; but if between its dilatations there passes more time than usual, it is called a slow *pulse*: again, if the coats of an artery feel harder than usual from any cause whatsoever, it is called an hard *pulse*; but if by any contrary cause they are softer, then it is called a soft *pulse*. *Quincy.*

Think you, I bear the shears of destiny?
Have I commandment on the *pulse* of life? *Shakspeare.*

The prosperity of the neighbour kingdoms is not inferior to that of this, which, according to the *pulse* of states, is a great diminution of their health. *Clarendon.*

My body is from all diseases free;
My temperate *pulse* does regularly beat. *Dryden.*

If one drop of blood remain in the heart at every *pulse*, those, in many *pulses*, will grow to a considerable mass. *Arbuthnot.*

2. Oscillation; vibration; alternate expansion and contraction; alternate approach and recession.

The vibrations or *pulses* of this medium, that they may cause the alternate fits of easy transmission and easy reflexion, must be swifter than light, and by consequence above seven hundred thousand times swifter than sounds. *Newton.*

3. *To feel one's* PULSE. To try or know one's mind artfully.

4. [from *pull.*] Leguminous plants; plants not reaped but *pulled* or *plucked.*

With Elijah he partook,
Or as a guest with Daniel at his *pulse.* *Milton, P. R.*
Mortals, from your fellows' blood abstain!
While corn and *pulse* by nature are bestow'd. *Dryden.*

Tares are as advantageous to land as other *pulses.* *Mortimer.*

To PULSE. *v. n.* [from the noun.] To beat as the pulse.

The heart, when separated wholly from the body in some animals, continues still to *pulse* for a considerable time. *Ray.*

To PULSE.* *v. a.* [from the noun.] To drive, as the pulse is driven. See PULSE.

It must — thereby be brought into the left ventricle of the heart, where again it is with violence *pulsed* forth into the aorta. *Smith on Old Age*, (1666,) p. 233.

PULSI'FICK.* *adj.* [*pulsus* and *facio*, Lat.] Moving or exciting the pulse.

Upon whatsoever instruments the *pulsifick* faculty is exercising itself, they are all here intended by the wheel; for they are they, and they only, that carry off the blood from the fountain, and force it from the center of the body to the circumference. *Smith on Old Age*, p. 242.

PU'LSION. *n. s.* [from *pulsus*, Lat.] The act of driving or of forcing forward: in opposition to suction or traction.

Admit it might use the motion of *pulsion*, yet it could never that of attraction. *More, Div. Dial.*

By attraction we do not here understand what is properly, though vulgarly, called so, in the operations of drawing, sucking, pumping, &c. which is really *pulsion* and trusion. *Bentley, Serm.* 7.

PU'LTISE.* *n. s.* [Lat. *pultis.*] A poultice.

Pultises made of green herbs. *Burton, Anat. of Mel.* p. 380.

He, squeezing out
The juice, and mingling it with cent'ry-root
And plaintain-leaf, thereof a *pultise* made.
Fanshaw, Tr. of Pastor Fido.

PU'LVERABLE. *adj.* [from *pulveris*, Lat.] Possible to be reduced to dust.

In making the first ink, I could by filtration separate a pretty store of a black *pulverable* substance that remained in the fire. *Boyle on Colours.*

To PU'LVERATE.* *v. a.* [from *pulveris*, Lat.] To beat into powder. *Cockeram.*

PULVERIZA'TION. *n. s.* [from *pulverize.*] The act of powdering; reduction to dust or powder.

To PU'LVERIZE. *v. a.* [from *pulveris*, Lat. *pulveriser*, Fr.] * To reduce to powder; to reduce to dust.

If the experiment be carefully made, the whole mixture will shoot into fine crystals, that seem to be of an uniform substance, and are consistent enough to be even brittle, and to endure to be *pulverized* and sifted. *Boyle.*

PULVE'RULENCE. *n. s.* [*pulverulentia*, Lat.] Dustiness; abundance of dust.

PU'LVIL. *n. s.* [*pulvillum*, Lat.] Sweet-scented powder.

The toilette, nursery of charms,
Completely furnish'd with bright beauty's arms,
The patch, the powder-box, *pulvil*, perfumes. *Gay.*

To PU'LVIL. *v. a.* [from the noun.] To sprinkle with perfumes in powder.

Have you *pulvilled* the coachman and postilion, that they may not stink of the stable? *Congreve, Way of the World.*

PU'MICE.† *n. s.* [*pumex*, *pumicis*, Lat. Dr. Johnson. — Pumic-ſtan, Saxon. Spenser repeatedly writes this word *pumie*, but Dr. Johnson converted it into *pumice*: "*Pumic* stones I hastly hent and threw." Shep. Cal. March.]

The *pumice* is evidently a slag or cinder of some fossil, originally bearing another form, reduced to this state by fire: it is a lax and spungy matter full of little pores and cavities: of a pale, whitish, grey colour: the *pumice* is found particularly about the burning mountains. *Hill, Mat. Medica.*

Etna and Vesuvius, which consist upon sulphur, shoot forth smoke, ashes, and *pumice*, but no water. *Bacon.*

Near the Lucrine lake,
Steams of sulphur raise a stifling heat,
And through the pores of the warm *pumice* sweat. *Addison.*

Have you not found some men, who, upon an infusion of strong liquor, have seemed for the present to be totally dissolved into kindness and good nature; and yet as soon as ever the drink is squeezed out of these sponges, they become again as dry, as hard, and as rough as a *pumice*, and as intractable as ever? *Goodman, Wint. Ev. Conf.* P. i.

PU'MMEL. *n. s.* See POMMEL.

PUMP.† *n. s.* [*pompe*, Dutch and French. Dr. Johnson. — It is the past participle of the verb to *pimp*, i. e. to procure, or obtain. Mr. H. Tooke, Div. of Purley, ii. 307. — Few will be inclined to subscribe to Mr. Tooke's quaint etymology; and many will wonder at the Dutch and French *pompe* being thus made of no account. Menage justly deduces it from the Greek πομπὴ, that which conveys, from πέμπω, to conduct, to bring: "parce que la pompe est faite pour envoyer et conduire l'eau quelque part, en la poussant." See Menage in V. POMPE.]

1. An engine by which water is drawn up from wells: its operation is performed by the pressure of the air.

A *pump* grown dry will yield no water, unless you pour a little water into it first. *More against Atheism.*

In the framing that great ship built by Hiero, Athenæus mentions this instrument as being instead of a *pump*, by the help of which one man might easily drain out the water though very deep. *Wilkins, Dædalus.*

Pumps may be made single with a common *pump* handle, for one man to work them, or double for two. *Mortimer.*

2. A shoe with a thin sole and low heel.

Get good strings to your beads, new ribbons to your *pumps.* *Shakspeare, Mids. Night's Dream.*

Follow me this jest, now, till thou hast worn out thy *pump*, that when the single sole of it is worn, the jest may remain singular. *Shakspeare, Rom. and Jul.*

Thalia's ivy shews her prerogative over comical poesy; her mask, mantle, and *pumps* are ornaments belonging to the stage. *Peacham.*

The water and sweat
Splish-splash in their *pumps.* *Swift, Miscell.*

To PUMP. *v. n* [*pompen*, Dutch.] To work a pump; to throw out water by a pump.

The folly of him, who *pumps* very laboriously in a ship, yet neglects to stop the leak. *Decay of Chr. Piety.*

To PUMP.† *v. a.*

1. To raise or throw out as by means of a pump.

Not finding sufficient room, it breaks a vessel to force its passage, and rushing through a larger chasm, overflows the cavities about it with a deluge, which is *pumped* up and emptied. *Blackmore.*

2. To examine artfully by sly interrogatories, so as to draw out any secrets or concealments.

The one's the learned knight, seek out,
And *pump* them what they come about. *Hudibras.*

Ask him what passes
Amongst his brethren, he'll hide nothing from you;
But *pump* not me for politicks. *Otway, Ven. Preserv'd.*

3. To elicit; to draw out, by any means.

It is a hard matter to *pump* any thing out of you. *Goodman, Wint. Ev. Conf.* P. i.

They scarce can swallow their ebullient spleen,
Scarce muster patience to support the farce,
And *pump* sad laughter, till the curtain fall! *Young, Night Th.* 8.

Pu'mper. *n. s.* [from *pump.*] The person or the instrument that pumps.

The flame lasted about two minutes, from the time the *pumper* began to draw out air. *Boyle.*

Pu'mpkin.* *n. s.* The pumpion. A corrupted word. *Phillips.*

PUN.† *n. s.* [I know not whence this word is to be deduced: to *pun* is to pound, grind, or beat with a *pestle;* can *pun* mean an empty sound, like that of a mortar beaten, as *clench*, the old word for *pun*, seems only a corruption of *clink?* Dr. Johnson.—This cannot be the etymology of the word. Serenius thus deduces it: "Icel. *funalegr*, frivolus, sensu translato a *fune*, favilla." If we can here admit the change of *f* into *p*, we might, however, derive it from our own *fun*, which is probably from the Sax. fægn, merry.] An equivocation; a quibble; an expression where a word has at once different meanings.

I define it to be a conceit arising from the use of two words that agree in the sound, but differ in the sense. *Addison, Spect.* No. 61.

It is not the word, but the figure that appears on the medal: cuniculus may stand for a rabbit or a mine, but the picture of a rabbit is not the picture of a mine: a *pun* can be no more engraven, than it can be translated. *Addison.*

But fill their purse, our poet's work is done,
Alike to them by pathos, or by *pun.* *Pope.*

To Pun. *v. n.* [from the noun.] To quibble; to use the same word at once in different senses.

The hand and head were never lost of those,
Who dealt in doggrel, or who *punn'd* in prose. *Dryden.*

You would be a better man, if you could *pun* like Sir Tristram. *Tatler.*

To Pun.* *v. a.* [from the noun.] To persuade by a pun.

The greatest authors, in their most serious works, made frequent use of puns. The sermons of bishop Andrews, and the tragedies of Shakspeare, are full of them. The sinner was *punned* into repentance by the former, as in the latter nothing is more usual than to see a hero weeping and quibbling for a dozen lines together. *Addison, Spect.* No. 61.

To PUNCH.† *v. a.* [*poinçonner*, Fr. *punçar*, *pungir*, Span. from the Latin *pungere*, to prick.]

Those ceremonies, those *purifyings* and offerings at the altar. *Milton, Apol. for Smectymn.* § 11.

What were all their lustrations but so many solemn *purifyings*, to render both themselves, and their sacrifices, acceptable to their gods? *South, Serm.* ii. 281.

PU'RIST.† *n. s.* [*puriste*, Fr.] One superstitiously nice in the use of words.

We must apply certainly to English, in which you are no *purist*. *Ld. Chesterfield, Lett.*

PU'RITAN.† *n. s.* [from *pure*. "It is to be seen by Camden's Annals, that when the recusants first forbore coming to church, about that time did this party begin to be known by the name of *puritans*." Thorndike, Discourse of Forbearance, &c. p. 8.] A sectary pretending to eminent purity of religion.

I believe there are men that would be *puritans*, but not any that are! *Feltham, Res.* i. 5.

From these disorders we must pass to those people called *puritans*, who being now numerous, and observing their private meetings in Oxford, [there] were not wanting certain scholars that made it their recreation to scoff at and jeer them. — They imitated them in their whining tones, with the lifting up of eyes; in their antick actions; and left nothing undone, whereby they might make them ridiculous. *A. Wood, Ann. Univ. Ox. in* 1632.

The schism which the papists on the one hand, and the superstition which the *puritans* on the other, lay to our charge, are very justly chargeable upon themselves. *Bp. Sanderson.*

Pu'ritan.* *adj.* Of, or belonging to, puritans.

We shall in our sermons take occasion now and then, where it may be pertinent, to discover the weakness of the *puritan* principles and tenents to the people. *Bp. Sanderson, Cases of Consc.* p. 192.

Purita'nical.† } *adj.* [from *puritan.*] Relating to
Purita'nick. } puritans.

Such guides set over the several congregations will misteach them, by instilling into them *puritanical* and superstitious principles, that they may the more securely exercise their presbyterian tyranny. *Walton.*

Too dark a stole
Was o'er Religion's decent features drawn
By *puritanic* zeal. *Mason, Eng. Gard.* B. 4.

Purita'nically.* *adv.* [from *puritanical.*] After the manner of the puritans.

I mean not *puritanically.* *Sir M. Sandys, Ess.* (1634,) p. 162.

Pu'ritanism.† *n. s.* [from *puritan.*] The notions of a puritan.

I go no farther, but leave you to yourselves; and, if it be possible, unto more charitable conceits of those that deserve no other imputation, but "They are no puritans:" which God in goodness keep out of this church and state, as dangerous as popery, for any thing I am able to discern. The only difference being, popery is for tyranny; *puritanism* for anarchy; popery is [the] original of superstition; *puritanism* the high-way unto profaneness: both alike enemies unto piety. *Mountagu, App. to Cæs.* (1625,) p. 321.

A serious and unpartial examination of the grounds, as well of popery as *puritanism*, according to that measure of understanding God hath afforded me. *Walton.*

To **Pu'ritanize.*** *v. n.* [from *puritan.*] To deliver the notions of a puritan.

M. Perkins in his problem though he fain would *puritanize* it and so goeth on, yet confesseth that the Fathers used to arm themselves against the devil with the sign of the cross. *Mountagu, App. to Cæs.* p. 270.

Pu'rity. *n. s.* [*puritê*, old Fr. *puritas*, Lat.]

1. Cleanness; freedom from foulness or dirt.

Is it the *purity* of a linen vesture, which some so fear would defile the purity of the priest? *Holyday.*

Her urn
Pours streams select, and *purity* of waters. *Prior.*

The inspired air does likewise often communicate to the lungs unwholesome vapours, and many hurtful effluvia, which mingling with the blood, corrupt its *purity.* *Blackmore.*

From the body's *purity*, the mind
Receives a secret aid. *Thomson, Summer.*

2. Freedom from guilt; innocence.

Death sets us safely on shore in our long-expected Canaan, where there are no temptations, no danger of falling, but eternal *purity* and immortal joys secure our innocence and happiness for ever. *Wake, Prep. for Death.*

Every thing about her resembles the *purity* of her soul, and she is always clean without, because she is always pure within. *Law.*

3. Chastity; freedom from contamination of sexes.

Could I come to her with any detection in my hand, I could drive her then from the ward of her *purity*, her reputation, and her marriage vow. *Shakspeare, M. W. of Windsor.*

Purl.† *n. s.* [this is justly supposed by Minsheu to be contracted from *purfle.* Dr. Johnson. — *Purrel* is the name of the list or border directed, by a statute of queen Elizabeth, to be made at the end of kerseys.]

1. An embroidered and puckered border.

Himself came in next after a triumphant chariot made of carnation velvet, enriched with *purl* and pearl. *Sidney.*

2. An ooze; a soft flow. [from the verb.]

So have I seen the little *purls* of a spring sweat through the bottom of a bank, and intenerate the stubborn pavement, till it hath made it fit for the impression of a child's foot. *Bp. Taylor, Serm.* (1651,) p. 204.

3. [I know not whence derived.] A kind of medicated malt liquor, in which wormwood and aromaticks are infused.

To **PURL.†** *v. n.* [of this word it is doubtful what is the primitive signification; if it is referred originally to the appearance of a quick stream, which is alway dimpled on the surface, it may come from *purl*, a *pucker* or *fringe*; but if, as the use of authors seem to show, it relates to the sound, it must be derived from *porla*, Swedish, to murmur, according to Lye.]

1. To murmur; to flow with a gentle noise.

Instruments that have returns, as trumpets; or flexions, as cornets; or are drawn up, and put from, as sacbuts, have a *purling* sound; but the recorder or flute, that have none of these inequalities, give a clear sound. *Bacon.*

All fish from sea or shore,
Freshet, or *purling* brook, or shell or fin. *Milton, P. L.*

My flow'ry theme,
A painted mistress, or a *purling* stream. *Pope.*

To **Purl.†** *v. a.* To decorate with fringe or embroidery.

When was old Sherwood's head more quaintly curl'd,
Or nature's cradle more enchas'd and *purl'd.* *B. Jonson.*

The officious wind her loose hayre curles,
The dewe her happy linnen *purles.* *Lovelace, Luc.* p. 147.

Pu'rlieu.† *n. s.* [from the Fr. *pur*, clear, exempt, and *lieu*, a place, q. d. a place exempt from the forest. "In Henry III.'s time the Charta de Foresta [was] established; so that there was much land disafforested, which hath been called *pourlieus* ever since." Howell, Lett. iv. 16. Milton has placed the accent on the last syllable of this word.] The grounds on the borders of a forest; border; inclosure; district.

In the *purlieus* of this forest stands
A sheepcote, fenc'd about with olive trees. *Shakspeare.*

A place of bliss
In the *pourlieus* of heaven. *Milton, P. L.*

Such civil matters fall within the *purlieus* of religion. *L'Estrange.*

To understand all the *purlieus* of this place, and to illustrate this subject, I must venture myself into the haunts of beauty and gallantry. *Spectator.*

He may be left to rot among thieves in some stinking jail, merely for mistaking the *purlieus* of the law. *Swift.*

A party next of glittering dames,
Thrown round the *purlieus* of St. James,
Came early out. *Swift.*

Pu'rling.* *n. s.* [from *To purl.*] The gentle noise of a stream.

Tones are not so apt to procure sleep, as some other sounds; as the wind, the *purling* of water, and humming of bees. *Bacon, Nat. Hist.*

Our *purlings* wait upon the spring. *B. Jonson, Masques.*

Pu'rlins. *n. s.* In architecture, those pieces of timber that lie across the rafters on the inside, to keep them from sinking in the middle of their length. *Bailey.*

To **PURLO'IN.†** *v. a.* [this word is of doubtful etymology. Skinner deduces it from *pour* and *loin*, French, *pourloigner*, quasi *esloigner*; Lye from pyrlouhnan, Saxon, to lie hid; with whom Serenius

thus agrees, adding the "Goth. *firi*, præ, and *launa*, *leina*, occultare, ut sit quasi *firilauna*, clam habere, celare: ab Aleman. *furlouhnan*, denegare."] To steal; to take by theft.

He, that brave steed there finding ready dight,
Purloin'd both steed and spear, and ran away full light. *Spenser.*

The Arimaspian by stealth

PURSU'ER.† *n. s.* [from *pursue*.]

1. One who follows in hostility.

Fled with the rest,
And falling from a hill, he was so bruis'd
That the *pursuers* took him. *Shakspeare, Hen. IV.*

His swift *pursuers* from heaven's gates discern
The advantage, and descending tread us down
Thus drooping. *Milton, P. L.*

Like a declining statesman left forlorn
To his friends' pity and *pursuers'* scorn. *Denham.*

2. One who endeavours to attain an object. Dr. Johnson notices only the preceding sense.

Is not all this to dictate magisterially? A thing very unpleasing to the ingenuous and free *pursuers* of rational knowledge. *Worthington to Hartlib*, (1661,) Ep. 15.

Our *pursuer* soon came up and joined us with all the familiarity of an old acquaintance. *Goldsmith, Ess.* 10.

PURSU'IT. *n. s.* [*poursuite*, Fr.]

1. The act of following with hostile intention.

Arm, warriors, arm for fight! the foe at hand,
Whom fled we thought, will save us long *pursuit*. *Milton, P. L.*

2. Endeavour to attain.

This means they long propos'd, but little gain'd,
Yet after much *pursuit*, at length obtain'd. *Dryden.*

Its honours and vanities are continually passing before him, and inviting his *pursuit*. *Rogers.*

He has annexed a secret pleasure to the idea of any thing that is new or uncommon, that he might encourage us in the *pursuit* after knowledge, and engage us to search into the wonders of his creation. *Addison.*

The will, free from the determination of such desires, is left to the *pursuit* of nearer satisfactions, and to the removal of those uneasinesses it feels in its longings after them. *Locke.*

3. Prosecution; continuance of endeavour.

He concluded with sighs and tears, to conjure them, that they would no more press him to give his consent to a thing so contrary to his reason, the execution whereof would break his heart, and that they would give over further *pursuit* of it. *Clarendon.*

PU'RSUIVANT. *n. s.* [*poursuivant*, Fr.] A state messenger; an attendant on the heralds.

How oft do they with golden pinions cleave
The flitting skies, like flying *pursuivant*. *Spenser.*

These grey locks, the *pursuivants* of death,
Argue the end of Edmund Mortimer. *Shakspeare.*

Send out a *pursuivant* at arms
To Stanley's regiment, bid him bring his power
Before sun-rising. *Shakspeare, Rich. III.*

The *pursuivants* came next,
And like the heralds each his scutcheon bore. *Dryden.*

PU'RSY.† *adj.* [*poussif*, Fr. the same. Serenius conjectures it to come from the Icel. *porre*, a cough. Menage explains it by *pulsivus*, quasi *ilia pulsans*, Lat.] Short-breathed and fat.

In the fatness of these *pursy* times,
Virtue itself of vice must pardon beg,
Yea courb and woo for leave to do it good. *Shakspeare.*

Now breathless wrong
Shall sit and paint in your great chairs of ease,
And *pursy* insolence shall break his wind
With fear and horrid fright. *Shakspeare, Timon.*

An hostess dowager,
Grown fat and *pursy* by retail
Of pots of beer and bottled ale. *Hudibras.*

By these, the Medes
Perfume their breaths, and cure old *pursy* men. *Temple.*

Of all, that royal prince's court became. *Spenser.*

2. Procurement of victuals.

3. An exaction of provisions for the king's followers.

Some lands be more changeable than others; as for their lying near to the borders, or because of great and continual *purveyances* that are made upon them. *Bacon.*

PURVE'YOR. *n. s.* [from *purvey*.]

1. One that provides victuals.

The *purveyors* or victuallers are much to be condemned, as not a little faulty in that behalf. *Raleigh.*

And wing'd *purveyors* his sharp hunger fed
With frugal scraps of flesh, and maslin bread. *Harte.*

2. A procurer; a pimp.

These women are such cunning *purveyors*!
Mark where their appetites have once been pleased,
The same resemblance in a younger lover,
Lies brooding in their fancies the same pleasures. *Dryden.*

The stranger, ravish'd at his good fortune, is introduced to some imaginary title; for this *purveyor* has her representatives of some of the finest ladies. *Addison.*

3. An officer who exacted provision for the king's followers.

PU'RVIEW.† *n. s.* [*pourveu*, French.] Proviso; providing clause.

These are profanations within the *purview* of several statutes; and those you are to present. *Bacon, Charge at the Sess. of the Verge.*

Though the petition expresses only treason and felony, yet the act is general against all appeals in parliament; and many times the *purview* of an act is larger than the preamble or the petition. *Hale, Comm. Law.*

PU'RULENCE. } *n. s.* [from *purulent.*] Generation of
PU'RULENCY. } pus or matter.

Consumptions are induced by *purulency* in any of the viscera. *Arbuthnot on Dict.*

PU'RULENT. *adj.* [*purulent*, Fr. *purulentus*, Lat.] Consisting of pus or the running of wounds.

A carcase of man is most infectious and odious to man, and *purulent* matter of wounds to sound flesh. *Bacon.*

It is no easy thing always to discern, whether the suspected matter expectorated by a cough be really *purulent*, that is, such as comes from an ulcer. *Blackmore.*

It spews a filthy froth
Of matter *purulent* and white,
Which happen'd on the skin to light,
And there corrupting on a wound,
Spreads leprosy. *Swift, Miscell.*

An acrimonious or *purulent* matter, stagnating in some organ, is more easily deposited upon the liver than any other part. *Arbuthnot on Aliments.*

PUS. n. s. [Latin.] The matter of a well digested sore.

Acrid substances break the vessels, and produce an ichor instead of laudable *pus.* *Arbuthnot.*

To PUSH. *v. a.* [*pousser*, Fr.]

1. To strike with a thrust.

If the ox *push* a man-servant, he shall be stoned. *Ex.* xxi.

2. To force or drive by impulse.

The youth *push* away my feet. *Job*, xxx. 12.

3. To force not by a quick blow, but by continued violence.

Shew your mended faiths,
To *push* destruction and perpetual shame
Out of the weak door of our fainting land. *Shakspeare.*

Through thee will we *push* down our enemies. *Ps.* xliv. 5.

Waters forcing way,
Sidelong had *push'd* a mountain from his seat,
Half sunk with all his pines. *Milton, P. L.*

This terrible scene which might have proved dangerous, if Cornelius had not been *pushed* out of the room. *Arbuthnot.*

4. To press forward.

He forewarns his care
With rules to *push* his fortune or to bear. *Dryden.*

With such impudence did he *push* this matter, that when he heard the cries of above a million of people begging for their bread, he termed it the clamours of faction. *Addison.*

Arts and sciences, in one and the same century, have arrived at great perfection, and no wonder, since every age has a kind of universal genius, which inclines those that live in it to some particular studies, the work then being *pushed* on by many hands, must go forward. *Dryden.*

5. To urge; to drive.

Ambition *pushes* the soul to such actions, as are apt to procure honour to the actor. *Addison, Spect.*

6. To enforce; to drive to a conclusion.

We are *pushed* for an answer, and are forced at last freely to confess, that the corruptions of the administration were intolerable. *Swift.*

7. To importune; to teaze.

To PUSH. *v. n.*

1. To make a thrust.

None shall dare
With shortned sword to stab in closer war,
Nor *push* with biting point, but strike at length. *Dryden.*

A calf will so manage his head, as though he would *push* with his horns even before they shoot. *Ray.*

Lambs, though they never saw the actions of their species, *push* with their foreheads, before the budding of a horn. *Addison.*

2. To make an effort.

War seem'd asleep for nine long years; at length
Both sides resolv'd to *push*, we try'd our strength. *Dryden.*

3. To make an attack.

The king of the South shall *push* at him, and the king of the North shall come against him. *Dan.* xi. 40.

4. To burst out with violence.

PUSH. *n. s.* [from the verb.]

1. Thrust; the act of striking with a pointed instrument.

Ne might his corse be harmed
With dint of sword or *push* of pointed spear. *Spenser.*

They, like resolute men, stood in the face of the breach, receiving them with deadly shot and *push* of pike, in such furious manner, that the Turks began to retire. *Knolles.*

2. An impulse; force impressed.

So great was the puissance of his *push*,
That from his saddle quite he did him bear. *Spenser.*

Jove was not more pleas'd
With infant nature, when his spacious hand
Had rounded this huge ball of earth and seas
To give it the first *push*, and see it roll
Along the vast abyss. *Addison, Guardian.*

3. Assault; attack.

He gave his countenance against his name,
To laugh with gybing boys, and stand the *push*
Of every beardless vain comparative. *Shakspeare, Hen. IV.*

When such a resistance is made, these bold talkers will draw in their horns, when their fierce and feeble *pushes* against truth are repelled with pushing and confidence. *Watts.*

4. A forcible onset; a strong effort.

A sudden *push* gives them the overthrow;
Ride, ride, Messala. *Shakspeare.*

Away he goes, makes his *push*, stands the shock of a battle, and compounds for leaving of a leg behind him. *L'Estrange.*

We have beaten the French from all their advanced posts, and driven them into their last entrenchments: one vigorous *push*, one general assault will force the enemy to cry out for quarter. *Addison.*

5. Exigence; trial; extremity.

We'll put the matter to the present *push*. *Shakspeare.*

'Tis common to talk of dying for a friend; but when it comes to the *push*, 'tis no more than talk. *L'Estrange.*

The question we would put, is not whether the sacrament of the mass be as truly propitiatory, as those under the law? but whether it be as truly a sacrifice? if so, then it is a true proper sacrifice, and is not only commemorative or representative, as we are told at a *push*. *Atterbury.*

6. A sudden emergence.

There's time enough for that;
Lest they desire, upon this *push*, to trouble
Your joys with like relation. *Shakspeare, Wint. Tale.*

7. [*Pustula*, Lat.] A pimple; an efflorescence; a wheal; an eruption.

It was a proverb amongst the Grecians, that he that was praised to his hurt, should have a *push* rise upon his nose; as a blister will rise upon one's tongue, that tells a lie. *Bacon, Ess.*

PU'SHER.† *n. s.* [from *push.*]

1. One who pushes back. *Sherwood.*
2. One who pushes forward.

PU'SHING. *adj.* [from *push.*] Enterprising; vigorous.

PU'SHPIN. *n. s.* [*push* and *pin.*] A child's play, in which pins are pushed alternately.

Men, that have wandering thoughts at the voice of wisdom out of the mouth of a philosopher, deserve as well to be whipt, as boys for playing at *pushpin*, when they should be learning. *L'Estrange.*

PUSILLANI'MITY.† *n. s.* [*pusillanimité*, Fr. *pusillus*, little, and *animus*, mind, Lat. The word is very old in our language. Gower uses it; and at the same time explains it, as probably he introduced the word into the language.

"There is yet *pusillanimitee*,
"Whiche is to saie in this language,
"He that hath *littel* of *courage*."] Cowardice; meanness of spirit.

That will be damn'd for't. *Shakspeare, Wint. Tale.*

PU'TTINGSTONE.† *n. s.*

In some parts of Scotland, stones are laid at the gates of great houses, which they call *puttingstones* for trials of strength. *Pope.*

The *puttingstone* is a large stone thrown from the uplifted hand, or above hand, as commonly expressed: from *put,* to throw; which some deduce from the Fr. *bouter;* Mr. Chalmers, from the Welsh, *pwt.* See *To* PUT. And see Dr. Jamieson's Scot. Dict.

Those [sports of the Highlanders] retained, are throwing the *putting-stone,* or stone of strength, as they call it; which occasions an emulation who can throw a weighty one the farthest, &c. *Pennant, Tour in Scot.* (1769.)

PU'TTOCK.† *n. s.* [derived, by Minsheu, from *buteo,* Lat.] A kite.

Like as a *puttocke* having spyde in flight
A gentle falcon sitting on an hill,

(Whose other wing now made unmeet for flight
Was lately broken by some fortune ill)
The foolish kyte, led with licentious will,
Doth beat upon the gentle bird in vaine. *Spenser, F. Q.*

The Romish *puttock* hath scared the dove out of the plain. *Harmar, Tr. of Beza*, p. 273.

Who finds the partridge in the *puttock*'s nest,
But may imagine how the bird was dead,
Although the kite soar with unbloody'd beak?
Shakspeare, Hen. VI. P. II.

Pu'tty. *n. s.*

1. A kind of powder on which glass is ground.

An object glass of a fourteen foot telescope, made by an artificer at London, I once mended considerably, by grinding it on pitch with *putty*, and leaning on it very easily in the grinding, lest the *putty* should scratch it. *Newton.*

2. A kind of cement used by glaziers.

Puy.* See Poy.

To **PU'ZZLE.†** *v. a.* [for *postle*, from *pose*. Skinner. Dr. Johnson. — Serenius refers to the Germ. *possen*, ineptiæ, as well as to the verb *pose*; and so to the Icel. and Su. Goth. verbs *pussa*, *putsa*, imponere, illudere: which also Dr. Jamieson considers as the more direct origin of *puzzle*. Burton writes our word *pussel*. "He *pussels* himself to vindicate that ridiculous fable." Anat. of Mel. p. 676.]

1. To perplex; to confound; to embarrass; to entangle; to gravel; to put to a stand; to teaze.

Your presence needs must *puzzle* Antony. *Shakspeare.*

I say there is no darkness but ignorance, in which thou art more *puzzled* than the Egyptians in their fog. *Shakspeare.*

Both armies of the enemy would have been *puzzled* what to have done. *Clarendon.*

A very shrewd disputant in those points is dexterous in *puzzling* others, if they be not thorough-paced speculators in those great theories. *More, Div. Dialogues.*

I shall purposely omit the mention of arguments which relate to infinity, as being not so easily intelligible, and therefore more apt to *puzzle* and amuse, than to convince. *Wilkins.*

He is perpetually *puzzled* and perplexed amidst his own blunders, and mistakes the sense of those he would confute. *Addison.*

Persons, who labour under real evils, will not *puzzle* themselves with conjectural ones. *Richardson, Clarissa.*

She strikes each point with native force of mind,
While *puzzled* learning blunders far behind. *Young.*

2. To make intricate; to entangle.

The ways of heaven are dark and intricate,
Puzzled in mazes, and perplex'd with error. *Addison.*

These, as my guide informed me, were men of subtle tempers, and *puzzled* politicks, who would supply the place of real wisdom with cunning and avarice. *Tatler.*

I did not indeed at first imagine there was in it such a jargon of ideas, such an inconsistency of notions, such a confusion of particles, that rather *puzzle* than connect the sense, which in some places he seems to have aimed at, as I found upon my nearer perusal of it. *Addison.*

To **Pu'zzle.** *v. n.* To be bewildered in one's own notions; to be awkward.

The servant is a *puzzling* fool, that heeds nothing. *L'Estrange.*

Pu'zzle. *n. s.* [from the verb.] Embarrassment; perplexity.

PY'RAMID.† *n. s.* [*pyramide*, Fr. πύραμις, from πῦρ, fire; because fire always ascends in the figure of a cone. Formerly this word had also the Latin form of *pyramides*; as in the passage cited from Shakspeare, wherein Dr. Johnson silently converted it into *pyramid*.] A solid figure, whose base is a polygon, and whose sides are plain triangles, their several points meeting in one. *Harris.*

Know, sir, that I
Will not wait pinion'd at your master's court:
———— Rather make
My country's high *pyramides* my gibbet,
And hang me up in chains! *Shakspeare, Ant. and Cleop*

Coventry from thence her name at first did raise,
Now flourishing with fanes and proud *piramides*.
Drayton, Polyolb. S. 13.

An hollow crystal *pyramid* he takes,
In firmamental waters dipt above,
Of it a broad extinguisher he makes,
And hoods the flames. *Dryden.*

The *pyramidical* idea of its flame, upon occasion of the candles, is what is in question. *Locke.*

But when their gold depress'd the yielding scale,
Their gold in *pyramidic* plenty pil'd,
He saw the unutterable grief prevail. *Shenstone, El.* xix.

PYRAMI'DICALLY. *adv.* [from *pyramidical.*] In form of a pyramid.

Olympus is the largest, and therefore he makes it the basis upon which Ossa stands, that being the next to Olympus in magnitude, and Pelion being the least, is placed above Ossa, and thus they rise *pyramidically*. *Broome, Notes on Odyss.*

PY'RAMIS.† *n. s.* A pyramid.

The form of a *pyramis* in flame, which we usually see, is merely by accident, and that the air about, by quenching the sides of the flame, crusheth it, and extenuateth it into that form, for of itself it would be round, and therefore smoke is in the figure of a *pyramis* reversed; for the air quencheth the flame, and receiveth the smoke. *Bacon, Nat. Hist.*

Searching the inside of the greatest Egyptian *pyramis*. *Hakewill on Providence*, p. 199.

Place me, some god, upon a *piramis*. *Beaum. and Fl. Philaster.*

PY'THONESS.* *n. s.* [*pythonissa*, Lat. from Πύθων, Gr. Hence in Acts, xvi. 16. "A spirit of *divination*" is rendered, in the margin, "or of *Python*:" which the Greeks supposed to be an inspiration from Apollo, whom they surnamed *Pythius*. See Doddridge on the passage.] A sort of witch. It is written *phitoness*, or *phytoness*, by Chaucer, and in our old lexicography.

Had not the masters of the *pythoness* been stripped of the gain they made of that spirit of divination, by the powerful command of the Apostle, the devil had still possessed the mind. *Bp. Hall, Peacemaker*, § 9.

This makes us, instead of running to God, to trust in unskilful physicians, or like Saul to run to a *pythonisse*. *Bp. Taylor, Serm.* (1651.) p. 171.

PYTHO'NICK.* *adj.* [πυθωνικὸς, Gr. from *Python.*] Pretending to foretel future events.

Those *pythonick* spirits formerly inhabited under the cavities of these three rocks. *Ricaut, State of the Greek Church*, p. 406.

PY'THONIST.* *n. s.* [from *Python.* See PYTHONESS.] A conjurer. *Cockeram.*

PYX.† *n. s.* [*pyxis*, Lat.] The box in which the Romanists keep the host. See PIX.

The bishop of Rome, with the assistance of his papistes, hath set up a new faith and belief of their owne devisinge; that the same body really, corporally, naturally, and sensibly, is in this worlde styll, and that in an hundreth thousand places at one time; beynge inclosed in everye *pyx* and bread consecrated! *Abp. Cranmer, Answ. to Bp. Gardiner*, p. 56.

Q.

Q,† Is a consonant borrowed from the Latin or French, for which, though *q* is commonly placed in the Saxon alphabet, the Saxons generally used cp, *cw*; as cpellan or *cwellan*, to quell: *qu* is, in English, pronounced as by the Italians and Spaniards *cw*; as *quail*, *quench*, except *quoit*, which is spoken, according to the manner of the French, *coit*: the name of this letter is *cue*, from *queue*, French, tail; its form being that of an O with a tail. *Johnson.*

The letter *q* was borrowed from the Roman alphabet. The Saxons had no *q*, as Martin states, Gram. p. 28.; and as Mrs. Elstob shows, Sax. Gram. Nor does it appear in the Icelandick. See Andreas's Icel. Dict., Monosyll. Iceland., and the Icel. Dict. in Hickes's Thesaurus. The Roman *q*, and *qu*, had been introduced into the orthography of several Anglo-Saxon words, in the place of the Saxon cp, (*cw*,) long before the Anglo-Saxon was mixed with the Norman French. See Hickes's Thes., Benson's Sax. Gram., and Lye's Anglo-Sax. Dict. The *qu* and *quh*, in the orthography of the old English and Scottish, were introduced from the Roman alphabet, to represent the powers and pronunciation of the Sax. *cw*, *hw*, and *w*; and of the British *gw*, and *chw*. Bailey. The *q* was also substituted for *c* in many French words. *G. Chalmers.*

QUAB.† *n. s.* [derived, by Skinner, from *gobio*, the Latin name. Dr. Johnson. — The Lat. *gobio* is a gudgeon: the Teut. *quabbe*, or *quappe*, holothuria, piscis genus, a prickly fish.] A sort of fish.

Sir T. Hanmer reads *quab*, a gudgeon. *Johnson, Note on Othello.*

To QUACK. *v. n.* [*quacken*, Teut. to cry as a goose.]

QUA'CKLED.* } *adj.* [*quacken*, Teut. So *quack* is used
QUA'CKENED. } by Chaucer for an inarticulate noise, occasioned by obstruction in the throat. *Quark*, Goth. the throat. See QUERKENED.] Almost choked or suffocated. Mr. Lemon notices *quackened*, in his dictionary of 1783, in this sense; and Mr. Pegge has since stated *quackled* to be a Norfolk and Suffolk word of the same meaning.

QUA'CKSALVER.† *n. s.* [*quack* and *salve*.] One who brags of medicines or salves; a medicaster; a charlatan. Dr. Johnson. — The *quacksalver* was at first one who made, sold, or applied ointments or oils. See Kilian, under the Teutonick word *quack-salver*. Afterwards it denoted a kind of charlatan, a travelling quack.

Many poor country vicars, for want of other means are driven to their shifts; to turn mountebanks, *quacksalvers*, empiricks. *Burton, Anat. of Mel. Pref.*

Saltinbancoes, *quacksalvers*, and charlatans, deceive the vulgar in lower degrees; were Æsop alive, the piazza and the pont neuf could speak their fallacies. *Brown.*

QUAD.* *adj.* [*quaed*, Teut. malus, Kilian; *qued*, ancient Eng. Hearne, Gloss. Rob. of Glouc.] Evil; bad. Obsolete. "None *quad*," nothing *evil*: Gower. "*Quad* yere," *bad* years. Chaucer. See Tyrwhitt's Gloss.

QUA'DRAGENE.* *n. s.* [*quadragena*, Lent, or 40 days. Lat.] A papal indulgence, multiplying the remission of penance by forties.

You have with much labour, and some charge, purchased to yourself so many *quadragenes* or lents of pardon; that is, you have bought off the penances of so many times forty days! *Bp. Taylor, Diss. from Popery*, ch. 2. § 4.

QUADRAGE'SIMAL.† *adj.* [*quadragesimal*, Fr. *quadragesima*, Latin.] Lenten; belonging to Lent; used in Lent.

I have — composed sundry [collects] made up for the most part out of the church-collects, with some little enlargement or variation, as namely collects adventual, *quadragesimal*, paschal, and pentecostal. *Sanderson, Cases of Consc.* p. 164.

This *quadragesimal* solemnity, in which, for the space of some weeks, the church has, in some select days, enjoined a total abstinence from flesh, and a more restrained use of other refreshments. *South, Serm.* ix. 134.

QUADRAGE'SIMALS.* *n. s.* [*quadragesimalia*, Lat.] Offerings formerly made, on midlent Sunday, to the mother church.

QUA'DRANGLE. *n. s.* [*quadratus* and *angulus*, Latin.] A square; a surface with four right angles.

My choler being overblown
With walking once about the *quadrangle*,
I come to talk. *Shakspeare, Hen. VI.*

The escurial hath a *quadrangle* for every month in the year. *Howell.*

QUADRA'NGULAR. *adj.* [from *quadrangle*.] Square; having four right angles.

Common salt shooteth into little crystals, coming near to a cube, sometimes into square plates, sometimes into short *quadrangular* prisms. *Grew, Cosmol.*

Each environed with a crust, conforming itself to the planes, is of a figure *quadrangular*. *Woodward.*

I was placed at a *quadrangular* table, opposite to the macebearer. *Spectator.*

QUA'DRANT. *n. s.* [*quadrans*, Lat.]

1. The fourth part; the quarter.

In sixty-three years may be lost eighteen days, omitting the intercalation of one day every fourth year, allowed for this *quadrant* or six hours supernumerary. *Brown.*

2. The quarter of a circle.

The obliquity of the ecliptick to the equator, and from thence the diurnal differences of the sun's right ascensions, which finish their variations in each *quadrant* of the circle of the ecliptick, being joined to the former inequality, arising from the excentricity, makes these quarterly and seeming irregular inequalities of natural days. *Holder on Time.*

3. An instrument with which altitudes are taken.

Some had compasses, others *quadrants*. *Tatler.*

Thin taper sticks must from one centre part;
Let these into the *quadrant*'s form divide. *Gay.*

QUADRA'NTAL. *adj.* [from *quadrant*.] Included in the fourth part of a circle.

To fill that space of dilating, proceed in strait lines, and dispose of those lines in a variety of parallels: and to do that in a *quadrantal* space, there appears but one way possible; to form all the intersections, which the branches make, with angles of forty-five degrees only. *Derham, Phys. Theol.*

QUA'DRATE.† *adj.* [*quadratus*, Latin.]

1. Square; having four equal and parallel sides.

2. Divisible into four equal parts.

The number of ten hath been extolled, as containing even, odd, long and plain, *quadrate* and cubical numbers. *Brown.*

3. [*Quadrans*, Lat.] Suited; applicable. This perhaps were more properly *quadrant*.

The word consumption, being applicable to a proper or improper consumption, requires a generical description, *quadrate* to both. *Harvey on Consumptions.*

4. Square; equal; exact.

The moralist tells us, that a *quadrate*, solid, wise man should involve and tackle himself within his own virtue, and slight all accidents that are incident to man; and be still the same. *Howell, Lett.* i. vi. 58.

QUA'DRATE. *n. s.*

1. A square; a surface with four equal and parallel sides.

And 'twixt them both a *quadrate* was the base,
Proportion'd equally by seven and nine;
Nine was the circle set in heaven's place,
All which, compacted, made a goodly diapase. *Spenser.*

Whether the exact *quadrate* or the long square be the better, is not well determined; I prefer the latter, provided the length do not exceed the latitude above one third part. *Wotton.*

The powers militant
That stood for heaven, in mighty *quadrate* join'd
Of union irresistible, mov'd on
In silence their bright legions. *Milton, P. L.*

To our understanding a *quadrate*, whose diagonal is commensurate to one of the sides, is a plain contradiction. *More.*

2. [*Quadrat*, Fr.] In astrology, an aspect of the heavenly bodies, wherein they are distant from each other ninety degrees, and the same with quartile. *Dict.*

To QUA'DRATE.† *v. n.* [*quadro*, Lat. *quadrer*, Fr.] To suit; to correspond; to be accommodated to.

He only carps at the similes which the good man used for the illustration of his assertions, though such as no one in his senses could think to *quadrate* in all points. *Bp. Bull, Works*, iii. 940.

Aristotle's rules for Epick poetry, which he had drawn from his reflections upon Homer, cannot be supposed to *quadrate* exactly with the heroick poems, which have been made since his time; as it is plain, his rules would have been still more perfect, could he have perused the Æneid. *Addison.*

QUADRA'TICK. *adj.* Four square; belonging to a square. *Dict.*

QUADRA'TICK *equations*. In algebra, are such as retain, on the unknown side, the square of the root or the number sought: and are of two sorts; first, simple quadraticks, where the square of the unknown root is equal to the absolute number given; secondly, affected quadraticks, which are such as have, between the highest power of the unknown number and the absolute number given, some intermediate power of the unknown number. *Harris.*

QUA'DRATURE. *n. s.* [*quadrature*, Fr. *quadratura*, Latin.]

1. The act of squaring.

The speculations of algebra, the doctrine of infinites, and the *quadrature* of curves should not intrench upon our studies of morality. *Watts, Impr. of the Mind.*

2. The first and last quarter of the moon.

It is full moon, when the earth being between the sun and moon, we see all the enlightened part of the moon; new moon, when the moon being between us and the sun, its enlightened part is turned from us; and half-moon, when the moon being in the *quadratures*, we see but half the enlightened part. *Locke.*

3. The state of being square; a quadrate; a square.

All things parted by the empyreal bounds,
His *quadrature* from thy orbicular world. *Milton, P. L.*

QUADRE'NNIAL. † } *adj.* [*quadriennium*, from *quatuor*
QUADRIE'NNIAL. } and *annus*, Latin.]

1. Comprising four years. *Bullokar.*
2. Happening once in four years.

QUA'DRIBLE. *adj.* [from *quadro*, Lat.] That may be squared.

Sir Isaac Newton discovered a way of attaining the quantity of all *quadrible* curves analytically, by his method of fluxions, some time before the year 1688. *Derham.*

QUADRI'FID. *adj.* [*quadrifidis*, Lat.] Cloven into four divisions.

QUADRILA'TERAL. *adj.* [*quadrilatere*, Fr. *quatuor* and *latus*, Lat.] Having four sides.

Tin incorporated with crystal, disposes it to shoot into a *quadrilateral* pyramid, sometimes placed on a *quadrilateral* base or column. *Woodward on Fossils.*

QUADRILA'TERALNESS. *n. s.* [from *quadrilateral*.] The property of having four right lined sides, forming as many right angles. *Dict.*

QUADRI'LLE. † *n. s.* [*quadrilla*, Span. "a little company of footmen, a *squadron* of some 25 or fewer soldiers." Minsheu, Span. Dict. *Quadriglia*, Ital. *quadrille*, Fr. See SQUADRON. The *quadrille* has also accordingly signified, abroad, a squadron or troop for a tournament or publick exhibition; usually consisting of not less than four persons, nor more than twelve; each company being distinquished from one another by the colour or mode of their dress. Hence perhaps the application of the word to the game at cards. At the present time, *quadrille* seems to be also adopted for a kind of dance; I suppose, of parties of four.] A game at cards, played by four persons.

O filthy check on all industrious skill
To spoil the nation's last great trade — *quadrille!* *Pope.*

QUA'DRIN. *n. s.* [*quadrinus*, Lat.] A mite; a small piece of money, in value about a farthing. *Bailey.*

A forum, with *quadrivial* streets. *B. Jonson Epigrams.*

QUA'DRUPED. *n. s.* [*quadrupede*, Fr. *quadrupes*, Lat.] An animal that goes on four legs, as perhaps all beasts.

The different flexure and order of the joints is not disposed in the elephant, as in other *quadrupeds*. *Brown.*

The fang teeth, eye teeth, or dentes canini of some *quadruped*. *Woodward on Fossils.*

Most *quadrupedes*, that live upon herbs, have incisor teeth to pluck and divide them. *Arbuthnot.*

The king of brutes,
Of *quadrupeds* I only mean. *Swift.*

QUA'DRUPED. *adj.* Having four feet.

The cockney, travelling into the country, is surprized at many actions of the *quadruped* and winged animals. *Watts, Logick.*

QUA'DRUPLE. *adj.* [*quadruple*. Fr. *quadruplus*, Lat.] Fourfold; four times told.

A law, that to bridle theft doth punish thieves with a *quadruple* restitution, hath an end which will continue as long as the world itself continueth. *Hooker.*

The lives of men on earth might have continued double, treble, or *quadruple*, to any of the longest times of the first age. *Ralegh, Hist. of the World.*

Fat refreshes the blood in the penury of aliment during the winter, and some animals have a *quadruple* caul. *Arbuthnot on Aliments.*

To QUADRU'PLICATE. *v. a.* [*quadrupler*, Fr. *quadruplico*, Lat.] To double twice; to make fourfold.

QUADRUPLICA'TION. † *n. s.* [*quadruplication*, French; from *quadruplicate*.] The taking a thing four times. *Cotgrave, and Sherwood.*

QUA'DRUPLY. *adv.* [from *quadruple*.] To a fourfold quantity.

QUÆRE. [Latin.] Enquire; seek; a word put when any thing is recommended to enquiry.

Quære, if 'tis steeped in the same liquor, it may not prevent the fly and grub. *Mortimer, Hush.*

To QUAFF. † *v. a.* [of this word the derivation is uncertain: Junius, with his usual idleness of conjecture, derives it from the Greek, κυάφίζειν in the Eolick dialect used for κυαθίζειν. Skinner from *go off*, as *go off*, *guoff*, *quoff*, *quaff*. It comes from *coeffer*, Fr. to be drunk. Dr. Johnson. — Dr. Johnson had not considered, that the Fr. *coeffer* is a mere ludicrous metaphorical sense. *Quaff*, I presume, is the Scotch *quaff*, which means a small bowl to drink out of, and is described in Humphrey Clinker, iii. p. 18. Pegge, Anonym. vii. 19. — Serenius derives it from the Goth. *kaf*, profundum, the bottom: and so the Swed. *quaf*. See Widegren's Su. Lex.] To drink; to swallow in large draughts.

He calls for wine; a health, quoth he, as if
H' ad been abroad carousing to his mates
After a storm, *quafft* off the muscadel,
And threw the sops all in the sexton's face. *Shakspeare.*

I found the prince,
With such a deep demeanour in great sorrow,
That tyranny, which never *quafft* but blood,
Would, by beholding him, have wash'd his knife
With gentle eye-drops. *Shakspeare, Hen. IV.*

On flow'rs repos'd, and with rich flow'rets crown'd,
They eat, they drink, and in communion sweet
Quaff immortality and joy. *Milton, P. L.*

To QUAFF. *v. n.* To drink luxuriously.

We may contrive this afternoon,
And *quaff* carouses to our mistress' health. *Shakspeare.*

Belshazzer, *quaffing* in the sacred vessels of the temple, sees his fatal sentence writ by the fingers of God. *South.*

Twelve days the gods their solemn revels keep,
And *quaff* with blameless Ethiops in the deep. *Dryden.*

QUA'FFER. *n. s.* [from *quaff.*] He who quaffs.

To QUA'FFER. *v. a.* [a low word, I suppose, formed by chance.] To feel out. This seems to be the meaning.

Ducks, having larger nerves that come into their bills than geese, *quaffer* and grope out their meat the most. *Derham, Phys. Theol.*

QUA'GGY. *adj.* [from *quagmire.*] Boggy; soft; not solid. Ainsworth. This word is somewhere in Clarissa.

QUA'GMIRE.† *n. s.* [that is, *quakemire.* Dr. Johnson. — Spenser writes it *wagmire*, or *wagmoire.* "Foul *wagmoires*," Shep. Cal. Sept. It was also formerly *quavemire.* See QUAVEMIRE.] A shaking marsh; a bog that trembles under the feet.

The fen and *quagmire*, so marish by kind,
Are to be drained. *Tusser.*

Your hearts I'll stamp out with my horse's heels,
And make a *quagmire* of your mingled brains. *Shakspeare.*

Poor Tom! whom the foul fiend hath through ford and whirlpool, o'er bog and *quagmire.* *Shakspeare.*

The wet particles might have easily ever mingled with the dry, and so all had either been sea or *quagmire.* *More.*

The brain is of such a clammy consistence, that it can no more retain motion than a *quagmire.* *Glanville, Scepsis.*

QUAID. *part.* [of this participle I know not the verb, and believe it only put by Spenser, who often took great liberties, for *quailed*, for the poor convenience of his rhyme.] Crushed; dejected; depressed.

Therewith his sturdy courage soon was *quaid*,
And all his senses were with sudden dread dismaid. *Spenser.*

QUAIL. *n. s.* [*quaglia*, Italian.] A bird of game.

His *quails* ever
Beat mine. *Shakspeare, Ant. and Cleop.*

Hen birds have a peculiar sort of voice, when they would call the male, which is so eminent in *quails*, that men, by counterfeiting this voice with a *quail* pipe, easily drew the cocks into their snares. *Ray on the Creation.*

A fresher gale
Sweeping with shadowy gust the field of corn,
While the *quail* clamours for his running mate. *Thomson.*

QUAI'LPIPE. *n. s.* [*quail* and *pipe.*] A pipe with which fowlers allure quails.

A dish of wild fowl furnished conversation, concluded with a late invention for improving the *quailpipe.* *Addison.*

To QUAIL.† *v. n.* [*quelen*, Teut. to languish. Kilian.] To languish; to sink into dejection; to lose spirit. Not in use. Dr. Johnson. — It is used in the north of England, as Mr. Pegge has noticed, for to fail, to fall sick, to faint.

On his shield as thick as stormy showre
Their strokes did raine; yet did he never *quaile*,
Ne backward shrinke. *Spenser, F. Q.*

This may plant courage in their *quailing* breasts,
For yet is hope of life and victory. *Shakspeare, Hen. VI.*

After Solyman had with all his power in vain besieged Rhodes, his haughty courage began to *quail*, so that he was upon point to have raised his siege. *Knolles.*

While rocks stand,
And rivers stir, thou can'st not shrink or *quail*;
Yea, when both rocks and all things shall disband,
Then shalt thou be my rock and tower. *Herbert.*

When Dido's ghost appear'd,
It made this hardy warriour *quail.* *Wandering Pr. of Troy.*

At this the arrant's courage *quails.* *Cleaveland.*

To QUAIL.† *v. a.* [cpellan, Saxon.] To crush; to quell; to depress; to sink; to overpower. Not used. Dr. Johnson. — It was formerly much used: and the modern colloquial phrase, '*to cool the courage*, seems to have been adopted from this old word.

To drive him to despair, and quite to *quaile*,
He shewd him painted in a table plain
The damned ghosts. *Spenser, F. Q.*

The sight of our ensigns and cornets so *quailed their courage*, that, having no other remedy, they yielded to his mercy. *Sir R. Williams, Act. of the L. Countries*, (1618,) p. 99.

The contrary opinion *quails* the hopes, and blunts the edge, of virtuous endeavours. *Hakewill on Prov.* p. 18.

My great heart
Was never *quail'd* before. *Beaum. and Fl. Laws of Candy.*

QUAI'LING.* *n. s.* [from *To quail.*] Act of failing in resolution; declination; diminution; decay.

He writes, there is no *quailing* now;
Because the king is certainly possess'd
Of all our purposes. *Shakspeare, Hen. IV.* P. I.

There is no such decay, as is supposed. — For, to let pass the *quailing* and withering of all things by the recess, and their reviving and resurrection (as it were) by the reaccess, of the sun; I am of opinion, that the sap in trees so precisely follows the motion of the sun, that it never rests. *Hakewill on Prov.* p. 71.

QUAINT.† *adj.* [*coint*, Fr. *comptus*, Lat. Dr. Johnson. — Some cite the Arm. *coam*, "beau et joli," as the origin of the word. And some the Gr. κομάω, or κομῶ, to dress the hair, or to be adorned.]

1. Nice; dainty; curious; scrupulously, minutely, superfluously exact; having petty elegance.

Each ear sucks up the words a true love scattereth,
And plain speech oft, than *quaint* phrase framed is. *Sidney.*

She nothing *quaint*,
Nor sdeignfull of so homely fashion, —
Sate down upon the dusty ground anon. *Spenser, F. Q.*

You were glad to be employed,
To shew how *quaint* an orator you are. *Shakspeare.*

He spends some pages about two similitudes; one of mine, and another *quainter* of his own. *Stillingfleet.*

And curl the grove in ringlets *quaint.* *Milton, Arcades.*

2. Strange; odd; unusual; wonderful. This sense is not not noticed by Dr. Johnson.

Of *queinte* mirrours, and of prospectives. *Chaucer, Squ. Tale.*

Magnifick virgin, that in *queint* disguise
Of British arms, dost maske thy royall blood. *Spenser, F. Q.*

The clamorous owl, that nightly hoots and wonders
At our *quaint* spirits. *Shakspeare, M. N. Dream.*

Lest the place
And my *quaint* habits breed astonishment. *Milton, Comus.*

Long stories of absurd superstitions, ceremonies, *quaint* habits. *Milton, Hist. of Moscov.* Pref.

Where'er the power of ridicule displays
Her *quaint*-ey'd visage, some incongruous form,
Some stubborn dissonance of things combin'd,
Strikes on the quick observer. *Akenside, Pleas. of Imag.* B. 3.

3. Subtile; artful. Obsolete.

As clerkes been full subtle and *quaint.* *Chaucer.*

What's the efficient cause of a king? surely a *quaint* question? Yet a question that has been moved. *Holyday.*

4. Neat; pretty; exact.

But for a fine, *quaint*, graceful, and excellent fashion, yours is worth ten on't. *Shakspeare.*

Her mother hath intended,
That, *quaint* in green, she shall be loose enrob'd
With ribbands pendent, flaring 'bout her head. *Shakspeare.*

I never saw a better fashioned gown,
More, *quaint*, more pleasing, nor more commendable. *Shakspeare.*

5. Subtly excogitated; finespun.

I'll speak of frays,
Like a fine bragging youth, and tell *quaint* lies,

How honourable ladies sought my love,
Which I denying, they fell sick, and died. *Shakspeare.*

He his fabrick of the heavens
Hath left to their disputes, perhaps to move
His laughter at their *quaint* opinions wide,
Hereafter. *Milton P. L.*

6. *Quaint* is, in Spenser, quailed; depressed. I believe by a very licentious irregularity. Dr. Johnson. — This is a great mistake; for, in the passage which Dr. Johnson cites from Spenser, the word *queint* is the old participle *quenched;* a word of no connection with the adjective before us. See QUEINT.

7. Affected; foppish. This is not the true idea of the word, which Swift seems not to have well understood.

To this we owe those monstrous productions, which under the name of trips, spies, amusements, and other conceited appellations, have over-run us; and I wish I could say, those *quaint* fopperies were wholly absent from graver subjects. *Swift.*

QUAI'NTLY. *adv.* [from *quaint.*]

1. Nicely; exactly; with petty elegance.

When was old Sherewood's hair more *quaintly* curl'd,
Or nature's cradle more enchas'd and purl'd. *B. Jonson.*

2. Artfully.

Breathe his faults so *quaintly*,
That they seem the taints of liberty,
The flash and outbreak of a fiery mind. *Shakspeare.*

3. Ingeniously with success. This is not the true sense.

As my Buxoma
With gentle finger stroak'd her milky care,
I *quaintly* stole a kiss. *Gay.*

QUAI'NTNESS. *n. s.* [from *quaint.*] Nicety; petty elegance.

There is a certain majesty in simplicity, which is far above all the *quaintness* of wit. *Pope.*

To QUAKE. *v. n.* [cpacian, Saxon.]

1. To shake with cold or fear; to tremble.

Dorus threw Pamela behind a tree, where she stood *quaking* like the partridge on which the hawk is ready to seize. *Sidney.*

If Cupid hath not spent all his quiver in Venice, thou wilt *quake* for this. *Shakspeare.*

Do such business as the better day
Would *quake* to look on. *Shakspeare.*

Who honours not his father,
Henry the fifth, that made all France to *quake*,
Shake he his weapon at us, and pass by. *Shakspeare.*

The mountains *quake* at him, and the hills melt, and the earth is burnt at his presence. *Nah.* i. 5.

The *quaking* powers of night stood in amaze. *Cowley.*

In fields they dare not fight where honour calls,
The very noise of war their souls does wound,
They *quake* but hearing their own trumpets sound. *Dryden.*

2. To shake; not to be solid or firm.

Next Smedley div'd; slow circles dimpled o'er
The *quaking* mud, that clos'd and op'd no more. *Pope.*

To QUAKE.* *v. a.* To frighten; to throw into trepidation. Obsolete.

I'll report it,
Where senators shall mingle tears with smiles;
Where great patricians shall attend, and shrug,
I' the end admire; where ladies shall be frighted,
And, gladly *quak'd*, hear more. *Shakspeare, Coriol.*

QUAKE. *n. s.* [from the verb.] A shudder; a tremulous agitation.

As the earth may sometimes shake,
For winds shut up will cause a *quake;*
So often jealousy and fear
Stol'n, to mine heart, cause tremblings there. *Suckling.*

QUA'KER.* *n. s.* [generally supposed to be from *quake*, on account of the tremblings with which the speakers of this sect are described: as, "Will any sober person believe, that a *quaking* speaker is divinely inspired, when he commits endless tautologies?" &c. Hallywell's Acc. of Familism as revived by the Quakers, 1673, p. 14. Mr. Malone considers this etymology doubtful, on account of Sir G. Wharton, in 1660, having connected the word with *quack* in the following lines:

"Let's tear our ribbons, burn our richer laces,
"Wear russet, and contrive bewitched faces;
"With *thee* and *thou* let us go *quack* awhile," &c.

And accordingly the poet afterwards calls them *mummers.* The term, however, is said by their own writers, to have been given on account of a justice in Derbyshire, before whom George Fox shoemaker and founder of their order was brought, deriding Fox for having bidden him and those about him, to tremble at the Word of the Lord. From that period, 1650, the name of *quaker* is said to have been applied to Fox's followers; who, however, denominated themselves *friends.*] One of a religious sect, distinguished by several particularities in opinions and manners; and especially by peaceable demeanour.

Quakers, that, like to lanterns, bear
Their light within 'em, will not swear. *Hudibras*, ii. ii.

Friend, 19th of the seventh month. Being of that part of Christians whom men call *quakers;* and being a seeker of the right way, I was persuaded yesterday to hear one of your most noted preachers: the matter he treated, was necessity of well living grounded upon a future state. *Tatler*, No. 72.

Seeing a book in his [a quaker's] hand, I asked our artist what it was, who told me it was the *quaker*'s religion. Upon perusal, I found it to be nothing but a new-fashioned grammar, or an art of abridging ordinary discourse. The nouns were reduced to a very small number, as the *light, friend, Babylon.* The principal of his pronouns was *thou.* — There were no adverbs besides *yea* and *nay.* — The conjunctions were only *hem!* and *ha!* — There was at the end of the grammar a little nomenclature, called The Christian Man's Vocabulary, which gave new appellations, or (if you will) Christian names to almost every thing in life. I replaced the book in the hand of the figure, not without admiring the simplicity of its garb, speech, and behaviour. *Addison, Tatler*, No. 257.

QUA'KERLY.* *adj.* [from *quaker.*] Resembling quakers.

You would not have Englishmen, when they are in company, hold a silent *quakerly* meeting. *Goodman, Wint. Ev. Conf.* P. I.

QUA'KERISM.* } *n. s.* [from *quaker.*] The notions of
QUA'KERY. } quakers.

This man's faction, that man's *quakerism*, and another's popery. *South, Serm.* v. 513.

Quakery, though it pretend high, is mere Sadducism at the bottom. *Hallywell, Acc. of Fam.* ch. 4.

Suppose presbytery, anabaptism, *quakerism*, independency, &c. or any other subdivided sect among us, should be established. *Swift on Repealing the Test.*

Plainness, simplicity, and *quakerism*, either in dress or manners, will by no means do. *Ld. Chesterfield.*

QUA'KING.* *n. s.* [cpacunᵹ, Saxon.] Trepidation.

Son of man, eat thy bread with *quaking*, and drink thy water with trembling and with carefulness. *Ezek.* xii. 18.

A great *quaking* fell upon them. *Dan.* x. 7.

The *quakings* of the earth were more terrible in former ages. *Hakewill on Prov.* p. 125.

QUA'KING-GRASS. *n. s.* [*phalaris*, Lat.] An herb. *Ainsworth.*

QUA'LIFIABLE.* *adj.* [from *qualify.*] That may be abated, or qualified. *Sherwood.*

As to that extermination of the Canaanites, which carries so horrible an appearance of severity, we may find it *qualifiable*, if

we consider that, for the nature of the trespasses, which procured it, they were insufferably heinous and abominable.
Barrow, vol. iii. S. 37.

Qualifica'tion. *n. s.* [*qualification*, Fr. from *qualify*.]

1. That which makes any person or thing fit for any thing.

It is in the power of the prince to make piety and virtue become the fashion, if he would make them necessary *qualifications* for preferment. *Swift.*

2. Accomplishment.

Good *qualifications* of mind enable a magistrate to perform his duty, and tend to create a publick esteem of him.
Atterbury.

3. Abatement; diminution.

Neither had the waters of the flood infused such an impurity, as thereby the natural and powerful operation of all plants, herbs, and fruits upon the earth received a *qualification* and harmful change. *Ralegh, Hist. of the World.*

Qua'lifier.* *n. s.* [from *qualify*.] That which modifies, or qualifies.

Tobacco, being hot and dry, must have a *qualifier* of cold and moist from the pot; and that again being cold and moist, must have a *qualifier* of hot and dry from the pipe, which makes them like ratsban'd rats drink and vent, vent and drink, Sellenger's round, and the same again!
Junius, Sin Stigm. (1639,) p. 269.

To **QUA'LIFY.** *v. a.* [*qualifier*, Fr.]

1. To fit for any thing.

Place over them such governours, as may be *qualified* in such manner as may govern the place. *Bacon, Adv. to Villiers.*

I bequeath to Mr. John Whiteway the sum of one hundred pounds, in order to *qualify* him for a surgeon. *Swift's Will.*

2. To furnish with qualifications.

That which ordinary men are fit for, I am *qualified* in, and the best of me is diligence. *Shakspeare, K. Lear.*

She is of good esteem,
Her dowry wealthy, and of worthy birth,
Beside so *qualified* as may beseem
The spouse of any noble gentleman. *Shakspeare.*

3. To make capable of any employment or privilege: as, he is *qualified* to kill game.

4. To abate; to soften; to diminish.

I have heard,
Your grace hath ta'en great pains to *qualify*
His rigorous course. *Shakspeare, Merch. of Ven.*

I do not seek to quench your love's hot fire,
But *qualify* the fire's extreme rage,
Lest it should burn above the bounds of reason. *Shakspeare.*

I have drunk but one cup to-night, and that was craftily *qualified* too; and behold what innovation it makes here.
Shakspeare.

They would report that they had records for twenty thousand years, which must needs be a very great untruth, unless we will *qualify* it, expounding their years, not of the revolution of the sun, but of the moon. *Abbot.*

It hath so pleased God to provide for all living creatures, wherewith he hath filled the world, that such inconveniences, as we contemplate afar of, are found, by trial and the witness of men's travels, to be so *qualified*, as there is no portion of the earth made in vain. *Ralegh, Hist. of the World.*

So happy 'tis you move in such a sphere,
As your high majesty with awful fear
In human breasts might *qualify* that fire,
Which kindled by those eyes had flamed higher. *Waller.*

Children should be early instructed in the true estimate of things, by opposing the good to the evil, and compensating or *qualifying* one thing with another. *L'Estrange.*

My proposition I have *qualified* with the word, often; thereby making allowance for those cases, wherein men of excellent minds may, by a long practice of virtue, have rendered even the heights and rigours of it delightful. *Atterbury.*

5. To ease; to assuage.

He balms and herbs thereto apply'd,
And evermore with mighty spells them charm'd,
That in short space he has them *qualified*,
And him restor'd to health that would have dy'd. *Spenser.*

6. To modify; to regulate.

It hath no larinx or throttle to *qualify* the sound. *Brown.*

Qua'litied.* *adj.* [from *quality*.] Disposed, with regard to the passions.

Here Episcopius took occasion to clear himself of that imputation lately fastened upon him, that he had abused the delegates, in giving them a counterfeit copy of his speech; protesting he was not so ill *qualitied*, as that in so great a matter, and that before God and so grave a congregation, he would deal doubly and dishonestly.
Hales, Lett. from the Synod of Dort, (1618,) p. 56.

QUA'LITY. *n. s.* [*qualitas*, Lat. *qualitè*, Fr.]

1. Nature relatively considered.

These, being of a far other nature and *quality*, are not so strictly or everlastingly commanded in Scripture. *Hooker.*

Other creatures have not judgement to examine the *quality* of that which is done by them, and therefore in that they do, they neither can accuse nor approve themselves. *Hooker.*

Since the event of an action usually follows the nature or *quality* of it, and the *quality* follows the rule directing it, it concerns a man, in the framing of his actions, not to be deceived in the rule. *South.*

The power to produce any idea in our mind, I call *quality* of the subject wherein that power is. *Locke.*

2. Property; accidental adjunct.

In the division of the kingdom, it appears not which of the dukes he values most; for *qualities* are so weighed, that curiosity in neither can make choice of either's moiety.
Shakspeare.

No sensible *qualities*, as light and colour, heat and sound, can be subsistent in the bodies themselves, absolutely considered, without a relation to our eyes and ears, and other organs of sense: these *qualities* are only the effects of our sensation, which arise from the different motions upon our nerves from objects without, according to their various modification and position. *Bentley.*

3. Particular efficacy.

O, mickle is the powerful grace, that lies
In plants, herbs, stones, and their true *qualities*. *Shakspeare.*

4. Disposition; temper.

To-night we'll wander through the streets, and note
The *qualities* of people. *Shakspeare, Ant. and Cleop.*

5. Virtue or vice.

One doubt remains, said I, the dames in green,
What were their *qualities*, and who their queen? *Dryden.*

6. Accomplishment: qualification.

He had those *qualities* of horsemanship, dancing and fencing, which accompany a good breeding. *Clarendon.*

7. Character.

The attorney of the dutchy of Lancaster partakes of both *qualities*, partly of a judge in that court, and partly of an attorney general. *Bacon, Adv. to Villiers.*

We, who are hearers, may be allowed some opportunities in the *quality* of standers-by. *Swift.*

8. Comparative or relative rank.

It is with the clergy, if their persons be respected, even as it is with other men; their *quality* many times far beneath that which the dignity of their place requireth. *Hooker.*

We lived most joyful, obtaining acquaintance with many of the city, not of the meanest *quality*. *Bacon.*

The masters of these horses may be admitted to dine with the lord lieutenant: this is to be done, what *quality* soever the persons are of. *Temple.*

9. Rank; superiority of birth or station.

Let him be so entertained, as suits with gentlemen of your knowing to a stranger of his *quality*. *Shakspeare, Cymb.*

10. Persons of high rank. Collectively.

I shall appear at the masquerade dressed up in my feathers, that the *quality* may see how pretty they will look in their travelling habits. *Addison, Guardian.*

Of all the servile herd, the worst is he,
That in proud dullness joins with *quality*,
A constant critick at the great man's board,
To fetch and carry nonsense for my lord. *Pope.*

To *quality* belongs the highest place,
My lord comes forward; forward let him come!
Ye vulgar! at your peril give him room. *Young.*

QUALM. *n. s.* [cpealm, Saxon, a sudden stroke of death.] A sudden fit of sickness; a sudden seizure of sickly languor.

Some sudden *qualm* hath struck me to the heart,
And dimm'd mine eyes, that I can read no further. *Shakspeare.*

Compar'd to these storms, death is but a *qualm*,
Hell somewhat lightsome, the Bermudas calm. *Donne.*

I find a cold *qualm* come over my heart, that I faint, I can speak no longer. *Howell.*

All maladies
Of ghastly spasm, or racking torture, *qualms*
Of heart-sick agony. *Milton, P. L.*

For who, without a *qualm*, hath ever look'd
On holy garbage, though by Homer cook'd. *Roscommon.*

They have a sickly uneasiness upon them, shifting and changing from one error, and from one *qualm* to another, hankering after novelties. *L'Estrange.*

Thy mother well deserves that short delight,
The nauseous *qualms* of ten long months and travail to requite. *Dryden, Virg.*

When he hath stretched his vessels with wine to their utmost capacity, and is grown weary and sick, and feels those *qualms* and disturbances that usually attend such excesses, he resolves, that he will hereafter contain himself within the bounds of sobriety. *Calamy.*

The *qualms* or raptures of your blood
Rise in proportion to your food. *Prior.*

Qua'lmish. *adj.* [from *qualm.*] Seized with sickly languor.

I am *qualmish* at the smell of leek. *Shakspeare.*

You drop into the place,
Careless and *qualmish* with a yawning face. *Dryden.*

QUANDA'RY.† *n. s.* [*qu'en dirai je*, Fr. Skinner.] A doubt; a difficulty; an uncertainty. A low word.

I leave you to judge into what a *quandarie* — Pharicles was brought. *Greene, Mamillia,* (1583.)

Much I fear, forsaking of my diet
Will bring me presently to that *quandary*,
I shall bid all adieu. *Beaum. and Fl. Kn. Burn. Pestle.*

To **Quanda'ry.*** *v. a.* [from the noun.] To bring into a difficulty.

Methinks I am *quandary'd*, like one going with a party to discover the enemy's camp, but had lost his guide upon the mountains. *Otway, Soldier's Fortune.*

Qua'ntitative.* *adj.* [from *quantity.*] Estimable according to quantity.

This *quantitative* adultery, by such patching and piecing of the body, makes far more gross alterations and substantial changes of nature. *Bp. Taylor, Artif. Handsom.* p. 44.

Qua'ntitive. *adj.* [*quantitivus*, Lat.] Estimable according to quantity.

This explication of rarity and density, by the composition of substance with quantity, may give little satisfaction to such who are apt to conceive therein no other composition or resolution, but such as our senses shew us, in compounding and dividing bodies according to *quantitive* parts. *Digby.*

QUA'NTITY. *n. s.* [*quantité*, Fr. *quantitas*, Lat.]

1. That property of any thing which may be encreased or diminished.

Quantity is what may be increased or diminished. *Cheyne.*

2. Any indeterminate weight or measure; as, the metals were in different *quantities.*

3. Bulk or weight.

Unskill'd in hellebore, if thou shou'dst try
To mix it, and mistake the *quantity*,
The rules of physick wou'd against thee cry. *Dryden.*

4. A portion; a part.

If I were saw'd into *quantities*, I should make four dozen of such bearded hermites staves as master Shallow. *Shakspeare.*

5. A large portion. This is not regular.

The warm antiscorbutical plants, taken in *quantities*, will occasion stinking breath, and corrupt the blood. *Arbuthnot.*

6. The measure of time in pronouncing a syllable.

So varying still their moods, observing yet in all
Their *quantities*, their rests, their censures metrical. *Drayton.*

The easy pronunciation of a mute before a liquid does not necessarily make the preceding vowel, by position, long in *quantity;* as patrem. *Holder, Elem. of Speech.*

QUA'NTUM. *n. s.* [Latin.] The quantity; the amount.

The *quantum* of presbyterian merit, during the reign of that ill-advised prince, will easily be computed. *Swift.*

To **Quap.*** See *To* Quob.

Quar.* See Quarre.

Qua'rantain.† **Qua'rantine.** } *n. s.* [*quarantain*, Fr. from the Lat. *quarentena*, Lent, or the term of forty days.] See Carentane.

1. The space of forty days, being the time which a ship, suspected of infection, is obliged to forbear intercourse or commerce.

Pass your *quarantine* among some of the churches round this town, where you may learn to speak before you venture to expose your parts in a city congregation. *Swift.*

2. [In law.] A benefit allowed by the law of England to the widow of a man dying seized of land, whereby she may challenge to continue in his capital messuage, or chief mansion-house, (so it be not a castle,) by the space of forty days after his decease. *Cowel.*

The space of 40 days has had with us divers applications; as, the assise of Freshforce in cities and boroughs; and the widow's *quarentine*, which seems to have had beginning either of a deliberative time given to her, to think of her convenience in taking letters of administration, as in another country the reason of the like is given; or else from the 40 days in the essoine of child-birth, allowed by the Norman customs. *Selden on Drayton's Polyolb.* S. 17.

Quarre.† *n. s.* A quarry. Not in use.

Behold our diamonds here, as in the *quarrs* they stand. *Drayton.*

The very agate
Of state and policy, cut from the *quar*
Of Machiavel. *B. Jonson, Magn. Lady.*

QUA'RREL.† *n. s.* [*querelle*, Fr.]

1. A breach of concord.

You and I may engage in this question, as far as either of us shall think profitable, without any the least beginning of a *quarrel*, and then that will competently be removed from such, as of which you cannot hope to see an end. *Hammond.*

2. A brawl; a petty fight; a scuffle.

If I can fasten but one cup upon him,
With that which he hath drunk to-night already,
He'll be as full of *quarrel* and offence,
As my young mistress' dog. *Shakspeare, Othello.*

3. A dispute; a contest.

The part, which in this present *quarrel* striveth against the current and stream of laws, was a long while nothing feared. *Hooker, Dedication.*

It were a matter of more trouble, than necessity, to repeat in this *quarrel* what has been alledged by the worthies of our church. *Holyday.*

As if earth too narrow were for fate,
On open seas their *quarrels* they debate;
In hollow wood they floating armies bear,
And forc'd imprison'd winds to bring 'em near. *Dryden.*

4. A cause of debate.

I could not die any where so contented, as in the king's company; his cause being just, and his *quarrel* honourable. *Shakspeare, Hen. V.*

If not in service of our God we fought,
In meaner *quarrel* if this sword were shaken.
Well might thou gather in the gentle thought,
So fair a princess should not be forsaken. *Fairfax.*

5. Something that gives a right to mischief, reprisal, or action.

He thought he had a good *quarrel* to attack him. *Holinshed.*

Wives are young men's mistresses, companions for middle age, and old men's nurses; so a man may have a *quarrel* to marry when he will. *Bacon, Ess.*

6. Objection; ill will.

Herodias had a *quarrel* against him, and would have killed him, but she could not. *St. Mark*, vi. 19.

We are apt to pick *quarrels* with the world for every little foolery. *L'Estrange.*

I have no *quarrel* to the practice; it may be a diverting way. *Felton on the Classicks.*

7. In Shakspeare, it seems to signify any one peevish or malicious.

Better
She ne'er had known pomp, though it be temporal;
Yet if that *quarrel*, fortune, do divorce
It from the bearer, 'tis a suff'rance panging
As soul and body's sev'ring. *Shakspeare, Hen. VIII.*

8. [*quarel*, old French; *quadrella*, Ital. *quarellus*, *quadrillus*, low Lat. from *quadrum.*] An arrow with a square head.

It is reported by William Brito, that the arcubalista or arbalist was first shewed to the French by our king Richard I. who was shortly after slain by a *quarrel* thereof. *Camden.*

Twang'd the string, outflew the *quarrel* long. *Fairfax.*

9. A square of glass. [*quadrum*, Lat. See the preceding etymon.] *Sherwood.*

10. The instrument with which a square or pane of glass is cut; the glazier's diamond. [from the same root.]

The glazier's instrument is a diamond, usually cut into such a square form as the supposed diamonds on the French and English cards, in the former of which it is still properly called *carreau*, from its original; the square iron head of the arrow used for the cross-bow. In English it was called a *quarrel*, and hence the glazier's diamond and the pane of glass have received their names of square and quarrel. *Douce, Illustr. of Shakspeare*, i. 181.

To QUA'RREL. *v. n.* [*quereller*, Fr.]

1. To debate; to scuffle; to squabble.

I love the sport well, but I shall as soon *quarrel* at it as any man. *Shakspeare.*

Your words have taken such pains, as if they labour'd
To bring manslaughter into form, set *quarrelling*
Upon the head of valour. *Shakspeare, Timon.*

Beasts called sociable, *quarrel* in hunger and lust; and the bull and ram appear then as much in fury and war, as the lion and the bear. *Temple, Miscell.*

2. To fall into variance.

Our discontented counties do revolt;
Our people *quarrel* with obedience. *Shakspeare, K. John.*

3. To fight; to combat.

When once the Persian king was put to flight,
The weary Macedons refus'd to fight;
Themselves their own mortality confess'd,
And left the son of Jove to *quarrel* for the rest. *Dryden.*

4. To find fault; to pick objections.

To admit the thing, and *quarrel* about the name, is to make ourselves ridiculous. *Bramhall against Hobbes.*

They find out miscarriages wherever they are, and forge them often where they are not; they *quarrel* first with the officers, and then with the prince and state. *Temple.*

In a poem elegantly writ,
I will not *quarrel* with a slight mistake. *Roscommon.*

I *quarrel* not with the word, because used by Ovid. *Dryden.*

5. To disagree; to have contrary principles.

Some things arise of strange and *quarrelling* kind,
The fore part lion and a snake behind. *Cowley.*

To QUA'RREL.* *v. a.* To quarrel with. Harsh, and not in use.

That they would say: and how that I had *quarrell'd*
My brother purposely, thereby to find
An apt pretext to banish them my house.
B. Jonson, Every Man in his Humour.

QUA'RRELLER.† *n. s.* [from *quarrel.*] He who quarrels.

Mockers, murmurers, *quarrellers*, and proud speakers. *Bale, Yet a Course*, (1543,) fol. 89.

Besides that he's a fool, he's a great *quarreller*. *Shakspeare, Tw. Night.*

To speak evil of no man, to be no *quarreller*, but gentle, showing all meekness unto all men. *Barrow*, vol. i, S. 29.

QUA'RRELLING.* *n. s.* [from *quarrel.*] Breach of concord; dispute; objection; disagreement.

Wine, drunken with excess, maketh bitterness of the mind, with brawling and *quarrelling*. *Ecclus.* xxxi. 29.

In these *quarrellings* of some severer spirits against all auxiliary beauty, and helps of handsomeness in women, I observe that commonly what they want in force of arguments, rational or religious, they make up in clamour and confidence. *Bp. Taylor, Artif. Handsom.* p. 65.

For divorce, a power to break that bond would too much encourage married persons in the little *quarrellings* that may rise between them. *Burnet, Life of Rochester*, p. 113.

QUA'RRELLOUS.† *adj.* [*querelleux*, Fr.] Petulant; easily provoked to enmity; quarrelsome.

Ready in gybes, quick answered, saucy, and
As *quarrellous* as the weazel. *Shakspeare, Cymb.*

Pursepride is *quarrellous*, domineering over the humble neighbourhood, and raising quarrels out of trifles. *B. Hall, Sel. Th. Supern.* § 4.

QUA'RRELSOME. *adj.* [from *quarrel.*] Inclined to brawls; easily irritated; irascible; cholerick; petulant.

Cholerick and *quarrelsome* persons will engage one into their quarrels. *Bacon, Ess.*

There needs no more to the setting of the whole world in a flame, than a *quarrelsome* plaintiff and defendant. *L'Estrange.*

QUA'RRELSOMELY. *adv.* [from *quarrelsome.*] In a quarrelsome manner; petulantly; cholerickly.

QUA'RRELSOMENESS.† *n. s.* [from *quarrelsome.*] Cholerickness; petulance.

To curb the lawless insolence of some, the seditious machinations of others; the extortious cruelties of some, the corrupt wresting of justice in others; the giddiness of some, others' *quarrelsomeness*. *Bp. Hall, Rem.* p. 77.

If he perceive in company any discourse tending to ill, either by the wickedness or *quarrelsomeness* thereof, he either prevents it judiciously, or breaks it off seasonably by some diversion. *Herbert, Country Parson*, ch. 18.

QUA'RRY.† *n. s.* [*quarré*, Fr.]

1. A square.

To take down a *quarry* of glass to scowre, sodder, band, and to set it up again, is three halfpence a foot. *Mortimer.*

2. [*quarreau*, *quadreau*, Fr.] An arrow with a square head.

The shafts and *quarries* from their engines fly
As thick as falling drops in April show'rs. *Fairfax.*

3. [From *querir*, to seek, Fr. Skinner; from *carry*, Kennet.] Game flown at by a hawk: perhaps, any thing chased; prey.

His ladie, which this outrage saw,
Whilst they together for the *quarry* strove,
Into the covert did herselfe withdraw. *Spenser, F. Q.*

She dwells among the rocks, on every side
With broken mountains strongly fortify'd;
From thence whatever can be seen surveys,
And stooping, on the slaughter'd *quarry* preys. *Sandys.*

So scented the grim feature, and up turn'd
His nostrils wide into the murky air,
Sagacious of his *quarry*. *Milton, P. L.*

They their guns discharge;
This heard some ships of ours, though out of view,
And swift as eagles to the *quarry* flew. *Waller.*

An hollow crystal pyramid he takes,
In firmamental waters dipt above,
Of it a broad extinguisher he makes,
And hoods the flames that to their *quarry* strove. *Dryden.*

No toil, no hardship can restrain
Ambitious man inur'd to pain;
The more confin'd, the more he tries,
And at forbidden *quarry* flies. *Dryden.*

Ere now the god his arrows had not try'd,
But on the trembling deer or mountain goat,
At this new *quarry* he prepares to shoot. *Dryden.*

Let reason then at her own *quarry* fly,
But how can finite grasp infinity. *Dryden.*

4. A heap of game killed. So it seems to mean in the following passages.

Your wife and babes
Savagely murdered; to relate the manner,
Were, on the *quarry* of these murdered deer,
To add the death of you. *Shakspeare, Macbeth.*

Let me use my sword, I'd make a *quarry*
With thousands of these quarter'd slaves, as high
As I could pick my lance. *Shakspeare, Coriol.*

5. [*quarriere, quarrel,* Fr. from *carrig,* Irish, a stone, Lye; *craigg,* Erse, a rock.] A stone mine; a place where they dig stones.

The same is said of stone out of the *quarry,* to make it more durable. *Bacon, Nat. Hist.*

Pyramids and towers
From diamond *quarries* hewn, and rocks of gold. *Milton, P. L.*

Here though grief my feeble hands up lock,
Yet on the soften'd *quarry* would I score
My plaining verse as lively as before. *Milton, Ode Pass.*

An hard and unrelenting she,
As the new-crusted Niobe;
Or, what doth more of statue carry,
A nun of the Platonick *quarry.* *Cleaveland.*

He like Amphion makes those *quarries* leap

You have already *quench'd* sedition's brand,
And zeal, which burnt it, only warms the land. *Dryden.*

When your work is forged, do not *quench* it in water to cool it, but throw it down upon the floor or hearth to cool of itself, for the *quenching* of it in water will harden it.
Moxon, Mech. Ex.

2. To still any passion or commotion; to repress any motion of the mind good or bad.

But if all aim but this be levell'd false,
The supposition of the lady's death
Will *quench* the wonder of her infamy. *Shakspeare.*

Beseech God, that he will inflame thy heart with this heavenly fire of devotion; and when thou hast obtained it, beware that thou neither *quench* it by any wilful sin, or let it go out again for want of stirring it up and employing it.
Wh. Duty of Man.

3. To allay thirst.

Every draught to him, that has *quenched* his thirst, is but a further quenching of nature, a provision for rheum and diseases, a drowning of the spirits. *South.*

4. To destroy.

When death's form appears, she feareth not
An utter *quenching* or extinguishment;
She would be glad to meet with such a lot,
That so she might all future ill prevent. *Davies.*

Covered with skin and hair keeps it warm, being naturally very cold, and also to *quench* and dissipate the force of any stroke, and retund the edge of any weapon. *Ray.*

To QUENCH. *v. n.* To cool; to grow cool.

Where should he find it fairer than in Blanch. *Shakspeare.*

Fair silver-buskin'd nymphs,
I know this *quest* of yours and free intent
Was all in honour and devotion meant,
To the great mistress of yon princely shrine. *Milton, Arcades.*

An aged man in rural weeds,
Following, as seem'd, the *quest* of some stray ewe. *Milton, P. R.*

To search with wandering *quest* a place foretold
Should be. *Milton, P. L.*

'Twould be not strange, should we find Paradise at this day where Adam left it; and I the rather note this, because I see there are some so earnest in *quest* of it. *Woodward.*

There's not an African,
That traverses our vast Numidian desarts
In *quest* of prey, and lives upon his bow,
But better practises these boasted virtues. *Addison, Cato.*

We see them active and vigilant in *quest* of delight. *Spectator.*

2. [For *inquest.*] An empannelled jury.

What's my offence?
Where is the evidence, that doth accuse me?
What lawful *quest* have given their verdict up
Unto the frowning judge. *Shakspeare, Rich. III.*

How easy is it for a man to fill a book with quotations, as you have done, that can be content with any thing, however foreign to the *question?* *Waterland.*

5. Doubt; controversy; dispute.

This is not my writing,
Though I confess much like the character:
But out of *question* 'tis Maria's hand. *Shakspeare.*

'Tis time for him to shew himself, when his very being is called in *question*, and to come and judge the world, when men begin to doubt whether he made it. *Tillotson.*

The doubt of their being native impressions on the mind, is stronger against these moral principles than the other; not that it brings their truth at all in *question*. *Locke.*

Our own earth would be barren and desolate, without the benign influence of the solar rays, which without *question* is true of all the other planets. *Bentley.*

6. Judicial trial.

Whosoever be found guilty, the communion book hath deserved least to be called in *question* for this fault. *Hooker.*

7. Examination by torture.

Such a presumption is only sufficient to put the person to the rack or *question*, according to the civil law, and not bring him to condemnation. *Ayliffe, Parergon.*

8. State of being the subject of present enquiry.

If we being defendants do answer, that the ceremonies in *question* are godly, comely, decent, profitable for the church, their reply is childish and unorderly to say, that we demand the thing in *question*, and shew the poverty of our cause, the goodness whereof we are fain to beg that our adversaries would grant. *Hooker.*

If it would purchase six shillings and three-pence weighty money, he had proved the matter in *question*. *Locke.*

Nor are these assertions that dropped from their pens by chance, but delivered by them in places where they profess to state the points in *question*. *Atterbury, Pref.*

9. Endeavour; act of seeking. Not in use.

As it more concerns the Turk than Rhodes,
So may he with more facile *question* bear it;
For that it stands not in such warlike brace,
But altogether lacks the abilities
That Rhodes is dress'd in. *Shakspeare.*

To QUE'STION. *v. n.* [from the noun.]

1. To enquire.

Suddenly out of this delightful dream
The man awoke, and would have *question'd* more;
But he would not endure the woful theme. *Spenser.*

He that *questioneth* much shall learn much, and content much; but especially if he apply his questions to the skill of the persons whom he asketh. *Bacon, Ess.*

Unreasonable subtilety will still seem to be reasoning; and at least will *question*, when it cannot answer. *Holyday.*

2. To debate by interrogatories.

I pray you think you *question* with a Jew;
You may as well use question with the wolf,
Why he hath made the ewe bleat for the lamb. *Shakspeare.*

To QUE'STION. *v. a.* [*questionner*, Fr.]

1. To examine one by questions.

Question your royal thoughts, make the case yours;
Be now the father, and propose a son;
Hear your own dignity so much prophan'd:
And then imagine me taking your part,
And in your power so silencing your son. *Shakspeare.*

But hark you, Kate,
I must not have you henceforth *question* me,
Whither I go. *Shakspeare, Hen. IV.*

This construction is not so undubitably to be received, as not at all to be *questioned*. *Brown, Vulg. Err.*

2. To doubt; to be uncertain of.

O impotent estate of human life!
Where fleeting joy does lasting doubt inspire,
And most we *question* what we most desire. *Prior.*

3. To have no confidence in; to mention as not to be trusted.

Be a design never so artificially laid, if it chances to be defeated by some cross accident, the man is then run down, his counsels derided, his prudence *questioned*, and his person despised. *South, Serm.*

QUE'STIONABLE. *adj.* [from *question.*]

1. Doubtful; disputable.

Your accustomed clemency will take in good worth, the offer of these my simple labours, bestowed for the necessary justification of laws heretofore made *questionable*, because not perfectly understood. *Hooker, Dedic.*

That persons drowned float, the ninth day when their gall breaketh, is a *questionable* determination, both in the time and cause. *Brown, Vulg. Err.*

It is *questionable*, whether the use of steel springs was known in those ancient times. *Wilkins, Math. Mag.*

It is *questionable*, whether Galen ever saw the dissection of a human body. *Baker, Reflections on Learning.*

2. Suspicious; liable to suspicion; liable to question.

Be thy intents wicked, or charitable,
Thou com'st in such a *questionable* shape,
That I will speak to thee. *Shakspeare, Hamlet.*

QUE'STIONARY. *adj.* [from *question.*] Enquiring; asking questions.

I grow laconick even beyond laconicism; for sometimes I return only yes or no to *questionary* epistles of half a yard long. *Pope to Swift.*

QUE'STIONABLENESS. *n. s.* [from *question.*] The quality of being questionable.

QUE'STIONER.† *n. s.* [from *question.*] An enquirer.

QUI'BBLE.† *n. s.* [from *quidlibet*, Lat. Dr. Johnson. — Rather from *quip.*] A slight cavil; a low conceit depending on the sound of words; a sort of pun.

This may be of great use to immortalize puns and *quibbles*, and to let posterity see their forefathers were blockheads. *Addison.*

Quirks or *quibbles* have no place in the search after truth. *Watts.*

Having once fully answered your *quibble*, you will not, I hope, expect that I should do it again and again. *Waterland.*

To QUI'BBLE. *v. n.* [from the noun.] To pun; to play on the sound of words.

The first service was neats tongues sliced, which the philosophers took occasion to discourse and *quibble* upon in a grave formal way. *L'Estrange.*

QUI'BBLER. *n. s.* [from *quibble.*] A punster.

QUICE.* See QUEEST.

To Quich.* *v. n.* [cpiccian, Sax. to quicken. See also the etymology of Quick. Dr. Johnson has given *queck* instead of this word, in a corrupted example from Bacon; which has not escaped the notice of Mr. Malone, who says that, in the edition of Bacon's Essays printed in 1632, the word is *queeching:* but it is certainly *queching.*] To stir; to move. Our ancient lexicography has the word with this definition: as in the Pr. Parv.

Underneath her feet, there as she sate,
An huge great lyon lay (that mote appall
An hardy courage) like captived thrall
With a strong yron chain and coller bound,
That once he could not move, nor *quich* at all.
Spenser, F. Q. v. ix. 33.

The lads of Sparta, of ancient time, were wont to be scourged upon the altar of Diana, without so much as *queching.* *Bacon, Ess.* (ed. 1632,) p. 233.

1. To make alive.

All they that go down into the dust, shall kneel before him; and no man hath *quickened* his own soul. *Ps.* xxii. 30.

This my mean task would be
As heavy to me, as 'tis odious; but
The mistress which I serve, *quickens* what's dead,
And makes my labours pleasures. *Shakspeare, Tempest.*

Fair soul, since to the fairest body join'd
You gave such lively life, such *quickening* power,
And influence of such celestial kind,
As keeps it still in youth's immortal flower. *Davies.*

He throws
His influence round, and kindles as he goes;
Hence flocks and herds, and men, and beasts and fowls
With breath are *quicken'd*, and attract their souls. *Dryden.*

2. To hasten; to accelerate.

You may sooner by imagination *quicken* or slack a motion, than raise or cease it; as it is easier to make a dog go slower, than to make him stand still. *Bacon, Nat. Hist.*

Others were appointed to consider of penal laws and proclamations in force, and to *quicken* the execution of the most principal. *Hayward.*

Though any commodity should shift hands never so fast, yet, if they did not cease to be any longer traffick, this would not at all make or *quicken* their vent. *Locke.*

3. To sharpen; to actuate; to excite.

Though my senses were astonished, my mind forced them to *quicken* themselves; because I had learnt of him, how little favour he is wont to shew in any matter of advantage. *Sidney.*

2. Activity; briskness.

The best choice is of an old physician and a young lawyer; because, where errors are fatal, ability of judgement and moderation are required; but where advantages may be wrought upon, diligence and *quickness* of wit. *Wotton.*

The *quickness* of the imagination is seen in the invention, the fertility in the fancy, and the accuracy in the expression. *Dryden.*

3. Keen sensibility.

Would not *quickness* of sensation be an inconvenience to an animal that must lie still. *Locke.*

4. Sharpness; pungency.

Thy generous fruits, though gather'd ere their prime,
Still shew'd a *quickness*; and maturing time
But mellows what we write to the dull sweets of rhime. *Dryden.*

Ginger renders it brisk, and corrects its windiness, and juice of corinths whereof a few drops tinge and add a pleasant *quickness*. *Mortimer.*

Qui'cksand. *n. s.* [*quick* and *sand.*] Moving sand; unsolid ground.

What is Edward, but a ruthless sea?
What Clarence, but a *quicksand* of deceit? *Shakspeare.*

Undergirding the ship, and fearing lest they should fall into the *quicksands*, they strake sail, and so were driven. *Acts*, xxvii.

But when the vessel is on *quicksands* cast,
The flowing tide does more the sinking haste. *Dryden.*

Trajan, by the adoption of Nerva, stems the tide to her relief, and like another Neptune shoves her off the *quicksands*. *Addison on Medals.*

I have marked out several of the shoals and *quicksands* of life, in order to keep the unwary from running upon them. *Addison.*

Quicksce'nted.* *adj.* [*quick* and *scent.*] Having quick perception by the nose; discovering by the smell.

I especially commend unto you to be *quickscented*, easily to trace the footing of sin. *Hales, Rem.* p. 168.

To **Qui'ckset.** *v. a.* [*quick* and *set.*] To plant with living plants.

In making or mending, as needeth thy ditch,
Get set to *quickset* it, learn cunningly which. *Tusser.*

A man may ditch and *quickset* three poles a day, where the ditch is three foot wide and two foot deep. *Mortimer.*

Qui'ckset. *n. s.* [*quick* and *set.*] Living plant set to grow.

The batful pastures fenc'd, and most with *quickset* mound. *Drayton.*

Plant *quicksets* and transplant fruit trees towards the decrease. *Evelyn, Kal.*

Nine in ten of the *quickset* hedges are ruined for want of skill. *Swift, Miscell.*

Quicksi'ghted. *adj.* [*quick* and *sight.*] Having a sharp sight.

Nobody will deem the *quicksighted* amongst them, to have very enlarged views in ethicks. *Locke.*

No article of religion hath credibility enough for them; and yet these same cautious and *quicksighted* gentlemen can swallow down this sottish opinion about percipient atoms. *Bentley.*

Quicksi'ghtedness. *n. s.* [from *quicksighted.*] Sharpness of sight.

The ignorance that is in us no more hinders the knowledge that is in others, than the blindness of a mole is an argument against the *quicksightedness* of an eagle. *Locke.*

Qui'cksilver. *n. s.* [*quick* and *silver*; *argentum vivum*, Latin.]

Quicksilver, called mercury by the chymists, is a naturally fluid mineral, and the heaviest of all known bodies next to gold, and is the more heavy and fluid as it is more pure; it is wholly volatile in the fire, and may be driven up in vapour by a degree of heat very little greater than that of boiling water: it is the least tenacious of all bodies, and every smaller drop may be again divided by the lightest touch into a multitude of others: the specifick gravity of pure mercury is to water as 14020 to 1000, and as it is the heaviest of all fluids, it is also the coldest, and when heated the hottest; the ancients all esteemed *quicksilver* a poison, nor was it brought into internal use till about two hundred and twenty years ago, which was first occasioned by the shepherds, who ventured to give it their sheep to kill worms, and as they received no hurt by it, it was soon concluded, that men might take it safely: in time, the diggers in the mines, when they found it crude, swallowed it in vast quantities, in order to sell it privately, when they had voided it by stool: but the miners seldom follow their occupation above three or four years, and the artificers, who have much dealing in it, are generally seized with paralytick disorders. *Hill, Mat. Med.*

Cinnabar maketh a beautiful purple like unto a red rose; the best was wont to be made in Libia of brimstone and *quicksilver* burnt. *Peacham on Drawing.*

Pleasures are few, and fewer we enjoy;
Pleasure, like *quicksilver*, is bright and coy;
We strive to grasp it with our utmost skill,
Still it eludes us, and it glitters still:
If seiz'd, at last, compute your mighty gains,
What is it, but rank poison in your veins. *Young.*

Qui'cksilvered.† *adj.* [from *quicksilver.*]

1. Overlaid with quicksilver.

Metal is more difficult to be polished than glass, and is afterwards very apt to be spoiled by tarnishing, and reflects not so much light as glass *quicksilvered* over does: I would propound to use instead of the metal a glass ground concave on the foreside, and as much convex on the back side, and *quicksilvered* over on the convex side. *Newton, Opt.*

2. Partaking of the nature of quicksilver.

Those nimble and *quicksilvered* brains, which itch after change. *Sir E. Sandys, State of Rel.* (ed. 1605,) H. 2. b.

Quickwi'tted.* *adj.* [*quick* and *wit.*] Having ready wit.

How likes Gremio these *quick-witted* folks?
Shakspeare, Tam. of the Shrew.

Quickwitted, brazen-fac'd, with fluent tongues. *Dryden, Juv.*

Quid.* *n. s.* [*kuyden*, mandere, dentibus molere. Lye. Rather a corruption of *cud.*] Something chewed: as, in vulgar language, a *quid* of tobacco. See Chew.

In Kent, a cow is said to chew her *quid*; so that *cud* and *quid* are the same. *Pegge, Anonym.* p. 261.

QUI'DAM. *n. s.* [Latin.] Somebody. Not now used.

For envy of so many worthy *quidams*, which catch at the garland, which to you alone is due, you will be persuaded to pluck out of the hateful darkness those so many excellent poems of yours, which lie hid, and bring them forth to eternal light. *Spenser.*

Qui'ddany. *n. s.* [*cydonium, cydoniatum*, Lat. *quidden*, German, a quince.] Marmalade; confection of quinces made with sugar.

Qui'ddit.† *n. s.* [corrupted from *quidlibet*, Lat. or from *que dit*, Fr.] A subtilty; an equivocation. A low word.

Why may not that be the scull of a lawyer? where be his *quiddits* now? his quillets? his cases? his tenures, and his tricks? *Shakspeare.*

Causes have their *quiddits*, and 'tis ill jesting with bell-ropes.
B. Jonson, Every Man out of his Humour.

Qui'ddity.† *n. s.* [*quidditas*, low Latin.]

1. Essence; that which is a proper answer to the question, *quid est?* a scholastick term.

I trowe, some mathematical *quidditie*, they cannot tell what.
Abp. Cranmer, Answ. to Bp. Gardiner, p. 120.

The *quiddity* and essence of the incomprehensible Creator cannot imprint any formal conception upon the finite intellect of the creature. *Howell, Lett.* ii. 11.

He could reduce all things to acts,
And knew their natures and abstracts,
Where entity and *quiddity*,
The ghosts of defunct bodies fly. *Hudibras.*

2. A trifling nicety; a cavil; a captious question.

Misnomer in our laws, and other *quiddities*, I leave to the professors of law. *Camden, Rem.*

How now, how now, mad wag? what, in thy quips and thy *quiddities*? what a plague have I to do with a buff jerkin?
Shakspeare, Hen. IV. P. I.

Such quirks and *quiddities*. *Burton, Anat. of Mel.* p. 676.

QUIE'SCENCE. *n. s.* [from *quiesco*, Lat.] Rest; repose.

Whether the earth move or rest, I undertake not to determine: my work is to prove, that the common inducement to the belief of its *quiescence*, the testimony of sense, is weak and frivolous. *Glanville, Scepsis.*

Quie'scent. *adj.* [*quiescens*, Latin.] Resting; not being in motion; not movent; lying at repose.

Though the earth move, its motion must needs be as insensible as if it were *quiescent*. *Glanville, Scepsis.*

The right side, from whence the motion of the body beginneth, is the active or moving side; but the sinister is the weaker or more *quiescent* side. *Brown, Vulg. Err.*

Sight takes in at a greater distance and more variety at once, comprehending also *quiescent* objects, which hearing does not.
Holder, Elem. of Speech.

If it be in some part movent, and in some part *quiescent*, it must needs be a curve line, and so no radius. *Grew.*

Pression or motion cannot be propagated in a fluid in right lines, beyond an obstacle which stops part of the motion, but will bend and spread every way into the *quiescent* medium, which lies beyond the obstacle. *Newton, Opt.*

QUI'ET. *adj.* [*quiet*, Fr. *quietus*, Latin.]

1. Still; free from disturbance.

Breaking off the end for want of breath,
And sliding soft as down to sleep her laid,
She ended all her woe in *quiet* death. *Spenser.*

This life is best,
If *quiet* life is best; sweeter to you,
That have a sharper known. *Shakspeare, Cymb.*

Justly thou abhorr'st
That son, who on the *quiet* state of man
Such trouble brought. *Milton, P. L.*

2. Peaceable; not turbulent; not offensive; mild.

Let it be in the ornament of a meek and *quiet* spirit.
1 *Pet.* iii. 4.

3. Still; not in motion.

They laid wait for him, and were *quiet* all the night.
Judges, xvi. 2.

4. Smooth; not ruffled.

Happy is your grace,
That can translate the stubbornness of fortune
Into so *quiet* and so sweet a style. *Shakspeare.*

Qui'et.† *n. s.* [*quiet*, old Fr. la paix; pax: of the 11th century: Lacombe; *quies*, Lat.] Rest; repose; tranquillity; freedom from disturbance; peace; security; stillness.

They came into Laish unto a people that were at *quiet* and secure. *Judges*, xviii. 27.

The land
A dreadful *quiet* felt, and worser far
Than arms, a sullen interval of war. *Dryden.*

There fix'd their arms, and there renew'd their name,
And there in *quiet* rules. *Dryden, Æn.*

Indulgent *quiet*, pow'r serene,
Mother of peace and joy and love. *Hughes.*

To **Qui'et.**† *v. a.* [from the noun.]

1. To calm; to lull; to pacify; to put to rest.

Nothing but well and fair,
And what may *quiet* us in a death so noble. *Milton, S. A.*

The lowest degree of faith, that can *quiet* the soul of man, is a firm conviction that God is placable. *Forbes.*

2. To still.

Putting together the ideas of moving or *quieting* corporeal motion, joined to substance, we have the idea of an immaterial spirit. *Locke.*

Qui'eter. *n. s.* [from *quiet.*] The person or thing that quiets.

Qui'etism.† *n. s.* [from *quiet.*] The sentiments of the religious sect, called *quietists*, which made a great noise towards the close of the seventeenth century; and of which Molinos, a Spanish priest, is reputed the founder.

What is called by the poets apathy or dispassion, by the scepticks indisturbance, by the Molinists *quietism*, by common men peace of conscience, seems all to mean but great tranquillity of mind. *Temple.*

The pretences of *quietism*, and of a more sublime and abstracted devotion, have sometimes been employed to very gross and carnal purposes. *Coventry, Phil. to Hyd.* Conv. I.

The enthusiasm of puritanical devotion partook of the mystic visions of monastic *quietism*. *Warton, Notes on Milton's Odes.*

Qui'etist.* *n. s.* One of the mystical sect which has maintained that religion consists in the internal rest and recollection of the mind.

Nor is enthusiasm, or fanaticism, a stranger to popery; of which the *quietists*, and others of the mystick way, can give abundant testimony. *Trapp, Popery truly Stated*, P. iii.

Ye *quietists*, in homage to the skies!
Serene, of soft address, who mildly make
An unobtrusive tender of your hearts,
Abhorring violence! —
Think you my song too turbulent? *Young, Night Th.* 4.

QUI'ETLY. *adv.* [from *quiet*.]

1. Calmly; without violent emotion.

Let no man for his own poverty become more oppressing in his bargain, but *quietly*, modestly, and patiently recommend his estate to God, and leave the success to him. *Bp. Taylor.*

2. Peaceably; without offence.

Although the rebels had behaved themselves *quietly* and modestly by the way as they went; yet they doubted that would but make them more hungry to fall upon the spoil in the end. *Bacon, Hen. VII.*

3. At rest; without agitation.

QUI'ETNESS. *n. s.* [from *quiet*.]

1. Coolness of temper.

This cruel *quietness* neither returning to mislike nor proceeding to favour; gracious, but gracious still after one manner. *Sidney.*

That which we move for our better instruction sake, turneth into anger and choler in them; they grow altogether out of *quietness* with it; they answer fumingly. *Hooker.*

2. Peace; tranquillity.

Stop effusion of our christian blood,
And 'stablish *quietness* on ev'ry side. *Shakspeare, Hen. VI.*

What miseries have both nations avoided, and what *quietness* and security attained by their peaceable union? *Hayward.*

3. Stillness; calmness.

If we compare the *quietness* and chastity of the Bolognese pencil to the bustle and tumult that fills every part of a Venetian picture, without the least attempt to interest the passions, their boasted art will appear a mere struggle without effect. *Reynolds.*

QUI'ETSOME. *adj.* [from *quiet*.] Calm; still; undisturbed. Not in use.

Let the night be calm and *quietsome*,
Without tempestuous storms or sad affray. *Spenser.*

QUI'ETUDE.† *n. s.* [*quietude*, Fr. from *quiet*.] Rest; repose; tranquillity. Not in common use.

From the equal distribution of the phlegmatick humour, the proper allay of fervent blood, will flow a future *quietude* and serenitude in the affections. *Wotton on Education.*

They disturbed her repose and *quietude* at home. *Howell, Disc. of Dunkirk*, p. 5.

QUIE'TUS.* *n. s.* [Latin.] Final discharge; complete acquittance: originally, a law term.

Her audit, though delay'd, answer'd must be,
And her *quietus* is to render thee. *Shakspeare, Sonn.* 126.

When he himself might his *quietus* make
With a bare bodkin. *Shakspeare, Hamlet.*

One would have thought, it might have given even this restless and malicious spirit himself, were he capable of it, his *quietus est.* *South, Serm.* vi. 125.

QUILL. *n. s.*

1. The hard and strong feather of the wing, of which pens are made.

With her nimble *quills* his soul doth seem to hover,
And eye the very pitch that lusty bird did cover. *Drayton.*

Birds have three other hard substances proper to them; the bill, which is of a like matter with the teeth, the shell of the egg, and their *quills*. *Bacon, Nat. Hist.*

2. The instrument of writing.

I will only touch the duke's own deportment in that island, the proper subject of my *quill*. *Wotton, D. of Buckingham.*

Those lives they fail'd to rescue by their skill,
Their muse would make immortal with her *quill*. *Garth.*

From him whose *quills* stand quiver'd at his ear,
To him that notches sticks at Westminster. *Pope.*

3. Prick or dart of a porcupine.

Near these was the black prince of Monomotapa, by whose side was seen the *quill* darting porcupine. *Arbuthnot and Pope.*

4. Reed on which weavers wind their threads.

The presumptuous damsel rashly dar'd
The goddess' self to challenge to the field,
And to compare with her in curious skill,
Of works with loom, with needle, and with *quill*. *Spenser.*

5. The instrument with which musicians strike their strings.

His flying fingers and harmonious *quill*
Strike seven distinguish'd notes, and seven at once they fill. *Dryden, Æn.*

To QUILL.* *v. a.* To plait; to form in plaits, or folds, like quills.

What they called his cravat, was a little piece of white linen *quilled* with great exactness *Addison, Tatler*, No. 257.

His cravat seemed *quilled* into a ruff. *Goldsmith, Ess.* 19.

QUI'LLET.† *n. s.* [*quidlibet*, Lat. Dr. Johnson. — Warburton was of opinion, that *quillet* is the peculiar word applied to law-chicane, and that the original of it was probably this. In the French pleadings, every several allegation in the plaintiff's charge, and every distinct plea in the defendant's answer, began with the words *qu'il est*, whence was formed the word *quillet*, to signify a false charge, or an evasive answer. But, as Mr. Douce has observed, there is no such term in the French language; nor is it exclusively applicable to law-chicane, though generally so used by Shakspeare. It strictly means a *subtilty*, and seems to have originated among the schoolmen of the middle ages, by whom it was called a *quidlibet*. See Illustr. of Shakspeare, i. 231.] Subtilty; nicety; fraudulent distinction; petty cant.

Why may not that be the skull of a lawyer? where be his quiddits now? his *quillets*? his cases? *Shakspeare.*

Let her leave her bobs,
I have had too many of them, and her *quillets*. *Beaum. and Fl. Tam. Tamed.*

There are many unnecessary *quillets* and quirks in grammar. *Hales, Rem.* p. 127.

A great soul weighs in the scale of reason, what it is to judge of, rather than dwell with too scrupulous a diligence upon little *quillets* and niceties. *Digby.*

Ply her with love letters and billets,
And bait them well for quirks and *quillets*. *Hudibras.*

QUILT. *n. s.* [*couette*, Fr. *kulcht*, Dutch; *culcita*, *culcitra*, Lat.] A cover made by stitching one cloth over another with some soft substance between them.

Quilts of roses and spices are nothing so helpful, as to take a cake of new bread, and bedew it with a little sack. *Bacon.*

In both tables, the beds were covered with magnificent *quilts* amongst the richer sort. *Arbuthnot on Coins.*

She on the *quilt* sinks with becoming woe,
Wrapt in a gown, for sickness and for show. *Pope.*

To QUILT. *v. a.* [from the noun.] To stitch one cloth upon another with something soft between them.

The sharp steel arriving forcibly
On his horse neck before the *quilted* fell,
Then from the head the body sundred quite. *Spenser.*

A bag *quilted* with bran is very good, but it drieth too much. *Bacon, Nat. Hist.*

Entellus for the strife prepares,
Stripp'd of his *quilted* coat, his body bares,
Compos'd of mighty bone. *Dryden, Æn.*

A chair was ready,
So *quilted*, that he lay at ease reclin'd. *Dryden.*

Mayn't I *quilt* my rope? it galls my neck. *Arbuthnot.*

QUI'NARY. *adj.* [*quinarius*, Lat.] Consisting of five.

This *quinary* number of elements ought to have been restrained to the generality of animals and vegetables. *Boyle.*

QUINCE.† *n. s.* [*coin*, Fr. *quidden*, German. Dr. Johnson. — *Cydonium* malum, Lat. so called because said to be brought from *Cydon* in Crete.]

1. The tree.

The *quince* tree is of a low stature; the branches are diffused and crooked; the flower and fruit is like that of the pear tree; but, however cultivated, the fruit is sour and astringent, and is covered with a kind of down: of this the species are six. *Miller.*

2. The fruit.

They call for dates and *quinces* in the pastry. *Shakspeare.*

A *quince* in token of fruitfulness, by the laws of Solon, was given to the brides of Athens upon the day of their marriage. *Peacham on Drawing.*

To QUINCH.† *v. n.* [this word is the same with *quich.*] To stir.

That which I purpose, is — to bestow all my soldiers in such sort as I have done, that no part of all that realm shall be able to dare to *quinch.* *Spenser on Ireland.*

QUINCU'NCIAL. *adj.* [from *quincunx.*] Having the form of a quincunx.

Of a pentagonal or *quincuncial* disposition, Sir Thomas Brown produces several examples in his discourse about the quincunx. *Ray on the Creation.*

QUI'NCUNX. *n. s.* [Latin.]

Quincunx order is a plantation of trees, disposed originally in a square, consisting of five trees, one at each corner, and a fifth in the middle, which disposition, repeated again and again, forms a regular grove, wood, or wilderness; and, when viewed by an angle of the square or paralellogram, presents equal or parallel alleys.

Brown produces several examples in his discourse about the *quincunx.* *Ray on the Creation.*

He whose light'ning pierc'd the Iberian lines,
Now forms my *quincunx*, and now ranks my vines. *Pope.*

QUINQUAGE'SIMA. [Latin.] Quinquagesima Sunday, so called because it is the fiftieth day before Easter, reckoned by whole numbers; Shrove Sunday. *Dict.*

QUINQUA'NGULAR. *adj.* [*quinque* and *angulus*, Lat.] Having five corners.

Each talus, environed with a crust, conforming itself to the sides of the talus, is of a figure *quinquangular.* *Woodward.*

Exactly round, ordinately *quinquangular*, or having the sides parallel. *More against Atheism.*

QUINQUARTI'CULAR. *adj.* [*quinque* and *articulus*, Lat.] Consisting of five articles.

They have given an end to the *quinquarticular* controversy, for none have since undertaken to say more. *Sanderson.*

QUI'NQUEFID. *adj.* [*quinque* and *findo*, Lat.] Cloven in five.

QUINQUEFO'LIATED. *adj.* [*quinque* and *folium*, Lat.] Having five leaves.

QUINQUE'NNIAL.† *adj.* [*quinquennis*, Lat.] Lasting five years; happening once in five years.

A *quinquennial* festival in the isle of Delos. *Potter, Antiq. of Greece*, B. 2. ch. 20.

QUI'NSY. *n. s.* [corrupted from *squinancy.*] A tumid inflammation in the throat, which sometimes produces suffocation.

The throttling *quinsey* 'tis my star appoints,
And rheumatisms I send to rack the joints. *Dryden.*

Great heat and cold, succeeding one another, occasion pleurisies and *quinsies.* *Arbuthnot on Air.*

QUINT. *n. s.* [*quint*, Fr.] A set of five.

For state has made a *quint*
Of generals he's listed in't. *Hudibras.*

QUI'NTAIN. *n. s.* [*quintaine*, Fr.] A post with a turning top. See QUINTIN.

My better parts
Are all thrown down; and that, which here stands up,
Is but a *quintain*, a mere lifeless block. *Shakspeare.*

QUI'NTAL.† *n. s.* [*quintal*, Fr. *centupondium*, Lat.] A hundred weight to weigh with.

QUI'NTESSENCE. *n. s.* [*quinta essentia*, Lat.]

1. A fifth being.

From their gross matter she abstracts the forms,
And draws a kind of *quintessence* from things. *Davies.*

The ethereal *quintessence* of heaven
Flew upward, spirited with various forms,
That roll'd orbicular, and turn'd to stars. *Milton, P. L.*

They made fire, air, earth, and water, to be the four elements, of which all earthly things were compounded, and supposed the heavens to be a *quintessence* or fifth sort of body distinct from all these. *Watts, Logick.*

2. An extract from any thing, containing all its virtues in a small quantity.

To me what is this *quintessence* of dust? man delights not me, nor woman neither. *Shakspeare, Hamlet.*

Who can in memory, or wit, or will,
Or air, or fire, or earth, or water find?
What alchymist can draw, with all his skill,
The *quintessence* of these out of the mind. *Davies.*

For I am a very dead thing,
In whom love wrought new alchymy,
For by his art he did express
A *quintessence* even from nothingness,
From dull privations and lean emptiness. *Donne.*

Paracelsus, by the help of an intense cold, teaches to separate the *quintessence* of wine. *Boyle.*

Let there be light! said God; and forthwith light
Ethereal, first of things, *quintessence* pure,
Sprung from the deep. *Milton, P. L.*

When the supreme faculties move regularly, the inferior passions and affections following, there arises a serenity and complacency upon the whole soul, infinitely beyond the greatest bodily pleasures, the highest *quintessence* and elixir of wordly delights. *South, Serm.*

QUINTESSE'NTIAL. *adj.* [from *quintessence.*] Consisting of quintessence.

Venturous assertions as would have puzzled the authors to have made them good, specially considering that there is nothing contrary to the *quintessential* matter and circular figure of the heavens; so neither is there to the light thereof. *Hakewill.*

QUI'NTIN.† *n. s.* [I know not whence derived; Minsheu deduces it from *quintus*, Lat. and calls it a game celebrated every fifth year; *palus quintanus*, Lat. Ainsworth; *quintaine*, Fr. Dr. Johnson. — The word, it seems, is originally Welsh. "The *gwyntyn*, (literally the *vane*,) corrupted in English into *quintain*; an upright post, on the top of which a spar turned freely. At one end of this spar hung a sand-bag; the other presented a flat side. The rider in passing struck the flat side, and if not dexterous in passing was overtaken, and perhaps dismounted by the sand-bag, and became a fair object of laughter. — Whether the *gwyntyn*, or *quintain*, was in use among the Romans, I am not certain, though I rather think not. The name is, I think, decisively of Welsh origin." Cambrian Popular Antiquities, &c. by the Rev. Peter Roberts, 1815. It is one of the games at a Welsh wedding.] An upright post, on the top of which a cross post turned upon a pin, at one end of the cross post was a broad board, and at the other a heavy sand-bag;

the play was to ride against the broad end with a lance, and pass by before the sand bag coming round, should strike the tilter on the back.

At *quintin* he,
In honour of his bridaltee,
Hath challeng'd either wide countee;
Come cut and long tail, for there be
Six batchelors as bold as he,
Adjuting to his company,
And each one hath his livery. *B. Jonson.*

The highest contentments that the world can yield, become to us like the country *quintanes;* while we run upon them with a hasty speed, if we post not faster off than we at first came on, the bag of sand strikes us in the neck, and leaves us nothing but the blueness of our wounds to boast on. *Feltham, Serm. on Eccl.* ii. 11.

QUI'NTUPLE. *adj.* [*quintuplus*, Lat.] Fivefold.

In the country, the greatest proportion of mortality, one hundred and fifty-six, is above *quintuple* unto twenty-eight the least. *Graunt, Bills of Mortality.*

QUIP. *n. s.* [derived, by the etymologists, from *whip.*] A sharp jest; a taunt; a sarcasm.

Notwithstanding all her sudden *quips*,
The least whereof would quell a lover's hope,
Yet, spaniel like, the more she spurns my love,
The more it grows, and fawneth on her still.
Shakspeare, Two Gent. of Ver.

If I sent him word his beard was not well cut, he would send me word, he cut it to please himself: this is called the *quip* modest. *Shakspeare, As you like it.*

Nymph, bring with thee
Jest and youthful jollity,
Quips, and cranks, and wanton wiles,
Nods, and becks, and wreathed smiles. *Milton, L'All.*

To QUIP.† *v. a.* To rally with bitter sarcasms; to taunt; to insult. *Ainsworth.*

When she complains,
The more he laughes, and does her closely *quip*,
To see her sore lament and bite her tender lip. *Spenser, F. Q.*

To QUIP.* *v. n.* To scoff.

I have seen many so prone to *quip* and gird, that they will rather lose their friend than their scoff.
Sir H. Sidney, Lett. to Sir P. Sidney.

QUIRE.† *n. s.* [*choeur*, Fr. *choro*, Italian; *chorus*, Latin.]

1. A body of singers; a chorus.

The trees did bud and early blosoms bore,
And all the *quire* of birds did sweetly sing,
And told that garden's pleasures in their caroling. *Spenser.*

Myself have lim'd a bush for her,
And plac'd a *quire* of such enticing birds,
That she will light to listen to their lays. *Shakspeare.*

At thy nativity a glorious *quire*
Of angels in the fields of Bethlehem sung
To shepherds watching at their folds by night,
And told them the Messiah now was born. *Milton, P. R.*

I may worship thee
For aye, with temples vow'd and virgin *quires*.
Milton, Transl. from Geoff. of Monmouth.

Begin the song, and strike the livelying lyre,
Lo how the years to come a numerous and well fitted *quire*,
All hand in hand do decently advance,
And to my song with smooth and equal measures dance.
Cowley.

As in beauty she surpass'd the *quire*,
So nobler than the rest was her attire. *Dryden.*

2. Any company or assembly.

By the twinkling of their sacred fire,
He mote perceive a little dawning sight
Of all which there was doing in that *quire;*
Mongst whom a woman spoyl'd of all attire
He spyde lamenting. *Spenser, F. Q.*

3. The part of the church where the service is sung.

I am all on fire,
Not all the buckets in a country *quire*
Shall quench my rage. *Cleaveland.*

Some run for buckets to the hallow'd *quire*,
Some cut the pipes, and some the engines play. *Dryden.*

The fox obscene to gaping tombs retires,
And wolves with howling fill the sacred *quires*. *Pope.*

4. [*quaire*, old Engl. *quaayer*, old Fr. *cahier*, modern.] A bundle of paper consisting of twenty-four sheets.

To QUIRE. *v. n.* [from the noun.] To sing in concert.

There's not the smallest orb which thou behold'st,
But in his motion like an angel sings,
Still *quiring* to the young-ey'd cherubims.
Shakspeare, Merch. of Ven.

My throat of war be turn'd
Which *quired* with my drum, into a pipe
Small as an eunuch, or the virgin's voice
That babies lulls asleep. *Shakspeare, Coriol.*

QUI'RISTER. *n. s.* [from *quire.*] Chorister; one who sings in concert, generally in divine service.

The coy *quiristers*, that lodge within,
Are prodigal of harmony. *Thomson, Spring.*

QUIRITA'TION.* *n. s.* [*quiritatio*, Lat.] A cry for help: an unusual word.

How is it then with thee, O Saviour, that thou thus astonishest men and angels with so woful a *quiritation?* Had thy God left thee? *Bp. Hall, Contempl. The Crucifixion.*

QUIRK.† *n. s.* [of this word I can find no rational derivation. Dr. Johnson.— It may, without violence, be from *jerk*, or *yerk;* as *quip* is from *whip*. The word was written *querk*, as well as *quirk*. "Every scholastical *querk*." Bp. Hall, Occas. Med. § 59. ed. 1661. "Not without sophistical *querks*." A. Wood, Ann. Univ. Ox. in 1557.]

1. Quick stroke; sharp fit.

I've felt so many *quirks* of joy and grief,
That the first face of neither on the start,
Can woman me unto it. *Shakspeare.*

2. Smart taunt.

Some kind of men quarrel purposely on others to taste their valour; belike, this is a man of that *quirk*. *Shakspeare.*

I may chance to have some odd *quirks* and remnants of wit broken on me. *Shakspeare.*

3. Slight conceit.

Conceits, puns, *quirks* or quibbles, jests and repartees may agreeably entertain, but have no place in the search after truth. *Watts on the Mind.*

4. Flight of fancy. Not in use.

Most fortunately he hath achiev'd a maid,
That paragons description and wild fame,
One that excels the *quirks* of blazoning pens. *Shakspeare.*

5. Subtilty; nicety; artful distinction.

Such *quirks* and quiddities. *Burton, Anat. of Mel.* p. 676.

There are many unnecessary *quirks* and quillets in grammar. *Hales, Rem.* p. 127.

Let a lawyer tell them he has spied some defect in an entail; how solicitous are they to repair that error, and leave nothing to the mercy of a law *quirk?* *Decay of Chr. Piety.*

There are a thousand *quirks* to avoid the stroke of the law. *L'Estrange., Fab.*

6. Loose light tune.

Now the chapel's silver bell you hear,
That summons you to all the pride of pray'r;
Light *quirks* of musick, broken and uneven. *Pope.*

7. [In building.] A piece of ground taken out of any regular ground-plat, to make a court or yard. *Chambers.*

QUI'RKISH.* *adj.* [from *quirk.*] Consisting of a slight conceit, or an artful distinction.

Sometimes it [facetiousness] is lodged in a sly question, in a smart answer, in a *quirkish* reason. *Barrow*, vol. i. S. 14.

To QUIT.† *v. a.* part. pass. *quit;* pret. *I quit* or *quitted*. [*quiter*, Fr. *quitare*, Italian: *quitar*, Span. Dr. Johnson. — So the Goth. *afquithan*, to renounce. *Quit* is found, in our old writers, under

the form of *quite*, in several senses; which we now follow in the word *requite*. Chaucer also uses the adjective *quite* for *free*; and Spenser, "*quite* claim" for "*quit* claim;" a law expression.]

1. To discharge an obligation; to make even.

We will be *quit* of thine oath, which thou hast made us to swear. *Jos.* ii. 20.

By this act old tyrant,
I shall be *quit* with thee; while I was virtuous,
I was a stranger to thy blood, but now
Sure thou wilt love me for this horrid crime. *Denham.*

To John I ow'd great obligation;
But John, unhappily, thought fit
To publish it to all the nation;
Sure John and I are more than *quit*. *Prior.*

2. To set free.

Thou art *quit* from a thousand calamities; therefore let thy joy, which should be as great for thy freedom from them as is thy sadness when thou feelest any of them, do the same cure upon thy discontent. *Bp. Taylor.*

Henceforth I fly not death, nor would prolong
Life much; bent rather how I may be *quit*
Fairest, and easiest, of this cumbrous charge. *Milton, P. L.*

To *quit* you of this fear, you have already looked death in the face; what have you found so terrible in it. *Wake.*

3. To carry through; to discharge; to perform.

Never worthy prince a day did *quit*
With greater hazard, and with more renown. *Daniel.*

4. To clear himself of an affair: with the reciprocal pronoun.

Samson hath *quit himself*
Like Samson, and heroickly hath finish'd
A life heroick, on his enemies
Fully reveng'd hath left them years of mourning. *Milton, S. A.*

Be strong, and *quit yourselves* like men. 1 *Sam.* iv. 9.
Stand fast in the faith, *quit you* like men. 1 *Cor.* xvi. 13.

5. To repay; to requite.

He fair the knight saluted, louting low,
Who fair him *quitted*, as that courteous was. *Spenser.*

Enkindle all the sparks of nature,
To *quit* this horrid act. *Shakspeare, K. Lear.*

6. To vacate obligations.

For our reward,
All our debts are paid; dangers of law,
Actions, decrees, judgements against us *quitted*. *B. Jonson.*

One step higher
Would set me highest, and in a moment *quit*
The debt immense of endless gratitude. *Milton, P. L.*

7. To pay any obligation; to clear a debt; to be tantamount.

They both did fail of their purpose, and got not so much as to *quit* their charges; because truth, which is the secret of the most high God, whose proper handy-work all things are, cannot be compassed with that wit and those senses which are our own. *Hooker.*

Does not the air feed the flame? and does not the flame at the same time warm and enlighten the air? and does not the earth *quit* scores with all the elements in the noble fruits that issue from it. *South, Serm.*

Still I shall hear, and never *quit* the score,
Stunn'd with hoarse Codrus' Theseid o'er and o'er? *Dryden.*

Iron works ought to be confined to certain places, where there is no conveyance for timber to places of vent, so as to *quit* the cost of the carriage. *Temple, Miscell.*

8. [Contracted from *acquit*.] To absolve; to acquit.

Nor further seek what their offences be,
Guiltless I *quit*, guilty I set them free. *Fairfax.*

9. To pay.

Far other plaints, tears and laments
The time, the place, and our estates require,
Think on thy sins, which man's old foe presents
Before that Judge that *quits* each soul his hire. *Fairfax.*

10. To abandon; to forsake.

Their father,
Then old and fond of issue, took such sorrow,
That he *quit* being. *Shakspeare, Cymb.*

Honours are promis'd
To all will *quit* 'em; and rewards propos'd
Even to slaves that can detect their courses. *B. Jonson.*

Such variety of arguments only distract the understanding, such a superficial way of examining is to *quit* truth for appearance, only to serve our vanity. *Locke.*

11. To resign; to give up.

The prince, renown'd in bounty as in arms,
With pity saw the ill-conceal'd distress,
Quitted his title to Campaspe's charms,
And gave the fair one to the friend's embrace. *Prior.*

QUI'TCHGRASS. *n. s.* [cpice, Sax. *gramen caninum*, Lat.] Dog-grass.

They are the best corn to grow on grounds subject to *quitchgrass* or other weeds. *Mortimer, Husbandry.*

QUITE. *adv.* [this is derived, by the etymologists, from *quitté*, discharged, free, Fr. which however at first appearance unlikely is much favoured by the original use of the word, which was, in this combination, *quite* and *clean*; that is, *with a clean riddance:* its present signification was gradually introduced.] Completely; perfectly; totally; throughly.

Those latter exclude not the former *quite* and clean as unnecessary. *Hooker.*

He hath sold us, and *quite* devoured our money. *Gen.* xxxi.

If some foreign ideas will offer themselves, reject them, and hinder them from running away with our thoughts *quite* from the subject in hand. *Locke.*

The same actions may be aimed at different ends, and arise from *quite* contrary principles. *Addison, Spect.*

QUI'TRENT. *n. s.* [*quit* and *rent*.] Small rent reserved.

Such a tax would be insensible, and pass but as a small *quitrent*, which every one would be content to pay towards the guard of the seas. *Temple, Miscell.*

My old master, a little before his death, wished him joy of the estate which was falling to him, desiring him only to pay the gifts of charity he had left as *quitrents* upon the estate. *Addison, Spect.*

QUITS. *interj.* [from *quit*.] An exclamation used when any thing is repayed and the parties become even.

QUI'TTAL.* *n. s.* [from *quit*.] Return; repayment.

As in revenge or *quittal* of such strife.
Shakspeare, Rape of Lucrece.

QUI'TTANCE. *n. s.* [*quitance*, Fr.]

1. Discharge from a debt or obligation; an acquittance.

Now I am rememb'red, he scorn'd at me!
But that's all one; omittance is no *quittance*. *Shakspeare.*

2. Recompence; return; repayment.

Mine eyes saw him in bloody state,
Render'd faint *quittance*, wearied and outbreath'd,
To Harry Monmouth. *Shakspeare, Hen. IV.*

Plutus, the god of gold,
Is but his steward; no meed but he repays
Sevenfold above itself; no gift to him
But breeds the giver a return exceeding
All use of *quittance*. *Shakspeare, Timon.*

We shall forget the office of our hand,
Sooner than *quittance* of desert and merit. *Shakspeare.*

To QUI'TTANCE. *v. a.* [from the noun.] To repay; to recompense. A word not used.

Embrace me then this opportunity,
As fitting best to *quittance* their deceit. *Shakspeare.*

QUI'TTER. *n. s.*

1. A deliverer. *Ainsworth.*
2. Scoria of tin. *Ainsworth.*

QUI'TTERBONE. *n. s.*

Quitterbone is a hard round swelling upon the

coronet, between the heel and the quarter, and grows most commonly on the inside of the foot.
Farrier's Dict.

QUI'VER. *n. s.* [this word seems to be corrupted from *couvrir*, Fr. or *cover*.] A case or sheath for arrows.

As Diane hunted on a day,
She chaunc'd to come where Cupid lay,
His *quiver* by his head,
One of his shafts she stole away,
And one of hers did close convey
Into the other's stead;
With that Love wounded my love's heart,
But Diane beasts with Cupid's dart. *Spenser, Poems.*

Those works, with ease as much he did,
As you would ope and shut your *quiver*-lid. *Chapman.*

Diana's nymphs would be array'd in white, their arms and shoulders naked, bows in their hands, and *quivers* by their sides. *Peacham on Drawing.*

Her sounding *quiver* on her shoulder ty'd,
One hand a dart, and one a bow supply'd. *Dryden.*

QUI'VER.✝ *adj.* [probably from *quivan*, Goth. to be alive. "*Quicke*, or *quiver*, agilis." Barret, Alv. 1580.] Nimble; active. Not now in use.

There was a little *quiver* fellow, and he would manage you his piece thus; and he would about and about.
Shakspeare, Hen. IV. P. II.

To QUI'VER.✝ *v. n.* [from *To quaver*: which see.]

1. To quake; to play with a tremulous motion.

The birds chaunt melody on every bush,
The green leaves *quiver* with the cooling wind. *Shakspeare.*

When I heard, my belly trembled; my lips *quivered* at the voice. *Hab.* iii. 16.

O'er the pommel cast the knight,
Forward he flew, and pitching on his head,
He *quiver'd* with his feet, and lay for dead. *Dryden.*

With what a spring his furious soul broke loose,
And left the limbs still *quivering* on the ground. *Addison.*

Eurydice with *quivering* voice he mourn'd,
And Heber's banks Eurydice return'd. *Gay, Trivia.*

Dancing sun-beams on the waters play'd,
And verdant alders form'd a *quivering* shade. *Pope.*

The dying gales that pant upon the trees,
The lakes that *quiver* to the curling breeze. *Pope.*

2. To shiver; to shudder.

Zelmane would have put to her helping hand, but she was taken with such a *quivering*, that she thought it more wisdom to lean herself to a tree and look on. *Sidney.*

QUI'VERED. *adj.* [from *quiver*.]

1. Furnished with a quiver.

'Tis chastity;
She that has that, is clad in complete steel;
And, like a *quiver'd* nymph with arrows keen,
May trace huge forests and unharbour'd heaths,
Infamous hills, and perilous sandy wilds. *Milton, Comus.*

2. Sheathed as in a quiver.

From him whose quills stand *quivered* at his ear,
To him who notches sticks at Westminster. *Pope.*

QUI'XOTISM.✻ *n. s.* [from *Don Quixote*, the celebrated hero of Cervantes; as *rodomontade* from Rodomonte, the hero of Ariosto.] Romantick and absurd notions or actions.

Of old Sheridan he [Johnson] remarked, that he neither wanted parts nor literature; but that his vanity and *quixotism* obscured his merits. *Dr. Maxwell, of Johnson, in Boswell's Life.*

There is a degree of *quixotism*, which proceeds merely from the mimetic disposition of mankind, and is perhaps more common in the world than is generally imagined. What I mean is, a desire of imitating any great personage, whom we read of in history, in their dress, their manner of life, their most indifferent actions, or their most trifling particularities!
Graves, Spirit. Quixote, B. 2. ch. 4.

To QUOB.✝ *v. n.* [a low word, Dr. Johnson says, without offering any etymon. Under the form of *quap*, or *quop*, it is a very old word; and in both shapes is used, according to Grose, for *throb*, in Gloucestershire and Berkshire. It is perhaps of the same origin as *quave*. See *To* QUAVE. Chaucer uses *quap*; Dryden, in a very low passage, *quob*.] To move as the embrio does in the womb; to move as the heart does when throbbing.

His hearte beganne to *quappe*,
Hearing her come. *Chaucer, Tr. and Cress.* iii. 57.

QUOD.✻ The same as *quoth*, he saith; Icel. *quedia*, to say. See QUOTH.

Sire knight, *quod* he, my maister and my lord.
Chaucer, C. T. Prol.

QUO'DLIBET. *n. s.* [Latin.] A nice point; a subtilty.

He who reading on the heart,
When all his *quodlibets* of art
Could not expound its pulse and heat,
Swore, he had never felt it beat. *Prior.*

QUODLIBETA'RIAN. *n. s.* [*quodlibet*, Lat.] One who talks or disputes on any subject. *Dict.*

QUODLIBE'TICAL.✝ *adj.* [*quodlibet*, Lat.] Not restrained to a particular subject: in the schools, theses or problems, anciently proposed to be debated for curiosity or entertainment, were so called.
Dict.

It is pity, that the president of the *quodlibetical* disputations of Lovane had no more discretion than to propound, instead of exercises of learning, a question pertaining to the state.
Fulke, Answ. to P. Frarine, (1580,) p. 1.

QUODLIBE'TICALLY.✻ *adv.* [from *quodlibetical*.] So as to be debated.

Many positions seem *quodlibetically* constituted, and like a Delphian blade will cut on both sides. *Brown, Chr. Mor.* ii. 3.

QUOIF. *n. s.* [*coëffe*, Fr.]

1. Any cap with which the head is covered. See COIF.

Hence thou sickly *quoif*,
Thou art a guard too wanton for the head,
Which princes, flesh'd with conquest, aim to hit. *Seakspeare.*

2. The cap of a serjeant at law.

To QUOIF. *v. a.* [*coeffer*, Fr.] To cap; to dress with a head-dress.

She is always *quoiffed* with the head of an elephant, to show that this animal is the breed of that country. *Addison.*

QUOI'FFURE. *n. s.* [*coeffure*, Fr.] Head-dress.

The lady in the next medal is very particular in her *quoiffure*.
Addison on Medals.

QUOIL. *n. s.* See COIL.

QUOIN. *n. s.* [*coin*, Fr.]

1. Corner.

A sudden tempest from the desert flew
With horrid wings, and thundered as it blew,
Then, whirling round, the *quoins* together strook. *Sandys.*

Build brick houses with strong and firm *quoins* or columns at each end. *Mortimer, Husbandry.*

2. An instrument for raising warlike engines.
Ainsworth.

QUOIT. *n. s.* [*coete*, Dutch.]

1. Something thrown to a great distance to a certain point.

He plays at *quoits* well. *Shakspeare, Hen. IV.*

When he played at *quoits*, he was allowed his breeches and stockings. *Arbuthnot and Pope.*

2. The discus of the ancients is sometimes called in English *quoit*, but improperly; the game of *quoits* is a game of skill; the discus was only a trial of strength, as among us to throw the hammer.

To QUOIT. *v. n.* [from the noun.] To throw quoits; to play at quoits. Dryden uses it to throw the discus. See the noun.]

Noble youths for mastership should strive
To *quoit*, to run, and steeds and chariots drive. *Dryden.*

To QUOIT. *v. a.* To throw.

Quoit him down, Bardolph, like a shove-groat shilling. *Shakspeare.*

'*QUO'NDAM.* [Latin.] Having been formerly. A ludicrous word.

This is the *quondam* king, let's seize upon him. *Shakspeare.*

What lands and lordships for their owner know
My *quondam* barber, but his worship now. *Dryden.*

QUOOK. *preterite* of *quake.* Obsolete.

Freely up those royal spoils he took,
Yet at the lion's skin he inly *quook.* *Spenser.*

To QUOP.* See *To* QUOB.

QUO'RUM. *n. s.* [Latin.] A bench of justices; such a number of any officers as is sufficient to do business.

They were a parcel of mummers, and being himself one of the *quorum* in his own county, he wondered that none of the Middlesex justices took care to lay some of them by the heels. *Addison, Freeholder.*

QUO'TA.† *n. s.* [*quote,* Fr. "la *quote* partie, the several portion or share falling to any one," Cotgrave; *quotus, quota,* Lat. See also QUOTATION.] A share; a proportion as assigned to each.

Scarce one in this list but engages to supply a *quota* of brisk young fellows, equipt with hats and feathers. *Addison.*

QUOTA'TION.† *n. s.* [from *quote.*]

1. Share; proportion: the original word for *quota,* Mr. Malone says. In this he is confirmed by the French *quote;* "la *quote* des tailles, the sessing or assessing of taxes." Cotgrave.

That they should not be able to answer their *quotations,* (as they call them,) or payments to the general charge. *J. Chamberlain, MS. Lett. to Sir D. Carleton,* (May 13. 1613.)

2. The act of quoting; citation.

3. Passage adduced out of an author as evidence or illustration.

He, that has but ever so little examined the citations of writers, cannot doubt how little credit the *quotations* deserve, where the originals are wanting. *Locke.*

He rang'd his tropes, and preach'd up patience,
Back'd his opinion with *quotations.* *Prior.*

To QUOTE.† *v. a.* [*quoter,* Fr.]

1. To cite an author or passage of an author: to adduce by way of authority or illustration the words of another.

The second chapter to the Romans is here *quoted* only to paint the margent. *Whitgift.*

St. Paul *quotes* one of their poets for this saying. *Stillingfleet.*

He changed his mind, say the papers, and *quote* for it Melchier Adams and Hospinian. *Atterbury.*

He *quoted* texts right upon our Saviour, though he expounded them wrong. *Atterbury.*

He will in the middle of a session *quote* passages out of Plato and Pindar. *Swift, Miscell.*

2. To note.

I am sorry that with better heed and judgement
I had not *quoted* him. *Shakspeare, Hamlet.*

I have with exact view perus'd thee, Hector,
And *quoted* joint by joint. *Shakspeare, Tr. and Cress.*

I do slip
No action of my life thus, but I *quote* it. *B. Jonson, Fox.*

QUOTE.* *n. s.* [*quote,* Fr.] A note upon an article. Not in use. *Cotgrave.*

QUO'TER. *n. s.* [from *quote.*] Citer; one that quotes.

I proposed this passage entire, to take off the disguise which its *quoter* put upon it. *Atterbury.*

QUOTH.† *verb imperfect.* [This is only part of cpoðan, Saxon, retained in English, and is now only used in ludicrous language. It is used by Sidney irregularly in the second person. Dr. Johnson.— *Quoth* is to be referred also to the Goth. *quithan,* Sax. cpeðan, Icel. *quedia,* to say; "vox antiquissima," Serenius observes, "et in omnibus ling. Septentr. usitatissima."] *Quoth I,* say I or said I; *quoth he,* says he or said he.

Enjoying, *quoth* you. *Sidney.*

How now, sir John, *quoth* I, what man? *Shakspeare, Hen. V.*

Shall we, *quoth* he, so basely brook
This paltry ass? *Hudibras.*

QUOTI'DIAN. *adj.* [*quotidien,* Fr. *quotidianus,* Lat.] Daily; happening every day.

Quotidian things, and equidistant hence
Shut in for man in one circumference. *Donne.*

Nor was this a short fit of shaking, as an ague, but a *quotidian* fever, always increasing to higher inflammation. *King Charles.*

QUOTI'DIAN.† *n. s.* [*febris quotidiana,* Latin.]

1. A quotidian fever; a fever which returns every day.

If I could meet that fancymonger, I would give him counsel; for he seems to have the *quotidian* of love. *Shakspeare.*

2. Any thing which returns every day.

A disposition which to his he finds will never cement, a *quotidian* of sorrow and discontent in his house. *Milton, Doct. and Disc. of Div.* ii. 16.

QUO'TIENT. *n. s.* [*quotient,* Fr. *quoties,* Latin.]

In arithmetick, *quotient* is the number produced by the division of the two given numbers the one by the other. *Cocker.*

To make all the steps belonging to the same pair of stairs of an equal height, they consider the height of the room in feet and inches, and multiply the feet by twelve, whose product, with the number of odd inches, gives the sum of the whole height in inches, which sum they divide by the number of steps they intend to have in that height, and the *quotient* shall be the number of inches and parts that each step shall be high. *Moxon, Mech. Exercises.*
